

ASX ANNOUNCEMENT

14 January 2026

Little Green Pharma Ltd (ASX: LGP)

TRANSFORMATIONAL MERGER OF LITTLE GREEN PHARMA AND CANNATREK

HIGHLIGHTS:

- Little Green Pharma Ltd (ASX:LGP) ("**LGP**" or the "**Company**") and Cannatrek Ltd (**Cannatrek**) have today entered into a Scheme Implementation Deed (**SID**) under which LGP has agreed to acquire 100% of Cannatrek's issued capital by way of a scheme of arrangement (**Scheme**)
- Cannatrek is a leading Australian manufacturer and distributor of medicinal cannabis products, with vertically integrated operations spanning GMP-certified manufacturing, medical clinics and distribution operations
- The Scheme consideration will comprise LGP ordinary shares and new LGP contingent value shares, with existing LGP shareholders holding ~39.5% and Cannatrek shareholders holding ~60.5% of the fully diluted issued capital in LGP at Completion, and with Cannatrek Shareholders additionally holding contingent value shares (**CV Shares**) that based on the outcome of future events may convert into ordinary LGP shares and increase Cannatrek shareholder holdings by up to an additional eight percent
- The Cannatrek Board representing ~22% of the Cannatrek shares on issue unanimously recommends the Scheme, and the Cannatrek Directors intend to vote all Cannatrek shares in which they have a relevant interest in favour of the Scheme, in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cannatrek shareholders
- The LGP Board representing 13.1% of the LGP shares on issue unanimously recommend the proposed merger, and intend to vote all LGP shares in which they have a relevant interest in favour of the issue of merger consideration shares in the absence of a superior proposal
- The proposed merger will create a leading fully vertically integrated medicinal cannabis group (**Combined Group**) with operations spanning cultivation, GMP-certified manufacturing and packaging, distribution and clinic and digital health channels in Australia and Europe
- The transaction is consistent with LGP's prior market disclosures regarding its strategy of industry consolidation and market rationalisation and reflects the increasing importance of size in the Australian and European medicinal cannabis markets, where operational scale, brand recognition and distribution capability are key drivers for market share growth and long-term competitiveness

- If the Scheme is implemented, based on a simple amalgamation of the 2025 financial year results the pro forma Combined Group would have had \$112 million in revenue, an Adjusted EBITDA of \$13 million and cash of \$15 million.
- Synergy opportunities are expected to come from such areas as leveraging Cannatrek's latent Australian GMP-certified manufacturing for the Australian market and LGP Denmark's latent GMP-certified manufacturing capacity for European markets; combining clinic operations; and optimising cost and expense management
- The strength of Cannatrek's balance sheet will accelerate the scaling and growth of LGP's European operations. This is expected to be a principal growth engine for the Combined Group in the short term, particularly as Europe is projected to rapidly grow to become one of the largest medicinal cannabis markets worldwide
- The Combined Group will also provide a platform for further international expansion, via both acquisition and investment and organic growth initiatives.

OVERVIEW

Little Green Pharma Ltd (ASX: LGP) (**LGP**) and Cannatrek Ltd (**Cannatrek**) are pleased to announce that they have entered into a binding Scheme Implementation Deed under which Cannatrek agrees to propose a scheme of arrangement between Cannatrek and its shareholders under Part 5.1 of the *Corporations Act 2001* (Cth).

Under the terms of the Scheme, LGP will acquire 100% of the shares in Cannatrek and each Cannatrek shareholder will receive:

- 1.835806 new LGP shares for every Cannatrek share held on the record date for the Scheme² (**Consideration Shares**); and
 - 0.727502 new CV Shares for every Cannatrek share held on the record date for the Scheme,
- (together, the **Scheme Consideration**).

Based on the agreed exchange ratios, Cannatrek shareholders will initially hold approximately 60.5% of the Combined Group, and existing LGP shareholders will hold approximately 39.5% at Completion and prior to the issue of any additional LGP ordinary shares following the conversion of the CV Shares.

The combination of LGP and Cannatrek is a transformational and compelling transaction for both companies. LGP and Cannatrek recognise the combination represents a unique opportunity to expand their scale, product offering, and operational capacity within both the Australian and global medicinal cannabis industries.

Certain shareholders of Cannatrek with registered addresses outside Australia and New Zealand, and others who would acquire less than a marketable parcel of LGP Shares under the Scheme, may have their LGP Share Consideration issued to a nominee for sale and will instead receive the net proceeds of sale.

2. Certain shareholders of Cannatrek with registered addresses outside Australia and New Zealand, and others who would acquire less than a marketable parcel of LGP Shares under the Scheme, may have their LGP Share Consideration issued to a nominee for sale and will instead receive the net proceeds of sale.

LGP's Managing Director, Paul Long, said:

"Cannatrek is one of largest and most successful medicinal cannabis companies in Australia, boasting a highly attractive product portfolio, diversified, vertically integrated business, robust balance sheet, and strong cash and EBITDA generation; and presents a wide range of potential synergies and growth opportunities for the Combined Group. As the current Australian and global cannabis markets drive towards consolidation and greater maturity, this transaction will ensure the Combined Group emerges as one of the largest and most vertically integrated medicinal cannabis business globally and a leading player in the Australian and European markets."

Cannatrek's Chair, Brent Dennison, said:

"Little Green Pharma has been a pioneer in the Australian market and showed great foresight in investing into the European market. We expect that by joining forces, we can enhance the profitability profile of the Combined Group in Australia with an ongoing emphasis on strong cash generation. This will assist the business to unlock the substantial growth potential that we see in LGP's European operation. I anticipate that with the platform this merged entity creates, we will be active in the ongoing consolidation of the global medicinal cannabis market."

INFORMATION ABOUT CANNATREK

Cannatrek is one of the most well-known and commercially successful medicinal cannabis companies in Australia.

Cannatrek is a licensed manufacturer and distributor of medicinal cannabis products, with operations spanning GMP-certified manufacturing, a medicinal cannabis clinic, and distribution businesses. Cannatrek operates within the medicinal cannabis supply chain sourcing bulk or finished medicinal cannabis from licensed domestic and international producers, manufacturing GMP products under its own brands at one of Australia's largest medicinal cannabis GMP manufacturing and storage facilities in Australia and distributing them to pharmacies and authorised channels across Australia. Cannatrek owns an enviable product portfolio that includes what is widely recognised as Australia's highest-selling medicinal cannabis flower by a significant margin.

The company also supports patient and prescriber engagement through two proprietary digital platforms:

- *Greenship*®, a B2B platform connecting pharmacies to a curated range of medicinal cannabis products; and
- *MyEden*®, a patient-facing digital tool offering telehealth booking, prescription management, and pharmacy delivery options.

Cannatrek is headquartered in Melbourne and employs approximately 80 staff across its operations.

TRANSACTION HIGHLIGHTS

Assuming implementation of the Scheme, the transaction is expected to represent the following:

Strategic consolidation

- Combination of two of the largest medicinal cannabis companies in the Australian market to create an international, vertically integrated medicinal cannabis business, which is anticipated to be cash generative and have significant growth potential to generate shareholder value
- The Combined Group is expected to be one of the largest pure-play medicinal cannabis companies globally, with LGP's position as the leading Australian medicinal cannabis company in Europe further enhancing its global footprint
- Natural operational synergies, with LGP's Denmark-based facility being the largest medicinal cannabis production facility in Europe and currently operating with excess capacity available to support Cannatrek products bound for Australia and Europe

- Maintaining strong cash generation in the Australian market by leveraging the synergy opportunities created by merging two of Australia's largest medicinal cannabis operators. Identified synergy opportunities include:
 - broader utilisation of Cannatrek's GMP-certified manufacturing capability;
 - supporting supply for Cannatrek's product range from LGP's cultivation facilities, both in Australia and Denmark;
 - combining clinic and distribution assets;
 - optimising cost and expense management to improve margin performance; and
 - complementary product suites and a combined portfolio of 8 brands, thereby enhancing the Combined Group's ability to serve a wider range of patient needs and price points.
- Acceleration of the expansion and growth of LGP's Danish cultivation facility to serve the ongoing growth in the European market. The strength of Cannatrek's balance sheet will facilitate the necessary investment in both LGP Denmark facility fit out and development, and the necessary working capital to underwrite further growth. The Combined Group will aim to improve the scale, yield, product quality, and ultimately the return on capital of one of the largest and most technologically advanced EU-GMP facilities in Europe
- The Combined Group will become a platform for further international expansion. Via both organic initiatives (such as EU-GMP warehousing and distribution for current supply partners), and investment and/or acquisition of synergistic opportunities that are emerging as the global industry consolidates, the Combined Group has the appetite, capability and resources to implement a broader international expansion strategy. The Combined Group shall be cash generative and will have unutilised debt capacity to assist in the funding of future initiatives. Further work will be undertaken to refine these opportunities and to develop a post-merger integration plan designed to capture potential synergies, take full advantage of growth opportunities, and position the merged group to maximise value for shareholders
- Both LGP and Cannatrek have a demonstrated track record of executing and integrating strategic acquisitions. Cannatrek's successful acquisition and integration of Heyday, one of Australia's most trusted medicinal cannabis brands, has strengthened its brand portfolio and market presence, while LGP has successfully demonstrated its ability to integrate new business units into its operations with its acquisition of HHI. This proven integration capability underpins the Combined Group's strategy, with further domestic and global consolidation expected to remain a core component of the Combined Group's long-term growth strategy.

Financial strength

Based on a simple proforma amalgamation of LGP and Cannatrek's 2025 audited annual financial statements, the Combined Group will have a pro-forma position as follows³:

- consolidated revenue of ~\$112.3 million;
- an Adjusted EBITDA of ~\$13.0 million;
- consolidated operating cash flow of ~\$6.6 million;
- consolidated cash of ~\$14.9 million; and
- net assets in excess of ~\$136.7 million.

TRANSACTION SUMMARY

The proposed acquisition will be implemented by way of a scheme of arrangement between Cannatrek and its shareholders.

If the Scheme is implemented, each holder of a Cannatrek share (other than ineligible foreign shareholders and cash out shareholders) will receive (in summary) scrip consideration comprising the:

- Consideration Shares; and
- CV Shares.

The CV Shares provide a mechanism to adjust the final ownership outcome once current and future uncertain, unquantifiable or unknown liabilities affecting either Party that have arisen within 6 months after Completion are finally determined. Two years after implementation (the **Conversion Date**), the items will be assessed to finalise the number of shares issued to Cannatrek's shareholders.

3. The financial information is based upon LGP's and Cannatrek's 2025 audited financial statements.

Revenue reflects a 12-month period to 31 March 2025 for LGP and a 12-month period to 30 June 2025 for Cannatrek. LGP reports gross revenue, while Cannatrek reports net revenue (being revenue net of distribution costs).

EBITDA for LGP represents Adjusted EBITDA as defined in its audited financial statements for year ended 31 March 2025. Cannatrek's EBITDA excludes net interest, foreign exchange movements, losses on sale of assets, restructuring and historical costs associated with the significant business restructure undertaken in early FY25, and losses from discontinued Operations relating to the closure of Cannatrek's cultivation site. EBITDA is presented on an aggregate basis and has not been adjusted to achieve full like-for-like comparability.

The financial information is historical in nature and provided for illustrative purposes only. It should not be relied upon as indicative of LGP's future financial performance following completion of the Proposed Merger. No alignment of the respective financial year ends has been undertaken in preparing the aggregate Combined Group information; alignment of reporting periods will occur following implementation of the Proposed Merger.

The ratio at which each new CV Share converts into LGP Shares is dependent on the calculation of the sum of the Cannatrek Liability less the LGP Liability (**Contingent Amount**).⁴

The mechanism is as follows:

- if the net Contingent Amount falls within the agreed neutral band of between -A\$2 million and +A\$2 million, the CV Shares convert to provide Cannatrek shareholders with a 64.3% ownership on a fully diluted basis (assuming no other shares have been issued during that two-year period as a result of a subsequent transaction or capital raising).
- if the net Contingent Amount is above +\$2 million on Cannatrek's account, the CV Shares convert on a sliding-scale formula that reduces Cannatrek shareholders' final ownership outcome. If the maximum amount reaches >A\$8 million, then Cannatrek's shareholders maintain their holding as at the date of the SID implementation (i.e., ~60.5% of current LGP fully diluted shares outstanding).
- conversely, if the net Contingent Amount is above +\$2 million on LGP's account, the CV Shares convert on a sliding-scale formula that increases Cannatrek shareholders' final ownership outcome. If amount reaches >A\$8 million, then Cannatrek's shareholders CV Shares would convert to provide Cannatrek shareholders with a maximum 68.2% fully diluted ownership (again that % assumes no other shares have been issued during that two-year period as a result of a subsequent transaction or capital raising).

The transaction mechanics result in a final fully diluted ownership range of approximately 60.5% to 68.2% for Cannatrek shareholders and 31.8% to 39.5% for existing LGP shareholders.

The CV Shares issued are non-transferable, carry no voting or dividend rights, and will not be quoted on ASX. If eligible, they convert automatically into LGP ordinary shares on the Conversion Date (and only at that point will they be quoted on the ASX and attract ordinary voting and dividend rights).

Key conditions to the implementation of the Scheme include, among other things:

- Approval of the Scheme by a majority in number of Cannatrek shareholders who vote at the Scheme meeting and by 75% of all votes cast at the Scheme meeting;
- The Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cannatrek shareholders;
- Approval of the issue of the new LGP securities under the Scheme by a majority of LGP shareholders;
- Cannatrek maintaining a net cash position of \$13 million at Completion;

4. The Cannatrek Liability and the LGP Liability (as applicable) relates to any:

- tax relating to the period prior to the implementation date of the Scheme;
- the amount of any loss suffered, incurred or arising out of, or in connection with any litigation, prosecution, arbitration or other dispute resolution proceedings relating any facts, matters or circumstances during the period prior to the implementation date of the Scheme, provided that the relevant claim or proceedings have been threatened or commenced within 6 months of the implementation date of the Scheme;
- the amount of any bad debt expense relating to any accounts receivable on the balance sheet as at the implementation date of the Scheme; and
- the amount of any loss suffered, incurred or arising out of or in connection with any investigation, or similar process, by any government agency, provided that the relevant investigation has been threatened or commenced within 6 months of the implementation date of the Scheme.

- Current Cannatrek major shareholders (>1.5%) agree to enter into a voluntary escrow deed;
- Relevant LGP shareholders agree to enter into a voluntary escrow deed;
- No material adverse change, prescribed occurrence, or regulated event (each as defined in the Scheme Implementation Deed which is attached as Annexure 1 to this announcement) occurring in respect of either LGP or Cannatrek;
- Each holder of Cannatrek options has either exercised the vested Cannatrek options or cancelled them in accordance with cancellation deeds;
- Court approval; and
- Other customary conditions.

The Scheme Implementation Deed contains customary warranties and deal protection mechanisms including “no shop”, “no talk” and “no due diligence” restrictions, as well as notification and matching rights and break fee provisions. These provisions are subject to customary fiduciary exceptions, to ensure that the Cannatrek board can comply with its fiduciary and statutory duties.

Full details of the terms and conditions of the Scheme are set out in the Scheme Implementation Deed, a copy of which is attached as Annexure 1 to this announcement. In the event the Proposed Merger does not proceed (including as a result of conditions not being satisfied), LGP will continue to operate as a standalone company. Investors should take this into account this in deciding whether or not to buy or sell LGP securities.

SUPPORT FROM CANNATREK DIRECTORS AND LGP DIRECTORS

The Cannatrek Board has unanimously recommended that Cannatrek shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cannatrek shareholders. Subject to those same qualifications, each Cannatrek director intends to vote all Cannatrek shares in which they have a relevant interest in favour of the Scheme.

The LGP Board unanimously recommends that LGP shareholders vote in favour of the Scheme for the purposes of Listing Rule 7.1 for the issuance of the Scheme Consideration, in the absence of a superior proposal.

VOLUNTARY ESCROW

A condition precedent to the transaction is that current Cannatrek major shareholders (>1.5%) agree to enter into a voluntary escrow deed, conditional on implementation of the Scheme. Similarly, LGP major shareholder – Tiga Trading Pty Ltd (and entities associated with Thorney Investments including Jasforce Pty Ltd) and entities associated with LGP’s Managing Director will agree to enter into voluntary escrow arrangements over their existing LGP shares.

These arrangements are on terms consistent with those applying to Cannatrek’s major shareholders and will take effect on implementation of the Scheme. This results in approximately 23% of the Combined Group shares being subject to six-month escrow and an additional approximately 23% of the Combined Group shares being subject to twelve-month escrow.

LEADERSHIP

Subject to implementation of the Scheme, it is intended the group will be led by a combined executive team drawing on capabilities from both Cannatrek and LGP.

It is proposed that:

- Brent Dennison will assume the role of Chair;
- Paul Long will assume the role of Group CEO;
- Jason Rance, Cannatrek’s current CEO, will be CEO of the Australia operations;
- Paula Bulter, Cannatrek’s CFO, will be Group Chief Financial Officer; and
- Alistair Warren, currently LGP’s Company Secretary and Legal Counsel, will assume those roles for the Combined Group.

The Board composition – of which there will be five members – will be finalised prior to the release of the Scheme booklet in advance of the Scheme meeting, with representation being derived from three of Cannatrek’s current board (including Brent Dennison as Chair) and two LGP nominations (including Paul Long as Group CEO). Until implementation, both companies will continue to operate under their existing governance and management structures.

INDEPENDENT EXPERT

Cannatrek has appointed RSM Corporate Australia as the Independent Expert to assess whether the Scheme is in the best interests of Cannatrek shareholders.

The Independent Expert’s Report will be included in the Scheme Booklet to be provided to Cannatrek shareholders ahead of the Scheme Meeting.

ADVISERS

Hamilton Locke is acting as legal adviser, and Canaccord Genuity is acting as financier adviser, to LGP in relation to the Scheme.

K&L Gates is acting as legal adviser, and Intrinsic Partners is acting as financial adviser, to Cannatrek in relation to the Scheme.

ASX NOTIFICATION

LGP will shortly notify ASX of the Proposed Merger pursuant to ASX Listing Rule 11.1.

INDICATIVE TIMETABLE AND NEXT STEPS

Cannatrek shareholders and LGP shareholders do not need to take any action in relation to the Scheme at this stage.

Shareholders of Cannatrek will be asked to approve the Scheme at a Scheme meeting which is expected to be held on 2 April 2026. A Scheme Booklet containing information in relation to the Scheme including the basis for the Cannatrek Board's unanimous recommendations, an Independent Expert's Report and details of the Scheme are expected to be circulated to all Cannatrek shareholders on 4 March 2026.

LGP intends to seek shareholder approval pursuant to Listing Rule 7.1 as the issue of the Scheme Consideration will exceed LGP's placement capacity under Listing Rule 7.1. As the proposed transaction is a 'reverse takeover' for the purposes of the ASX Listing Rules, exceptions 6 (issuance of securities under a takeover bid or scheme of arrangement) and 7 (issuance of securities to fund the cash consideration payable under a takeover bid or scheme of arrangement) under ASX Listing Rule 7.2 are not available to LGP. The LGP general meeting is expected to be held on 2 April 2026.

LGP shareholders will receive notice of the general meeting and a thorough explanation of the proposed Scheme, the basis of the LGP Directors' recommendation and an Independent Expert's Report in advance of the general meeting. The Scheme is conditional on the receipt of this LGP shareholder approval.

- (c) LGP must take all action necessary to comply with any requirements of the counterparties that are reasonably required to obtain the relevant consent or confirmation, including providing any information required and entering into parent guarantees or such other forms of guarantee or security as counterparties may reasonably require and make officers and employees available, where necessary to meet with counterparties to deal with any issues arising in relation to the obtaining of the relevant consent or confirmation.

the recipient of the notice may terminate this deed by notice in writing to the other party, provided that there has been no failure by that party to comply with its obligations under this clause 9.4, in which case clause 16.3 will have effect.

9.5 Survival of representations

Each LGP Representation and Warranty and Cannatrek Representation and Warranty:

 except to the extent the relevant Cannatrek Party has acted fraudulently.

11.2 Other public announcements

Prior to making any public announcement or disclosure of or in relation to the Transaction or any other transaction the subject of this deed or the Scheme, each party must, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form and content of that announcement or disclosure. For the avoidance of doubt, this clause 11.2 does not apply to any announcement or disclosure relating to a Cannatrek Competing Proposal or LGP Competing Proposal.

12. Exclusivity - Cannatrek

12.1 No current discussions regarding a Cannatrek Competing Proposal

Cannatrek represents and warrants that, as at the date of this deed, it is not in negotiations or discussions in respect of any Cannatrek Competing Proposal with any Third Party, and has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Cannatrek Competing Proposal.

12.2 No-shop, no talk and no due diligence

- (a) During the Exclusivity Period, Cannatrek agrees it will not (and will procure that each of its Related Entities, and that each of its and its Related Entities' Representatives do not) directly or indirectly:
 - (i) solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential Cannatrek Competing Proposal or any negotiations, discussions or communication with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, the making of, an actual, proposed or potential Cannatrek Competing Proposal, or communicate to any person an intention to do anything referred to in this clause 12.2(a)(i);
 - (ii) subject to clause 12.2(b):
 - (A) enter into, continue or participate in negotiations or discussions with, or enter into any agreement or understanding with, any Third Party in relation to, or that may reasonably be expected to lead to, an actual, proposed or potential Cannatrek Competing Proposal;
 - (B) communicate to any person an intention to do anything referred to in this clause 12.2(a)(ii); or
 - (iii) subject to clause 12.2(b), make available to any Third Party or permit any Third Party to receive any non-public information relating to Cannatrek or any of its Related Entities in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of an actual, proposed or potential Cannatrek Competing Proposal.
- (b) Each of clauses 12.2(a)(ii), 12.2(a)(iii) and 12.3(b) do not apply to the extent that they restrict Cannatrek or any of its Representatives from taking or refraining from taking any action with respect to a genuine actual, proposed or potential Cannatrek Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 12.2(a)(i)), provided that Cannatrek's board of directors has first determined, in good faith:

- (i) after consultation with Cannatrek's Advisers, that such actual, proposed or potential Cannatrek Competing Proposal is, or could reasonably be expected to lead to, a Cannatrek Superior Proposal; and
- (ii) after receiving written legal advice from its Advisers, that compliance with clauses 12.2(a)(ii), 12.2(a)(iii) or 12.3(b), as the case may be, would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any member of Cannatrek's board of directors.

12.3 Notification by Cannatrek

- (a) During the Exclusivity Period, Cannatrek must notify LGP of any approach, inquiry or request to initiate any negotiations or discussions in respect of any Cannatrek Competing Proposal which is received by Cannatrek in writing, whether direct, indirect, solicited or unsolicited, within two Business Days of becoming aware of such matter.
- (b) Subject to clause 12.2(b), a notification given under clause 12.3(a) must include a summary of the material terms and conditions of the Cannatrek Competing Proposal (if any) and the identity of the Third Party making or proposing the Cannatrek Competing Proposal.

12.4 Compliance with law

This clause 12 imposes obligations on Cannatrek only to the extent that the performance of all or part of those obligations:

- (a) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel;
- (b) does not require any member of the Cannatrek Board to take or fail to take any action that would, or would reasonably be likely to, constitute a breach of their fiduciary or statutory duties; or
- (c) is not determined to be unlawful by a court (including by virtue of it being a breach of the Cannatrek Board's fiduciary or statutory duties).

12.5 LGP matching right

- (a) During the Exclusivity Period, Cannatrek must not, and must procure that each member of the Cannatrek Group does not, enter into any definitive agreement pursuant to which Cannatrek or another member of the Cannatrek Group agrees to undertake or implement or otherwise give effect to an actual, proposed or potential Cannatrek Competing Proposal (and, for the avoidance of doubt, this does not include Cannatrek entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Cannatrek Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement), and must use its reasonable endeavours to ensure that none of its directors:
 - (i) withdraws or adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Cannatrek Shareholders vote in favour of the Scheme; or
 - (ii) supports or endorses a Cannatrek Competing Proposal or recommends that Cannatrek Shareholders accept or vote in favour of a Cannatrek Competing Proposal, unless:
 - (A) the Cannatrek Board acting in good faith and in order to satisfy what the Cannatrek Board considers to be its statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that

the actual, proposed or potential Cannatrek Competing Proposal is, would be or would be reasonably likely to be, a Cannatrek Superior Proposal;

- (B) Cannatrek has provided LGP with the material details of the actual, proposed or potential Cannatrek Competing Proposal, which will include the information referred to in clause 12.3;
 - (C) Cannatrek has given LGP at least five Business Days after the date of the provision of the information referred to in clause 12.5(a)(ii)(B) to provide a matching or Cannatrek Superior Proposal (which may include amendments to the terms of the Scheme) to the terms of the actual, proposed or potential Cannatrek Competing Proposal (**LGP Counterproposal**); and
 - (D) LGP has not provided to Cannatrek a LGP Counterproposal by the expiry of the 5 Business Day period in clause 12.5(a)(ii)(C).
- (b) If LGP provides a LGP Counterproposal to Cannatrek by the expiry of the 5 Business Day period in clause 12.5(a)(ii)(C), then Cannatrek must use reasonable endeavours to procure that the Cannatrek Board considers the LGP Counterproposal and if the Cannatrek Board determines that LGP Counterproposal would provide a superior outcome for Cannatrek Shareholders as a whole compared with the Cannatrek Competing Proposal, taking into account all of the terms and conditions of LGP Counterproposal, then Cannatrek and LGP must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to give effect to and implement the LGP Counterproposal, in each case as soon as reasonably practicable.
- (c) For the purposes of this clause 12.5, each successive material modification of any actual, proposed or potential Cannatrek Competing Proposal will constitute a new actual, proposed or potential Cannatrek Competing Proposal, and the procedures set out in this clause 12.5 must again be followed prior to any member of the Cannatrek Group entering into any definitive agreement of the type referred to in the first paragraph of clause 12.5(a)) in respect of such actual, proposed or potential Cannatrek Competing Proposal.
- (d) Despite any other provision in this deed, any public announcement or other statement by Cannatrek, the Cannatrek Board or any Cannatrek Director to the effect that:
- (i) the Cannatrek Board has determined that a Cannatrek Competing Proposal is a Cannatrek Superior Proposal and has commenced the matching right process set out in this clause 12.5; or
 - (ii) the Cannatrek Shareholders should take no action pending the completion of the matching right process set out in this clause 12.5,
- does not of itself:
- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a recommendation that Cannatrek Shareholders vote in favour of the Scheme or an endorsement of a Cannatrek Competing Proposal;
 - (iv) contravene clause 7.1 or any other provision of this deed;
 - (v) give rise to an obligation to pay the Cannatrek Break Fee under clause 14; or
 - (vi) give rise to a termination right under clause 16 or any other provision of this deed.

12.6 Normal provision of information

Nothing in this clause 12 prevents a party from:

- (a) providing information to its Representatives, Advisers or financiers;

- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course in relation to the Cannatrek Group.

13. Exclusivity - LGP

13.1 No current discussions regarding a LGP Competing Proposal

LGP represents and warrants that, as at the date of this deed, it is not in negotiations or discussions in respect of any LGP Competing Proposal with any Third Party, and has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential LGP Competing Proposal.

13.2 No-shop, no talk and no due diligence

- (a) During the Exclusivity Period, LGP agrees it will not (and will procure that each of its Related Entities, and that each of its and its Related Entities' Representatives do not) directly or indirectly:
 - (i) solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential LGP Competing Proposal or any negotiations, discussions or communication with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, the making of, an actual, proposed or potential LGP Competing Proposal, or communicate to any person an intention to do anything referred to in this clause 13.2(a)(i);
 - (ii) subject to clause 13.2(b):
 - (A) enter into, continue or participate in negotiations or discussions with, or enter into any agreement or understanding with, any Third Party in relation to, or that may reasonably be expected to lead to, an actual, proposed or potential LGP Competing Proposal;
 - (B) communicate to any person an intention to do anything referred to in this clause 13.2(a)(ii); or
 - (iii) subject to clause 13.2(b), make available to any Third Party or permit any Third Party to receive any non-public information relating to LGP or any of its Related Entities in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of an actual, proposed or potential LGP Competing Proposal.
- (b) Each of clauses 13.2(a)(ii), 13.2(a)(iii) and 13.3(b) do not apply to the extent that they restrict LGP or any of its Representatives from taking or refraining from taking any action with respect to a genuine actual, proposed or potential LGP Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 13.2(a)(i)), provided that LGP's board of directors has first determined, in good faith:

- (i) after consultation with LGP's Advisers, that such actual, proposed or potential LGP Competing Proposal is, or could reasonably be expected to lead to, a LGP Superior Proposal; and
- (ii) after receiving written legal advice from its Advisers, that compliance with clauses 13.2(a)(ii), 13.2(a)(iii) and 13.3(b), as the case may be, would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any member of LGP's board of directors.

13.3 Notification by LGP

- (a) During the Exclusivity Period, LGP must notify Cannatrek of any approach, inquiry or request to initiate any negotiations or discussions in respect of any LGP Competing Proposal which is received by LGP in writing, whether direct, indirect, solicited or unsolicited, within two Business Days of becoming aware of such matter.
- (b) Subject to clause 13.2(b), a notification given under clause 13.3(a) must include a summary of the material terms and conditions of the LGP Competing Proposal (if any) and the identity of the Third Party making or proposing the LGP Competing Proposal.

13.4 Compliance with law

This clause 13 imposes obligations on LGP only to the extent that the performance of all or part of those obligations:

- (a) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel;
- (b) does not require any member of the LGP Board to take or fail to take any action that would, or would reasonably be likely to, constitute a breach of their fiduciary or statutory duties; or
- (c) is not determined to be unlawful by a court (including by virtue of it being a breach of the LGP Board's fiduciary or statutory duties).

13.5 Cannatrek matching right

- (a) During the Exclusivity Period, LGP must not, and must procure that each member of the LGP Group does not, enter into any definitive agreement pursuant to which LGP or another member of the LGP Group agrees to undertake or implement or otherwise give effect to an actual, proposed or potential LGP Competing Proposal (and, for the avoidance of doubt, this does not include LGP entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential LGP Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement), and must use its reasonable endeavours to ensure that none of its directors:
 - (i) withdraws or adversely changes, adversely modifies or adversely qualifies their support of the LGP Resolutions or their recommendation that LGP Shareholders vote in favour of the LGP Resolutions; or
 - (ii) supports or endorses a LGP Competing Proposal or recommends that LGP Shareholders accept or vote in favour of a LGP Competing Proposal, unless:
 - (A) the LGP Board acting in good faith and in order to satisfy what the LGP Board considers to be its statutory or fiduciary duties (having received written legal advice from its external legal advisers) determines that the actual, proposed or potential LGP Competing Proposal is, would be or would be reasonably likely to be, a LGP Superior Proposal;

- (B) LGP has provided Cannatrek with the material details of the actual, proposed or potential LGP Competing Proposal, which will include the information referred to in clause 13.3;
- (C) LGP has given Cannatrek at least five Business Days after the date of the provision of the information referred to in clause 13.5(a)(ii)(B) to provide a matching or LGP Superior Proposal (which may include amendments to the terms of the Scheme) to the terms of the actual, proposed or potential LGP Competing Proposal (**Cannatrek Counterproposal**); and
- (D) Cannatrek has not provided to LGP a Cannatrek Counterproposal by the expiry of the 5 Business Day period in clause 13.5(a)(ii)(C).
- (b) If Cannatrek provides a Cannatrek Counterproposal to LGP by the expiry of the 5 Business Day period in clause 13.5(a)(ii)(C), then LGP must use reasonable endeavours to procure that the LGP Board considers the Cannatrek Counterproposal and if the LGP Board determines that Cannatrek Counterproposal would provide a superior outcome for LGP Shareholders as a whole compared with the LGP Competing Proposal, taking into account all of the terms and conditions of Cannatrek Counterproposal, then LGP and Cannatrek must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to give effect to and implement the Cannatrek Counterproposal, in each case as soon as reasonably practicable.
- (c) For the purposes of this clause 13.5, each successive material modification of any actual, proposed or potential LGP Competing Proposal will constitute a new actual, proposed or potential LGP Competing Proposal, and the procedures set out in this clause 13.5 must again be followed prior to any member of the LGP Group entering into any definitive agreement of the type referred to in the first paragraph of clause 13.5(a) in respect of such actual, proposed or potential LGP Competing Proposal.
- (d) Despite any other provision in this deed, any public announcement or other statement by LGP, the LGP Board or any LGP Director to the effect that:
- (i) the LGP Board has determined that a LGP Competing Proposal is a LGP Superior Proposal and has commenced the matching right process set out in this clause 13.5; or
 - (ii) the LGP Shareholders should take no action pending the completion of the matching right process set out in this clause 13.5,
- does not of itself:
- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a recommendation that LGP Shareholders vote in favour of the LGP Resolutions or an endorsement of a LGP Competing Proposal;
 - (iv) contravene clause 8.1 or any other provision of this deed;
 - (v) give rise to an obligation to pay the LGP Break Fee under clause 15; or
 - (vi) give rise to a termination right under clause 16 or any other provision of this deed.

13.6 Normal provision of information

Nothing in this clause 13 prevents a party from:

- (a) providing information to its Representatives, Advisers or financiers;
- (b) providing information to any Government Agency;

- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to any Government Agency;

- (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course in relation to the LGP Group.

14. Cannatrek Break Fee

14.1 Background

This clause 14 has been agreed to in circumstances where:

- (a) Cannatrek acknowledges that, if LGP enters into this deed and the Scheme is subsequently not implemented, LGP will have incurred significant costs, including significant opportunity costs;
- (b) LGP requested provision be made for the relevant payment outlined in this clause 14, without which it would not have entered into this deed;
- (c) the Cannatrek Board believes that it is appropriate to agree to the payment referred to in this clause 14 to secure LGP's entry into this deed; and
- (d) Cannatrek has received separate legal advice in relation to this deed and the operation of this clause 14.

The parties acknowledge and agree that the costs actually incurred by LGP as referred to in clause 14.1(a) will be of such nature that they cannot be accurately ascertained, but that the Cannatrek Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by LGP.

14.2 Payment of Cannatrek Break Fee

Subject to clauses 14.3 and 14.6, Cannatrek must pay LGP the Cannatrek Break Fee if:

- (a) during the Exclusivity Period, any of Cannatrek Directors make a public statement:
 - (i) withdrawing or adversely changing or adversely modifying their Cannatrek Recommendation or Cannatrek Voting Intention Statement; or
 - (ii) supporting or endorsing a Cannatrek Competing Proposal,
 in each case provided that LGP has terminated this deed in accordance with clause 16.1(b) or Cannatrek has terminated this deed in accordance with clause 16.1(d), and unless:
 - (iii) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Cannatrek Shareholders (except where the sole or dominant reason for that conclusion is the existence, announcement or publication of a Cannatrek Competing Proposal (including a Cannatrek Superior Proposal));
 - (iv) the withdrawal or adverse change or adverse modification is permitted by clause 7.2(a)(iii) or clause 7.3; or

- (v) Cannatrek is (or would have been) entitled to terminate this deed pursuant to clause 16.1(a) or clause 16.2;
- (b) during the Exclusivity Period, a Cannatrek Competing Proposal is announced by a Third Party and, within six months after that occurring, the Third Party or an Associate of the Third Party:
 - (i) completes in all material respects a transaction of the kind referred to in paragraphs (b), (c) or (d) of the definition of Cannatrek Competing Proposal; or
 - (ii) has a Relevant Interest in at least 50% of Cannatrek Shares under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act) Cannatrek; or
- (c) LGP validly terminates this deed under clause 16.1(a)(i) or 16.1(b) and the Transaction does not complete.

14.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 14.2, no amount is payable under that clause if the Scheme becomes Effective.
- (b) Cannatrek can only ever be liable to pay the Cannatrek Break Fee once.

14.4 Timing of payment

- (a) If the Cannatrek Break Fee is payable under this clause 14, Cannatrek must pay the Cannatrek Break Fee without set-off or withholding within ten Business Days of receipt of a demand for payment from LGP.
- (b) A demand by LGP for payment of the Cannatrek Break Fee under clause 14.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of LGP into which Cannatrek is to pay the Cannatrek Break Fee.

14.5 Nature of payment

The amount payable by Cannatrek to LGP under clause 14.2 is an amount to compensate LGP for:

- (a) advisory costs (including costs of Advisers other than success fees);
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) opportunity costs incurred in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by LGP.

14.6 Compliance with law

- (a) This clause 14 imposes obligations on Cannatrek only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel, including in relation to the amount of the break fee; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the Cannatrek Board's fiduciary or statutory duties),
 subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 14.6(a).

14.7 Limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clause 14.7(c)), the maximum aggregate amount that Cannatrek (and the Cannatrek Group) is required to pay to LGP in relation to or under this deed (including as a result of any breach of this deed by Cannatrek) is the amount of the Cannatrek Break Fee and in no event will the aggregate liability of Cannatrek (and the Cannatrek Group) under this deed or in connection with the Transaction or the Scheme (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) exceed the amount of the Cannatrek Break Fee.
- (b) Where the Cannatrek Break Fee is paid by Cannatrek to LGP in accordance with this deed (or the Cannatrek Break Fee would be payable if LGP made a written demand under clause 14.4):
 - (i) LGP cannot make any Claim against Cannatrek, any member of the Cannatrek Group or their Representatives, under or in connection with this deed; and
 - (ii) Cannatrek has no further liability to LGP (or any member of the LGP Group) under or in connection with this deed, the Transaction or the Scheme (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transaction or the Scheme).
- (c) Clauses 14.7(a) and 14.7(b) do not apply in respect of a wilful or intentional breach of this deed by Cannatrek. Nothing in this deed, including this clause 14, will limit LGP's right to recover damages (whether on its own benefit or on behalf of a person for whom LGP holds rights on trust under this deed) for any wilful or intentional breach of any provision of this deed by Cannatrek in excess of an amount equal to the Cannatrek Break Fee, or otherwise limit any other remedy available to LGP under this deed.
- (d) Cannatrek acknowledges and agrees that LGP is entitled to seek specific performance or injunctive relief as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this deed, and that damages or payment of the Cannatrek Break Fee may not be an adequate remedy for LGP for any breach of this deed.

15. LGP Break Fee

15.1 Background

This clause 15 has been agreed to in circumstances where:

- (a) LGP believes the implementation of the Scheme will provide significant benefits to it and its shareholders, and acknowledges that, if Cannatrek enters into this deed and the Scheme is subsequently not implemented, Cannatrek will have incurred significant costs, including significant opportunity costs;
- (b) Cannatrek requested provision be made for the relevant payment outlined in this clause 15, without which it would not have entered into this deed;
- (c) LGP believes that it is appropriate to agree to the payment referred to in this clause 15 to secure Cannatrek's entry into this deed; and
- (d) LGP has received separate legal advice in relation to this deed and the operation of this clause 15.

The parties acknowledge and agree that the costs actually incurred by Cannatrek as referred to in clause 15.1(a) will be of such nature that they cannot be accurately ascertained, but that LGP Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by Cannatrek.

15.2 Payment of LGP Break Fee

Subject to clauses 15.3 and 15.6, LGP must pay Cannatrek the LGP Break Fee if:

- (a) during the Exclusivity Period, any of LGP Directors make a public statement:
 - (i) withdrawing or adversely changing or adversely modifying their LGP Recommendation or LGP Voting Intention Statement; or
 - (ii) supporting or endorsing a LGP Competing Proposal,
 in each case provided that Cannatrek has terminated this deed in accordance with clause 16.1(e) or LGP has terminated this deed in accordance with clause 16.1(f), and unless:

- (b) A demand by Cannatrek for payment of the LGP Break Fee under clause 15.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Cannatrek into which LGP is to pay LGP Break Fee.

15.5 Nature of payment

The amount payable by LGP to Cannatrek under clause 15.2 is an amount to compensate Cannatrek for:

- (a) advisory costs (including costs of Advisers other than success fees);
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) opportunity costs incurred in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by Cannatrek.

15.6 Compliance with law

- (a) This clause 15 imposes obligations on LGP only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel, including in relation to the amount of the break fee; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of LGP's directors' fiduciary or statutory duties),
 subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 15.6(a).

15.7 Limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clause 15.7(c)), the maximum aggregate amount that LGP (and the LGP Group) is required to pay to Cannatrek in relation to or under this deed (including as a result of any breach of this deed by LGP) is the amount of LGP Break Fee and in no event will the aggregate liability of LGP (and the LGP Group) under this deed or in connection with the Transaction or the Scheme (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) exceed the amount of LGP Break Fee.
- (b) Where LGP Break Fee is paid by LGP to Cannatrek in accordance with this deed (or LGP Break Fee would be payable if Cannatrek made a written demand under clause 15.5):
 - (i) Cannatrek cannot make any Claim against LGP, any member of the LGP Group or their Representatives, under or in connection with this deed; and
 - (ii) LGP has no further liability to Cannatrek (or any member of the Cannatrek Group) under or in connection with this deed, the Transaction or the Scheme (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transaction or the Scheme).
- (c) Clauses 15.7(a) and 15.7(b) do not apply in respect of a wilful or intentional breach of this deed by LGP. Nothing in this deed, including this clause 15, will limit Cannatrek's right to recover damages (whether on its own benefit or on behalf of a person for whom Cannatrek holds rights on trust under this deed) for any wilful or intentional breach of any provision of this deed by LGP in excess of an amount equal to LGP Break Fee, or otherwise limit any other remedy available to Cannatrek under this deed.
- (d) LGP acknowledges and agrees that Cannatrek is entitled to seek specific performance or injunctive relief as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this deed, and that damages or payment of LGP Break Fee may not be an adequate remedy for Cannatrek or Cannatrek's Shareholders for any breach of this deed.

16. Termination

16.1 General rights

- (a) Either party may terminate this deed by written notice to the other at any time before 8.00am on the Second Court Date:
 - (i) if:
 - (A) either:
 - (1) the other party is in material breach of any provision of this deed (other than a LGP Representation and Warranty or an Cannatrek Representation and Warranty not being true and correct); or
 - (2) a representation and warranty given by the other party (being LGP Representations and Warranties where the "other party" is LGP, and being the Cannatrek Representations and Warranties where the "other party" is Cannatrek) is not true and correct, where that breach of representation and warranty is material in the context of the Transaction as a whole;

- (A) the party wishing to terminate has given written notice to the other setting out the relevant circumstances and stating an intention to terminate this deed; and
 - (B) the relevant circumstances continue to exist for five Business Days from the time the notice of intention to terminate is given (or any shorter period ending at 5:00pm on the Business Day before the Second Court Date); or
- (ii) in the circumstances set out in, and in accordance with, clause 3.7(b).
- (b) Either party may terminate this deed by written notice to the other in the circumstances set out in, in accordance with, clause 9.4(d).
 - (c) LGP may terminate this deed by written notice to Cannatrek at any time before 8.00am on the Second Court Date if a majority of Cannatrek Directors have withdrawn, adversely changed or adversely modified their Cannatrek Recommendation or Cannatrek Voting Intention Statement, or have made a public statement supporting or endorsing a Cannatrek Competing Proposal.
 - (d) Without limiting Cannatrek's obligations under clause 6.7, Cannatrek may terminate this deed by written notice to LGP at any time before 8.00am on the Second Court Date if a majority of the Cannatrek Directors withdraw their recommendation that Cannatrek Shareholders vote in favour of the Scheme at the Scheme Meeting, and, if required to pay the Cannatrek Break Fee as a result of such withdrawal, Cannatrek has paid LGP the Cannatrek Break Fee.
 - (e) Cannatrek may terminate this deed by written notice to LGP at any time before 8.00am on the Second Court Date if a majority of LGP Directors have withdrawn, adversely changed or adversely modified their LGP Recommendation or LGP Voting Intention Statement, or have made a public statement supporting or endorsing a LGP Competing Proposal.

16.2 Automatic termination

Without limiting any other term of this deed (but subject to the determination of any application to the Court under clause 3.6), this deed will terminate automatically if, at the Scheme Meeting, Cannatrek Shareholders do not pass the resolution to approve the Scheme in accordance with the requirements of section 411(4)(a)(ii) of the Corporations Act.

16.3 Effect of termination

If this deed is terminated by a party under clause 3.7(b), 9.4(d) or 16.1 or pursuant to clause 16.2, this deed will be of no force or effect, without any liability or obligation on the part of any party, other than in relation to rights and obligations that accrued before termination and the provisions of this clause 16 and of clauses 1.1, 9.4, 10, 11, 14, 15, 17, 18, 19 and 20, which will remain in force after the termination.

16.4 Termination by written agreement

The parties may terminate this deed by another deed between them.

17. Confidentiality

Each party agrees and acknowledges that the terms of the Confidentiality Deed are incorporated into this deed, and it is bound by the terms of the Confidentiality Deed, save that the terms of this deed will prevail over the Confidentiality Deed to the extent of any inconsistency.

18. GST

18.1 Recovery of GST

If GST is or becomes payable, or notionally payable, on a supply made under or in connection with this deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**) as calculated by the party making the supply (the **Supplier**) in accordance with the GST Law. Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time and in the same manner that the other consideration for the supply is provided. This clause 18 does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

18.2 Liability net of GST

Notwithstanding any other provision in this deed, where any indemnity, reimbursement or similar payment under this deed is based on any cost, expense or other liability incurred by a party, it may be reduced by any input tax credit entitlement, or notional input tax credit entitlement, of that party (or its representative member) in relation to the relevant cost, expense or other liability.

18.3 Adjustment events

If an adjustment event occurs in relation to a supply under or in connection with this deed, the GST Amount will be recalculated in accordance with the GST Law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier shall issue an adjustment note to the recipient within 10 Business Days after becoming aware of the occurrence of the adjustment event.

18.4 Survival

This clause 18 will continue to apply after expiration or termination of this deed.

18.5 Definitions

20. General provisions

20.1 Amendment

This deed may be amended only by another deed executed by or on behalf of each of the parties.

20.2 Assignment

A party cannot assign, charge, encumber or otherwise deal with at law or in equity any of its rights or obligations under this deed, or attempt or purport to do so, without the prior consent of the other party.

20.3 Costs and stamp duty

- (a) Each party must bear its own costs arising out of the negotiation, preparation and execution of this deed.
- (b) All stamp duty (including fines, penalties and interest) payable on or in connection with this deed and any instrument executed under or any transaction evidenced by this deed must be borne by LGP.

20.4 Third party beneficiary

Cannatrek receives and holds the benefit of LGP's obligations under this deed both for itself and as trustee for Cannatrek Shareholders from time to time, such that Cannatrek may recover damages against LGP for any breach of this deed on its own behalf and on behalf of Cannatrek Shareholders from time to time.

20.5 Execution and Counterparts

This deed may be executed electronically and may be executed in counterparts.

Where a person signs this deed electronically, the electronic signature is an effective binding signature, and the electronic document containing it can be an effective electronic counterpart of this deed. In addition, the person intends that any print out of the signature by a party, first made by that party will also constitute an effective original signature, so that the print out will also be an executed original counterpart of this deed.

20.6 Entire agreement

This deed, the Confidentiality Deed and any other documents specified by the parties for the purposes of this clause 20.6 contain the entire agreement between the parties with respect to their subject matter. This deed, the Confidentiality Deed and any other documents specified by the parties for the purposes of this clause 20.6 set out the only conduct relied on by the parties and supersede all earlier conduct and prior agreements and understandings between the parties in connection with their subject matter.

20.7 Further assurances

Each party must do anything necessary (including executing agreements and documents) to give full effect to this deed and the transactions contemplated by it.

20.8 Governing law and jurisdiction

This deed is governed by the laws of Victoria. In relation to it and related non contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

20.9 Process agent

LGP appoints Hamilton Locke as its agent to accept service of process and other documents in any action or proceedings relating to any matter arising out of this deed and:

- (a) must ensure that at all times, the agent remains present and authorised to accept service of process and other documents on its behalf and, if there is a replacement, it must promptly notify Cannatrek; and
- (b) agrees that service of any process or documents on the agent (or any replacement), at the address and marked to the attention of the individuals specified in clause 19 (or any alternative details nominated by LGP by Notice) will be sufficient to constitute service on it.

For the avoidance of doubt, nothing in this deed will affect the rights of any party to serve process in any other manner permitted by law.

20.10 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this deed. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

20.11 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

20.12 Severability of provisions

Any provision of this deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this deed nor affect the validity or enforceability of that provision in any other jurisdiction.

 - (ii) any further New LGP Shares to which that Scheme Shareholder is entitled, but the issue of which to the Scheme Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under the preceding provisions in this clause 6, as if a reference to Ineligible Foreign Shareholders or Cash Out Shareholder (as applicable) also included that Scheme Shareholder and references to that person's New LGP Shares in that clause were limited to the New LGP Shares issued to the Sale Agent.

- (b) As from the Scheme Record Date (and other than for LGP, following the Implementation Date), each entry in the Cannatrek Share Register as at the Scheme Record Date relating to Scheme Shares will cease to have any effect other than as evidence of the entitlements of Scheme Shareholders to the Scheme Consideration in respect of those Scheme Shares.
- (c) As soon as possible on or after the Scheme Record Date, and in any event within two Business Days after the Scheme Record Date, Cannatrek will ensure that details of the names, Registered Addresses and holdings of Cannatrek Shares for each Scheme Shareholder as shown in the Cannatrek Share Register are available to LGP.

7.3 Effect of share certificates and holding statements

As from the Scheme Record Date (and other than for LGP, following the Implementation Date), all share certificates and holding statements for Scheme Shares (other than statements of holding in favour of LGP) will cease to have effect as documents of title in respect of those Scheme Shares.

7.4 No disposals after Record Date

If this Scheme becomes Effective, each Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after 5.00pm on the Scheme Record Date (other than to LGP, in accordance with this Scheme and any subsequent transfers by LGP, and its successors in title), and any attempt to do so will have no effect and Cannatrek shall be entitled to disregard any such disposal, purported disposal or agreement.
