Directors' Report

The directors of Nova Eye Medical Limited (the Company) submit herewith the financial report of Nova Eye Medical Limited and its subsidiaries (the Group) for the half-year ended 31 December 2025. In order to comply with the provisions of the *Corporations Act 2001*, the directors' report as follows:

The names of the directors of the Company during or since the end of the half-year are:

Name

Mr V Previn	Chair
Mr R Coupe	Independent Director
Mr M Southard	Executive Director
Mr T Spurling	Managing Director
Mr D Webb	Independent Director

Simon Gray is the Company Secretary of the Company.

Principal Activities

The principal activities of the Company during the financial period were the design, development, service and marketing, sales, and distribution of medical devices to treat eye disease.

Review of Operations

For the six months ended 31 December 2025, Nova Eye Medical Limited (Nova Eye Medical) recorded a group loss after tax of \$3,365,000. This compares with a group loss after tax of \$5,394,000 in the six months to 31 December 2024. Loss before interest tax depreciation and amortisation (EBITDA-level loss) was \$2,204,000 for the six months ended 31 December 2025. This compares with an EBITDA-level loss of \$4,237,000 in the six months to 31 December 2024. This improvement was driven by significant gross margin improvement and operating leverage. Gross margin improved to 70% (from 66% in for the six months ended 31 December 2024), reflecting improved production efficiency and pricing discipline. Operating expenses increased, however, operating expenditure as a percentage of revenue continued to decline. The operating expenditure increase primarily reflects higher variable sales commissions driven by revenue growth, continued investment in clinical data generation, expanded clinical training and commercial resources outside the United States, and additional regulatory activity, partly offset by ongoing cost-reduction initiatives.

Auditor's Independence Declaration

The auditor's independence declaration is included on page 6 of the half-year report.

Rounding of Amounts

The company is a company of the kind referred to in ASIC Instrument 2016/191. In accordance with that Class Order amounts in the directors' report and the half-year financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

For personal use only

Directors' Report

Signed in accordance with a resolution of directors made pursuant to s.306 (3) of the *Corporations Act 2001*.

On behalf of the Directors,

A handwritten signature in black ink, appearing to read 'V. Previn', is written over a light blue horizontal line.

Auditor's Independence Declaration

As lead auditor of Nova Eye Medical Limited's financial report for the half-year ended 31 December 2025, I declare that, to the best of my knowledge and belief, there have been:

- a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the review of the financial report; and
- b) no contraventions of any applicable code of professional conduct in relation to the review of the financial report.

Notes to the Consolidated Financial Statements for the half-year ended 31 December 2025

Note 1: Basis of preparation

These condensed consolidated interim financial statements for the half-year reporting period ended 31 December 2025 have been prepared in accordance with requirements of the Corporations Act 2001 and Australian Accounting Standards including AASB 134: Interim Financial Reporting. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards.

Going concern

The consolidated financial statements are prepared on the going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities and commitments in the normal course of business.

The Group recorded an operating loss before tax of \$3,365k, which was an improvement on the comparative period of \$5,394k. Operating cash outflows for the six months ended 31 December 2025 were \$2,296k, compared with \$3,577k in the prior comparative period. During the six months ended 31 December 2025, the group recorded sales of \$16,712k (2024:\$12,925k) with a growth of 29%, over the prior comparative period measured in constant currency.

For the six months ended 31 December 2025, the Group's reported earnings before interest and tax (EBITDA) was \$2,204k loss, this is an improvement compared with \$4,237k loss in the prior comparative period.

The continuation of the Group as a going concern is dependent upon its ability to generate sufficient net cash inflows from operating and financing activities and to manage the level of operating expenditure within its available cash resources. The Directors have considered the Group's financial forecasts and available funds and in particular the improved performance since 1 January 2025. The Group's forecasts are dependent on achieving sales targets and staged business development plans.

In the event the budget and plans are not met, the Directors could achieve or generate positive cash inflow through a combination of:

- Raising share capital by way of a share purchase plan, share placement or rights issue. The Group has a proven track record of successfully executing such measures in the past.
- Reducing its expenditure programs.
- The Company is continuing to explore options for the AlphaRET business segment including potential fund raising and in the meantime expenditures in this segment have been and will continue to be scaled down.

As a result of the above matters, there is a material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business. However, the directors believe that the Group will be successful in the above matters and, accordingly, have prepared the financial report on a going concern basis.

Note 2: General information and basis of preparation

The condensed interim consolidated financial statements ('the interim financial statements') of the Group are for the six months ended 31 December 2025 and are presented in Australian Dollars, which is the functional currency of Nova Eye Medical Limited (the parent company). They do not include all of the information required in the annual financial statements in accordance with Australian Accounting Standards and should be read in conjunction with the consolidated financial statements of the Group for the year ended 30 June 2025 and any public announcements made by the Group during the half-year in accordance with continuous disclosure requirements arising under the Australian Securities Exchange Listing Rules and the Corporations Act 2001.

The interim financial statements have been approved and authorised for issue by the Board of Directors on 25 February 2026.

Note 3: Changes in accounting policies

The accounting policies adopted are consistent with those of the last financial statements for the year ended 30 June 2025.

There are no other standards that are not yet effective and that would be expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

Note 4: Estimates

When preparing the interim financial statements, management undertakes a number of judgments, estimates and assumptions about recognition and measurement of assets, liabilities, income and expenses. The actual results may differ from the judgments, estimates and assumptions made by management, and will seldom equal the estimated results.

The judgments, estimates and assumptions applied in the interim financial statements, including the key source of estimate uncertainty were the same as those applied in the Group's last annual financial statements for the year ended 30 June 2025.

Impairment of non-financial assets

The Group tests whether non-financial assets (including capitalised development expenditure, intangible assets and property, plant and equipment) have suffered any impairment when impairment indicators exist. The Group performed an impairment assessment over the non-financial assets in the Glaucoma Surgical Devices segment at 31 December 2025.

The recoverable amount of the cash generating units (CGU's) for Glaucoma Surgical Devices was determined based on value-in-use calculations which require the use of assumptions. The calculations use cash flow projections based on financial budgets approved by management covering a five-year period. No impairment losses as at 31 December 2025 were recognised.

Note 5: Commitments

There is no commitment for the purchase of property, plant and equipment at 31 December 2025.

Note 6: Contingencies

There are no contingencies as of the date of this report.

Note 7: Comparatives

Comparative information has, where relevant, been rearranged to conform to the current year presentation.

Note 8: Events occurring after the interim period

No matters or circumstances have arisen since the end of the half year which significantly affected or could significantly affect the operations of the Group, the results of the operations or the state of affairs of the Group in the future financial years.

Balance as at 31 December 2024	829,663	

Note 12: Share-based payments – performance rights and options (Cont.)

(a) Rights granted during the period

August 2025 Performance rights

(a) 333,333 performance rights issued 18 August 2025

- (i) 111,000 performance rights to convert to ordinary shares immediately on issue date.
- (ii) 111,000 performance rights to convert 12 months from issue date.
- (iii) 111,000 performance rights to convert 24 months from issue date.
- (iv) The fair value of the performance rights was \$0.15.

November 2025 Performance rights

(a) 10,000 performance rights issued 20 November 2025

- (i) 5,000 performance rights to convert to ordinary shares immediately on issue date.
- (ii) 5,000 performance rights to convert 12 months from issue date.
- (iii) The fair value of the performance rights was \$0.13.

December 2025 Performance rights

(a) 21,000 performance rights issued 1 December 2025

- (iv) 7,000 performance rights to convert to ordinary shares immediately on issue date.
- (v) 7,000 performance rights to convert 12 months from issue date.
- (vi) 7,000 performance rights to convert 24 months from issue date.
- (vii) The fair value of the performance rights was \$0.13.

Expenses arising from share-based payment transactions

Total expenses arising from share-based payment transactions recognised during the period as part of employee benefit expense were \$100,000 (2024: \$166,000).

Note 13: Related parties

On 1 July 2020 the Company entered into a lease agreement for a property at 107 Rundle St, Kent Town, South Australia with a company controlled by the Group's Chair. The terms of the lease are in line with similar properties in the area. Total payments made pursuant to the lease agreement during the period ended 31 December 2025 were \$45,543 including GST. Under AASB16 Leases reporting requirements, the interest expense relating to this lease for the period ended 31 December 2025 were \$970. At 31 December 2025, the outstanding lease liability balance was \$41,043.

Directors' declaration

The directors declare that:

- (a) The financial statements and notes are in accordance with the *Corporations Act 2001*, including:
 - (i) complying with Accounting Standards, *Corporations Act 2001* and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the consolidated entity's financial position as at 31 December 2025 and of its performance for the half-year ended on that date.
- (b) In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the directors made pursuant to s.303 (5) of the *Corporations Act 2001*.

Independent auditor's review report to the members of Nova Eye Medical Limited

Report on the half-year financial report

Conclusion

We have reviewed the half-year financial report of Nova Eye Medical Limited (the Company) and the entities it controlled during the half-year (together the Group), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of changes in equity, consolidated statement of cash flows, consolidated statement of profit or loss and other comprehensive income, for the half-year ended on that date, selected explanatory notes and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Nova Eye Medical Limited does not comply with the *Corporations Act 2001* including:

1. giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date;
2. complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity (ASRE 2410). Our responsibilities are further described in the Auditor's responsibilities for the review of the half-year financial report section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material uncertainty relating to going concern

We draw attention to Note 1 in the half-year financial report, which describes the directors' assessment of the ability of the Group to continue as a going concern. The events or conditions as stated in Note 1 indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibilities of the directors for the half-year financial report

The directors of the Company are responsible for the preparation of the half-year financial report, in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement whether due to fraud or error.

Auditor's responsibilities for the review of the half-year financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
