Vulcan Completes Retail Entitlement Offer

Vulcan Energy Resources Limited (**Vulcan**, ASX: VUL, FSE:VUL, the **Company**) announces the completion of the retail component of its 1 for 1.128 pro rata accelerated non-renounceable entitlement offer (**Retail Entitlement Offer**) of new fully paid shares in Vulcan (**New Shares**).

The Retail Entitlement Offer closed at 5:00pm (AEDT) on Tuesday, 23 December 2025.

Vulcan received valid applications from eligible retail shareholders under the Retail Entitlement Offer (including under the oversubscription facility) for approximately 7.7 million New Shares. Eligible retail shareholders who subscribed for additional New Shares under the oversubscription facility will receive the full allocation of additional New Shares for which they applied (up to 100% of their entitlement to New Shares).

Approximately 58 million shortfall shares under the Retail Entitlement Offer will be allotted to HOCHTIEF Aktiengesellschaft (**HOCHTIEF**), who, as detailed in Vulcan's ASX announcement titled 'EUR2.2bn (A\$3.9bn) financing package secured for Phase One' released on 3 December 2025 (**Financing Package Announcement**)¹, had entered into a subscription agreement with the Company and a sub-underwriting agreement with the underwriters to the entitlement offer and institutional placement (**Equity Raising**) under which it agreed to subscribe for up to €130m (A\$232m²) of shortfall under the Retail Entitlement Offer.

The Retail Entitlement Offer raised approximately €147 million (A\$263 million¹) at a fixed price of A\$4.00 (€2.24) per New Share. Together with the institutional component of the entitlement offer and the institutional placement announced in the Financing Package Announcement, Vulcan has raised approximately €545 million (A\$973 million¹) pursuant to the Equity Raising.

Equity Raising proceeds, together with the broader Phase One Financing Package as set out in the Financing Package Announcement, will be applied to fully fund³ the Phase One Lionheart development costs through construction, commissioning and start-up and into first cash flow generation.

Approximately 66 million New Shares will be issued under the Retail Entitlement Offer on Tuesday, 30 December 2025 and the New Shares are expected to commence trading on the ASX on Wednesday, 31 December 2025. New Shares issued under the Retail Entitlement Offer will rank equally with existing Vulcan shares on issue. Holding statements for New Shares issued under the Retail Entitlement Offer will be dispatched on Wednesday, 31 December 2025.

Canaccord Genuity (Australia) Limited and Morgan Stanley Australia Securities Limited acted as joint global coordinators, joint lead managers, joint underwriters and joint bookrunners to the Equity Raising. ABN AMRO Bank N.V acted as joint lead manager to the Equity Raising. Ashurst acted as legal adviser to the Company in relation to the Equity Raising.

Conditional Placement not required and withdrawal of Resolution 2 from Notice of Extraordinary General Meeting

As detailed in the Financing Package Announcement, in the event the shortfall available under the Retail Entitlement Offer was not sufficient to increase HOCHTIEF's ownership in Vulcan to at least 10% following completion of the Retail Entitlement Offer, HOCHTIEF had committed to participate in a conditional top-up placement (subject to Vulcan shareholder approval for purposes of ASX Listing Rule 7.1) to increase its ownership in Vulcan to 10% (**Conditional Placement**).

On completion of the Retail Entitlement Offer, HOCHTIEF's ownership in Vulcan is expected to be approximately 15.41%.

Accordingly, the Conditional Placement is not required and Resolution 2 (which seeks approval for the Conditional Placement) in Vulcan's Notice of Extraordinary General Meeting (**NOM**) released on Wednesday, 10 December 2025 is being withdrawn and will not be put to shareholders at the upcoming Extraordinary General Meeting (**EGM**) on Monday, 12 January 2026.

The withdrawal of this item of business does not affect the validity of the proxy form attached to the NOM or any proxy votes already made.

Shareholders wishing to complete and lodge a proxy in relation to the EGM do not need to indicate their voting instructions on Resolution 2.
