Uscom Limited and its controlled entities
Selected Explanatory Notes to the Financial Statements
For the half year ended 31 December 2025

Note 1 – Material accounting policy information

The principal accounting policies adopted in the preparation of the financial report are set out below. The financial report covers the Consolidated Entity of Uscom Ltd and its Controlled Entities. Uscom Ltd is a listed public company, incorporated and domiciled in Australia.

ASX Suspension

On 29 September 2025, Uscom Limited was suspended from quotation on the Australian Securities Exchange (ASX) following a determination by the ASX that the Company did not satisfy Listing Rule 12.2, which requires an entity's financial condition to be adequate to warrant continued quotation. In reaching this determination, the ASX had regard to the disclaimer of opinion contained in the auditor's report for the year ended 30 June 2025. The Company remains suspended from quotation as at the date of this report.

Sales of Uscom Business

At the Annual General Meeting held on 7 November 2025, shareholders approved the disposal of its international operations through the sale of Uscom SNG Pte. Ltd and its related subsidiaries to AXO Medtech VCC (AXO) for total consideration of \$2.59 million.

The consideration was satisfied by the assumption and discharge of liabilities of Uscom SNG comprising:

- \$1.59 million owed to Professor Phillips (Chairman of Uscom); and
- \$1.00 million owed to Jetan Pty Limited (a substantial shareholder of the Company).

Completion of the transaction occurred in 30 November 2025, at which time control passed to the purchaser and all assets and liabilities were transferred.

Following completion of the disposal, the Company ceased all operating activities at the end of this reporting period.

The following is a summary of the material accounting policies adopted by the Company in the preparation of the financial report. Except for the change in basis of preparation to a non-going concern basis in the current period, the accounting policies have been consistently applied.

Basis of preparation

The consolidated financial report for the half year ended 31 December 2025 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. This report was approved by the Board of Directors on 27 February 2026.

The financial statements have been prepared on a basis other than going concern because the entity has ceased to trade subsequent to disposal of all its wholly owned subsidiaries, and is expected to be wound up within 12 months of the issuance of this report.

In preparing the financial statements on an alternate basis, the entity has continued to apply the requirements of Australian Accounting Standards taking into account that the entity is not expected to continue as a going concern in the foreseeable future. This has resulted in all assets and liabilities being classified as current.

All assets and liabilities of Uscom Limited have already been determined to be of a current nature hence the change in basis of preparation has not resulted in any impact on the classification and measurement of the assets and liabilities of the entity. No additional provisions have been recognised in relation to the costs expected to be incurred in winding up the entity as at 31 December 2025

At 31 December 2025, the Company's remaining assets comprise cash, a refundable R&D tax asset and a short-term loan receivable. These assets are either held at amounts approximating cash realisable value or are expected to be realised within a short period. All liabilities are short-term and recorded at amounts expected to be settled.

Accordingly, management considers that the carrying amounts of assets and liabilities approximate their expected realisable and settlement values. Therefore, no adjustments to measurement were considered necessary despite the change in basis of preparation.

This half-year financial report does not include all the notes of the type normally included in an annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Consolidated Entity as the annual financial report.

Accordingly, this report should be read in conjunction with the annual financial report for the year ended 30 June 2025 and any public announcements made by the Company in accordance with the continuous disclosure obligations arising under ASX listing rules.

Comparative restatement

The comparative information in these financial statements has been restated to reflect the classification of the Group’s former operations as discontinued operations, ensuring consistency with the current-period presentation. The restatement was required because Uscom Limited completed the sale of its wholly-owned subsidiaries to AXO Medtech VCC during the period, resulting in the disposal of the Group’s international business and loss of control, as detailed in Note 1. Consequently, the results of the disposed subsidiaries have been reclassified from continuing operations and are now presented within “Loss from discontinued operations” for both the current and comparative periods.

Recognition and measurement

On 30 November 2025, the company disposed of its 100% interest in its international subsidiaries as listed below:

- Uscom Inc. (USA)
- Uscom Medical Ltd (UK)
- Uscom Kft (Hungary)
- Uscom SNG Pte. Ltd (Singapore)
- Beijing Uscom Consulting Co. Ltd (China)

The disposal resulted in the company losing control of these entities from that date. Accordingly, the assets and liabilities of the subsidiaries were derecognised from the consolidated statement of financial position.

On 30 November 2025, the Company disposed of its international subsidiaries operating in the USA, UK, Hungary, Singapore and China. These entities represented the Group's overseas trading operations and comprised a significant geographical component of the Group's business.

The disposal resulted in the Group exiting all international markets and ceasing overseas trading activities. Accordingly, the results of these subsidiaries up to the date of disposal, together with the gain on disposal, have been presented as discontinued operations in the consolidated statement of profit or loss.

Note 3 – Discontinued operations (Continued)

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Uscom Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Uscom Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2025 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Emphasis of matter - Basis of preparation

We draw attention to Note 1 of the financial report which states the financial statements have been prepared on a basis other than going concern because the entity has ceased to trade subsequent to disposal of all its wholly owned subsidiaries, and is expected to be wound up within 12 months of the issuance of this report. Our opinion is not modified in respect of this matter.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
