Tamboran Successfully Completes Security Purchase Plan

Tamboran Resources Corporation (NYSE: TBN, ASX: TBN) ("**Tamboran**" or the "**Company**") is pleased to advise that it has completed its security purchase plan ("**SPP**") following the close of the SPP at 5:00pm (Sydney time) on Thursday, November 20, 2025.

A total of approximately A\$17.42 million was raised under the SPP, with 107,558,800 new Chess Depositary Interests expected to be issued to participating eligible shareholders today ("**New CDIs**").

Under the SPP, eligible securityholders were provided with the opportunity to apply for up to A\$30,000 New CDIs at an issue price of A\$0.162 per New CDI, representing a 19.84% discount to the volume weighted average price of CDIs traded over the 5 day period up to and including Wednesday, October 22, 2025.

The SPP follows Tamboran's US public offering and its subsequent Private Investment in Public Equity ("**PIPE**") (together the "**US Offers**") announced to ASX on Friday, October 24, 2025. Tamboran issued 2,673,111 shares of common stock at US\$21.00 per share of common stock under the US public offering raising approximately US\$56.1 million (US\$52.5 million after deducting underwriters discounts and offering expenses), with a further 1,524,377 shares of common stock to be issued under the PIPE at the same price as the US public offering, raising approximately an additional US\$32.01 million, subject to approval by the Company's shareholders.

It is intended that funds raised under the SPP and the US Offers will be used by Tamboran to fund Tamboran's development plan, working capital, and other general corporate purposes.

The New CDIs are expected to commence trading on the ASX on Wednesday, November 26, 2025. Holding statements are expected to be dispatched to successful applicants on Thursday, November 27, 2025.
