During the year, the Fund held investments in a portfolio of property-related securities diversified by property sectors, geographic locations and fund managers.

Results and Review of Operations

The net income before finance costs for the period ended 31 December 2025 is \$6,999,000 (December 2024: \$50,364,000). This result includes the gain in fair value of investments of \$7,440,000 (December 2024: \$50,554,000).

DIRECTORS' REPORT

FOR THE HALF-YEAR ENDED 31 DECEMBER 2025

Results and Review of Operations (cont.)

The distribution return is calculated on the basis of the gross distribution to Unitholders before deducting any withholding tax which may be applicable. The growth return relates to the movement between closing trade prices on the ASX as at 31 December 2025 and the closing trade prices on 30 June 2025. The market price of the Fund's Units (as represented by the closing trade price) on the ASX as at 31 December 2025 was \$3.12 (30 June 2025: \$3.00).

Returns have been calculated after fees and assuming reinvestment of distributions within Australia, in accordance with IFSA Standard 6.00 *Product Performance - calculation and presentation of returns*.

Value of the Fund's assets

The Fund's total net assets were valued at \$224,597,000 as at 31 December 2025 (30 June 2025: \$217,598,000) in accordance with the accounting policies set out in Note 2 of the Interim Financial Report. The net tangible asset value was \$5.045 per ordinary unit (30 June 2025: \$4.888 per unit). The net tangible asset calculation excludes the Deferred Units on issue.

Future Developments, Prospects and Business Strategies

The results of the Fund's future investment activities will depend primarily on the performance of the unit price, and the distributions received from, the entities in which the Fund has invested. The performance of those entities is influenced by many factors which are difficult to predict, including economic growth rates, inflation, interest rates, exchange rates, regulatory changes and taxation levels. There are also specific issues such as management competence, capital strength, industry trends and competitive behaviour.

The Fund is conservatively managed and the diversification of the investment portfolio holdings helps to reduce overall risk and the volatility of the Fund's earnings and capital fluctuations.

The Fund will continue to focus on controlling costs whilst growing its unitholder funds. The constantly changing nature of markets and other investment conditions requires management and the Directors to diligently appraise any opportunities that may present themselves. The Fund does not envisage any significant changes to its business model.

The Fund will continue to be managed in accordance with the investment objectives and guidelines.

No distributions were paid or recommended during the period (2024: Nil).

Significant Changes in State of Affairs

Other than as noted in "Results and Review of Operations", there were no significant changes in the state of affairs of the Fund which occurred during the half-year ended 31 December 2025.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE HALF-YEAR ENDED 31 DECEMBER 2025

1. Reporting entity

AIMS Property Securities Fund (the "Fund") is a fund domiciled in Australia. These interim financial statements ("interim financial statements") are as at and for the six months ended 31 December 2025. The Fund invests in a portfolio of property related securities diversified by property sectors, geographic locations and fund managers.

The annual financial statements of the Fund as at and for the year ended 30 June 2025 are available on the website of the Responsible Entity, AIMS Fund Management Limited, at www.aimsfunfunds.com.au.

This interim financial report is intended to provide unitholders with an update on the latest financial position of the Fund. It is therefore recommended that this interim financial report be read in conjunction with the annual financial statements of the Fund for the financial year ended 30 June 2025, together with any public announcements made during the half-year ended 31 December 2025.

2. Basis of preparation

These interim financial statements are general purpose financial statements prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001, and with IAS 34 Interim Financial Reporting.

They do not include all of the information required for a complete set of annual financial statements. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Fund's financial position and performance since the last annual statements as at and for the year ended 30 June 2025.

These interim financial statements were authorised for issue by the Fund's Board of Directors on 27th February 2026.

The Fund is of a kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 and in accordance with the legislative instrument, amounts in the interim financial statements have been rounded off to the nearest thousand dollars unless otherwise stated.

The accounting policies applied in these interim financial statements are the same as those applied in the Fund's financial statements as at and for the year ended 30 June 2025.

3. Use of judgements and estimates

In preparing these interim financial statements, Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgements made by Management in applying the Fund's accounting policies and the key sources of estimation were the same as those that applied to the annual financial statements as at and for the year ended 30 June 2025.

⁽¹⁾ The fair value of these unlisted property securities as at the end of the reporting periods are estimated based on the net tangible assets of the underlying funds, which are closed-end or open-ended with no redemption windows. As the underlying assets and liabilities of these funds are measured at fair value or their carrying value approximates their fair value, the net tangible asset represents the best estimate of fair value of these investments in unlisted funds. The realisable value and liquidity of the investments are subject to the underlying funds' performance, their ability to comply with loan covenants, and/or their ability to sell down assets. As at 31 December 2025 the fair value of investments in closed-end funds and open-ended funds with no redemption windows amounted to \$211,687,000 (30 June 2025: \$204,697,000).

FOR THE HALF-YEAR ENDED 31 DECEMBER 2025

5. Net assets attributable to unitholders (cont.)

All Ordinary Units in the Fund carry equal rights and each unit represents a right to the underlying assets of the Fund. Deferred Units in the Fund carry no right to participate in any distribution of the Fund. Deferred Units, issued with no proceeds, are convertible to ordinary units on the terms set out in the Fund's constitution. At 31 December 2025, 1,752,605 (June 2025: 1,752,605) Deferred Units were on issue. These are included in the totals above. Deferred units were issued to the Responsible Entity and will be converted to Ordinary Units to settle performance fees if the performance hurdles were met. However, the supplemental deed of the Fund's constitution removed the payment of performance fees to the Responsible Entity (see Note 8) and as such the Deferred Units will no longer be converted to Ordinary Units.

6. Financial Instruments – Fair value measurement

The following table shows the fair values of financial assets and financial liabilities measured at fair value, including their levels in the fair value hierarchy.

31 Dec 2025	Fair Value (\$'000)		
	Level 1	Level 2	Level 3
Financial assets measured at fair value			
Listed property securities	11,251	-	-
Unlisted property securities	-	-	211,687

30 Jun 2025	Fair Value (\$'000)

Financial assets measured at fair value			
Listed property securities	10,430	-	-
Unlisted property securities	-	-	204,697
	10,430	-	204,697

The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Valuation technique and significant unobservable inputs

The following table shows the valuation techniques used in measuring Level 2 and 3 fair values, as well as the significant unobservable inputs used.

There are no changes in valuation technique compared to 30 June 2025.

6. Financial Instruments – Fair value measurement (cont.)

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between key unobservable inputs and fair value measurement
Unlisted property securities – Level 3	- Net Tangible Asset: Investments in unlisted managed investment schemes are recorded at the Net Tangible Asset (NTA) price as reported by the managers of such schemes at the reporting date - Exit unit price provided by the fund managers	As the underlying funds are unlisted and frozen for redemptions, it is uncertain that the investments can be realised at NTA	The estimated fair value would increase/ (decrease) if the NTA of the underlying funds increases/(decreases)

Transfers between Level 1, 2 and 3

There have been no transfers between level 1, 2 and 3 during the period.

Level 3 fair values

The following table shows reconciliation from the opening balances to the closing balances for Level 3 fair values.

	Unlisted property securities 31 Dec 2025 (\$'000)	Unlisted property securities 30 Jun 2025 (\$'000)

Opening balance	204,697	151,721
Change in fair value - unrealised	6,990	52,976
Closing balance	211,687	204,697

Sensitivity analysis

For the fair values of investments in closed-end funds and open-ended funds with no redemption window (see note 4), changes to the NTA, holding other inputs constant, would have the following effects.

Impact on profit or (loss)	31 Dec 2025 \$'000	30 Jun 2025 \$'000
+10.00% (1000 basis points) of the NTA/unit	21,169	20,470

INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE MEMBERS OF AIMS PROPERTY SECURITIES FUND

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
