7. RESOLUTION 6 – APPROVAL OF 7.1A MANDATE

7.1 General

Broadly speaking, and subject to several exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (7.1A Mandate).

An eligible entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$23,289,184 (based on the number of Shares on issue and the closing price of Shares on the ASX on 21 January 2026).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A (in aggregate), subject to the requirements of the Listing Rules and after taking into account any issues of Equity Securities made in the relevant 12-month period.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1 (subject to applicable exceptions).

7.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 7.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to fund the organic development of its existing key Xaas and Data commercial models and for further development of its operational capacities.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, based on the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 21 January 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	DILUTION		
			Issue Price		
			\$0.004	\$0.008	\$0.020
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	2,911,147,971 shares	291,114,797 shares	\$1,164,459	\$2,328,918	\$5,822,296
50% increase	4,366,721,957 shares	436,672,196 shares	\$1,746,689	\$3,493,378	\$8,733,444
100% increase	5,822,295,942 shares	582,229,594 shares	\$2,328,918	\$4,657,837	\$11,644,592

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 2,911,147,971 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 21 January 2026 (being \$0.008).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting under Listing Rule 7.1A.2. (Issues made under Listing Rule 7.1 and/or under exceptions in Listing Rule 7.2 are not assumed to affect the 7.1A.2 calculation for the purposes of this illustrative table unless otherwise disclosed.)
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 February 2025 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, the Company has not issued and has not agreed to issue any Equity Securities pursuant to Listing Rule 7.1A.2.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

14. RESOLUTION 13 - ADOPTION OF INCENTIVE PERFORMANCE RIGHTS PLAN

14.1 General

Resolution 13 seeks Shareholder approval to renew the Company's employee incentive scheme titled 'Incentive Performance Rights Plan' (Performance Rights Plan) and for the issue of up to a maximum of 350,000,000 Performance Rights under the Performance Rights Plan as an exception to Listing Rules 7.1 and 7.1A, in accordance with Listing Rule 7.2 (Exception 13(b)). The Performance Rights Plan was previously approved by Shareholders on 28 February 2023.

The objective of the Performance Rights Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Performance Rights Plan and the future issue of Performance Rights under the Performance Rights Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

As summarised in Section 7.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rules 7.1 and 7.1A do not apply to an issue of securities under an employee incentive scheme if, within three years before the issue date, holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception. The notice of meeting must have included: (i) a summary of the terms of the scheme; (ii) the number of securities issued under the scheme since the entity was listed or the date of the last approval under the rule; (iii) the maximum number of equity securities proposed to be issued under the scheme following the approval; and (iv) a voting exclusion statement.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the notice of meeting. The exception ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 13 is passed, the Company will be able to issue Performance Rights under the Performance Rights Plan to eligible participants for a period of three years. Issues of Performance Rights under the Performance Rights Plan (up to the maximum number of Performance Rights stated in Section 14.2(d) below) will be excluded from the calculation of the Company's capacity under Listing Rules 7.1 and 7.1A.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 13 is not passed, the Company may still issue Performance Rights under the Performance Rights Plan to eligible participants, however any such issues will count against the Company's capacity under Listing Rules 7.1 and 7.1A unless the issue is otherwise excluded under the Listing Rules (including where separate Shareholder approval is obtained under Listing Rule 10.14).

14.2 Technical information required by Listing Rule 7.2 (Exception 13) in connection with renewal of the Performance Rights Plan

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 13:

- (a) a summary of the key terms and conditions of the Performance Rights Plan is set out in Schedule 2;
- (b) the number of Securities issued under the Performance Rights Plan since the date of the last Shareholder approval (being 28 February 2023) is 60,447,257; and
- (c) Shareholder approval is being sought to renew the Performance Rights Plan for a further three-year period. The Company confirms there has been no material change to the terms of the Performance Rights Plan since Shareholder approval was last obtained on 28 February 2023.; and
- (d) the maximum number of Securities proposed to be issued under the Performance Rights Plan following Shareholder approval is 350,000,000 Performance Rights. This maximum includes the Performance Rights proposed to be issued under Resolutions [insert the relevant performance rights resolutions]. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately."

15. RESOLUTION 14 – APPROVAL OF SHARE CONSOLIDATION

15.1 General

This resolution seeks Shareholder approval for the Company to consolidate its issued capital by converting every 250 Shares into 1 Share (Consolidation).

Under section 254H(1) of the Corporations Act, a company may convert all or any of its shares into a larger or smaller number by ordinary resolution passed at a general meeting.

15.2 Board rationale

The Board considers the Consolidation will result in a more appropriate and effective capital structure and is in the best interests of Shareholders. In particular, the Board considers the number of Shares currently on issue is too high and the trading price is too low for a company of the Company's size and nature compared to other listed entities.

At current price levels, small movements in the share price can have a disproportionate impact on market capitalisation. The Consolidation is expected to increase the trading price per Share and may reduce this volatility.

On balance, the Board considers a 250:1 ratio is appropriate in the circumstances.

The Consolidation does not change the underlying value of the Company. However, the post-Consolidation Share price (and market capitalisation) will remain subject to market factors beyond the Company's control.

15.3 Effect of the Consolidation

The effect of the Consolidation on the Company's capital structure is set out below. The table is based on the Company's capital structure as at 22 January 2026 and may change if the capital structure changes before the Consolidation record date (including due to rounding).

- (a) Summary effect on capital structure*

SECURITY	PRE-CONSOLIDATION	POST CONSOLIDATION (EST.)
Ordinary Shares	2,911,147,971	11,644,685
Performance Rights	199,965,738	799,867

*Post-Consolidation numbers are estimates and will vary depending on the treatment of fractional entitlements (see Section 15.3(c)). The Company will confirm the actual numbers in its ASX Appendix 3A.3 and related announcements.

The members of the Board recommend that Shareholders vote in favour of Resolution 14.

16. RESOLUTION 15 – ADOPTION OF REMUNERATION REPORT

16.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

16.2 Voting consequences

If at least 25% of the votes cast on the resolution to adopt the remuneration report at this Meeting are voted against adoption (a **Strike**), and at the Company's previous annual general meeting at least 25% of the votes cast on the remuneration report resolution were also voted against adoption (a **Second Strike**), the Company will be required to put to Shareholders at this Meeting a resolution (the **Spill Resolution**) that another meeting of Shareholders (the **Spill Meeting**) be held to consider the election of directors of the Company.

If more than 50% of the votes cast on the Spill Resolution are in favour, the Company must convene the Spill Meeting within 90 days after this Meeting.

If the Spill Meeting is convened, all directors who were in office when the directors' report for the most recent financial year was approved (other than the Managing Director) will cease to hold office immediately before the end of the Spill Meeting, but may stand for re-election at the Spill Meeting.

16.3 Previous voting results

At the Company's previous annual general meeting, votes cast against the remuneration report were more than 25% (a First Strike). Accordingly, if at this Meeting votes cast against adoption of the remuneration report are again at least 25% (a Second Strike), a Spill Resolution will be required to be put to Shareholders at this Meeting. If votes cast against adoption are less than 25%, no Spill Resolution will be required.

17. RESOLUTION 16: SPILL RESOLUTION (CONDITIONAL RESOLUTION)

17.1 General information

The Corporations Act contains the "two-strikes" rule for remuneration reports. If 25% or more of votes cast on the remuneration report resolution at two consecutive AGMs are against adoption, shareholders must be given the opportunity to vote on a spill resolution at the second AGM.

At last year's AGM, 25% or more of votes cast on the resolution to adopt the FY24 Remuneration Report were against adoption (the first strike).

Accordingly, if 25% or more of votes cast on Resolution 15 (Adoption of the FY25 Remuneration Report) at the 2026 AGM are against adoption (a second strike), Resolution 16 (Spill Resolution) will be put to the meeting in accordance with section 250V of the Corporations Act.

If less than 25% of votes cast on Resolution 15 are against adoption, there is no second strike and this resolution will not be put to the meeting.

If put, the Spill Resolution will be decided by poll as an ordinary resolution (simple majority of votes cast by shareholders entitled to vote).

If the Spill Resolution is passed, a further general meeting (Spill Meeting) must be held within 90 days after the 2026 AGM. Immediately before the end of the Spill Meeting, each director (other than the Managing Director) who was in office when the directors' report for the most recent financial year was approved and who remains in office at the time of the Spill Meeting (Relevant Directors) will cease to hold office, but may stand for re-election at the Spill Meeting.

Based on the directors in office when the directors' report for the most recent financial year was approved, and the directors currently in office as at the date of this Notice, the Relevant Directors are:

- Graeme McCracken
- Ajit Patel
- John Stark
- David Straface

The Spill Meeting would consider the re-election of directors. Each Relevant Director is eligible to seek re-election.

In deciding how to vote on any Spill Resolution put to the AGM, shareholders may wish to consider:

- the Board's view that it has the right mix of skills and experience;
- potential disruption from Board changes; and
- the additional cost of holding a Spill Meeting.

17.2 Board recommendation and Chair voting intention

The Directors unanimously recommend Shareholders vote against this Resolution. Subject to any voting restrictions and the terms of valid proxy appointments (including any directed proxies), the Chair intends to vote all available proxies against this Resolution.
