Explanation of Operating Results

BKI's Total Ordinary Revenue from the Investment Portfolio was \$34.5 million up 6% and Special Investment Revenue was \$1.4 million, up from \$0.5 million in the previous corresponding period. Total revenue for the period was \$37.4 million up 5%. BKI's Net Operating Result, before tax and special investment revenue, was \$34.7 million, up 3% on last year.

BKI's Income Tax Expense was \$1.8 million for the half, down on last years \$3.1 million. As a result, BKI's Net Profit After Tax was \$34.3 million, up 10%.

BKI's basic earnings per share for the period, excluding special investment revenue, was 4.08 cents per share up 7%. Including special investment revenue, BKI's basic earnings per share for the period was 4.25 cents per share up 10%.

In the first half of FY2026 the S&P/ASX 300 Accumulation Index delivered a 4.7% return, while BKI's Net Portfolio Return (after all operating expenses, provisions and payment of both income and capital gains tax and the reinvestment of dividends and franking credits) was 3.1%. After reaching an all-time high in August, the Australian equity market faced a volatile finish to the year as initial optimism over interest rate cuts was balanced by persistent domestic inflation and geopolitical trade tensions. BKI's Net Portfolio Return for the year to 31

**BKI Investment Company Limited**  
**Appendix 4D**  
**31 December 2025**

December 2025 was 11.1% compared to the S&P/ASX300 Accumulation Index which returned 12.1% for the same period.

Positively, most of BKI's major dividend contributors grew dividends over the first half of FY2026 including Harvey Norman Holdings (up 21%), Suncorp Group (up 11%), Transurban Group (up 8%), Telstra Group (up 6%), APA Group (up 4%), Commonwealth Bank (up 4%), Wesfarmers Limited (up 4%) and Sonic Healthcare (up 2%).

BKI's total dividends were dampened by payout cuts from major holdings within the Resource sector, specifically New Hope Group (down 32%), Woodside Energy (down 20%) and BHP Group (down 17%). However, the forward-looking narrative for the Materials sector has turned positive, with the sector emerging as the market's standout performer in 2025, fuelled by the performance of Gold and Critical Minerals. This momentum was underpinned by a strategic rotation in the AI thematic as the focus shifted from software applications to the physical infrastructure required to power them with demand surging for the underlying commodities, especially Copper, essential for the significant expansion of global data centres and the ongoing energy transition.

BKI's Special Investment Revenue was \$1.4 million, up from the \$0.5 million received last year. Specials were received from TPG Telecom, ARB Corporation and Wesfarmers Limited. BKI also received a capital return of \$8.7 million from TPG Telecom and \$1.1 million from Wesfarmers during the half. These capital returns were received as cash and as they represent a return of cost base rather than a distribution of profits, were not accounted for as dividend income.

*Investment Strategy*

The Group is a research driven, long term investor focusing on well managed companies, with a profitable history and that offer attractive dividend yields. Stock selection is bottom up, focusing on the merits of individual companies rather than market and economic trends.

*Financial Performance*

BKI's Total Ordinary Revenue from the Investment Portfolio was \$34.5 million up 6% and Special Investment Revenue was \$1.4 million, up from \$0.5 million in the previous corresponding period. Total revenue for the period was \$37.4 million up 5%. BKI's Net Operating Result, before tax and special investment revenue, was \$32.9 million, up 7% on last year.

**BKI Investment Company Limited**  
**Directors' report**

BKI's basic earnings per share for the period, excluding special investment revenue, was 4.08 cents per share up 7%. Including special investment revenue, BKI's basic earnings per share for the period was 4.25 cents per share up 10%.

In the first half of FY2026 the S&P/ASX 300 Accumulation Index delivered a 4.7% return, while BKI's Net Portfolio Return (after all operating expenses, provisions and payment of both income and capital gains tax and the reinvestment of dividends and franking credits) was 3.1%. After reaching an all-time high in August, the Australian equity market faced a volatile finish to the year as initial optimism over interest rate cuts was balanced by persistent domestic inflation and geopolitical trade tensions. BKI's Net Portfolio Return for the year to 31 December 2025 was 11.1% compared to the S&P/ASX300 Accumulation Index which returned 12.1% for the same period.

Positively, most of BKI's major dividend contributors grew dividends over the first half of FY2026 including Harvey Norman Holdings (up 21%), Suncorp Group (up 11%), Transurban Group (up 8%), Telstra Group (up 6%), APA Group (up 4%), Commonwealth Bank (up 4%), Wesfarmers Limited (up 4%) and Sonic Healthcare (up 2%).

BKI's Special Investment Revenue was \$1.4 million, up from the \$0.5 million received last year. Specials were received from TPG Telecom, ARB Corporation and Wesfarmers Limited. BKI also received a capital return of \$8.7 million from TPG Telecom and \$1.1 million from Wesfarmers during the half. These capital returns were received as cash and as they represent a return of cost base rather than a distribution of profits, were not accounted for as dividend income.

**Likely developments and expected results**

The operations of the Group will continue with planned long-term investments in Australian equities and fixed interest securities. The Group will continue its strategy of investing for the long term in a portfolio of assets to deliver shareholders an increasing income stream and long-term capital growth. The success of this strategy will be strongly influenced by the performance of the underlying investee companies, their share price movements, and capital management and income distribution policies.

The performance of these companies will be influenced by general economic and market conditions such as economic growth rates, interest rates and inflation. Performance could also be influenced by regulatory change. These external conditions are difficult to predict and not within the control of the Group, making it difficult to forecast the future results of the Group.

However, BKI is a research driven, long-term manager focusing on investing in well managed, profitable companies, focusing on the merits of individual companies rather than market and economic trends. BKI will continue to implement prudent business practice to allow the achievement of the Group's Corporate Objectives and Business Strategy.

## INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF BKI INVESTMENT COMPANY LIMITED AND CONTROLLED ENTITIES

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the accompanying half-year financial report of BKI Investment Company Limited and Controlled Entities (the Consolidated Entity), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss, consolidated statement of other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration of the consolidated entity.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of BKI Investment Company Limited and Controlled Entities does not comply with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting and Corporations Regulations 2001*.

#### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's responsibility for the review of their half year financial report section of our report.

We are independent of the Consolidated Entity in accordance with the auditor independence requirements of the *Corporation Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board APES 110 *Code of Ethics for Professional Accountants (including Independent Standards)* (the Code) that are relevant to our audit of the annual report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### Other Information

The directors of the Company are responsible for the other information. The other information obtained at the date of this review report comprises the information included in the Directors' Report for the half year ended 31 December 2025, but does not include the financial report and our review report thereon. Our conclusion on the financial report does not cover the other information and accordingly we do not express any form of review conclusion thereon.

In connection with our review of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the review or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors' determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001*, including giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2025 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the company's financial position as at 31 December 2025 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of BKI Investment Company Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
