Voting on all resolutions set out in this Notice of Meeting will be conducted by poll. On a poll, Securityholders have one vote for every fully paid ordinary security held (subject to the restrictions on voting referred to below).

2 Voting exclusions

Resolution 3 (Adoption of Remuneration Report)

The Company will disregard any votes cast on Resolution 3:

- by or on behalf of a member of the Company's key management personnel (**KMP**) named in the Company's Remuneration Report for the reporting period ended 31 December 2025 or their closely related parties, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting or their closely related parties,

unless the vote is cast as proxy for a person entitled to vote on Resolution 3:

- in accordance with a direction in the proxy form; or
- by the Chairman of the Meeting pursuant to an express authorisation to exercise the proxy even though Resolution 3 is connected with the remuneration of the Company's KMP.

Resolution 4 (Increase to the Non-Executive Director Fee Pool)

The Company will disregard any votes cast on Resolution 4:

- in favour of the resolution by or on behalf of a Director of the Company or any of their associates, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting or their closely related parties,

unless the vote is cast on Resolution 4:

- as proxy or attorney for a person entitled to vote on the resolution in accordance with a direction given to the proxy or attorney to vote on the resolution in that way; or
- by the Chairman of the Meeting as proxy for a person entitled to vote on the resolution, pursuant to an express authorisation to exercise the proxy as the Chairman decides; or

- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

3 Proxies

- (a) A securityholder entitled to attend and vote has a right to appoint a proxy to attend and vote on behalf of the securityholder. A proxy need not be a securityholder and can be either an individual or a body corporate. A securityholder can appoint a proxy by completing and returning a signed proxy form (see section 4 of these notes relating to voting, and the proxy form).
- (b) A securityholder that is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the securityholder's votes.
- (c) If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If you do not direct your proxy how to vote on a particular item of business, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions.
- (d) Members of the Company's KMP (which includes each of the Directors) and their closely related parties (which includes spouses and dependants) will not be able to vote as proxy on Resolutions 3 and 4, unless you direct them how to vote or the Chairman of the Meeting is your proxy. If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, you should ensure that you direct that person how to vote on Resolutions 3 and 4.
- (e) If you intend to appoint the Chairman of the Meeting as your proxy, you can direct the Chairman how to vote by marking the boxes for the relevant resolution (for example, if you wish to vote "for", "against" or to "abstain" from voting). However, if you do not mark a box next to Resolutions 3 and 4, or if the Chairman of the Meeting becomes your proxy by default, then by completing and returning the proxy form, you will be expressly authorising the Chairman of the Meeting to vote as they see fit in respect of Resolutions 3 and 4 even though it is connected with the remuneration of the Company's KMP.
- (f) On a poll, if
 - a securityholder has appointed a proxy (other than the Chairman of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
 - that securityholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,
 the Chairman of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the securityholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that securityholder.
- (g) A proxy is not revoked by the appointing shareholder attending and taking part in the meeting, unless the appointing shareholder votes at the meeting on a resolution(s) for which the proxy is proposed to be used, in which case the proxy must not vote as the appointor's proxy or attorney on the resolution.
- (h) Please note that for proxies without voting instructions that are exercisable by the Chairman of the Meeting, the Chairman intends to vote all available proxies in favour of each resolution.

3 Adoption of Remuneration Report

The Remuneration Report on pages 31 to 46 of the Company's 2025 Annual Report and Sustainability Report, which is available at <https://investors.dbinfrastructure.com.au/investor-centre/?page=annual-reports>, sets out the remuneration policies and practices of the Company and reports on the remuneration arrangements in place for the Company's KMP during the reporting period ended 31 December 2025 (**Remuneration Report**). Securityholders as a whole will have a reasonable opportunity at the Meeting to ask questions about or make comments on the Remuneration Report.

As prescribed by the Corporations Act, the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote and discussion at the Meeting into account in setting remuneration policy for future years.

A voting exclusion statement applies to this resolution, as set out in the Notice of Meeting.

Recommendation

The Board unanimously recommends that Securityholders vote **in favour** of the adoption of the Remuneration Report.

4 Increase in the Non-Executive Director Fee Pool

In accordance with Rule 9.3(a) of the Company's Constitution and ASX Listing Rule 10.17, securityholder approval is sought to increase the maximum aggregate amount available to be paid to the Non-Executive Directors as remuneration in any financial year (**Fee Pool**). ASX Listing Rule 10.17 provides that a listed entity must not increase the Fee Pool without securityholder approval. A similar requirement is included in Rule 9.3(a) of the Company's Constitution.

The current Fee Pool of \$900,000 per annum was fixed by the Company upon listing on the ASX in 2020 and not been increased since.

It is proposed that the Fee Pool be increased by \$900,000 to \$1,800,000 per annum, to apply with effect from 1 January 2026. The Fee Pool is inclusive of statutory entitlements (including superannuation payments).

Details of the fees paid to Non-Executive Directors are included in the Remuneration Report at pages 33 and 42 of the Company's 2025 Annual Report and Sustainability Report, which is available at <https://investors.dbinfrastructure.com.au/investor-centre/?page=annual-reports>.

The Board continues to review the Company's remuneration framework to ensure it is market competitive and continues to attract, retain and reward a high performing team for the execution of our strategy and drive long-term value for Securityholders. In this regard, during FY-25 and following the Company's recent inclusion in the ASX200, the Company engaged independent external consultants to provide benchmarking information in respect of the Senior Executive and Non-executive Director remuneration. As a result, the Board approved an increase for Board Chair fee from \$231,000 to \$285,000 and non-executive director member fees from \$116,000 to \$140,000. Committee fees were increased from \$24,000 to \$27,000 for Committee Chairs and \$12,000 to \$15,000 for Committee members. These adjustments were effective from 1 January 2026 and are within the existing approved Fee Pool.

In September 2025, the Company's foundation substantial shareholder BIP Bermuda Holdings IV Limited, a subsidiary of Brookfield Infrastructure Partners L.P., exited the Company's security register. As a result, Mr Ray Neill and Mr Jonathon Sellar, who were non-independent directors of the Company and also employees of the Brookfield group resigned in September 2025. During the period since listing in 2020, no former non-independent non-executive directors on the Board, who were employees of Brookfield, were paid director fees out of the Fee Pool.

The reasons for the proposed increase in the Fee Pool include to:

- allow the Company to continue to attract and retain high quality and suitably qualified Independent Non-Executive Directors, by ensuring non-executive director remuneration arrangements remain competitive and in line with comparable ASX-listed peers; and
- facilitate the Board's succession planning processes by facilitating future appointments of additional directors to the Board. The Company has disclosed in the Remuneration Report its intention to appoint at least one, additional director in 2026.

If this Resolution 4 is approved by Securityholders, the Fee Pool will increase to \$1,800,000. If this Resolution 4 is not approved, the Fee Pool will remain at \$900,000. This will mean that the Board will not have the flexibility described above, and any future Non-Executive Directors appointments and fees will need to be assessed within the current Fee Pool.

The Company will continue to review and set the actual level of remuneration of its Non-Executive Directors within the Fee Pool after having regard to independent external advice, market practice, Board performance and other appropriate factors. The Company does not intend to distribute all of the proposed increased Fee Pool, if approved, in FY26.

No securities in the Company have been issued to any Non-Executive Directors under ASX Listing Rules 10.11 or 10.14 with the approval of Securityholders at any time within the three years before the date of this Notice of Meeting

A voting exclusion statement applies to this resolution, as set out in the Notice of Meeting.

Recommendation

The Board unanimously recommends that Securityholders vote **in favour** of the maximum aggregate amount of remuneration payable to all Non-Executive Directors in any financial year being increased by \$900,000 from \$900,000 to \$1,800,000 per annum, with effect from 1 January 2026.

5 Renewal of Proportional Takeover Provisions

Rule 7 of the Company's Constitution contains provisions which prohibit the registration of transfers of securities acquired under a proportional takeover bid unless a resolution is passed by the Securityholders approving the bid.

Under the Corporations Act, proportional takeover approval provisions expire three years from adoption or renewal and may then be renewed. The proportional takeover provisions were adopted in November 2020 just prior to the listing of the Company on the ASX in December 2020 and renewed by the Company at its Annual General Meeting on 24 May 2023. Accordingly, the provisions will cease to have effect from May 2026 unless renewed.

The Board is seeking securityholder approval to renew the proportional takeover provisions in the Constitution and the proposed proportional takeover provisions are identical to those previously adopted by the Company.

What is a proportional takeover bid?

A proportional takeover bid is one where the takeover offer made by a bidder to each securityholder is only for a proportion of that securityholder's securities. For example, the bidder only makes a bid for 30 per cent of each securityholder's securities. The specified proportion must be the same in the case of all Securityholders.

This means that control of the company may pass without Securityholders having the chance to sell all their securities to the bidder. The bidder may take control of the company without paying an adequate amount for gaining control.

To deal with this possibility, a company may provide in its constitution that if a proportional takeover bid is made for securities in the company, Securityholders must vote on whether to accept or reject the offer and that decision will be binding on all Securityholders. The benefit of the provision is that Securityholders are able to decide collectively whether the proportional offer is acceptable in principle and it may ensure that any partial offer is appropriately priced.

Effect of the provisions

If a proportional takeover bid is made, the Directors must ensure that a meeting is held more than 14 days before the last day of the bid period, at which Securityholders will consider a resolution to approve the takeover bid.

Each member has one vote for each fully paid security held. The vote is decided on a simple majority and will be binding on all Securityholders. The bidder and its associates are not allowed to vote. If the resolution is not passed, no transfer will be registered as a result of the takeover bid and the offer will be taken to have been withdrawn.

The Directors breach the Corporations Act if they fail to ensure the approving resolution is voted on. However, if the resolution is not voted on, the bid will be taken to have been approved.

If the bid is approved (or taken to have been approved), all valid transfers must be registered. This effectively means that Securityholders may only prohibit a proportional takeover bid by passing a resolution rejecting the proportional takeover bid. The proportional takeover provisions do not apply to full takeover bids.

The renewed provisions will expire after three years, unless again renewed by Securityholders by a special resolution. Similar provisions are commonly found in the constitutions of publicly-listed companies on the ASX and are regularly renewed.

Potential advantages and disadvantages

The provisions enable the Directors to ascertain the views of Securityholders on a proportional takeover bid. Apart from this, there is no specific advantage for Directors (in their capacity as directors) in renewing the proportional takeover provisions because they remain free to make their own recommendation on whether a proportional takeover bid should be approved or rejected.

The potential advantages of the proportional takeover provisions for Securityholders are:

- Securityholders have the right to decide by majority vote whether an offer under a proportional takeover bid should proceed, which is likely to ensure that an intending bidder structures its offer in a way which is attractive to a majority of Securityholders;
- Securityholders may avoid being locked in as a minority;
- Securityholders' bargaining power is increased which may help to ensure that any proportional takeover bid is adequately priced; and

- knowing the view of the majority of Securityholders may help each individual Securityholder assess the likely outcome of the proportional takeover offer and decide whether to accept or reject that offer.

The potential disadvantages for Securityholders include:

- proportional takeover offers for securities in the Company may be discouraged;
- Securityholders may lose an opportunity of selling some or all of their securities at a premium;
- the chance of a proportional takeover being successful may be reduced; and
- the provisions may be considered to constitute an additional restriction on the ability of individual Securityholders to deal freely in their securities.

The Board considers that the potential advantages for Securityholders of the proportional takeover provisions outweigh the potential disadvantages.

No knowledge of any present acquisition proposals

As at the date of this Notice of Meeting, none of the Directors are aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Recommendation

The Board unanimously recommends that Securityholders vote **in favour** of the renewal of the proportional takeover provisions.

HOW TO COMPLETE THIS SECURITYHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's security register. If this information is incorrect, please make the correction on the form. Securityholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your securities using this form.**

APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a securityholder of the Company. If you leave this section blank, or if your named proxy does not attend the Meeting, the Chairman of the Meeting will be your proxy. If your named proxy attends the Meeting but does not vote on a poll on a resolution in accordance with your directions, the Chairman of the Meeting will become your proxy in respect of that resolution.

A proxy is not revoked by the appointing Securityholder attending and taking part in the meeting, unless the appointing Securityholder votes at the meeting on a resolution(s) for which the proxy is proposed to be used. In which case the proxy must not vote as the appointor's proxy or attorney on the resolution.

PROXY VOTING BY THE CHAIRMAN OF THE MEETING

On a poll, the Chairman of the Meeting will vote directed proxies as directed and may vote undirected proxies as the Chairman of the Meeting sees fit. If the Chairman of the Meeting is your proxy or becomes your proxy by default, then by completing and submitting the Proxy Form you are expressly authorising the Chairman of the Meeting to exercise your proxy on resolutions that are connected directly or indirectly with the remuneration of the Company's KMP.

VOTES ON RESOLUTIONS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each resolution. All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any resolution by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the resolutions, your proxy may vote as they choose. If you mark more than one box on a resolution your vote on that resolution will be invalid.

APPOINTMENT OF A SECOND PROXY

If you are entitled to cast two or more votes, you are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's security registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
