EXPLANATORY INFORMATION

1. Financial statements and reports

At the AGM, Shareholders will be given an opportunity to ask questions and comment on the Directors' Report, Financial Statements and Independent Auditor's Report for the financial year ended 30 June 2025.

Shareholders can view or download a copy of the 2025 Annual Report from the Company's website at maynepharma.com.

The Company's auditor will be available to answer questions as to the conduct of the audit and the Independent Auditor's Report.

Shareholders should note that the sole purpose of tabling the Directors' Report, Financial Statements and Independent Auditor's Report of the Company at the Annual General Meeting is to provide Shareholders with the opportunity to ask questions or discuss matters arising from them. It is not the purpose of the Meeting that the Directors' Report, Financial Statements and Independent Auditor's Report be accepted, rejected or modified in any way. Further, as it is not required by the Corporations Act, no resolution to adopt, receive or consider the Company's Directors' Report, Financial Statements and Independent Auditor's Report will be put to Shareholders at the Meeting.

2. Re-election of Directors

Under rule 3.6 of the Constitution, at each annual general meeting one third (or if that is not a whole number, the whole number nearest to one third) of the Company's Directors (excluding the CEO and any Directors appointed since the last Annual General Meeting) must retire from office and are eligible for re-election.

Resolution 1 – Re-election of Ann Custin

Resolution 1 seeks approval for the re-election of Ann Custin as a Director with effect from the end of the Annual General Meeting.

The Board appointed Ms Custin as a Director of the Company on 23 March 2022.

Ms Custin, a US resident, has almost 40 years of experience in the healthcare sector. Most recently, Ms Custin was Board Director and CFO of Siemens Medical Solutions (now Siemens Healthineers), a leading medical technology company with EUR20 billion in revenues. Previously, she was Chief Operating and Financial Officer of Scient'x Group and President and CEO of USA Draeger Medical Systems. Ms Custin was a Non-Executive Director of Volpara Health Technologies Limited (ASX:VHT) until May 2024 and is a Non-Executive Director of Establishment Labs Holdings Inc (NASDAQ:ESTA).

Ms Custin is Chair of the Audit and Risk Committee.

The Board has determined that Ms Custin is an independent Director.

The Board (with Ms Custin abstaining) recommends that Shareholders vote in favour of Resolution 1.

Resolution 2 – Re-election of David Petrie

Resolution 2 seeks approval for the re-election of David Petrie as a Director with effect from the end of the Annual General Meeting.

The Board appointed Mr Petrie as a Director of the Company on 1 September 2022.

Mr Petrie is an accomplished M&A executive with over 30 years of advisory experience in public and private mergers and acquisitions, capital management and debt and equity raisings. He is currently Principal at Stratford Advisory Group, an independent corporate and financial advisory firm. Previously, he spent 23 years at Merrill

Lynch/Bank of America including Managing Director and Head of Investment Banking Melbourne. He has worked on more than 100 transactions across a range of market sectors including healthcare.

Mr Petrie is a member of the Audit and Risk Committee and the Remuneration and People Committee.

The Board has determined that Mr Petrie is an independent Director.

The Board (with Mr Petrie abstaining) recommends that Shareholders vote in favour of Resolution 2.

3. Resolution 3 – Adoption of Remuneration Report

The Annual Report for the financial year ended 30 June 2025 contains a Remuneration Report, which forms part of the Director's Report and sets out the remuneration policy for the consolidated entity comprising the Company and its controlled entities and reports on the remuneration arrangements in place for its KMP.

Mayne Pharma's executive remuneration framework is focused on aligning Shareholder and management interests by adopting a remuneration policy with a significant weighting to at-risk remuneration including equity-based incentives.

The Remuneration Report includes further details on the elements of remuneration that are performance based, the performance conditions that apply and the methodology used to assess satisfaction of those performance conditions.

The vote on Resolution 3 to adopt the Remuneration Report relates to the Company's remuneration policy and outcomes for the 2025 financial year (FY25).

During consideration of this item, there will be an opportunity for Shareholders at the Meeting to comment on and ask questions about the Remuneration Report and Shareholders are asked to adopt the Remuneration Report.

The vote on the Resolution in this item is advisory and will not bind the Directors. The Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies of the Company.

The Board recommends that Shareholders vote in favour of Resolution 3.

4. Remuneration for the Chief Executive Officer and Managing Director

Mr O'Brien's remuneration comprises fixed annual remuneration (**FAR**), a STI and a LTI. His STI target based upon annual goals is 50% of FAR and his LTI target is 150% of FAR. The LTI is deferred into performance rights (**Performance Rights**) under the Employee Performance Rights and Option Plan (**PROP**). Two thirds of Mr O'Brien's overall remuneration is at risk.

As a result of FY25 performance against Financial and Strategic goals, no STI was awarded to Mr O'Brien for FY25.

The non-executive Directors consider that Mr O'Brien's remuneration package is reasonable and appropriate having regard to the circumstances of the Company, his global responsibilities as CEO and being a permanent resident in the US.

Resolution 4 – Issue of Long-Term Incentive grant of Performance Rights under the PROP to the Chief Executive Officer and Managing Director

Under ASX Listing Rule 10.14, Shareholder approval is required in order for a Director to be issued securities under an employee incentive scheme of the Company. Accordingly, Shareholders are asked to approve the issue of Performance Rights under the PROP to the CEO and Managing Director, Mr Shawn Patrick O'Brien (being an ASX Listing Rule 10.14.1 person for the purposes of ASX Listing Rule 10.15.2).

The number and class of securities proposed to be issued to Mr O'Brien under the PROP for which approval is being sought and the details of Mr O'Brien's total remuneration package for the year ending on 30 June 2026 are set out below.

Fixed annual Remuneration (FAR)	US\$630,000.
Short Term Incentive (STI)	<p>Eligible to receive a target STI of up to 50% of FAR if specified annual performance objectives determined by the Board are met.</p> <p>In FY25, STI delivered 50% in cash and 50% in deferred equity in the form of restricted stock units performance rights (RSU Performance Rights), with the deferred equity subject to continuing employment for a one-year period.</p> <p>Mr O'Brien's STI award outcome is based on the achievement of performance objectives determined by the Board. As a result of FY25 performance against Financial and Strategic goals, no STI was awarded to Mr O'Brien for FY25 and therefore no RSU Performance Rights are proposed to be issued.</p>
Long Term Incentive (LTI)	150% of FAR on a face value basis to be issued in the form of Performance Rights.

Mr O'Brien has previously been awarded the following Performance Rights and RSU Performance Rights pursuant to the PROP:

- FY23 LTI award: 364,103 Performance Rights pursuant to the PROP (approved by Shareholders at the 2022 annual general meeting of the Company).
- FY23 STI award: 23,816 RSU Performance Rights pursuant to the PROP (approved by Shareholders at the 2023 annual general meeting of the Company).
- FY24 LTI award: 266,738 Performance Rights pursuant to the PROP (approved by Shareholders at the 2023 annual general meeting of the Company).
- FY24 STI award: 35,170 RSU Performance Rights pursuant to the PROP (approved by Shareholders at the 2024 annual general meeting of the Company).
- FY25 LTI award: 301,455 Performance Rights pursuant to the PROP (approved by Shareholders at the 2024 annual general meeting of the Company).

An overview of the key terms of the LTI grant for FY26 proposed to be issued to the CEO and Managing Director pursuant to Resolution 4 is set out below.

Grant value	The grant value, or target opportunity, of Mr O'Brien's LTI is equivalent to 150% of Mr O'Brien's base salary of US\$630,000 as at 1 July 2025, being US\$945,000.
Number and price of Performance Rights	Subject to Shareholder approval, the number of Performance Rights to be granted to Mr O'Brien will be determined by dividing the grant value (being US\$945,000, converted to AUD), by the 10-day VWAP of the Shares at the grant date.
Date of allocation	If Shareholders approve Resolution 4, it is expected that Performance Rights will be allocated no later than 30 days after the 2025 AGM.
Other key terms of PROP	<p>It is proposed that Mr O'Brien will be issued with Performance Rights under the PROP. If the vesting criteria (as set out below) are met:</p> <ol style="list-style-type: none"> 1. the Performance Rights will be automatically exercised at the date they vest; and 2. the Company's intention is to settle the Performance Rights by providing Mr O'Brien with one fully paid ordinary share for each vested Performance Right, with Mr O'Brien expected to sell a portion of these Shares to meet withholding tax obligations. Alternatively, the Company may "net settle" with Mr O'Brien, so that the Company pays the relevant tax directly to the tax authorities and provides Mr O'Brien with the after-tax number of Shares. <p>Mr O'Brien will not have any voting rights or rights to dividends from a Performance Right, unless and until they are exercised and satisfied by the provision of Shares.</p>

For personal use only

Vesting criteria	<p>Performance Rights issued to Mr O'Brien will vest where an absolute TSR growth condition is met over the three years.</p> <p>20% of the Performance Rights will vest for compound annual absolute TSR growth of 8%. All of the Performance Rights will vest for compound annual absolute TSR growth of 15%. Vesting will occur on a straight-line basis for performance between these two points.</p> <p>The Board chose Performance Rights and the absolute TSR growth targets to align executive reward with what the Board considers to be acceptable levels of return to Shareholders (ie between 8% and 15% compound annual growth).</p> <p>The TSR growth may be adjusted in the event of certain corporate actions (in a manner to be determined by the Board). Such corporate actions include a share dividend, share consolidation or share split, spin-off/demerger, rights issue and a convertible note conversion.</p> <p>The Board considered the use of a relative performance condition but does not consider that there are a sufficient number of appropriate comparator pharmaceutical companies (ie of similar size) listed in Australia.</p>
Performance period	<p>If the vesting criteria are met, the Performance Rights will vest at the end of 3 years.</p> <p>The test date for the Performance Rights has been set at 1 September 2028.</p>
Trading restrictions	<p>The Performance Rights are not able to be sold or transferred by Mr O'Brien.</p> <p>The Performance Rights do not give Mr O'Brien any rights to a Share unless and until the vesting conditions for the Performance Rights are met and Shares are allocated on exercise.</p> <p>Disposal of Shares allocated on exercise of Performance Rights are subject to the Company's Security Trading Policy while Mr O'Brien is an employee.</p>
Cessation of employment	<p>If Mr O'Brien ceases employment the treatment of unvested Performance Rights depends on a range of factors, such as the reason for Mr O'Brien's departure and his tenure. For example, if Mr O'Brien ceases employment by reason of retirement, redundancy or another 'Good Leaver' category determined by the Board, Mr O'Brien will retain all vested Performance Rights and a pro-rated portion of unvested Performance Rights based on the time served against the performance period. Such Performance Rights will be subject to the original terms and conditions of the award, including testing and expiration dates. Remaining unvested awards will lapse and be forfeited unless the Board determines that the individual is able to retain a higher proportion.</p> <p>To the extent permitted by law, the Board may elect to settle any Performance Rights vesting by way of a cash payment (rather than Shares).</p>
Change of control	<p>If a change of control occurs and the Company's share price has increased according to the growth targets outlined in the 'Performance Conditions' section above, any Performance Rights will vest in the proportions set out above (eg if the Company's share price had achieved 8% growth per annum, 20% of any unvested Rights would vest on the change of control). If any Performance Rights do not automatically vest, the Board may otherwise determine that some or all of those Performance Rights vest.</p>

Details of any securities issued under the PROP will be published in the annual report of the Company relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14 as required.

Any persons covered by ASX Listing Rule 10.14 and not named in this Notice may not participate in the PROP until approval is obtained for them under ASX Listing Rule 10.14.

Listing Rule 10.14 provides that a listed company must not issue equity securities to a Director under an employee incentive scheme unless it obtains the approval of its shareholders (or an exception applies). Mayne Pharma is seeking shareholder approval for the purposes of Listing Rule 10.14 to give Mayne Pharma the flexibility to issue shares to satisfy Performance Rights that vest for transparency and governance reasons.

If Shareholders do not approve Resolution 4, then the Board will provide alternative remuneration to Mr O'Brien in order to appropriately remunerate and incentivise him, which will most likely be an equivalent cash amount, subject to the same performance, service and other conditions.

The Board (with Mr O'Brien abstaining) considers the issue of Performance Rights to the Chief Executive Officer and Managing Director appropriate in all the circumstances and recommends that Shareholders vote in favour of Resolution 4.

By order of the Board.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **10:00am (Melbourne time) on Tuesday, 27 January 2026.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
