EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.tmkenergy.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 3 – RE-ELECTION OF PROFESSOR JOHN WARBURTON AS A DIRECTOR

3.1 General

Listing Rule 14.4 and clause 15.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Professor John Warburton, having held office without re-election since 31 May 2023 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Professor John Warburton is set out below.

Qualifications, experience and other material directorships	<p>Prof. Warburton brings extensive executive and directorship experience at ASX-listed companies together with outstanding technical credentials gained through more than 40 years of involvement in internationally recognised petroleum companies, including Super-Majors BP and Eni, across various roles and locations worldwide. Prof. Warburton is currently a Non-Executive Director of Beetaloo Energy Ltd.</p> <p>Prof. Warburton is a Visiting Professor in the School of Earth and Environment at Leeds University in the UK and previously served as a non-executive director of Senex Energy Limited in the six years before its takeover by POSCO/Hancock Prospecting. He also served as Chief of Geoscience & Exploration Excellence at Oil Search Limited from 2015 to 2018.</p>
Term of office	<p>Prof. Warburton has served as a Director since 7 March 2023 and was last re-elected on 31 May 2023.</p>
Independence	<p>If re-elected, the Board considers that John Warburton will be an independent Director.</p>
Board recommendation	<p>Having received an acknowledgement from Prof. Warburton that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Prof. Warburton since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Prof. Warburton) recommend that Shareholders vote in favour of this Resolution.</p>

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Professor John Warburton will be re-elected to the Board as an independent non-executive Director.

If this Resolution is not passed, Professor John Warburton will not continue in his role as Independent Non-Executive Chairman. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. BACKGROUND TO RESOLUTIONS 3 TO 7

4.1 Placement

On 19 March 2026, the Company announced that it was undertaking a placement to new and existing non-related institutional, professional and sophisticated investors (**Unrelated Placement Participants**), as well as Directors Prof. John Warburton and Mr Glenn Corrie (together, the **Participating Directors**) to raise approximately \$6,080,000 (before costs) via the issue of an aggregate of 50,666,667 Shares at an issue price of \$0.12 per Share (**Placement**).

The Placement is comprised of the following:

- (a) **(Tranche 1)** 50,000,000 Shares which were issued to Unrelated Placement Participants on 30 March 2026 to raise \$6,000,000 (before costs), comprising:
 - (i) 28,173,824 Shares issued pursuant to the Company's placement capacity under Listing Rule 7.1, which the Company is seeking to ratify under Resolution 3; and
 - (ii) 21,826,176 Shares issued pursuant to the Company's placement capacity under Listing Rule 7.1A, which the Company is seeking to ratify under Resolution 4); and
- (b) **(Tranche 2)** an aggregate of 666,667 Shares to be issued to the Participating Directors (or their respective nominee(s)) to raise approximately \$80,000 (before costs), subject to Shareholder approval under Resolutions 5 and 6.

4.2 Lead Manager Mandate

Bridge Street Capital Partners Pty Ltd (**Bridge Street**) acted as the lead manager to the Placement pursuant to a lead manager mandate dated 16 March 2026 (**Lead Manager Mandate**). Under the Lead Manager Mandate the Company has agreed to pay/issue (as applicable) Bridge Street the following:

- (a) a cash fee of 6% (plus GST) (comprising a 2% management fee and a 4% placement fee) of the total funds raised under the Placement, excluding funds received from the Participating Directors, management and certain participants introduced directly by the Company; and
- (b) an aggregate of 6,000,000 unlisted Options exercisable at \$0.275 each on or before 31 January 2028 (**Lead Manager Options**), subject to Shareholder approval under Resolution 7.

The Lead Manager Mandate otherwise contains terms and conditions which are standard for an agreement of this nature.

4.3 Use of Funds

Funds raised under the Placement will be applied towards:

- (a) the drilling of up to three additional pilot wells to accelerate reservoir dewatering and gas desorption, with the objective of achieving sustainable commercial gas flow rates for the Gurvantes XXXV Coal Seam Gas Project;
- (b) advancing the beneficial use of gas strategy, including project development activities;
- (c) progressing discussions to secure a strategic funding partner and entering gas offtake arrangements to support the transition toward commercialisation; and
- (d) the costs of the Placement and general working capital.

5. RESOLUTION 3 AND 4 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES UNDER LISTING RULES 7.1 AND 7.1A

5.1 General

These Resolutions seek Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 50,000,000 Shares to the Unrelated Placement Participants on 30 March 2026 pursuant to Tranche 1 of the Placement, as set out in Section 4.1.

5.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit

by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 30 May 2025.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12-month period following the date of the issue.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

If these Resolutions are not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditional on Resolution 8 being passed at this Meeting.

5.5 Technical information required by Listing Rules 7.4 and 7.5

REQUIRED INFORMATION	DETAILS
Names of persons to whom Securities were issued or the basis on which those persons were identified/selected	<p>The Shares were issued to the Unrelated Placement Participants, being new and existing institutional, professional and sophisticated investors who were identified through a bookbuild process which involved Bridge Street and the Company seeking expressions of interest to participate in the Placement from non-related parties of the Company.</p> <p>The Company confirms that, other than substantial Shareholder Molbek Pty Limited <Bruck Family Super Fund A/C> which was issued 3,500,000 Shares under the Placement, no other Material Persons were issued more than 1% of the issued capital of the Company.</p>
Number and class of Securities issued	<p>50,000,000 Shares were issued on the following basis:</p> <p>(a) 28,173,824 Shares were issued under Listing Rule 7.1 (ratification of which is sought under Resolution 3); and</p> <p>(b) 21,826,176 Shares issued pursuant to Listing Rule 7.1A (ratification of which is sought under Resolution 4).</p>

REQUIRED INFORMATION	DETAILS
Date(s) on or by which the Securities were issued	30 March 2026.
Price or other consideration the Company received for the Securities	\$0.12 per Share for Shares issued pursuant to both Listing Rule 7.1 and Listing Rule 7.1A.
Purpose of the issue, including the intended use of any funds raised by the issue	Refer to Section 4.3 for details of the proposed use of funds.
Voting Exclusion Statements	A voting exclusion statement applies to each of these Resolutions.
Compliance	The issue did not breach Listing Rules 7.1 or 7.1A.

6. RESOLUTIONS 5 AND 6 – APPROVAL FOR DIRECTOR PARTICIPATION IN PLACEMENT

6.1 General

A summary of the Placement is set out in Section 4.1 above.

These Resolutions seek Shareholder approval for the purposes of Listing Rule 10.11 for the issue of an aggregate of 666,667 Shares to the Participating Directors (or their respective nominee(s)) at an issue price of \$0.12 per Share, to enable their participation in the Placement on same terms as the Unrelated Placement Participants.

Further details in respect of the intended participation of the Participating Directors (or their respective nominee(s)) are set out in the table below.

RECIPIENT	RESOLUTION	PARTICIPATION	
		QUANTUM OF SHARES	FUNDS RAISED
Prof. John Warburton	5	250,000	\$30,000
Mr Glenn Corrie	6	416,667	\$50,000
Total		666,667	\$80,000

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Shares under the Placement to the Participating Directors (or their respective nominee(s)) constitutes giving a financial benefit and each of the Participating Directors are related parties of the Company by virtue of being a Director.

The Directors (other than Professor John Warburton who has a material personal interest in Resolution 5) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Shares will be issued to Professor John Warburton (or his nominee(s)) on the same terms as Shares issued to the

Unrelated Placement Participants and as such, the giving of the financial benefit is on arm's length terms.

The Directors (other than Mr Glenn Corrie who has a material personal interest in Resolution 6) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Shares will be issued to Mr Glenn Corrie (or his nominee(s)) on the same terms as Shares issued to the Unrelated Placement Participants and as such, the giving of the financial benefit is on arm's length terms.

6.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

6.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue. Accordingly, the Company will not be able to raise a further \$80,000 (before costs) under Tranche 2 of the Placement.

If one of these Resolutions is passed and the other is not, the Company will only be able to proceed with the issue of Shares to the Participating Director (or their nominee(s)) in respect of which Shareholders approved the issue.

7.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

The proposed issue does not fit within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

7.3 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$44,933,314. The Company is therefore an Eligible Entity.

The issue price set out above is the closing market price of the Shares on the ASX on 13 April 2026 (being \$0.170) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. <p>Shareholders should note that there is a risk that:</p> <ol style="list-style-type: none"> the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue. 				
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. REQUIRED INFORMATION	DETAILS
	3. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

9. RESOLUTION 9 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

9.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders).

The Company's Constitution (including the proportional takeover provisions set out in clause 37) was adopted on 31 May 2023. Accordingly, the proportional takeover provisions included in the Constitution apply until 31 May 2026 unless sooner omitted or renewed.

This Resolution is a special resolution which will enable the Company to modify its Constitution by renewing clause 37 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 37.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 31 May 2023 and is available for download from the Company's ASX announcements platform.

9.2 Technical information required by section 648G(5) of the Corporations Act

Overview	<p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.</p> <p>Pursuant to section 648G of the Corporations Act, the Company has included in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.</p>
Effect of proposed proportional takeover provisions	<p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.</p>

<p>Reasons for proportional takeover provisions</p>	<p>A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.</p>
<p>Knowledge of any acquisition proposals</p>	<p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p>
<p>Potential advantages and disadvantages of proportional takeover provisions</p>	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
<p>Recommendation of the Board</p>	<p>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</p>
