## About Zimi

Zimi Limited (ASX: ZMM) is an Australian technology company focused on creating smarter living and working environments by connecting everyday electrical products to the Internet and to each other. The company's product lines, including Powermesh and Senoa, feature smarter switches, light dimmers, power points, fan controllers, and garage door controllers, and smarter safety devices that enable smarter products to create smarter homes as market demand for smart home technology continues to increase.

The company develops in the smart home space and works with the smart home ecosystems of tech giants who are driving Matter, the new global standard to simplify smart home connectivity.

Operating across a multi-billion-dollar opportunity within the Australian market alone, the company reaches customers through leading wholesale, commercial, retail, and trade channels, with partners such as Trader, Steel-Line, Beacon Lighting, Lighting Illusions and Zencontrol.

The company continues to expand its product offerings into new sectors with compatibility with the smart ecosystems of the tech giants. Global expansion opportunities represent future potential for the company. As the Internet of Things (IoT) in the home continues to grow, Zimi is well-positioned for the vast opportunities this rapidly evolving market presents.
