EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of EGM (“**Notice**”) which will be held at 3:30pm (AEDT) on 16 March 2026, via a video-conferencing facility.

The Notice incorporates, and should be read together, with this Statement.

ORDINARY BUSINESS

Background to Resolutions 1, 2, 3, 4 & 5

On 5 December 2025, the Company announced that it had received firm commitments for a placement to institutional and sophisticated investors to raise \$34 million, before costs, via the issue of 680 million new fully paid ordinary shares (**Placement**). New shares to be issued as part of the Placement were to be issued at a price of \$0.05 (5 cents) per share (**New Share**). A total of 670 million New Shares were issued to investors on 12 December 2025 utilising the Company’s capacity under listing rules 7.1 - 320,000,000 New Shares and 7.1A - 350,000,000 New Shares. Shareholders are being asked to ratify the issue of 637,565,761 New Shares under Resolution 1.

The remaining 10 million New Shares to be issued were committed to by certain Directors and management. Shareholders are being asked to approve the issue of 8 million New Shares to Directors under Resolutions 2 to 4. The remaining 2 million New Shares are to be issued to management following the date of this general meeting. For the avoidance of doubt none of the management personnel participating in the Placement is a related party or any other person/party listed under ASX listing rule 10.11. The Company intends to proceed with the issue of 2 million New Shares to management if the issue of 8 million New Shares to Directors under Resolutions 2 to 4 is not approved by Shareholders. The New Shares to be issued to management are to be issued under the placement capacity provided under ASX Listing 7.1A.

Proceeds from the Placement are to be used to repay trade payables, repay convertible notes, for the partial repayment (€3.5 million) of the current Spanish loan facility, and the advancement of Mt Carbine operation to access high grade Iolante Vein plus general working capital and costs of the offer.

The Placement was conducted by Euroz Hartleys Limited and Canaccord Genuity (Australia) Limited as joint lead managers (**Joint Lead Managers**). Joint Lead Managers received a 2% management fee on gross funds raised under the Placement and a 4% distribution fee on gross funds raised less chairman’s list investors. Fees payable to the Joint Lead Managers are to be paid in cash and will be shared on a 50/50 basis.

On 5 December 2025, EQR also announced that, subject to shareholder approval, Oaktree had agreed to convert the remaining A\$7.25 million balance of its pre-royalty loan to 145 million new fully paid ordinary shares in EQR (**Additional Shares**). As announced on 15 August 2025, EQR executed an agreement with Oaktree for a 2.5% NSR royalty on the Saloro operation (**Royalty Agreement**). Oaktree subsequently advanced US\$7.5 million as a pre-royalty loan. The loan was reduced by A\$4.25 million in September 2025, in conjunction with the A\$22.5 million capital raise undertaken by the Company. In accordance with Resolution 5, Shareholders are being asked to approve the issue of the Additional Shares to extinguish the remaining balance of the pre-royalty loan, which is approximately A\$7.25 million. If approved by Shareholders, the agreement to grant a royalty over Saloro will be subsequently terminated.

Resolution 1 – Ratification of New Shares

Background

The Company seeks Shareholder approval to ratify the issue of 637,565,761 New Shares on 12 December 2025 to institutional and sophisticated investors pursuant to ASX Listing Rule 7.4. The Company has become aware of a breach of Listing Rule 7.1 in relation to 131,868,132 shares issued under Cronimet Debt to Equity Swap, as announced by the EQR on 15 August 2025 via the ASX market announcements platform. The result is that the Company exceeded its placement capacity by 32,434,239 shares when it conducted its placement on 12 December 2025. As a consequence, a corresponding 32,434,239 shares are ineligible for ratification under Listing Rule 7.4. Listing Rule 7.4 requires that the original issue of shares did not breach Listing Rule 7.1 to be eligible to be ratified.

The New Shares were issued without Shareholder approval from the Company’s existing placement capacity under ASX Listing Rules 7.1 and 7.1A.

For personal use only

ASX Listing Rule Requirements

ASX Listing Rule 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any security issues that meet the requirements of one of the exceptions of ASX Listing Rule 7.2. The issue of 287,565,761 New Shares on 12 December 2025 to placement participants was within the Company's available placement capacity under ASX Listing Rule 7.1 and the issue of 350,000,000 New Shares on 12 December 2025 to placement participants was within the Company's available placement capacity under ASX Listing Rule 7.1A and did not fit within any of the Listing Rule 7.2 exceptions.

ASX Listing Rule 7.1A enables eligible entities which have obtained shareholder approval by special resolution to issue securities up to the equivalent of 10% of the Company's fully paid ordinary issued capital over a 12-month period after the date of the Annual General Meeting approving the additional capacity to issue securities ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. The Company obtained such shareholder approval for the 10% Placement Facility at the Annual General Meeting held on 27 November 2025. The issue of 637,565,761 New Shares on 12 December 2025 to placement participants was within the Company's available placement capacity under ASX Listing Rules 7.1 and 7.1A and did not fit within any of the Listing Rule 7.2 exceptions.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of Shareholders for the purposes of ASX Listing Rule 7.1, if the issue did not breach ASX Listing Rule 7.1 at the time and Shareholders subsequently approve it. As the issue of these New Shares was within the Company's ASX Listing Rule 7.1 and 7.1A placement capacity, did not fall within any of the exceptions in ASX Listing Rule 7.2, and was not previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue of these New Shares pursuant to ASX Listing Rule 7.4 to refresh its capacity to make further issues without Shareholders approval under ASX Listing Rule 7.1.

If this Resolution is approved, the prior issue of the New Shares to placement participants may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore be able to issue additional equity securities without the 670,000,000 New Shares issued on 12 December 2025 counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 or the 10% threshold for the purposes of ASX Listing Rule 7.1A.

If this Resolution is not approved, the issue of the New shares to placement participants will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have 287,565,761 New Shares as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 and 350,000,000 New Shares as counting towards the 10% threshold for the purposes of ASX Listing Rule 7.1A.

ASX Listing Rule Disclosure Requirements

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the New Shares were issued to professional and sophisticated investors who were identified through a bookbuild process, which involved the Joint Lead Managers seeking expressions of interest to participate in the capital raising from non-related parties of the Company. There was no participant in the issue of the New Shares that was an investor required to be disclosed under ASX Guidance Note 21 which includes;
 - i. related party of the Company;
 - ii. member of key management personnel;
 - iii. substantial holder in the Company;
 - iv. adviser to the Company; or
 - v. associate of any of the above,and the securities issued constitute more than 1% of the Company's current issued capital.
- (b) the number and class of securities issued was 670,000,000 New Shares, with shareholders being asked to ratify the issue of 637,565,761 New Shares;
- (c) the New Shares were issued on 12 December 2025, for cash, at an issue price of \$0.05 (5 cents) per New Share; and
- (d) Proceeds from the Placement are to be used to repay trade payables, repay convertible notes, for the partial repayment (€3.5 million) of the current Spanish loan facility, and the advancement of Mt Carbine operation to access high grade Iolanthe Vein plus general working capital and costs of the offer.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

If Resolutions 2, 3, and 4 are passed, the Company will be able to proceed with the issue of the New Shares to each of Mr Stephen Layton, Mr Craig Bradshaw, and Mr Stephen Weir, (or their nominee(s)) at an issue price of \$0.05 (5 cents) per share and will be excluded when calculating the Company's Placement Capacity under Listing Rule 7.1.

Resolution 5 – Approval to issue Shares to Oaktree Capital Management L.P.

Background

Oaktree Capital Management L.P. (**Oaktree**), an institutional investor and substantial Shareholder in the Company, As announced on 15 August 2025, EQR executed an agreement with Oaktree for a 2.5% NSR royalty on the Saloro operation (**Royalty Agreement**). Oaktree subsequently advanced US\$7.5 million as a pre-royalty loan. The loan was reduced by A\$4.25 million in September 2025, in conjunction with the A\$22.5 million capital raise undertaken by the Company.

Oaktree has agreed, subject to Shareholder approval, to convert the remaining A\$7.25 million balance of its pre-royalty loan to 145 million new fully paid ordinary shares in the Company (**Additional Shares**). If approved by Shareholders, the agreement to grant a royalty over Saloro will be subsequently terminated (**Royalty Agreement**). Shareholders are being asked to approve the issue of the Additional Shares to extinguish the remaining balance of the pre-royalty loan, which is approximately A\$7.25 million. If approved by Shareholders, the agreement to grant a royalty over Saloro will be subsequently terminated.

The Company is therefore seeking shareholder approval pursuant to ASX Listing Rule 10.11 for the issue of 145,000,000 Additional Shares to Oaktree (or their nominee) at an issue price of \$0.05 (5 cents).

Oaktree has a relevant interest in 15.96% of the voting Shares in the Company and has nominated Mr Weir as a Director of the Company.

- 10.11.1 a related party;

- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.3 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of 145,000,000 Additional Shares to Oaktree.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of 145,000,000 Additional Shares to Oaktree and the Company would be required to renegotiate the terms of the Royalty Agreement and/or pay the A\$7.25 million balance of its pre-royalty loan in cash.

Resolution 6 – Approval to Issue Securities under an Incentive Plan

General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 223,271,750 Securities under the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**).

Shareholders approved the issue of equity securities under the Company's Equity Incentive Plan for the purposes of Listing Rule 7.2 (Exception 13) at the AGM held on 29 November 2023. The maximum number of equity securities approved to be issued under the Omnibus Incentive Plan within the three-year period from that date is 150,826,761.

If this Resolution is passed, the Company intends that the Plan will apply to new offers and grants made on and from the date of Shareholder approval. The Equity Incentive Plan will remain on foot only to the extent necessary to administer existing awards (including vesting and exercise in accordance with their terms), and the Company does not intend to make further offers or grants under the Equity Incentive Plan after that date, except as required to administer those existing awards.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated above) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the Securities.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Bradshaw is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Bradshaw) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for Mr Bradshaw, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within 3 years after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr Bradshaw under the Plan and may have to consider alternative forms of remuneration.

Resolutions 8 to 12: Approval to Issue Options to Directors

General

These Resolutions seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and section Listing Rule 10.14 for the issue of an aggregate of 39,000,000 Options to Directors Mr Oliver Kleinhempel, Mr Stephen Weir, Mr Stephen Layton, Mr Zhui Pei Yeo, and Mr Craig Bradshaw (or their nominee(s)) (**Related Parties**) under the Plan on the terms and conditions set out below.

Further details in respect of the Options proposed to be issued are set out in the table below.

QUANTUM	RECIPIENT	RESOLUTION	EXERCISE PRICE	EXPIRY DATE
6,000,000	Mr Oliver Kleinhempel	8	\$0.15	The date that is 3 years from the date of issue of the Options.
6,000,000	Mr Stephen Weir	9	\$0.15	The date that is 3 years from the date of issue of the Options.

15,000,000	Mr Craig Bradshaw	12	\$0.15	The date that is 3 years from the date of issue of the Options.

The Company notes that the issue of the Options to the Directors pursuant to Resolutions 8 to 12 are subject to the passing of Resolution 6 (approval to issue Securities under an incentive plan).

Resolutions 8, 9, 10, 11 and 12 are not conditional on each other and can be passed independently of each other.

Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Securities should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- i. obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- ii. give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options to the Related Parties constitutes giving a financial benefit and the Related Parties are related parties of the Company by virtue of being Directors.

As the Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Options to the Related Parties falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

Subject to the passing of Resolution 6, if these Resolutions are passed, the Company will be able to proceed with the issue within 3 years after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolution are not passed, the Company will not be able to proceed with the issue of Options to the Related Parties under the Plan and the Company may need to consider alternative means of incentivising the Related Parties (including, but not limited to, cash incentives).

Resolutions 8, 9, 10, 11 and 12 are conditional on Resolution 6 (approval to issue Securities under an incentive plan) also being passed. Therefore, if Resolution 6 is not passed, the Board will not be able to proceed with the issue of the Options to the Related Parties.

Resolution 13: Non-Board-Endorsed Candidate

Background

In accordance with clause 17.5 of the EQ Resources Limited constitution, one external non-Board-endorsed candidate, Mr Stephen Mayne, has offered himself for election. Mr Mayne has been assessed by the Board as being independent.

The Board is comprised of experienced senior business leaders from a variety of professional backgrounds who each meets fundamental requirements and, collectively, possess the skills, experience, tenure and diversity considered necessary to appropriately govern the Company's operations.

The Board has a process to identify and nominate potential directors in a professional and structured manner. The Board, supported by the Remuneration and Nomination Committee, reviews the size and composition of the Board, having regard to the Board's skills matrix and the objective that the Board comprise the mix of skills, expertise, experience and diversity required for the Board to discharge its obligations effectively.

Any director candidate should possess skills, expertise, and experience that add to the overall skills and experience of the Board and align with Company's strategic objectives, including a breadth of relevant skills and perspectives on complex and inter-related issues to allow them to contribute in a multi-faceted way. The Board is satisfied that the current composition of the Board aligns with the Company's strategic objectives.

The Board has carefully considered Mr Mayne's nomination in this context and believes that Mr Mayne does not have the skills, expertise, knowledge and experience to enhance the overall effectiveness of the Board; and given the current Board composition and likely future changes to its composition, the skills, expertise, knowledge and experience of Mr Mayne are not required by the Board at the present time.

The following information about Mr Mayne's skills and experience is based on information he has provided and has not been independently verified by the Company.

Stephen Mayne, 56. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia's best known retail shareholder advocate. He was the founder of www.crikey.com.au, publishes the corporate governance website www.maynereport.com, writes columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes 8 years as a City of Manningham councillor in Melbourne's eastern suburbs, a 4-year term (2012-2016) as a City of Melbourne councillor where he chaired the Finance and Governance committee, almost 5 years on the Australian Shareholders' Association board and asking questions at almost 1300 ASX-listed company AGMs/EGMs since 1998.

If this Resolution 13 is passed, Mr Mayne will be elected to the Board as an independent Director.

If this Resolution is not passed, Mr Mayne will not join the Board as an independent Director.

Board Recommendation

The Board recommends that Shareholders vote against this Resolution. The Chair of the Meeting intends to vote undirected proxies against this Resolution.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time, with the Board retaining discretion to determine, at any time, that the person ceases to be an Eligible Participant, which may impact the treatment of any vested or unvested Securities in accordance with the Plan.
Purpose	The purpose of the Plan is to: assist in the reward, retention and motivation of Eligible Participants; (a) link the reward of Eligible Participants to Shareholder value creation; and (b) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of securities (Securities).
Maximum number of Convertible Securities	The Company will ensure that any invitations under the Plan which are made within Australia and involve monetary consideration comply with the Corporations Act (as modified by any applicable ASIC instruments). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exception 13(a)), following Shareholder approval, is 223,271,750 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: does not have any interest (legal, equitable or otherwise) in any Share which may be issued on exercise of the Convertible Security other than as expressly set out in the Plan;

For personal use only

Restrictions on dealing with Convertible Securities	<p>Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board.</p> <p>A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.</p>
Vesting of Convertible Securities	<p>Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.</p>
Forfeiture of Convertible Securities	<p>Convertible Securities will be forfeited in the following circumstances:</p> <p>in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group);</p> <p>(a) where there is a failure to satisfy the vesting conditions in accordance with the Plan;</p> <p>(b) on the date the Participant becomes insolvent; or</p> <p>(c) on the expiry date of the Convertible Securities,</p> <p>subject to the discretion of the Board.</p>
Listing of Convertible Securities	<p>Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.</p>
Exercise of Convertible Securities and cashless exercise	<p>To exercise a security, the Participant must deliver a signed notice of exercise (Exercise Notice) and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>In the case of Options, subject to the Board's approval, in lieu of paying the aggregate exercise price specified in the Exercise Notice, the Participant may elect a cashless exercise (Cashless Exercise) whereby the Board will issue to the Participant that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula:</p> $"S=O*" (("MVS-EP"))/"MVS"$ <p>Where:</p> <p>S = number of Shares to be issued on the exercise of the Options.</p> <p>O = number of Options being exercised.</p> <p>MVS = market value of Shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise, unless otherwise specified in an invitation.</p> <p>EP = Exercise Price of the Options.</p> <p>For the avoidance of doubt, if the sum of the above calculation is zero or negative, then the holder will not be entitled to use Cashless Exercise.</p>

	Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	<p>If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions:</p> <p>if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act;</p> <p>(a) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and</p> <p>(b) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy (as set out on the Company's website)</p>
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	Subject at all times to the Listing Rules, if a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event. The Board may specify in the Invitation how the Convertible Securities will be treated on a change of control event occurring, or the Board determining that such event is likely to occur, which may vary depending upon circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	The Company will not buy-back Securities issued under the terms of the Plan.

Employee Share Trust	<p>The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.</p>
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>
Income Tax Assessment Act	<p>The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.</p>

RE: Valuation of EQ Resources Limited performance rights

Dear Jono,

1. Introduction

You have requested that we determine the fair market value of five tranches of performance rights (the **Rights**) in accordance with AASB 2 – Share Based Payment (the **Engagement**). The Rights are proposed to be granted by EQ Resources Limited (the **Company**) to a director of the Company following shareholder approval at the Company’s next General Meeting. As a result, we undertook the valuation as at 9 January 2026 (**Valuation Date**), being the most recently concluded market day prior to the date of this report.

2. Summary of the Rights

The tranches comprising the Rights are summarised below and further detailed in Annexure 1.

Tranche	#	Hurdle Type	Summary of vesting conditions
Tranche 1	1,140,000	Absolute TSR	Company’s Absolute TSR over FY26 meeting certain thresholds. Vesting occurring in one-third increments over the two years following TSR determination.
Tranche 2	1,140,000	Relative TSR	Company’s relative TSR performance compared to constituents of a Comparator Group over FY26. Vesting occurring in one-third increments over the two years following TSR determination.
Tranche 3	1,140,000	Production Performance	Company’s Actual Production as a percentage of the Annual Target for FY26. Vesting percentage based on performance occurring in one-third increments over the two years following production determination.
Tranche 4	1,140,000	LTIFR Performance	Company’s percentage Lost Time Injury Frequency Rate (LTIFR) Improvement for FY26. Vesting percentage based on performance and occurring in one-third increments over the two years following LTIFR Improvement determination.
Tranche 5	1,140,000	Debt Renegotiation Performance	Achievement of a Binding Refinancing Solution by certain dates. Vesting percentage based on when solution attained and occurring in one-third increments over the two years following solution attainment.

3. Valuation Methodologies

We have used the Black-Scholes Option Pricing (**BSOP**) methodology, which utilises the Black-Scholes-Merton model and Monte Carlo Simulation (**MCS**) Methodology, which utilises the Binomial Option Pricing Model, to estimate the fair value of the Rights. Our valuation of the Rights takes into consideration:

- (1) The material terms of the Rights
- (2) Methodology and key inputs of the BSOP and MCS
- (3) Other considerations
- (4) Key relevant accounting standards

4. Valuation Conclusion

Based on the inputs and assumptions discussed in this letter (including annexures), the resulting fair value for the Rights is summarised in Table 1 below.

Table 1: Valuation Conclusion				
Tranche	# of equity instruments	NMBVC Expected Vesting ¹	Fair Value per Right	Concluded value
	(a)	(b)	(c)	(d) = (a)*(b)*(c)
Tranche 1	1,140,000	100.0%	\$0.0899	\$102,486
Tranche 2	1,140,000	100.0%	\$0.0741	\$84,474
Tranche 3	1,140,000	100.0%	\$0.0940	\$107,160
Tranche 4	1,140,000	100.0%	\$0.0940	\$107,160
Tranche 5	1,140,000	75.0%	\$0.0940	\$80,370
Total	5,700,000			\$481,650

Note 1: non-market based vesting conditions (NMBVC) are taken into account in the valuation by adjusting the number of equity instruments included in the measurement. The Company must estimate the probability of achieving the NMBVCs (including the service condition) and apply the expected vesting outcome to the number of equity instruments in each tranche (see Annexure 3 for further discussion).

Should you have any questions regarding anything contained in this letter please do not hesitate to contact me. Yours faithfully
