The settlement of the Notes is expected to occur in New York on 22 April 2026, and is subject to customary closing conditions.

Proceeds from the Notes will be used to repay the outstanding balance of Whitehaven's US\$1.1 billion acquisition term loan facility and for general corporate purposes.

Following settlement of the Notes issuance and completion of the new syndicated bank facility, Whitehaven's new capital structure (as illustrated in the Appendix) will have a lower cost of debt at around 6.3%, and longer tenor.

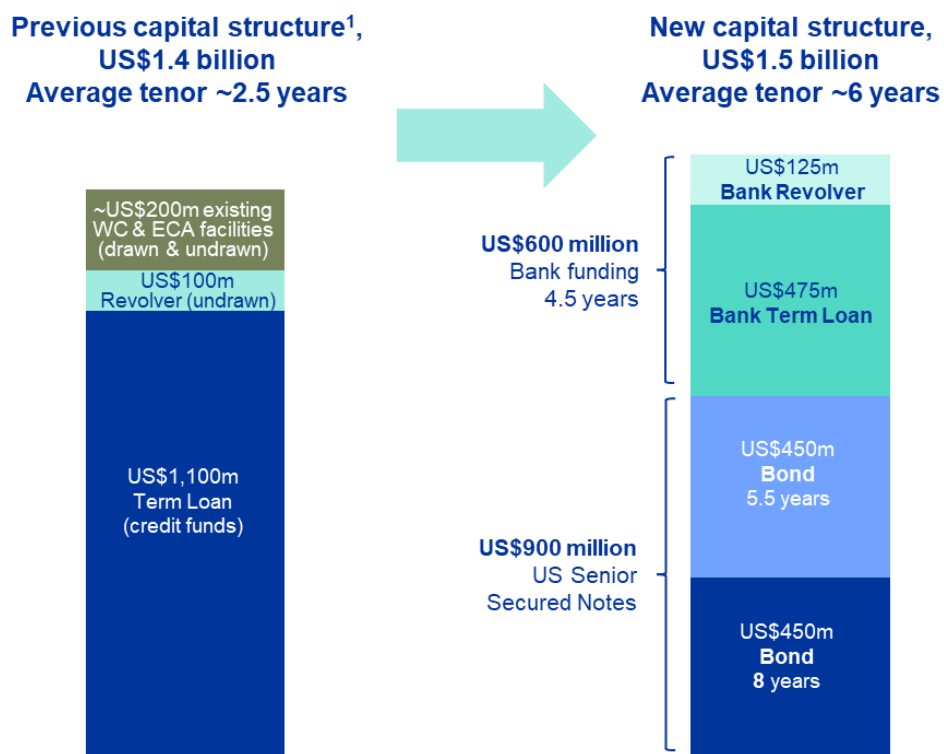

Whitehaven expects its annual interest expense to reduce by around A\$50 – 55 million per annum based on current SOFR and Treasury rates.
