**NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS  
FOR THE HALF-YEAR ENDED 31 DECEMBER 2025**

---

**NOTE 1 - REPORTING ENTITY**

Sky Metals Limited ("Sky" or the 'Company') is a company domiciled in Australia. The condensed consolidated interim financial statements of the Company as at and for the half-year ended 31 December 2025 comprise the Company and its subsidiaries (together referred to as the 'Group'). The Group is a for-profit entity, primarily engaged in identifying and evaluating mineral resources opportunities in New South Wales.

The consolidated financial statements of the Group as at and for the year ended 30 June 2025 are available upon request from the Company's registered office at 2 Hawthorn Place, Orange, NSW, 2800 or at [www.skymetals.com.au](http://www.skymetals.com.au)

**NOTE 2 - BASIS OF PREPARATION**

**(a) Statement of compliance**

The condensed consolidated interim financial statements are general purpose financial statements prepared in accordance with the requirements of the *Corporations Act 2001* and Accounting Standard AASB 134 *Interim Financial Reporting*. The condensed consolidated interim financial statements of the Group comply with International Financial Reporting Standards (IFRS) and interpretations adopted by the International Accounting Standards Board ('IASB').

Selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in financial position and performance of the Group since the last consolidated financial statements as at and for the year ended 30 June 2025.

The condensed consolidated interim financial statements do not include full disclosures of the type normally included in an annual financial report. Accordingly, this report is to be read in conjunction with the annual report as at and for the year ended 30 June 2025 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001* and the ASX Listing Rules.

These condensed consolidated interim financial statements were approved by the Board of Directors on 4<sup>th</sup> March 2026.

**(b) Going concern**

The condensed consolidated interim financial statements have been prepared on a going concern basis which contemplates the realisation of assets and settlement of liabilities in the ordinary course of business.

The Group has recorded a loss before tax of \$1,466,079 for the half-year ended 31 December 2025 and used net cash in operating and investing activities of \$1,002,014 and \$4,569,130 respectively. At 31 December 2025 the Group had cash and cash equivalents of \$2,701,398, term deposit of \$2,000,000, and net assets of \$25,340,267.

The Group's main activity is minerals exploration, and as such it does not generate significant operating cash inflows. It relies on raising capital to have access to sufficient cash to continue its exploration activities.

As outlined in Note 6, the Group successfully completed a capital raise during the period amounting to \$6,091,500 (pre capital raising costs). Subsequent to period end, as outlined in Note 9, the Group has raised a further \$20,496,000 (pre capital raising costs) to advance the exploration activities associated with Tallebung and Doradilla, and for other working capital purposes.

The Directors have prepared cash flow projections for the period 1 January 2026 to 31 March 2027, which support the ability of the Group to continue as a going concern, and the going concern basis of preparation in the presentation of the consolidated financial statements.

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Condensed Interim Financial Report* section of our report.

We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* issued by the Accounting Professional and Ethical Standards Board Limited (the Code) that are relevant to our audit of the annual financial report in Australia. - such internal control as the Directors determine is necessary to enable the preparation of the Interim Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibilities for the Review of the Interim Financial Report

Our responsibility is to express a conclusion on the Interim Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Interim Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at date and its performance for the Interim period ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an Interim Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
