5. Voting Exclusion Statement:

Resolution 1

In accordance with sections 250R(4) and 250BD of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes cast, on this Resolution by, or on behalf of, a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) ("KMP") or a closely related party of such a member (either being a "KMP Voter"), unless the KMP Voter is casting a vote on behalf of a person who is not a KMP Voter (including as a proxy) and either:

- (a) the KMP Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (b) the KMP Voter is the Chair of the Meeting and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on the Resolution; and
 - (ii) expressly authorises the Chair of the Meeting to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the KMP for the Company or the consolidated entity.

If you appoint the Chair of the Meeting as your proxy and you do not direct the Chair of the Meeting on how to vote, you will be expressly authorising the Chair of the Meeting to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the KMP for the Company.

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on this Resolution, the Chair of the Meeting will vote any proxies which do not indicate on their proxy form the way the Chair of the Meeting must vote in favour of this Resolution. In exceptional circumstances, the Chair of the Meeting may change their voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair of the Meeting to vote against the Resolution or to abstain from voting.

EXPLANATORY STATEMENT

Introduction

This Explanatory Statement (“**Statement**”) is included in and forms part of the Notice of Annual General Meeting. The purpose of this Statement is to provide Shareholders with information they require to make an informed decision on the resolutions.

If you are in doubt as to how to vote, you should seek advice from your accountant, solicitor, tax advisor or other professional adviser prior to voting. It is important that you read this Statement in its entirety for a detailed explanation of the resolutions.

Defined terms used in this Notice have the meanings given to them in the Glossary at the end of this Notice. The Notice incorporates and should be read together with this Statement.

ORDINARY BUSINESS

Receipt and Consideration of Financial Statements and Reports

A copy of the Annual Report for the financial year ended 31 December 2025 (which incorporates the Company's Financial Report, Directors Report (including the Remuneration Report) and the Auditors Report) is available on the Company's website at <https://www.abxgroup.com.au/site/investor-information/asx-announcements> or via the Company's announcement platform on ASX. Alternatively, you may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years. There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be given reasonable opportunity at the Meeting to ask questions and make comments on the Financial Report, the Directors' Report, and the Auditor's Report. Questions for the Company's auditors relating to the conduct of the audit, preparation and contents of the audit report, accounting policies adopted by the Company in relation to the preparation of its financial statements, and the independence of the auditors in relation to the conduct of the audit, must be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2025 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that, in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a spill resolution) that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

At the Company's last AGM, the votes cast against the Remuneration Report were less than twenty-five (25%) percent of the total votes cast on that resolution and, accordingly, a spill resolution will not, under any circumstances, be required for this Meeting.

Voting Exclusions

For voting exclusions refer to Note 5.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice of Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Board encourage all eligible shareholders to cast their votes in favour of this Resolution.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

Resolution 2: Re-election of Ms Joycelyn Morton as a Director of the Company

Background

Ms Joycelyn Morton is due to retire from the Board in accordance with the Constitution and, being eligible, offers herself for re-election.

Ms Morton has extensive commercial experience having held senior positions at Shell Australia and Shell International, and prior to that Woolworths Limited. She is a Fellow and Life Member of CPA Australia, having served as the organisation's National President. She also represented both CPA Australia and the Institute of Chartered Accountants Australia and New Zealand on the Board of the International Federation of Accountants (IFAC). Ms Morton has previously served as a non-executive director on a diverse range of boards, including Australia's largest specialised naval defence company ASC Pty Ltd; Snowy Hydro Ltd and Argo Investments. She has been Chair of the Audit, Risk and Compliance Committee for multiple boards and currently for Infrastructure NSW.

Ms Morton is currently on the Board of Gelion Plc (UK AIM:GELN), Felix Group Holdings (ASX:FLX) and SEC Victoria Pty Ltd, and is the Chair of CEA Technologies Pty Ltd (a Commonwealth Government Enterprise).

The Board considers Ms Morton to be an independent director.

Voting Exclusions

There are no voting exclusions on this Resolution.

Board Recommendation

The Board (with Ms Morton abstaining) recommends that Shareholders vote in favour of the election of Ms Joycelyn Morton as it considers that her qualifications, experience, skills, and expertise are appropriate for the Board position and will enable her to act in the best interests of the Company and its shareholders.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

Resolutions 3, 4 and 5: Approval to Issue Options to Directors (or their nominees)

Background

Resolutions 3 to 5 seeks Shareholder approval to grant up to 3,000,000 Options ("**Options**") to Dr Mark Cooksey, Ms Joycelyn Morton and Mr Ian Levy (the **Directors**) (or their nominees) on the terms described below and in accordance with the Company's Employee Incentive Securities Plan (the **Plan**), as well as approval for the issue of any Shares on vesting and exercise of those Options.

Proposed Options to the Company's Directors (or their respective nominees) are described below:

The Company proposes, subject to Shareholder approval, to grant:

- (a) 2,000,000 Options to Dr Mark Cooksey (or his nominee(s));
- (b) 500,000 Options to Ms Joycelyn Morton (or her nominee(s)); and
- (c) 500,000 Options to Mr Ian Levy (or his nominee(s)).

As the Options will form part of the Directors remuneration, they will be granted for no cash payment and there will be no amount payable on vesting. Each vested Option entitles the Directors to exercise and be issued one ordinary fully paid share in the Company. Prior to exercise, the Options do not entitle the Directors to any dividends or voting rights.

The Board believes that it is appropriate to use Options to compensate the Company's Directors as this is in line with current market practices and remunerates them appropriately given the circumstances of the Company, Options provide an appropriate and meaningful form of remuneration that aligns with Shareholder interests. The Board believes these Options will be to the benefit of all Shareholders as they will motivate the Directors to remain in the Company's employment to carry on the role of implementing and executing the Company's strategies and overseeing operations. In particular, the Board considers that the value attributed to the Options (as described below) and their associated terms and conditions represent reasonable remuneration for the Directors as if the Company and Directors were dealing at arm's length.

Terms of Incentive Securities

It is proposed that Options be granted to the following Directors under the Plan, subject to Shareholder approval:

Resolution	Name of Director	Position	Proposed no. of Options
Resolution 3	Dr Mark Cooksey	Managing Director and CEO	2,000,000
Resolution 4	Mr Ian Levy	Non-Executive Director	500,000
Resolution 5	Ms Joycelyn Morton	Non-Executive Chair	500,000

A summary of the major terms and features of the securities is as follows:

- (a) Number of Options: 3,000,000
- (b) Exercise Price: 2 x the Share Price on the date the Options are granted¹
- (c) Expiry Date: 36 months from date of issue
- (d) Vesting Conditions: None – the Options will vest immediately upon issue.
- (e) Quotation: The Options will be unquoted
- (f) Shares Issued on Exercise: Each Option will entitle the holder to be issued one fully paid ordinary Share in the Company upon conversion of that Option

Directors' Remuneration Package and Interests

As at the date of this Notice, the details (including the amount) of the current total remuneration package of each of the Directors to whom (or to whose nominee(s)) Options would be issued if Resolutions 3 to 5 are passed are:

Name of Director	Position	Remuneration Package Details
Dr Mark Cooksey	Managing Director and CEO	\$280,000 cash fees per annum plus statutory superannuation entitlements
Mr Ian Levy	Director	\$50,000 cash fees per annum plus statutory superannuation entitlements ²
Ms Joycelyn Morton	Non-Executive Chair	\$80,000 cash fees per annum plus statutory superannuation entitlements ³

The above does not include the value of the proposed Options, nor the value of any securities previously issued to the Directors as remuneration.

¹ For example, based on 11 April 2026 of spot price of \$0.067 (6.7 cents), as outlined in the assumption table below, if the options were granted on that date, the exercise price on the 11 April 2026 would be \$0.134 (13.4 cents) per option.

² In addition to the outlined Director fee, Mr Ian Levy receives a consulting fee of \$170,000 per annum

³ Ms Morton is also the Non-Executive Chair of the Company's wholly owned subsidiary ALCORE Limited and is paid a remuneration package of \$40,000 per annum plus superannuation

The Company has prepared an assessment of the indicative fair value of the Options as summarised below. The value is indicative only, based on assumptions relevant at the date of the calculation, being 10 April 2026. Different assumptions may be relevant at grant date which may alter the value of Options for financial reporting purposes. The total remuneration package in the above table would be increased for the Directors by the total set out in the following table, based on the assumptions. The actual valuation amount will not be able to be calculated until the Options are issued, at which time the assumptions may have changed.

Assessment	Mark Cooksey	Ian Levy	Joycelyn Morton	Total
Indicative fair value per Option	\$0.0217	\$0.0217	\$0.0217	\$0.0217

Chapter 2E of the Corporations Act

Reasonable Remuneration - Sections 208 & 211

The Board has formed the view that the issue of Director Options to the above Recipient Directors (or their respective nominee(s)) do not require Shareholder approval under Section 208 of the Corporations Act as the issues constitute "reasonable remuneration" in accordance with Section 211 of the Corporations Act.

A "financial benefit" is defined in Section 229 of the Corporations Act and includes granting an option to a related party.

Section 228 of the Corporations Act defines a "related party" for the purposes of Chapter 2E to include directors of the public company (Section 228(2)(a)), and an entity controlled by directors of the public company (Section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in Subsections (1), (2), (3), or (4) at any time within the previous 6 months.

In reaching this view, the Board considers the proposed grant of Director Options aligns the interests of each of the Recipient Directors with the interests of Shareholders. The grant of Director Options to each of the Recipient Directors is a cost-effective form of remuneration when compared to the payment of cash consideration.

The Board believes that having regard to the Company's current cash position, and in order to compensate the Recipient Directors in line with current market practices, Director Options provide an appropriate and meaningful remuneration component to the Recipient Directors that is aligned with Shareholder interests. The proposed base levels of Director Options reflect the standardised contribution of each respective Recipient Director to the Company.

If Resolutions 3, 4 and 5 are passed and the Director Options are issued, each of the Recipient Directors proposed to receive securities under these resolutions (including direct and indirect interests) will have a relevant interest as set out above.

Retirement/Termination Benefit – Sections 200B & 200E

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders or an exemption applies.

Approval is therefore sought under Section 200E of the Corporations Act to allow for the Board to reserve their discretion to allow a later lapsing date of the Recipient Director's unexercised options and the exercise of those options thereafter in the event that a Recipient Director ceases his/her employment or engagement with the Company.

If Shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating the departing Recipient Director's termination benefits cap for the purpose of Subsection 200F(2)(b) or Subsection 200G(1)(c) of the Corporations Act. The approval will be effective from the date the resolution is passed until the expiry of a three-year period.

The value of any benefit relating to the Director Options given in connection with the departing Recipient Director ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events, and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of options held by that departing Recipient Director prior to the cessation of his/her employment;
- the date when, and the circumstances in which, the departing Recipient Director ceases employment;
- whether the vesting conditions are waived or (if not waived) met, and the number of Director Options that can be vested; and
- the market price of the Company's shares on ASX on the date the Director Options are vested and become exercisable.

Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- (a) a director of the entity;
- (b) an associate of a director of the entity; or
- (c) a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Options to the Directors falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolutions 3, 4 and 5 seeks the required Shareholder approval for the issue of the Options under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

Subject to the passing of Resolutions 3, 4 and 5, the Company will be able to proceed with the issue of the Options to the Directors under the Securities Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not

required for the issue of the Options (because approval is being obtained under Listing Rule 10.14), the issue of the Options will not use up any of the Company's 15% annual placement capacity.

If Resolutions 3, 4 and 5 are not passed, the Company will not be able to proceed with the issue of the Options to the Directors under the EISP.

Technical information required by Listing Rule 10.15 and section 219 of the Corporations Act

Pursuant to and in accordance with the requirements of Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 3, 4 and 5:

- (a) the Director Options will be issued to Dr Mark Cooksey, Mr Ian Levy and Ms Joycelyn Morton (or their nominee(s)) pursuant to Resolutions 3, 4 and 5 whom falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director;
- (b) A total of 3,000,000 Options comprising of 2,000,000 being the maximum number of Director Options to be issued to Dr Mark Cooksey (or his nominee(s)), 500,000 being the maximum number of Director Options to be issued to Mr Ian Levy (or his nominee(s)), and 500,000 being the maximum number of Director Options to be issued to Ms Joycelyn Morton (or her nominee(s)) (being the nature of the financial benefit proposed to be given);
- (c) The total number of Securities that have previously been issued to the Director's under the scheme and the acquisition price paid by each of the Directors for those Securities is outlined below:

Director	Total Number of Options	Price Paid
Dr Mark Cooksey	1,000,000	Nil
Mr Ian Levy	500,000	Nil
Ms Joycelyn Morton	500,000	Nil

- (d) material terms and conditions of the Director Options are set out above;
- (e) the Director Options are unquoted securities. The Company has chosen to issue Director Options for the following reasons:
 - i. the Director Options are unquoted; therefore, the issue of the Director Options has no immediate dilutionary impact on Shareholders;
 - ii. attaching to the Director Options will align the interests of Directors with that of Shareholders; and
 - iii. there are not any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Options on the terms proposed.
- (f) the number of Director Options to be issued has been determined based upon a consideration of:
 - i. current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - ii. the remuneration of the Directors; and
 - iii. incentives to attract and ensure continuity of service of Directors who has the appropriate knowledge and expertise, while maintaining the Company's cash reserves.

The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Options upon the terms proposed;

- (g) the total remuneration package for the Directors at current is set out in the table above;
- (h) the value of the Director Options and the pricing methodology was calculated using the Black-Scholes valuation model set out above;

For personal use only

- (i) the Director Options will be issued to the Dr Mark Cooksey, Mr Ian Levy and Ms Joycelyn Morton (or their nominee(s)) no later than 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Director Options will be issued on one date;
- (j) the issue price of the Director Options will be nil, as such no funds will be raised from the issue of the Director Options, however should the Options be exercised the funds will be used for project expenditure and general working capital;
- (k) the purpose of the issue of the Director Options is to align the interests of the Directors with those of Shareholders, to motivate and reward the performance of the Directors and to provide a cost effective way for the Company to remunerate the Directors, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given;
- (l) a summary of the material terms and conditions of the Securities Plan is set out in Schedule A;
- (m) no loans are being made to Dr Mark Cooksey, Mr Ian Levy and Ms Joycelyn Morton in connection with the acquisition of the Director Options;
- (n) details of any Director Options issued under the EISP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;
- (o) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Director Options under the Securities Plan after the resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule.;
- (p) The existing interests of the Directors in securities of the Company at the date of this Notice are outlined above:
- (q) Assuming all Resolutions put to the meeting are passed, the possible dilutive effects of the issue of 3,000,000 Director Options to the Directors if exercised on the interests held by other members of the Company would be as follows:

Director/Shareholder (including his associate(s))	Total Current Shareholdings		If exercised, proposed Shares issued	Total shareholdings if proposed Shares issued

Voting Exclusions

A voting exclusion statement is set out on Note 5 of this Notice.

Board Recommendation

Each of the Directors do not wish to make a recommendation to Shareholders about Resolutions 3, 4 and 5, on the basis that this resolution is connected with the remuneration of a director, and the Directors consider it appropriate to abstain from making recommendations about remuneration related resolutions.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

Resolution 6: Approval to Issue Shares to Ms Joycelyn Morton (and/or her nominee) in lieu of Accrued Fees Payable

Background

Resolution 6 seeks Shareholder approval to issue 654,559 Shares (**Fee Shares**) at the price of \$0.068 per Share to Ms Joycelyn Morton in lieu of cash payment of her Director and Chair fees accrued as follows:

Description	Amount (AUD)	Shares to be issued for payment
Non-Executive Director and Non-Executive Chair fees for the period between 1 June 2025 – 31 May 2026 ⁴	\$44,510 ⁵	654,559

The proposed issue price of \$0.068 per Share reflects the volume-weighted average price (VWAP) over the period of service from 24 March 2026 to 8 April 2026. The Board believes that it is appropriate to use the Company's securities to pay Ms Morton for her fees as it will assist the Company in implementing its cost reduction strategies and maintain its cash reserves.

As at the date of this notice, Ms Morton has the following direct and indirect interests in securities in the Company:

Description	Amount
Fully Ordinary Paid Shares	2,346,947
Unquoted Options expiring on 18 June 2028 @ \$0.082	500,000
Free attaching options at an exercise price of \$0.10 and expiring on 17 November 2027	1,089,892
Unquoted Options expiring on 29 May 2030 @ \$0.0576	150,000
Unlisted Convertible Notes at a face value of \$1	100,000
Free attaching options at an exercise price of \$0.08 and expiring on 14 March 2028	1,200,000

Issuing Fee Shares (assuming no other exercise of options or issue of securities other than those proposed for under this Resolution), would result in an increase of holdings for Ms Morton and a dilution of all other Shareholders' holdings in the Company based on the issued capital as of 10 April 2026 as follows:

Director/Shareholder (including his associate(s))	Total Current Shareholdings		If proposed Fee Shares issued	Total shareholdings if proposed Fee Shares issued	
	Shares	%	# Shares	Shares	%
Ms Joycelyn Morton	2,346,947	0.63	654,559	3,001,506	0.80
Other Shareholders	371,916,434	99.37	0	371,916,434	99.2
TOTAL:	374,263,381	100	654,559	374,917,940	100

ASX Listing Rule 10.11

As noted above, the Company is proposing to issue the Fee Shares to Ms Joycelyn Morton (or her nominee(s)).

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

10.11.1 a related party;

⁴ Ms Morton was appointed as a Non-Executive Director of the Company on 3 April 2024 and subsequently Non-Executive Chair of the Board on 30 September 2024.

⁵ ABx Group Limited accrued fees only after-tax deductions and exclusive of superannuation.

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company;

10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a director to the Board of the Company pursuant to a relevant agreement which gives them a right or expectation to do so;

10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the acquisition should be approved by its shareholders, unless it obtains the approval of its shareholders.

The Issue falls within Listing Rules 10.11.1 above, as the proposed recipient of the Fee Shares Ms Morton is a Director of the Company and is therefore a related party of the Company and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Company's shareholders under Listing Rule 10.11.

This Resolution therefore seeks the required shareholder approval to the Issue under and for the purposes of Listing Rule 10.11.

If approval is given under ASX Listing Rule 10.11, approval is not required under ASX Listing Rule 7.1.

Disclosures for the purposes of ASX Listing Rule 10.13

Disclosures for the purposes of ASX Listing Rule 10.13

The following disclosures are made for the purposes of ASX Listing Rule 10.13:

- (a) the name of the allottee is Ms Joycelyn Morton (or her nominee(s));
- (b) the proposed allottee falls within ASX Listing Rule 10.11.1, as he is a Director of the Company and is therefore a related party of the Company;
- (c) The number and class of securities to be issued are 654,559 fully paid ordinary shares;
- (d) the Fee Shares will be issued no later than one month after the date of the Meeting;
- (e) the deemed issue price is \$0.068 per Share per Fee Share;
- (f) the purpose of the Issue is to pay for Ms Joycelyn Morton accrued Director and Chair fees;
- (g) The details of the Ms Morton's current remuneration package are set out in the table below;

Recipient Director	Position	Remuneration Package Details*
Ms Joycelyn Morton	Non-Executive Chair	\$80,000 per annum plus superannuation. The Company may consider an issue of shares and/or options to employees and directors (including non-executive directors) as considered by the Board, subject to necessary Shareholder approvals ⁶

- (h) no loan will be made by the Company in relation to the issue of the Fee Shares.

Reasonable Remuneration

The Board has formed the view that the issue of Fee Shares to Ms Morton (or her nominee(s)) does not require Shareholder approval under Section 208 of the Corporations Act as the issues constitute "reasonable remuneration" in accordance with Section 211 of the Corporations Act.

A "financial benefit" is defined in Section 229 of the Corporations Act and includes issuing securities to a related party.

Section 228 of the Corporations Act defines a "related party" for the purposes of Chapter 2E to include directors of the public company (Section 228(2)(a)), and an entity controlled by directors of the public company (Section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in Subsections (1), (2), (3) or (4) at any time within the previous 6 months.

⁶ Ms Joycelyn Morton is also the Non-Executive Chair of Abx Group Limited's wholly owned subsidiary ALCORE Limited for which she is paid an additional remuneration package of \$40,000 per annum plus superannuation

In reaching this view, the Board considers the proposed issuing of Fee Shares instead of paying cash aligns the interests of Ms Morton with the interests of Shareholders. The grant of Fee Shares to Ms Morton is a cost-effective form of remuneration when compared to the payment of cash consideration.

Effect of Passing or Not Passing this Resolution

If this Resolution is passed, the Company will be able to proceed with the Issue of the Fee Shares and Ms Morton will receive 654,559 of Fee Shares set out in the table above, with the increase in her shareholding as described in the table above.

If this Resolution is not passed, the Company will not be able to proceed with the Issue of the Fee Shares and Ms Morton will not receive the Fee Shares or have the shareholdings increase as described above and the Company will pay Ms Morton \$44,510 in cash.

Directors' Recommendation

The Board, (with Ms Morton abstaining) recommends that Shareholders vote in favour of this Resolution.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

SPECIAL BUSINESS

Resolution 7: Approval of 10% Placement Facility

Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution is to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% Capacity under Listing Rule 7.1.

ASX Listing Rules information

a. Summary of Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period ("**15% Capacity**").

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its Annual General Meeting, to increase this 15% limit by an extra 10% ("**10% Placement Facility**") to 25%.

An 'eligible entity' for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index, and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity Securities without Shareholder approval provided for in LR 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

b. Formula for calculating the 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement:
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing 7.4.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula stated above.

c. Type and number of Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at 10 April 2026, has on issue the following class of quoted Equity Securities:

ASX Security Code and Description	Total Number
ABX: Ordinary Fully Paid	374,263,381

Specific information required by Listing Rule 7.3A

a. Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;

- (b) the time and date of the Company's next Annual General Meeting; and
 - (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- ("10% Placement Period").

The Company will only issue and allot the Equity Securities approved under the 10% Placement Facility during the 10% Placement Period.

b. Minimum Issue Price and Cash Consideration

The Equity Securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

c. Purposes of the funds raised

The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:

- (a) continued expenditure on the Company's current business and/or general working capital.

d. Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of this Meeting; and
- (b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of its quoted ordinary securities as at 20 April 2026 ("**Current Share Price**") and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice of Meeting.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
- No convertible security is exercised and converted into ordinary securities before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of ordinary securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.066 being the closing market price of the ordinary securities on ASX on 20 April 2026.

e. Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial, and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

f. Previous issues over the Last 12 Months – Listing Rule 7.3A.6:

- The table below shows the total number of equity securities issued in the past 12 months preceding the date of the Annual General Meeting under Listing Rule 7.1A.2, and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12-month period.

Number of equity securities on issue at commencement of 12-month period	287,869,721
Equity securities issued in the prior 12-month period under Listing Rule 7.1A.2*	55,085,204
Percentage of equity securities represent of total number of equity securities on issue at commencement of 12-month period	19.14%

*For full details of issues of equity securities made by the Company under listing rule 7.1A.2 since the date of the last Annual General Meeting, see Annexure A

- Other than those referred to above the Company has not agreed, before the 12-month period preceding the date of the Meeting, to issue any Equity Securities under Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Resolution 8: Removal of Auditor

Background

Under section 329 of the Corporations Act, an auditor may be removed from office by resolution at a general meeting of which two months' notice of intention to move the resolution has been given. It should be noted that under this section, if a company calls the meeting after the notice of intention has been given, the meeting may pass the resolution even though the meeting is held less than two months after the notice of intention is given.

On 20 April 2026, the Company received written notice of intention from Ms Joycelyn Morton, a director of the Company, to move a resolution to remove K.S. Black & Co. (**KS Black**) as auditor of the Company in accordance with section 329(1A) of the Corporations Act (**Notice of Intention**). A copy of the Notice of Intention is annexed to this Notice as Annexure B.

Since the Company has called this Meeting after the Notice of Intention was given to the Company, Resolution 8 may be passed at the Meeting even though the Meeting is held less than two months after the Notice of Intention was given.

In accordance with section 329(2) of the Corporations Act, the Company has sent a copy of the Notice of Intention to KS Black and lodged a copy with the Australian Securities and Investments Commission (**ASIC**).

Each of the Directors are supportive of a change in auditor. The change is being considered in light of a Board review of the Company's external audit arrangements, including audit quality, independence, cost considerations and the future needs of the Company. Following this review, the Board considers it appropriate to change the Company's external auditor at this time.

If Resolution 8 is passed, KS Black will cease to hold office as auditor of the Company with effect from the close of the Meeting.

Under the Corporations Act, KS Black:

- has been provided with a copy of the Notice of Intention to move this Resolution;
- has the right to make written representations to shareholders; and
- has the right to attend the Meeting and be heard on the Resolution.

Any written representations received from KS Black will be provided to shareholders in accordance with the Corporations Act.

As at the date of this Notice, KS Black had not made any representations pursuant to section 329(3) of the Corporations Act.

Ordinary Resolution

In accordance with section 329(1A) of the Corporations Act, written notice of intention to move the Resolution has been received by the Company. The Resolution will be passed if approved as an ordinary resolution by a simple majority of votes cast by shareholders entitled to vote on the Resolution.

Voting Exclusions

There are no voting exclusions for this Resolution.

Board Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Intention

The Chair of the Meeting intends to vote all undirected proxies in favour of this Resolution.

Resolution 9: Appointment of Auditor

Background

Section 327D(2) of the Corporations Act permits a company that removes its auditor at a general meeting to appoint a new auditor by special resolution at the same meeting, provided a notice of nomination of the proposed auditor has been given in accordance with section 328B of the Corporations Act.

Ms Joycelyn Morton, in her capacity as a member of the Company, has given the Company written notice nominating PKF Melbourne Audit & Assurance Pty Ltd (**PKF**) for appointment as auditor of the Company (**Nomination Notice**). In accordance with section 328B of the Corporations Act, the Company has provided a copy of the Nomination Notice to KS Black, to PKF, and to each person entitled to receive notice of this Meeting. A copy of the Nomination Notice is set out in Annexure C of this Notice.

PKF has given its written consent to act as auditor of the Company in accordance with section 328A(1) of the Corporations Act. A copy of PKF's written consent accompanies the Nomination Notice in Annexure C of this Notice.

The Directors are of the view that PKF are a suitable and reputable auditing firm with the capabilities needed to meet the Company's requirements.

Subject to the passing of Resolution 8, if Resolution 9 is passed, PKF will be appointed as auditor of the Company with effect from the close of the Meeting.

If Resolution 8 is passed and Resolution 9 is not passed, the Company will hold an adjourned meeting no less than 20 days and no greater than 30 days following this Meeting. At that meeting, PKF can be appointed by an ordinary resolution provided that the Company receives a notice of nomination of PKF from a member of the Company at least 14 days before the date of the adjourned meeting.

Special Resolution

Resolution 9 is proposed as a special resolution under section 327D(2) of the Corporations Act. A special resolution will be passed if approved by at least 75% of votes cast by shareholders entitled to vote on the Resolution.

Schedule A

TERMS AND CONDITIONS OF EMPLOYEE INCENTIVE SECURITIES PLAN

A summary of the material terms of the Company's Employee Incentive Securities Plan (**Plan**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of securities (Securities).
Maximum number of Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, exceed 13,000,000 Securities (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) . The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(b)), following Shareholder approval, is 13,000,000 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997 (Cth)</i>). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Convertible Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>
