1. Resolution 1 – Re-election of Director – Mr John Hodder

As required by the Constitution and the Listing Rules, Mr John Hodder retires as a Director by rotation and, being eligible, offers himself for re-election.

Experience and qualifications

Mr Hodder is a founding principal of Tembo Capital Management Limited (**Tembo**), a mining private equity fund, which specialises in providing and assisting junior and emerging mining companies, and has over 35 years' experience in the resources industry.

Mr Hodder is a geologist, and his first 10 years' experience was in exploration and project evaluation for both minerals as well as oil and gas companies. After Mr Hodder obtained a Masters in Finance from the London Business School, he worked for eight years in private equity within emerging market countries and this was followed by six years as a fund manager before co-founding and establishing Tembo.

Mr Hodder is currently Non-Executive Director of Strandline Resources Limited (In Liquidation) (appointed 8 June 2016).

Mr Hodder is a member of the Remuneration & Nomination Committee. The Board does not consider Mr Hodder to be an independent director.

Recommendation of Directors

The Directors (with Mr Hodder abstaining) recommend that Shareholders vote in favour of Resolution 1. Mr Hodder makes no recommendation regarding his re-election.

The Chair intends to vote all available proxies in favour of Resolution 1.

2. Resolution 2 – Adoption of Remuneration Report

Background

The Remuneration Report for the year ended 31 December 2025 is set out in the Company's 2025 Annual Report.

The Remuneration Report:

- describes the policies behind, and the structure of, the remuneration arrangements of the Company and the link between the remuneration of Key Management Personnel and the Company's performance; and
- sets out the remuneration arrangements in place for the Directors and other Key Management Personnel.

Section 250R(2) of the Corporations Act requires the AGM to include a vote on the adoption of the Remuneration Report. In accordance with section 250R(3) of the Corporations Act, the vote on the Resolution is advisory only and does not bind the Directors or the Company. However, the Directors will take the discussion at the AGM and the outcome of the vote into account when considering the Company's remuneration policies.

Section 250SA of the Corporations Act requires that a reasonable opportunity be allowed to Shareholders at the AGM to ask questions about, or make comments on, the Remuneration Report.

2026 Notice of AGM

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if at least 25% of votes cast are against adoption of the remuneration report at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution proposing that another general meeting be held within 90 days, at which all of the Directors (other than the Managing Director, if any) would need to stand for re-election (**Spill Resolution**).

At the Company's 2025 annual general meeting, only 0.09% of votes were cast against the adoption of the remuneration report. As such, even if at least 25% of the votes cast on Resolution 2 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders at the AGM.

Recommendation of Directors

The Directors encourage all eligible Shareholders to vote on the adoption of the Remuneration Report.

The Chair intends to vote all available proxies in favour of the adoption of the Remuneration Report.

3. Resolution 3 – Approval of Additional 10% Placement Capacity

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**15% Placement Capacity**).

However, under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase the entity's 15% Placement Capacity under Listing Rule 7.1 by an additional 10% to a total of 25% (**Additional 10% Placement Capacity**).

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that, as at the date of the relevant special resolution under Listing Rule 7.1A, is not included in the S&P/ASX 300 Index and that has a market capitalisation equal to or less than the amount prescribed by ASX (currently \$300 million).

The Company has a market capitalisation of approximately \$24.20 million as at 1 April 2026 and is not included in the S&P/ASX 300 Index. Accordingly, the Company is an "eligible entity" for the purposes of Listing Rule 7.1A.

Resolution 3 seeks Shareholder approval for the Company to access the Additional 10% Placement Capacity. If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval. If Resolution 3 is not passed, the Company will not be able to access the Additional 10% Placement Capacity and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Formula for calculating Additional 10% Placement Capacity

The maximum number of Equity Securities that the Company may issue under the approval sought by Resolution 3 will be calculated in accordance with the formula set out in Listing Rule 7.1A.2:

$$(A \times D) - E$$

Where:

- A** = the number of fully paid ordinary securities on issue at the commencement of the relevant period:
- 1) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
 - 2) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
 - 3) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
 - 4) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
 - 5) plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
 - 6) less the number of fully paid ordinary securities cancelled in the relevant period.
- D** = 10%.
- E** = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

Note: The "relevant period" is a 12-month period.

Information required by Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A:

- The Additional 10% Placement Capacity will be valid during the period commencing on the date of the AGM and will expire on the earlier of:
 - the date that is 12 months after the date of the AGM;
 - the time and date of the Company's next annual general meeting; and
 - the time and date of Shareholder approval of any transaction under Listing Rule 11.1.2 (change to the nature or scale of the Company's activities) or Listing Rule 11.2 (disposal of the Company's main undertaking).
- Any Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of Equity Securities and be issued for cash consideration which is not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
 - the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

2026 Notice of AGM

- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued.
- As at the date of this Notice of Meeting, the Company has not formed an intention to offer any Equity Securities under Listing Rule 7.1A. However, if Resolution 3 is passed and the Company does raise funds from the issue of Equity Securities under the Additional 10% Placement Capacity then the Company considers that the funds may be used for general working capital and to continue to advance its 100% owned Baniaka iron ore project located in Gabon, west Central Africa.
- If Resolution 3 is passed and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is a risk that:
 - the market price for the Company's Equity Securities may be significantly lower on the date of issue of the Equity Securities than on the date of the AGM; and
 - the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

Any issue of Equity Securities under the Additional 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the relevant issue.

If Resolution 3 is passed and the Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity, the economic and voting interests of existing Shareholders in the Company will be diluted as shown in the table below. This table shows the potential dilution of existing Shareholders on the basis of three different assumed issue prices and values for variable 'A' in the formula in Listing Rule 7.1A.2.

Number of Shares on issue (Variable 'A' in Listing Rule 7.1A.2)		Dilution

	Funds raised	\$2,420,100	\$4,840,201	\$9,680,401
	Dilution	10.0%	10.0%	10.0%

The table above assumes:

1. The current issue price is \$0.007, being the closing price of the Company's Shares on ASX on 1 April 2026.
2. The Company issues the maximum number of Equity Securities available under the Additional 10% Placement Capacity.

3. No convertible securities are exercised before the date of the issue of the Equity Securities.
 4. The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes options, for the purposes of the above table, it is assumed that those options are exercised into Shares for the purposes of calculating the voting dilution effect on existing Shareholders.
 5. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the AGM.
 6. The Company has not issued any Equity Securities in the 12 months prior to the AGM that were not issued under an exception in Listing Rule 7.2, with approval under Listing Rule 7.1 or ratified under Listing Rule 7.4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement Capacity under Listing Rule 7.1.
- The identity of the persons to whom Equity Securities will be issued under the Additional 10% Placement Capacity is not yet known and will be determined on a case by case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of a number of matters including, but not limited to:
 - subject to the scale of the capital raising opportunity, and the appetite of existing Shareholders, a general preference to existing Shareholders;
 - the structure and timeframe of the capital raising opportunities available to the Company (e.g. placement, entitlement offer or share purchase plan);
 - the Company's financial position and likely future capital requirements; and
 - advice from the Company's professional advisers (including corporate, financial and broking advisers if applicable).

The persons to whom Equity Securities may be issued under the Additional 10% Placement Capacity may include institutional, sophisticated and professional investors, existing Shareholders of the Company, clients of holders of an Australian Financial Services Licence and/or their nominees, or any other person to whom the Company is able to issue Equity Securities (but will not include related parties of the Company or their Associates).

- The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 29 May 2025.
There were no Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months preceding the date of the AGM.
- As at the date of this Notice of Meeting, a voting exclusion statement does not apply to Resolution 3, as the Company has not formed an intention to offer any Equity Securities under Listing Rule 7.1A. The voting exclusion statement that will apply, if required, is set out in the Notice of Meeting.

Recommendation of Directors

The Directors recommend that Shareholders vote in favour of Resolution 3.

The Chair intends to vote all available proxies in favour of Resolution 3.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
