## Directors' Report (continued)

### Review of Operations (continued)

#### Review of financial results (continued)

##### Continuing Operations (continued)

The group's growth was broad-based, with standout contributions from the Complementary Services segment and continued momentum in the Media Segment.

#### Complementary Services

- Events and TV Production delivered material growth.
- TV Production revenue increased by \$3.6m (61%) compared to pcp generating an additional EBITDA<sup>1</sup> of \$0.8m.
- Events revenue increased by \$3.3m (32%) vs pcp generating an additional EBITDA<sup>1</sup> of \$1.3m

#### Media

- Media revenue grew 11%, buoyed by live sport with the AFL/NRL finals series, Trade Radio and Ashes cricket.
- Performance continues to validate SEG's 'Whole of Sport' strategy, with sport remaining one of the strongest consumption categories in Australia.
- Media has reached a tipping point of scale, with most of the revenue growth translating directly to EBITDA<sup>1</sup>.
- Talent, programming and rights costs remained stable, supporting margin expansion.

#### Cashflow & Balance Sheet

- Operating cashflow of \$11.2m
- Cash on hand of \$26.7m as at 31 December 2025.
- Senior bank debt reduced to \$11.4m.
- A further \$12m cash was received on the 6<sup>th</sup> of January 2026 upon the completion of the Perth Wildcats sale

### Significant Changes in the State of Affairs

Other than the matters referred to above, in the opinion of the Directors, there were no significant changes in the state of affairs of the Group that occurred during the half year ended 31 December 2025.

### Profit /(Loss) per Share

The basic profit per share for the Group was 1.19 cents (2024: 10.60 cents) and the diluted profit per share was 1.16 cents (2024: 10.45 cents). Diluted Underlying EBITDA per share was 4.16 cents (2024: 1.82 cents).

The weighted average number of ordinary shares on issue during the financial period used in the calculation of basic profit per share was 280,874,770 shares (2024: 274,963,676 shares).

### Events since the end of the Financial Half Year

On the 6<sup>th</sup> of January 2026, SEG completed the final two stages of the Perth Wildcats divestment, resulting in \$12m of cash being received and the disposal of SEG's final 30.6% of share ownership.

### Likely Developments and Expected Results of Operations

Certain information regarding likely developments in the operations of the Group in future financial years is set out above or elsewhere in the Financial Report. The disclosure of other information other than what is disclosed, regarding likely developments in the operations of the Group in future financial years and the expected results of those operations is likely to result in unreasonable prejudice to the Group or any entity that is part of the Group. Accordingly, the directors have chosen not to disclose this information in this report.

<sup>1</sup> Pre-AASB16 and excluding restructuring, transaction and abnormal costs

<sup>2</sup> Net Cash is Total Cash on hand less borrowings. Borrowings exclude finance leases and AASB16 lease adjustments

## DECLARATION OF INDEPENDENCE BY BENJAMIN LEE TO THE DIRECTORS OF SPORTS ENTERTAINMENT GROUP LIMITED

As lead auditor for the review of Sports Entertainment Group Limited for the half-year 31 December 2025, I declare that, to the best of my knowledge and belief, there have been:

1. No contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
2. No contraventions of any applicable code of professional conduct in relation to the review.

This declaration is in respect of Sports Entertainment Group Limited the entities it controlled during the period.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Sports Entertainment Group Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of Sports Entertainment Group Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2025 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

**Auditor's responsibility for the review of the financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Notes to the consolidated financial statements

### 1. Summary of Material Accounting Policy Information

The principal accounting policies adopted in the preparation of these consolidated financial statements are set out below. In addition, significant and other accounting policies that summarise the measurement basis used and that are relevant to an understanding of the financial statements are provided throughout the notes to the financial statements.

These general-purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2025 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

The financial statements are for the consolidated entity consisting of Sports Entertainment Group Limited ("the Company") and its subsidiaries ("the Group").

#### Basis of Preparation

This general-purpose half-year financial report has been prepared by a for-profit entity in accordance with AASB 134 "Interim Financial Reporting" and the Corporations Act 2001.

Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 "Interim Financial Reporting".

The financial statements are for the consolidated entity, comprising Sports Entertainment Group Limited and its subsidiaries.

The consolidated financial statements have been prepared under the historical cost convention, except for where applicable, the evaluation of certain non-current assets and financial instruments.

Cost is based on the valuation of consideration given. The accounting policies utilised in preparing the half-year financial report are consistent with those adopted for previous periods, but the half-year report does not include all the notes of the type usually included in an annual financial report.

It is recommended that this financial report be read in conjunction with the financial report for the year ended 30 June 2025 and any public announcements made during the half-year in accordance with any continuous disclosure obligations arising under the Corporations Act 2001 and ASX listing rules.

Where necessary, comparative figures have been adjusted to confirm changes in presentation in the current year.

#### *Statement of Compliance with IFRS*

Australian Accounting Standards include International Financial Reporting Standards (IFRS) as adopted in Australia. The financial statements and notes of Sports Entertainment Group Limited comply with International Financial Reporting Standards (IFRS).

#### *Going Concern*

The directors have, at the time of approving the financial statements, a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. They continue to adopt the going concern basis in preparing the financial statements.

## Notes to the consolidated financial statements (continued)

### 1. Summary of Material Accounting Policy Information (continued)

#### Basis of Preparation (continued)

##### *Principles of Consolidation*

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of Sports Entertainment Group Limited ('company') as at 31 December 2025 and the results of all subsidiaries for the half year then ended. The company and its subsidiaries together are referred to in these financial statements as the 'consolidated entity'.

Subsidiaries are all those entities over which the consolidated entity has control. The consolidated entity controls an entity when the consolidated entity is exposed to, or has rights to, variable returns from its involvement with the entity and can affect those returns through its power to direct the activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the consolidated entity. They are de-consolidated from the date that control ceases.

Intercompany transactions, balances, and unrealised gains on transactions between entities in the consolidated entity are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with policies adopted by the consolidated entity.

The acquisition of subsidiaries is accounted for using the acquisition method of accounting. A change in ownership interest, without the loss of control, is accounted for as an equity transaction, where the difference between the consideration transferred and the book value of the share of the non-controlling interest acquired is recognised directly in equity attributable to the parent.

Non-controlling interest in the results and equity of subsidiaries are shown separately in the statement of profit or loss and other comprehensive income, statement of financial position and statement of changes in equity of the consolidated entity. Losses incurred by the consolidated entity are attributed to the non-controlling interest in full, even if that results in a deficit balance.

Where the consolidated entity loses control over a subsidiary, it derecognises the assets including goodwill, liabilities, and non-controlling interest in the subsidiary together with any cumulative translation differences recognised in equity. The consolidated entity recognises the fair value of the consideration received and the fair value of any investment retained together with any gain or loss in profit or loss.

##### *Discontinued operations*

A discontinued operation is a component of the consolidated entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single co-ordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately on the face of the statement of profit or loss and other comprehensive income.

##### *Comparatives*

The comparative figures have been adjusted to conform with AASB 5: "Assets held for sale and discontinued operations" presentation requirements.

##### *Rounding of Amounts*

The Company is of a kind referred to in ASIC Legislative Instrument 2016/191 relating to "rounding off" of amounts in the financial report.

Amounts in the financial report have been rounded off in accordance with that Legislative Instrument to the nearest thousand dollars, unless otherwise indicated.

#### **New, revised or amending Accounting Standards and Interpretations adopted**

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period, with no material impacts to be noted.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

#### **Critical Accounting Judgements and Key Sources of Estimation Uncertainty**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

## Notes to the consolidated financial statements (continued)

### 1. Summary of Material Accounting Policy Information (continued)

#### Critical Accounting Judgements and Key Sources of Estimation Uncertainty (continued)

##### *Share-based payment transactions*

The consolidated entity measures the cost of equity-settled transactions with employees by reference to the fair value of the equity instruments at the date at which they are granted. The fair value is determined by using the 30-day weighted average share price at grant. The accounting estimates and assumptions relating to equity-settled share-based payments would have no impact on the carrying amounts of assets and liabilities within the next annual reporting period but may impact profit or loss and equity.

##### *Allowance for expected credit losses*

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates. The expected credit loss assessment for the interim financial period also included an additional adjustment for the current economic environment and increase risk profile in the Group's trade and other receivable balances.

##### *Estimation of useful lives of assets*

The consolidated entity determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives. Technically obsolete or non-strategic assets that are abandoned or sold will be written off or written down.

##### *Goodwill and other indefinite life intangible assets*

The Group tests annually at 30 June of a financial year, or more frequently if events or changes in circumstances indicate impairment, whether goodwill and other indefinite life intangible assets have suffered any impairment. In this interim period, the Group has assessed the recoverable amount of the Australian Broadcasting & Media CGU and the New Zealand Broadcasting & Media CGU. These calculations require the use of assumptions, including estimated discount rates based on the current cost of capital and growth rates of the estimated future cash flows. Based on the results of impairment testing performed, no impairment to these cash generating units was required.

##### *Income tax*

The consolidated entity is subject to income taxes in the jurisdictions in which it operates. Significant judgement is required in determining the provision for income tax. There are many transactions and calculations undertaken during the ordinary course of business for which the ultimate tax determination is uncertain. The consolidated entity recognises liabilities for anticipated tax audit issues based on the consolidated entity's current understanding of the tax law. Where the final tax outcome of these matters is different from the carrying amounts, such differences will impact the current and deferred tax provisions in the period in which such determination is made.

##### *Lease term*

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the consolidated entity's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The consolidated entity reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

##### *Deferred Revenue*

Deferred revenue arises when the performance obligation to the customer, being the broadcast or publication of the advertising or service itself, has not occurred at the balance date.

#### Recognition and Measurement

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

#### Terms and Conditions of Issued Capital Ordinary Shares

Ordinary shareholders have the right to receive dividends as declared and in the event of winding up the Company, to participate in the proceeds from the sale of all surplus assets in proportion to the number and amounts of paid-up shares held.

Ordinary shares entitle their holder to one vote, either in person or by proxy at a meeting of shareholders.

The fully paid ordinary shares have no par value.

### 7. Segment Information

The company operates in the Media industry in Australia. There are four operating segments – Media, Complementary Services, Head Office and Sports Teams.

AASB 8 requires operating segments to be disclosed in a manner that reflects the management information reviewed by the Chief Operating Decision Makers (“CODM”). The financial performance of each segment is reviewed by CODM at the level of earnings before interest, tax, depreciation and amortisation (EBITDA), pre AASB 16 Leases adjustments.

The Company also incurs head office costs that are reviewed by the CODM separate from the four operating segments.

#### Segment Reporting

A business segment is a group of assets and operations engaged in providing products or services that are subject to risks and returns that are different to those of other business segments. Accordingly, reporting segments have been determined based on reporting to the CODM at reporting date, as this forms the basis of reporting to the Board (CODM).

#### Unallocated items

Income tax expense is not allocated to operating segments as it is not considered part of the core operations of any segment.

#### Accounting policies adopted

Unless stated otherwise, all amounts reported to the Board, being the CODM with respect to operating segments, are determined in accordance with accounting policies that are consistent with those adopted in the annual financial statements of the Company.

### 8. Business Combinations

On 1 September 2025, Sports Entertainment Group Limited completed the acquisition of the brand and audio & digital broadcasting assets of 3UZ Pty Ltd (RSN), for a total purchase price of \$3.25 million. SEG is investing in the Racing vertical which we see as an adjacent industry to Sport with material future growth. The purchase is payable over three (3) years and will be funded by SEG's cash reserves. The acquired business contributed revenues of \$858,816 to the consolidated entity for the period from 1 September 2025 to 31 December 2025.

This acquisition has been provisionally accounted for as at 31 December 2025
