**Preliminary Final Report to the Stock Exchange**

The Group delivered a stronger financial performance for the year ended 31 December 2025, notwithstanding the absence of any material uplift in economic activity associated with resource sector projects during the period.

The result reflects the benefits of the Group's continued investment in assets, technology and human capital in recent years. These strategic initiatives have strengthened operational capability and positioned the Group to drive improved performance across its core business activities.

Steamships' sales revenue increased by 11.3% to K798.2 million against last year's K717.4 million. Profit before tax includes the following items:

- K25.3 million cash spend related to ongoing upgrade of enterprise resource planning (ERP) system
- K19.7 million net gain on property disposals
- K2.9 million from insurance proceeds (net)

<b>Underlying profit attributable to shareholders</b>	<b>65,301</b>	<b>31,900</b>	<b>104.7%</b>

Depreciation in 2025 was K123.9 million against K113.5 million in 2024, and interest expense on net borrowings (excluding capitalised interest) was K6.4 million against K6.1 million in 2024. Capital expenditure for the year was K201.6 million against K231.1 million in 2024.

The Group's net operating cash flow generation increased by 12.6% to K176.3 million against K156.6 million in 2024. The cash balance at year end is K37.7 million.

A final dividend of 65 toea per share has been proposed and will be paid following approval at the Board of Directors meeting on 26th May 2026, subject to Steamships' ability to secure foreign exchange for non-PNG shareholders. As there was an interim dividend paid during the year of 40 toea per share, the total dividend for the year is K1.05 per share (2024: 70 toea per share). The dividend is unfranked and there is no conduit foreign income.

### ***Trading Performance***

#### *Hospitality*

The Coral Sea Hotels division recorded results in line with forecast for the reporting period.

During the year, the Group undertook a planned multi-annual capital expenditure programme across its Port Moresby Hotels including the Gateway Hotel, Ela Beach Hotel and Grand Papua Hotel, comprising major refurbishment and upgrade works.

These initiatives are aimed at maintaining asset quality, improving operating efficiency and enhancing the long-term competitiveness of the portfolio.

#### *Property*

The Property Division delivered operating performance in line with forecast for the reporting period.

Key capital expenditure projects (Portside Business Park, Dobel, Downtown Plaza) continue to advance and are intended to support future growth.

#### *Logistics*

The Logistics Division delivered financial performance in line with expectations for the reporting period.

Activity levels were supported by favourable commodity pricing across selected agricultural products and mineral exports, contributing to steady throughput volumes during the year.

Ongoing investment in asset reliability and workforce capability supported operational continuity and efficiency, providing a measured contribution to the division's overall financial performance.

#### *Commercial*

Colgate-Palmolive (PNG) Limited, a Papua New Guinea-incorporated joint venture, delivered financial results in line with expectations, achieving year-on-year growth in both revenue and profit despite foreign exchange headwinds.

### ***Trading Outlook***

Steamships maintains a positive but measured outlook for the year ahead.

While the Group continues to monitor potential opportunities associated with natural resources-related projects, capital allocation will remain disciplined.

The Group will continue to prioritise balance sheet strength, operational efficiency and prudent capital management in assessing growth opportunities.

## 1. Contingent Liabilities

There were contingent liabilities at the Balance Sheet date as follows:

- (a) Steamships Trading Company Limited holds a 51% interest in an associated company, Colgate Palmolive (PNG) Ltd, ("CP (PNG) Ltd"). In 2022 CP (PNG) Ltd received a notice from PNG Customs seeking to reassess the historic rate of import duty applied to a specific product, known as soap noodles, resulting in an additional duty of K11.1 million and an intention to apply the higher rate on future imports. CP (PNG) Ltd has disputed the interpretation of the product characteristics by PNG Customs and formally appealed against this higher assessed rate of duty. The appeal process remains in progress.

To the extent that any of the additional duty is deemed payable by CP (PNG) Ltd following the appeal process, the Group's share of profits from associates and the equity accounted investment in CP (PNG) Ltd will be reduced by 51% of the amount payable, net of any tax effect.

- (b) The parent entity has given a secured guarantee in respect of the bank overdrafts and loans of certain subsidiaries, associates and joint ventures.
