COMPLETION OF RETAIL ENTITLEMENT OFFER

PERTH, Australia and SAN FRANCISCO, California – 4 March 2026

PYC Therapeutics Limited (ASX:PYC) (PYC or the Company) is a precision medicine company dedicated to changing the lives of patients with genetic diseases who have no treatment options available.

The Company today announces it has completed the retail component of its pro rata accelerated non-renounceable entitlement offer (**Retail Entitlement Offer**) of new fully paid ordinary shares (**New Shares**) announced to the ASX on Monday 2 February 2026. This follows the institutional component of the Entitlement Offer and placement, which raised approximately \$537 million as announced to ASX on Wednesday 4 February 2026.

The Retail Entitlement Offer closed at 5:00pm (AEDT) on Friday 27 February 2026 and raised approximately \$47 million at an offer price of \$1.50 per New Share. PYC received applications for ~31 million New Shares (including additional New Shares applied for up to an additional 100% of their entitlement). This represents a take-up rate of 40%.

PYC confirms that eligible retail shareholders who applied for additional New Shares up to an additional 100% of their entitlement (in accordance with the Retail Offer Booklet) will have their application allotted in full.

New Shares under the Retail Entitlement Offer are expected to be issued on Friday 6 March 2026 and commence trading on the ASX on Monday 9 March 2026. The New Shares will rank equally with existing PYC shares on issue. Holding statements are expected to be despatched on Tuesday 10 March 2026.

Of the remaining approximately 46 million New Shares not taken up under the Retail Entitlement Offer, ~11 million New Shares will be issued to underwriters (**Underwriters**) pursuant to the underwriting agreement between the Company and existing large shareholders announced on Monday 2 February 2026. The ~11 million New Shares will be issued to the Underwriters on or around 10 March 2026.

PYC reserves the right to place the remaining ~35 million New Shares not taken up under the Retail Entitlement Offer or by the Underwriters within the 3-month period following the close of the Retail Entitlement Offer. Such shares will be issued at the discretion of the Directors within three months after the closing date of the Retail Entitlement Offer to either new investors or existing shareholders at a price not less than the Offer Price under the Entitlement Offer. The Directors will allocate any such shares in a manner considered appropriate having regard to the best interests of the Company.
