RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act, the Company is required to put a non-binding resolution to its members that the Remuneration Report as contained in the Directors' Report in the 2025 Annual Report, be adopted.

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and executive employees of the Company.

Shareholders will be given the opportunity to ask questions and to make comments on the Remuneration Report at the meeting.

Under the Corporations Act, if at least 25% of votes cast on the resolution are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Executive Chairman) must go up for re-election. The Company encourages all Shareholders to cast their votes on Resolution 1 (Adoption of Remuneration Report).

Proxy Voting Restrictions in Respect of Resolution 1

The Company will disregard any votes cast in favour of Resolution 1 by KMP or closely related parties of KMP.

The KMP are those persons having authority and responsibility for planning, directing and controlling the activities of the Company, whether directly or indirectly. Members of KMP include Directors (both executive and non-executive) and certain senior executives named in the Company's Remuneration Report.

A 'closely related party' is defined in the Corporations Act 2001 (Cth) and includes a KMP's spouse, dependent and certain other close family members, as well as companies controlled by the KMP.

Recommendation: The Board recommends that Shareholders vote in favour of Resolution 1. The Chairman intends to vote all available proxies given to him "For" the adoption of the Remuneration Report.

RESOLUTION 2 –ELECTION OF DIRECTOR – ZHONGYI ZHANG

Mr Zhang was appointed as an additional Director on 13 January 2026 under Article 52.1 of the Company's Constitution. Mr Zhang was nominated by Shandong Xinhai Mining Technology & Equipment Inc ("Xinhai Mining") under the terms of a binding Memorandum of Understanding between Antilles Gold Inc, Xinhai Mining, and Minera La Victoria SA, which was advised to ASX on 11 September 2025.

Under ASX Listing Rule 14.4 and Article 52.2 of the Company's Constitution, a Director appointed as an addition to the existing Directors holds office until the next annual general meeting and then is eligible for election.

Mr Zhang offers himself for election as a Director of the Company. Details of Mr Zhang's qualifications and experience are set out in the Company's 2025 Annual Report.

Recommendation: The Board (excluding Mr Zhang) unanimously recommends that Shareholders vote in favour of adopting Resolution 2.

RESOLUTION 3 – RE-ELECTION OF DIRECTOR – ANGELA PANKHURST

In accordance with ASX Listing Rule 14.4 and Article 54.1 of the Company's Constitution, at every Annual General Meeting, one third of the Directors for the time being must retire from office and are eligible for re-election. The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

Accordingly, pursuant to Article 54.1 of the Company's Constitution, Mrs Angela Pankhurst, being a Director of the Company, retires by way of rotation and, being eligible, offers herself for re-election. Details of the qualifications and experience of Mrs Pankhurst are set out in the 2025 Annual Report.

Recommendation: The Board (excluding Mrs Pankhurst) recommends that Shareholders vote in favour of adopting Resolution 3.

RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF SHARES TO LAKE CAPITAL PARTNERS LTD

Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of a total of 1,508,256 Shares issued at a deemed issue price of \$0.014 per Share, to Lake Capital Partners Ltd (and/or its nominees) in lieu of fees payable for acting as the Company's nominated director on the board of joint venture company Minera La Victoria S.A. in Cuba (**Services**) totaling \$21,115.58, pursuant to the Company's Listing Rule 7.1 capacity.

The Services were carried out under an agreement between the Company and Lake Capital Partners Ltd dated 12 July 2022 (**Lake Capital Agreement**).

The Lake Capital Agreement was for services to act as the Company's nominated director on the board of joint venture company Mineral La Victoria S.A. in Cuba. The Lake Capital Agreement has been extended for a further period of 12 months and expires on 1 April 2027. It may be terminated by either party by providing 2 months' written notice to the other party.

The Lake Capital Agreement otherwise contains terms considered standard for an agreement of this nature.

ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions which are contained in ASX Listing Rule 7.2 (which do not apply in the circumstance of this Resolution), ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over a 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Shares do not fit within any of the exceptions of ASX Listing Rule 7.2 and, as it has not yet been ratified by the Company's Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the issue date.

ASX Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. To this end, Resolution 4 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Shares.

Technical information required by ASX Listing Rule 14.1A

If Resolution 4 is passed, the Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 4 is not passed, the Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Shares were issued to Lake Capital Partners Ltd (and/or its nominees);
- (b) a total of 1,508,256 Shares were issued under the Company's Listing Rule 7.1 capacity;
- (c) the Shares were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued on 8 April 2026;
- (e) the Shares were issued for nil consideration. The Shares were issued in lieu of payment of fees, for services provided (having a deemed issue price of \$0.014 per Share);
- (f) the purpose of the issue of the Shares was in satisfaction of trade payables, as specified above;
- (g) the Shares were issued under the Lake Capital Agreement. A summary of the material terms of the Lake Capital Agreement is set out above; and
- (h) a voting exclusion statement is set out in the Notice in respect of Resolution 4

Recommendation: The Board believes that Resolution 4 is in the best interest of the Company and its Shareholders and unanimously recommends that Shareholders vote in favour of this Resolution. The Chair intends to vote undirected proxies in favour of this Resolution.

RESOLUTION 5 – APPROVAL TO ISSUE OPTIONS TO GOLD ROYALTY PROVIDERS

As announced by the Company on 17 March 2026, the Company has agreed to issue up to 375,000,000 unlisted Options (exercisable at \$0.02 and expiring on 31 December 2027) (**New Options**) to two investors who have agreed to provide funding by way of Gold Royalty Agreements for the Nueva Sabana copper-gold mine in Cuba which is currently under construction (**Investors**).

A total of US\$5.0M will be paid by two Investors, Astrovest Group Inc (US\$1.0M), and Lucerne Investment Ltd (US\$4.0M), directly to the Engineering, Procurement, and Construction contractor, Xinhai Mining, to match their monthly progress payments between early April 2026 and early July 2026.

On receipt of the investment amounts by Xinhai Mining, subject to Shareholder approval, the Investors will be entitled to be issued 75,000,000 and 300,000,000 New Options, respectively.

Accordingly, Resolution 5 seeks Shareholder approval pursuant to Listing Rule 7.1 for the issue of up to 375,000,000 New Options to the two Investors.

ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out under the Resolution 4 Explanatory Statement above.

The proposed issue of the New Options does not fall within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the issue date.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. To this end, Resolution 5 seeks Shareholder approval pursuant to ASX Listing Rule 7.1 for the issue of the New Options.

Technical information required by ASX Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of the New Options. In addition, the issue of the New Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the New Options will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

Technical information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to Resolution 5:

- (a) the New Options will be issued to Astrovest Group Inc and Lucerne Investment Ltd (and/or its nominees)
- (b) the maximum number of New Options to be issued is 375,000,000;
- (c) a summary of the terms and conditions of the New Options is set out in Schedule 1;
- (d) the New Options will be issued no later than three (3) months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of all the New Options will occur on the same date;

- (e) the New Options are being issued for nil consideration, pursuant to two Gold Royalty Agreements as outlined above;
- (f) funds raised from the two Gold Royalty Agreements will be used in the construction of the Nueva Sabana copper-gold mine in Cuba; and
- (g) a voting exclusion statement is included in the Notice.

Recommendation: The Board believes that Resolution 5 is in the best interest of the Company and its Shareholders and unanimously recommends that Shareholders vote in favour of this Resolution. The Chair intends to vote undirected proxies in favour of this Resolution.

RESOLUTION 6 - APPROVAL OF ADDITIONAL CAPACITY TO ISSUE EQUITY SECURITIES

ASX Listing Rule 7.1A provides that eligible entities (being entities with market capitalization of less than \$300 million and not being included in the ASX 300 index), may seek prior Shareholder approval to raise an additional 10% in capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**) in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The Company is an eligible entity and is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities (which has the same meaning as the Listing Rules) under the 10% Placement Facility.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval being obtained.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

The exact number of Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

Listing Rules information requirements

Listing Rule 7.1A provides that, with prior Shareholder approval by way of a special resolution at an Annual General Meeting, the Company may, within the following 12 months, issue an additional 10% of issued capital by way of placements.

Any Equity Security issued under the 10% Placement facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of this Notice, has on issue two classes of quoted Equity Securities, Shares and Listed Options.

The number of additional Equity Securities that may be issued under the 10% Placement Facility if Resolution 6 is approved will be calculated in accordance with the formula $(A \times D) - E$, where:

- A is the number of Shares on issue 12 months before the date of issue or agreement,
- plus the number of Shares issued in the 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,
 - plus the number of Shares issued in the 12 months on the conversion of convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the 12 month period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,

- plus the number of Shares issued in the 12 months under an agreement to issue Shares within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the 12 months; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus the number of any other Shares issued in the 12 months with approval of Shareholders under Listing Rules 7.1 or 7.4,
- plus the number of partly paid Shares that became fully paid in the 12 months
- less the number of Shares cancelled in the 12 months,

D equals 10%

E equals the number of Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement has not been subsequently approved by the holders of its *ordinary securities under rule 7.4.

Under Resolution 6, the Company seeks Shareholder approval to increase the Company's capacity under Listing Rule 7.1 and 7.1A to issue further Equity Securities representing up to 25% of the Company's issued capital in the next 12 months.

At the date of this Notice, the Company has on issue 3,131,140,179 Ordinary Shares and therefore has a capacity to issue:

- (a) 469,671,027 Equity Securities under Listing Rule 7.1; and
- (b) if Resolution 6 is approved, 313,114,018 Equity Securities under Listing Rule 7.1A.

In accordance with the requirements of Listing Rule 7.3A, the Company provides the following information to Shareholders:

- (a) The minimum price at which Equity Securities will be issued pursuant to the approval sought by Resolution 6 will be no less than 75% of the volume weighted average price for Equity Securities calculated over the 15 trading days on which trades of the same class of securities were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i), the date on which the Equity Securities are issued.
- (b) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below to the extent Shareholders do not receive any Shares under the issue. There is a risk that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (i) two examples where variable A has increased by 50% and 100%. Variable A is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders meeting; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable A in Listing Rule 7.1A		Dilution		
		0.00675 (50% decrease in Market Price*)	\$0.0135 (Current Market Price*)	\$0.027 (100% increase in Market Price*)

* "Market Price" is the closing price of Shares traded on ASX on 16 April 2026, being the date prior to the date of this Notice.

The table above demonstrates the effect of an issue of Shares under Listing Rule 7.1A on the position of existing Shareholders and has been prepared based on the following assumptions:

- The current variable "A" is calculated as the current number of Shares on issue as at the date of this Notice, being 3,131,140,179;
- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- The table does not show an example of dilution that may be caused by a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holdings at the date of the Meeting;
- The table shows only the effect of issues of Equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares; and
- The current market price is \$0.0135, being the closing price of the Shares in the ASX on 16 April 2026.

The approval under Resolution 6 for the issue of Equity Securities will expire on the earlier of:

- 27 May 2027, being 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- The time and date of the Company's next Annual General Meeting;

The approval will also cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities), or Listing Rule 11.2 (disposal of main undertakings),

The Company may seek to issue the Equity Securities under the 10% Placement Facility for the following purpose:

- (i) *Cash consideration*: fund exploration growth through investment in the Company's joint venture in Cuba, and provide general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4), 3.10.3 and 2.7 upon issue of any Equity Securities.

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice, but may include existing substantial Shareholders, other Shareholders and/or new investors who are not related parties or associates of a related party of the Company.

The Company's allocation policy in respect of the Equity Securities issued under the 10% Placement Facility will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) The methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) The effect of the issue of the Equity Securities on the control of the Company;
- (iii) The financial situation and solvency of the Company; and
- (iv) Advice from corporate and other advisors.

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2025 Annual General Meeting held on 29 May 2025.

The Company has issued a total of 430,000,000 Equity Securities under Listing Rule 7.1A in the 12 months preceding the date of the Annual General Meeting. At the commencement of that 12 month period, the issue of these Equity Securities represented a total of 20.22% of the number of Equity Securities on issue at that time.

- In June 2025 the Company agreed to issue 200,000,000 Equity Securities to sophisticated investors and other persons to whom no disclosure is required. These investors were identified by the Company based on their alignment to the Company's investment and development strategy and the Lead Managers' understanding of each investor's relevant investment strategies, networks and risk profile. The Shares were issued at \$0.004 per Share. This price was equal to the closing market price on 29 May 2025, being the date of the agreement to issue the Equity Securities. The Shares were issued to raise up to \$800,000 (before costs) which was used to cover overheads and advances to the mining joint venture in Cuba.
- In August the Company agreed to issue 10,000,000 Equity Securities to sophisticated investors and other persons to whom no disclosure is required. These investors were identified by the Company based on their alignment to the Company's investment and development strategy and the Lead Managers' understanding of each investor's relevant investment strategies, networks and risk profile. The Shares were issued at \$0.005 per Share. This price represented a discount of 16.7% to the closing market price on 4 August 2025, being the date of the agreement to issue the Equity Securities. The Shares were issued to raise up to \$50,000 which was used for additional working capital of the Company.

- The Company agreed to issue the remaining 220,000,000 of the 430,000,000 Equity Securities in accordance with the Share Placement announced to the ASX on 11 September 2025, to Mr Zhongyi Zhang on 2 October 2025. The Shares were issued at \$0.007 per Share. This price was equal to the closing market price on 11 September 2025, being the date of the agreement to issue the Equity Securities. The Shares were issued to raise up to \$1.54 million which was used to cover advances to the mining joint venture in Cuba to carry out the early construction work on the Nueva Sabana mine, and for general working capital purposes of the Company.

Recommendation: The Board unanimously recommends that Shareholders vote in favour of Resolution 6.
