---

25 November 2025

Web Travel Group Limited (**Web Travel Group or Company**) (ASX: WEB) announces that Tony Ristevski has tendered his resignation as Chief Financial Officer (CFO) and will leave the business at the end of May 2026 to pursue an external opportunity.

Mr Ristevski will remain with Web Travel Group during his notice period to support an effective transition and year-end close. Together with the Company's Managing Director, Mr Ristevski will present the Company's half year results today as well as full year results in May 2026. The Company will commence a recruitment process to appoint a new CFO and provide an update to the market in due course.

Web Travel Group's Managing Director John Guscic said "Since joining in May 2018, Tony helped integrate the acquisitions of Jac Travel and DOTW that established WebBeds as one of the leading global B2B providers and played a key role helping the business through the pandemic and making sure it is well set up to pursue our global growth ambitions. Following the demerger last year, our business is now primarily northern hemisphere based making it more time intensive to manage from Melbourne and we recognise his preference for something more Australian based. We thank Tony for his considerable contributions during his time with us and wish him the very best for his next endeavour."

The Board also thanks Mr Ristevski for his contributions over the past 8 years.

This announcement has been approved for release to the ASX by the Board of Directors.
