There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report for the financial year ended on 31 December 2025, which is available on the ASX platform at www.asx.com.au (ASX: AKO); and
- (b) ask questions about or make comment on the management of the Company.

The chair of the meeting will allow reasonable opportunity for the Shareholders as a whole at the Meeting to ask the Auditor or the auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the auditor's report;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Company's auditor about:

- (a) the content of the auditor's report to be considered at the Meeting; and

2. Resolution 1 – Approval of Remuneration Report

2.1 Introduction

The Remuneration Report is in the Company's Annual Report.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and

- (c) sets out remuneration details for each Director and each of the Company's executives and group executives named in the Remuneration Report for the financial year ended on 31 December 2025.

Section 250R(2) of the Corporations Act requires companies to put a resolution to their members that the Remuneration Report be adopted. The vote on this resolution is advisory only, however, and does not bind the Board or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

The Chair will give Shareholders a reasonable opportunity to ask questions about or to make comments on the Remuneration Report.

2.2 Voting Consequences

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that a further meeting is held at which all of the Company's Directors who were directors when the resolution to make the directors report considered at the later annual general meeting was passed (other than the Managing Director) must go up for re-election (**Spill Resolution**).

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were directors of the company when the resolution to make the directors' report considered at the second annual general meeting was passed, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Voting on Resolution 1 will be determined by a poll at the Meeting.

3. Resolution 2 – Re-Election of Director: Graeme Hunt

3.1 Introduction

The Constitution of the Company requires that at every annual general meeting, one third of the previously elected directors must retire and are eligible for re-election.

Mr Hunt retires and offers himself for re-election.

The experience, qualifications and other information about Mr Hunt appears below:

Mr Hunt spent 34 years with Australian mining major BHP performing General Manager roles before serving as President Iron Ore between 1999 and 2005. He was Managing Director and Chief Executive Officer at Lihir Gold Ltd during which time he managed the company's takeover by Newcrest Mining for A\$9.5 billion. More recently he has held MD and CEO positions with Broadspectrum and AGL Energy. He has held the position of Non-Executive Chairman of Aureka Limited since 1 January 2025. His management expertise spans steel production, exploration, mining, logistics and port operations across Australia, South America, PNG and West and Southern Africa.

The Board (with Mr Hunt abstaining) unanimously recommends that shareholders vote in favour of the re-election of Mr Hunt.

The chairman of the meeting intends to vote undirected proxies in favour of this item of business.

4. Resolution 3: Ratification of prior issue of Shares under August Placement

4.1 General

On 11 August 2025, the Company issued 9,798,000 Shares at an issue price of \$0.085 per share pursuant to a share placement to sophisticated and professional investors as defined by s.708 of the Corporations Act (**August Placement**). Those Shares were issued within the Company's permitted 10% additional placement capacity set out in ASX Listing Rule 7.1A without the requirement to obtain prior Shareholder approval.

4.2 ASX Listing Rule 7.4

Listing Rule 7.1A provides that an "eligible entity" may issue up to 10% of its issued share capital without shareholder approval in the 12 month period following its annual general meeting, provided that shareholder approval is obtained by special resolution to do so at the annual general meeting. This issuing capacity is in addition to the capacity under Listing Rule 7.1. An "eligible entity" under the Listing Rules is an entity that is not included in the S&P/ASX 300 index and has a market capitalisation of \$300 million or less. The Company satisfied these criteria.

The issue of the Shares under the August Placement did not fit within any of the exceptions to Listing Rule 7.1 set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses up part of the 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rules 7.1A for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 provides that an issue of Equity Securities made without prior approval under Listing Rule 7.1A can be treated as having been made with approval if shareholders subsequently approve it and the issue did not breach Listing Rule 7.1A.

Resolution 3 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the prior issue of the Shares the subject of this Resolution. By ratifying this issue, the Company will retain the flexibility to issue Equity Securities in the future up to the 10% annual placement capacity set out in ASX Listing Rule 7.1A without the requirement to obtain prior Shareholder approval.

4.3 Information required by Listing Rule 14.1A

If Resolution 3 is passed, the Shares the subject of this Resolution will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, the Shares the subject of this Resolution will be included in calculating the Company's 10% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities that the Company can issue without Shareholder approval over the 12 month period following the issue date.

4.4 Information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided to Shareholders:

- (a) 9,798,000 Ordinary Shares were issued on 11 August 2025;
- (b) the Shares were issued for cash consideration of 8.5 cents per Ordinary Share;
- (c) the Shares issued were all fully paid Ordinary Shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;

- (d) the Shares were issued to sophisticated and professional investors as defined by the Corporations Act, who were identified through a bookbuild process which involved the Company's lead manager, Sanlam Private Wealth Pty Ltd, seeking expressions of interest to participate in the capital raising from non-related parties of the Company. None of those investors were a key management personnel (KMP), adviser of AKO or an associate of any of the aforementioned parties. The securities issued to any investor is not more than 1% of the capital of the Company;
- (e) \$832,830 was raised from this issue of the Shares;
- (f) The purpose of the issue was to fund exploration and development at Madagascar Iron Ore Projects and for additional working capital;
- (g) The Shares were issued under a firm commitment agreement, which included the following terms:
- (i) Shares are to be allotted by a specified date subject to receipt of payment;
 - (ii) An application for quotation must be made within 2 business days after the placement was made;
 - (iii) A cleansing notice must be issued.
 - (iv) Standard representations and warranties from both parties.

4.5 Directors Recommendations

The Board recommends that Shareholders vote in favour of Resolution 3 for the reasons set out in sections 4.1 and 4.2.

5. Resolution 4: Approval of Incentive Plan

5.1 Background

The Company's Incentive Plan was approved at the Company's Annual General Meeting on 30 May 2024. Pursuant to that approval, the maximum number of Performance Rights and Options proposed to be issued under the Plan will be no more than 4,000,000 securities. Following that approval, 4,000,000 Performance Rights were issued to Directors and an Employee.

On 4 March 2026, it was announced that a Mining Permit had been granted for the Bekisopa High-Grade Iron Ore Project. Further, it was announced a targeted retention and incentive program has been implemented for Directors, certain key employees and contractors, directly linking rewards to the delivery of value driven milestones that unlock the Project's full potential (**Retention Scheme**).

The Incentive Plan consists of retention/performance rights, which will vest upon the delivery of key performance hurdles as indicated below. The issuance to certain key employees and contractors are to be made under the Company's Incentive Plan.

This resolution seeks approval to amend the Company's Incentive Plan to increase the number Performance Rights and Options able to be issued under the Plan from 4,000,000 securities to 40,000,000. This revised cap on Performance Rights includes the proposed Performance Rights to be issued pursuant to resolutions 5 to 9.

5.2 Listing Rule 7.2

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at that commencement of that 12 month period.

Listing Rule 7.2, Exception 13(b) operates as one of the exceptions to Listing Rule 7.1. The effect of shareholder approval under Listing Rule 7.2, Exception 13(b) is that any issues of securities under the Incentive Plan are treated as having been made with approval of shareholders for the purposes of Listing Rule 7.1. Approval under Listing Rule 7.2, Exception 13(b) will be effective for a period of three years.

5.3 Incentive Plan Details

The Company adopted the Incentive Plan on 11 August 2011 and this was approved again on 30 May 2024, which allows the Board to make offers to eligible directors and employees to acquire securities in the Company. Under the terms of the Incentive Plan, the Board may grant performance rights or options (together, **IP Securities**). Shares issued pursuant to the exercise or vesting of the Options or Performance Rights (as the case maybe) under the Plan will rank *pari passu* in all respects with the Company's existing Shares.

In accordance with ASX Listing Rule 7.2, Shareholders are provided with the following information:

- (a) a summary of the material terms of the Plan is set out in Schedule 2;
- (b) the following securities have been issued under the Plan since the Company was listed;
 - (i) 1,200,000 Options to Paul Bibby in 2022;
 - (ii) 750,000 Options to John Madden in 2022;
 - (iii) 3,000,000 Performance Rights to Paul Bibby in 2024;
 - (iv) 500,000 Performance Rights to Graeme Hunt in 2024;
 - (v) 200,000 Performance Rights to Matthew Gill in 2024; and
 - (vi) 300,000 Performance Rights to Jason Whittle in 2024.
- (c) the maximum number of Performance Rights and Options proposed to be issued under the Plan following its approval will be no more than 40,000,000 securities; and
- (d) a voting exclusion statement has been included in the Notice for the purposes of Resolution 4.

5.4 Information Required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to proceed with the issue of the securities under the Incentive Plan without using up any of the Company's 15% annual placement capacity, for a period of 3 years from the date of the Resolution.

If Resolution 4 is not passed, the Company will not have the flexibility to issue securities under the Plan as an exemption from ASX Listing Rule 7.1, and any issue of securities to a person who would have been eligible to participate in the Plan will use up the relevant proportion of the Company's 15% annual placement capacity.

5.5 Recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of Resolution 4.

6. Resolution 5: Approval of sign on Performance Rights to Mr Peter Bird

6.1 Introduction

The Company proposes to issue four million five hundred thousand (4,500,000) Performance Rights to Mr Peter Bird pursuant to his Employment Agreement dated 12 May 2025, the terms

of which were announced to the ASX on the 15 May 2025. The grant of the 4,500,000 of the Performance Rights is subject to Shareholder approval (which is sought in this Resolution). Each Performance Right is exercisable into one ordinary share in the Company for nil consideration subject to each vesting condition being met.

The vesting requirements arising from the sign on Performance Rights are:

Tranche	Performance Rights	Vesting: Performance Conditions	Performance Period	Test/Vesting Date
(i)	1,000,000	1,000,000 vesting upon delivery of funding to allow progression of the Company's Bekisopa project to reach FID (be that funding, strategic investor, JV earn-in, asset sale, off-take) and shall lapse on 30 November 2026 if delivery does not occur by that date	12 May 2025 to 30 November 2026	30 November 2026
(ii)	500,000	500,000 vesting upon granting of exploitation licenses for the Company's Bekisopa project tenements and shall lapse on 31 March 2026 if delivery does not occur by that date	12 May 2025 to 31 March 2026	31 March 2026
(iii)	500,000	500,000 vesting upon completion of activities necessary to submit an Application for a Mining Permit with the government of Madagascar and shall lapse on 31 December 2025 if delivery does not occur by that date	12 May 2025 to 31 December 2025	31 December 2025
(iv)	1,000,000	1,000,000 vesting upon completion of one year's service	12 May 2025 to 11 May 2026	11 May 2026
(v)	1,500,000	1,500,000 vesting upon a positive final investment decision being taken and shall lapse on 31 December 2026 if that has not occurred by that date	12 May 2025 to 31 December 2026	31 December 2026

As at the date of this Explanatory Statement the Board considers that the vesting conditions of Tranche (ii) and Tranche (iii) have been met following the grant of the Mining Permit announced on 11 March 2026. Subject to shareholder approval upon issue of those relevant Performance Rights, Mr Bird will be entitled to exercise them.

When Mr Bird's Employment Agreement was entered into on 12 May 2025, tranche (i), tranche (ii) and tranche (iii) each had a vesting date of 31 December 2025. Madagascar experienced significant political upheaval in the second half of 2025, resulting in a change of Government outside of a normal electoral cycle. The resulting institutional disruption, including delays in the reconstitution of relevant Government Departments, rendered achievement of the milestones for tranches (i) and (ii) by 31 December 2025 effectively impossible.

Additionally, under the prior Madagascar Government, a condition for making a Mining Permit application was the execution of an MOU with the Government on the project's development. The incoming Government, which has adopted a more facilitative and pro-development regulatory posture, removed this requirement. In its place, alternative submissions were required to support a Mining Permit application.

Pursuant to the Incentive Plan, the Board reserved the right to vary the allocation of shares to a participant to make any adjustments it considers appropriate to the terms of a Performance Right granted (or to be granted) to that Participant in order to minimise or eliminate any material advantage or disadvantage to a Participant resulting from a corporate action or capital reconstruction. Accordingly, given the above circumstances, which could cause material disadvantage, which arose entirely outside Mr Bird's control and reflect a fundamental change in the regulatory and governmental environment, the Board has resolved to revise the vesting conditions applicable to tranches (i), (ii) and (iii) to change the Performance period and the relevant test to reflect those circumstances.

The issuance of the Performance Rights the subject of this Resolution 5 is being made under the Company's Incentive Plan and accordingly this resolution is subject to and conditional upon the adoption of the Incentive Plan the subject of Resolution 4.

6.2 Regulatory requirements under Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a 'financial benefit' to a 'related party' of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provision; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

'Related party' is widely defined under the Corporations Act and includes directors of a company. 'Financial benefit' is defined broadly and includes benefits from the public company's subsidiaries. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. The Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

The proposed grant of Performance Rights to Mr Bird constitutes giving a financial benefit and Peter Bird is a related party of the Company by virtue of being a Director.

The Directors (other than Peter Bird who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the performance rights because the grant of the performance rights form part of the remuneration package for Peter Bird, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length commercial basis between the board of directors and Peter Bird as part of his ongoing remuneration as Managing Director.

It is considered that the proposed grant of the Performance Rights therefore qualifies for the exception set out in section 211 of the Corporations Act and does not require approval of Shareholders under section 208 of the Corporations Act.

6.3 Regulatory Requirements under Listing Rules

- (a) Listing Rule 10.11 requirements

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to a related party.

The proposed issue of Performance Rights to Mr Bird falls within Listing Rule 10.11.1, but falls into Exception 13 under Listing Rule 10.12, which includes an exception for an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the Shareholders of the listed company under Listing Rule 10.14.

- (b) Listing Rule 10.14 approval

Listing Rule 10.14 states that an entity must not permit a director of the entity to acquire equity securities under an employee incentive scheme without the approval of its Shareholders and that the Notice must comply with Listing Rule 10.15. None of the exceptions to Listing Rule 10.14 that are set out in Listing Rule 10.16 apply to the proposed issue of Performance Rights to Mr Bird.

Note that if Shareholder approval under Listing Rule 10.14 is obtained under this Resolution, the approval will cease to be valid if there is a subsequent material change to the terms of the scheme from those set out in this Notice.

6.4 Information required by Listing Rule 10.15

The following information is provided to Shareholders for the purposes of Listing Rule 10.15:

- (a) the related party is Mr Peter Bird, the Managing Director of the Company and who falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director.
- (b) the number and class of securities proposed to be issued to Mr Bird for which approval is being sought is 4,500,000 Performance Rights's. Further approval for Performance Rights to be issued to Mr Bird are contained Resolutions 6 and 7 below.
- (c) Peter Bird's current total cash remuneration package is \$350,000 per annum plus statutory superannuation.
- (d) no securities have been previously issued to Peter Bird.
- (e) the terms and conditions of the Performance Rights are set out in Schedule 1 of this Notice. The Performance Rights is being used to incentivise Mr Bird as part of his role as Managing Director of the Company.
- (f) the Company will issue the Performance Rights to Mr Bird within 5 Business Days of the date of the resolution approving their issue as set out in this Notice being passed and no later than 3 years after the date of this meeting.
- (g) the Performance Rights are being issued to Mr Bird as part of his remuneration and no price is payable for them. Upon vesting, the Performance Rights will convert to shares in the Company on a one for one basis. No payment from Mr Bird is required upon conversion.
- (h) the value of the Performance Rights and the methodology behind the valuation is set out in Schedule 3.
- (i) a summary of the material terms of the Performance Rights are set out at Schedule 1 of this Notice.
- (j) a summary of the material terms of the Incentive Plan are set out in Schedule 2 of this Notice;
- (k) there is no loan that will be made to Peter Bird in relation to the acquisition of the Performance Rights.
- (l) the Company has chosen to issue the Performance Rights to Mr Bird for the following reasons:
 - (i) the Performance Rights form part of the remuneration package for Mr Bird, and do not represent an increase in the value of, or additional financial benefits to be provided as part of, the remuneration package for Mr Bird;
 - (ii) the Performance Rights are considered to be a cost effective and efficient means for the Company to provide a reward and an incentive for Mr Bird, as opposed to alternative forms of incentive, such as the payment of additional cash compensation;

- (iii) to align the interests of Mr Bird with those of Shareholders, motivate and reward the performance of Mr Bird in his role as Managing Director;
 - (iv) the deferred taxation benefit which is available to Mr Bird in respect of an issue of Shares on conversion of the Performance Rights is also beneficial to the Company as it means Mr Bird is not required to immediately sell the Shares issued on conversion of any Performance Rights to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (v) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.
- (m) In accordance with ASX Listing Rule 10.15.11, it is noted that:
- (i) details of any Performance Rights issued under the Plan will be published in the Annual Report relating to the period in which the Performance Rights were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
 - (ii) any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Plan after Resolution 5 is approved and who were not named in the Notice of Meeting will not participate until approval is obtained from Shareholders under ASX Listing Rule 10.14.
- (n) a voting exclusion statement is set out in the Agenda of this Notice at Resolution 5.

6.5 Information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of the Performance Rights the subject of this Resolution to Peter Bird. In addition, the issue of those Performance Rights will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of those Performance Rights to Mr Bird.

6.6 Directors Recommendations

The Board (other than Peter Bird who refrains from making a recommendation in respect of the grant of the Performance Rights as he has a material personal interest in the outcome of Resolution 5) recommends that Shareholders vote in favour of Resolution 5 for the reasons set out in section 6.1. This Resolution is not seeking approval for the total remuneration of Mr Bird. Rather it relates to the issue of certain Performance Rights to Mr Bird under the Incentive Plan, which is one component of Mr Bird's total remuneration.

7. Resolution 6: Approval to issue STI and LTI Performance Rights to Mr Peter Bird

7.1 Introduction

The Company proposes to issue two million two hundred and ninety seven thousand nine hundred and four (2,297,904) Performance Rights to Mr Bird for nil consideration pursuant to his Employment Agreement dated 12 May 2025, the terms of which were announced to the ASX on the 15 May 2025. The grant of the 2,297,904 Performance rights is subject to Shareholder approval (which is sought in this Resolution).

The award of the Performance Rights is being made in connection with the Company's obligations to provide short term (**STI**) and long term incentives (**LTI**) prescribed in his Employment Agreement dated 12 May 2025.

This grant of the Performance Rights align Mr Bird's interests with the interests of all Shareholders. Consistent with the desire to progress key funding and approvals milestones associated with reaching a final investment decision for the Company's Bekisopa project and minimise cash expenditures, the Board believes that having regard to the Company's current cash position and in order to compensate Mr Bird in line with current market practices, Performance Rights provide an appropriate and meaningful form of remuneration that aligns with Shareholder interests.

Under the terms of the issue, the Performance Rights will have the following vesting conditions (**Vesting Conditions**):

Tranche	Performance Rights	Vesting: Performance Conditions	Performance Period	Test/Vesting Date
Short Term Incentive:	1,622,050	- 25% performance against financial targets. - 25% based Safety, Environment and Community - 50% building Akora's capability to execute the Bekisopa project and other exploration targets.	12 May 2025 to 31 December 2025	29 May 2026
Long Term Incentive FY25	225,285	- 50% performance against relevant strategic milestones determined by the Board for the relevant Financial Year	12 May 2025 to 31 December 2025	29 May 2026
Long Term Incentive FY26	225,285	- 50% based on total shareholder return and earning per share growth in the relevant Financial Year.	1 January 2026 to 31 December 2026	29 May 2027
Long Term Incentive FY27	225,285		1 January 2026 to 31 December 2026	29 May 2028

The issuance of the Performance Rights the subject of this Resolution 6 is being made under the Company's Incentive Plan and accordingly this resolution is subject to and conditional upon the adoption of the Incentive Plan the subject of Resolution 4.

7.2 Regulatory requirements under Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a 'financial benefit' to a 'related party' of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provision; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

'Related party' is widely defined under the Corporations Act and includes directors of a company. 'Financial benefit' is defined broadly and includes benefits from the public company's subsidiaries. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. The Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

The proposed grant of Performance Rights to Mr Bird constitutes giving a financial benefit and Mr Bird is a related party of the Company by virtue of being the Managing Director.

The Directors (other than Peter Bird who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the Performance Rights because the grant of the Performance Rights forms part of the remuneration package for Peter Bird, is considered

reasonable remuneration in the circumstances and was negotiated on an arm's length commercial basis between the board of directors and Peter Bird as part of his ongoing remuneration as Managing Director.

It is considered that the proposed grant of the Performance Rights therefore qualifies for the exception set out in section 211 of the Corporations Act and does not require approval of Shareholders under section 208 of the Corporations Act.

7.3 Regulatory Requirements under Listing Rules

(a) Listing Rule 10.11 requirements

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to a related party.

The proposed issue of Performance Rights to Mr Bird falls within Listing Rule 10.11.1, but falls into Exception 13 under Listing Rule 10.12, which includes an exception for an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the Shareholders of the listed company under Listing Rule 10.14.

(b) Listing Rule 10.14 approval

Listing Rule 10.14 states that an entity must not permit a director of the entity to acquire equity securities under an employee incentive scheme without the approval of its Shareholders and that the Notice must comply with Listing Rule 10.15. None of the exceptions to Listing Rule 10.14 that are set out in Listing Rule 10.16 apply to the proposed issue of Performance Rights to Mr Bird.

Note that if Shareholder approval under Listing Rule 10.14 is obtained under this Resolution, the approval will cease to be valid if there is a subsequent material change to the terms of the scheme from those set out in this Notice.

7.4 Information required by Listing Rule 10.15

The following information is provided to Shareholders for the purposes of Listing Rule 10.15:

- (a) the related party is Peter Bird, the Managing Director of the Company and who falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director.
- (b) the number and class of securities proposed to be issued to Mr Bird for which approval is being sought is 2,297,904 Performance Rights. Further approval for Performance Rights to be issued to Mr Bird are contained Resolution 5 and 7.

- (d) no securities have been previously issued to Mr Bird.
- (e) the terms and conditions of the Performance Rights are set out in Schedule 1 of this Notice. A Performance Right is being used to incentivise Mr Bird as part of his role as Managing Director of the Company.
- (f) the Company will issue the Performance Rights to Mr Bird within 5 Business Days of the date of the resolution approving their issue as set out in this Notice being passed and no later than 3 years after the date of this meeting.
- (g) the Performance Rights are being issued to Peter Bird as part of his remuneration and no price is payable for them. Upon vesting, the Performance Rights will convert to shares in the Company on a one for one. No payment from Peter Bird is required upon conversion.
- (h) the value of the Performance Rights and the methodology behind the valuation is set out in Schedule 3.

- (i) a summary of the material terms of the Performance Rights are set out at Schedule 1 of this Notice.
- (j) a summary of the material terms of the Incentive Plan are set out in Schedule 2 of this Notice.
- (k) there is no loan that will be made to Mr Bird in relation to the acquisition of the Performance Rights.
- (l) the Company has chosen to issue the Performance Rights to Mr Bird for the reasons set out in section 7.1 of this Explanatory Statement.
- (m) in accordance with ASX Listing Rule 10.15.11, it is noted that:
 - (i) details of any Performance Rights issued under the Plan will be published in the Annual Report relating to the period in which the Performance Rights were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
 - (ii) any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Plan after Resolution 6 is approved and who were not named in the Notice of Meeting will not participate until approval is obtained from Shareholders under ASX Listing Rule 10.14.
- (n) a voting exclusion statement is set out in the Agenda of this Notice at Resolution 6.

7.5 Information required by Listing Rule 14.1A

If Resolution 6 is passed, the Company will be able to proceed with the issue of the Performance Rights the subject of this Resolution to Peter Bird. In addition, the issue of those Performance Rights will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of those Performance Rights to Mr Bird.

7.6 Directors Recommendations

The Board (other than Peter Bird who refrains from making a recommendation in respect of the grant of the Performance Rights as he has a material personal interest in the outcome of Resolution 6) recommends that Shareholders vote in favour of Resolution 6 for the reasons set out in section 7.1. This Resolution is not seeking approval for the total remuneration of Mr Bird. Rather it relates to the issue of certain Performance Rights to Mr Bird under the Incentive Plan, which is one component of Mr Bird's total remuneration.

8. Resolutions 7, 8 and 9: Approval to issue retention scheme Performance Rights Messrs Peter Bird, Graeme Hunt and Matthew Gill.

8.1 Introduction

On 4 March 2026, it was announced that a Mining Permit had been granted for the Bekisopa High-Grade Iron Ore Project. Further, it was announced a targeted retention and incentive program has been implemented for Directors, certain key employees and contractors, directly linking rewards to the delivery of value driven milestones that unlock the Project's full potential (**Retention Scheme**).

The Retention Scheme consists of Performance Rights, which will vest upon the delivery of key performance hurdles as indicated below. The issuance to Directors will be subject to Shareholder approval. The issuance to Employees and Contractors is being made under the

Company's Incentive Plan and accordingly Resolutions 7, 8 and 9 are subject to and conditional upon the adoption of the Incentive Plan the subject of resolution 4.

A total of 12,500,000 rights is proposed to be issued to Directors as follows:

Recipient	Performance Rights	Vesting: Performance Conditions applicable to all	Performance Period	Test/Vesting Date
Mr Peter Bird	6,000,000	<p>Performance Rights will vest only if the following conditions are satisfied:</p> <p>(a) <u>Gate Condition</u>: a Financial Transaction is delivered by 30 June 2027. Please see Schedule 1 of this Notice for a summary of the terms and conditions of the Performance Rights.

8.2 Regulatory requirements under Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a ‘financial benefit’ to a ‘related party’ of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provision; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

‘Related party’ is widely defined under the Corporations Act and includes directors of a company. ‘Financial benefit’ is defined broadly and includes benefits from the public company’s subsidiaries. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. The Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

The proposed grant of Performance Rights to Peter Bird, Graeme Hunt and Matthew Gill constitutes giving a financial benefit and Peter Bird, Graeme Hunt and Matthew Gill are related parties of the Company by virtue of being Directors.

All three Directors have a material personal interest in the outcome of Resolutions 7, 8 and 9 and as such, the Directors have not been able to form a quorum at a Directors meeting which is necessary to carry out the terms of those Resolutions. The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put Resolutions 7, 8 and 9 to the Shareholders to resolve.

Section 195 of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a “material personal interest” are being considered.

8.3 Regulatory Requirements under Listing Rules

- (a) Listing Rule 10.11 requirements

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to a related party.

The proposed issue of Performance Rights to Messrs Bird, Hunt and Gill fall within Listing Rule 10.11.1, but falls into Exception 13 under Listing Rule 10.12, which includes an exception for an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the Shareholders of the listed company under Listing Rule 10.14.

(b) Listing Rule 10.14 approval

Listing Rule 10.14 states that an entity must not permit a director of the entity to acquire equity securities under an employee incentive scheme without the approval of its Shareholders and that the Notice must comply with Listing Rule 10.15. None of the exceptions to Listing Rule 10.14 that are set out in Listing Rule 10.16 apply to the proposed issue of Performance Rights to Peter Bird, Graeme Hunt and Matthew Gill.

Note that if Shareholder approval under Listing Rule 10.14 is obtained under this Resolution, the approval will cease to be valid if there is a subsequent material change to the terms of the scheme from those set out in this Notice.

8.4 Information required by Listing Rule 10.15 and section 219 of the Corporations Act

The following information is provided to Shareholders for the purposes of Listing Rule 10.15 and section 219 of the Corporations Act:

- (a) the related parties are Messrs Bird, Hunt and Gill, each of whom falls within the category set out in Listing Rule 10.14.1 by virtue of being Directors of the Company.
- (b) the number and class of securities proposed to be issued to Mr Bird for which approval is being sought is 6,000,000 Performance Rights; for Mr Hunt is 4,000,000 Performance Rights and for Mr Gill is 2,500,000 Performance Rights. Other than as set out in Resolutions 5 and 6, no approval for any other issue of securities under Listing Rule 10 is being sought.
- (c) the total current remuneration package for each of the Directors is as follows:
 - (i) Mr Peter Bird: \$350,000 per annum plus statutory superannuation;
 - (ii) Mr Graeme Hunt: \$75,000 per annum plus statutory superannuation; and
 - (iii) Mr Matthew Gill: \$50,000 per annum inclusive of statutory superannuation.
- (d) a summary of the terms and conditions of the Performance Rights are set out in Schedule 1 of this Notice. A Performance Right is being used to incentivise the Directors to the delivery of value driven milestones that unlock the Bekisopa Project's full potential.
- (e) a summary of the terms and conditions of the Incentive Plan are set out in Schedule 2 of this Notice.
- (f) the Company will issue the Performance Rights to Peter Bird, Graeme Hunt and Matthew Gill within 5 Business Days of the date of the resolution approving their issue as set out in this Notice being passed and no later than 3 years after the date of this meeting.
- (g) the Performance Rights are being issued to Messrs Bird, Hunt and Gill as part of their remuneration and no price is payable for them. Upon vesting, the Performance Rights will convert to shares in the Company on a one for one basis. No payment from Peter Bird, Graeme Hunt and Matthew Gill is required upon conversion.
- (h) the value of the Performance Rights and the methodology behind the valuation is set out in Schedule 3.
- (i) there is no loan that will be made to Peter Bird, Graeme Hunt and Matthew Gill in relation to the acquisition of the Performance Rights.
- (j) the Company has chosen to issue the Performance Rights to Peter Bird, Graeme Hunt and Matthew Gill for the following reasons:

- (i) the Performance Rights form part of the remuneration package for the Directors, and do not represent an increase in the value of, or additional financial benefits to be provided as part of, the remuneration package for the Directors;
 - (ii) the Performance Rights are considered to be a cost effective and efficient means for the Company to provide a reward and an incentive for the Directors, as opposed to alternative forms of incentive, such as the payment of additional cash compensation;
 - (iii) to align the interests of the Directors with those of Shareholders, motivate and reward the performance of the Directors in their role as Directors of the Company;
 - (iv) the deferred taxation benefit which is available to the Directors in respect of an issue of Shares on conversion of the Performance Rights is also beneficial to the Company as it means the Directors not required to immediately sell the Shares issued on conversion of any Performance Rights to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (v) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.
- (k) in accordance with ASX Listing Rule 10.15.11, it is noted that:
- (i) details of any Performance Rights issued under the Plan will be published in the Annual Report relating to the period in which the Performance Rights were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
 - (ii) any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Plan after Resolutions 7, 8 and 9 are approved and who were not named in the Notice of Meeting will not participate until approval is obtained from Shareholders under ASX Listing Rule 10.14.
- (l) voting exclusion statements are set out in the Agenda of this Notice at Resolutions 7, 8 and 9.
- (m) the number of Performance Rights to be issued to each of the Directors has been determined based upon a consideration of:
- (i) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
 - (ii) the remuneration of the Directors; and
 - (iii) incentives to attract and ensure continuity of services of the Directors who have appropriate knowledge and expertise, while maintaining the Company's cash reserves.
- (n) the Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.
- (o) the relevant interests of the Directors in securities of the Company as at the date of this Notice are set out below:

	Shares	Options	Performance Rights
Mr Graeme Hunt	500,000	-	-
Mr Peter Bird	-	-	-
Mr Matthew Gill	200,000	-	-

- (p) the trading history of Shares on the ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.135	20 May 2025
Lowest	\$0.071	18 November 2025
Last	\$0.84	28 April 2026

- (q) the following securities have been previously issued under the Plan to Messrs Hunt and Gill;
- (i) 500,000 Performance Rights to Graeme Hunt in 2024; and
 - (ii) 200,000 Performance Rights to Matthew Gill in 2024,
- with the average acquisition price for those securities being nil;
- (r) if all of the Performance Rights to Messrs Bird, Hunt and Gill under Resolutions 7, 8 and 9 are converted into Shares, the number of Shares on issue in the Company will increase from 173,924,745 to 186,424,745 (assuming no other Shares are issued and no other convertible securities are exercised or vest), with the effect that the shareholding of existing shareholders would be diluted by an aggregate of 7.19%.

8.5 Information required by Listing Rule 14.1A

If Resolutions 7, 8 and 9 are passed, the Company will be able to proceed with the issue of the Performance Rights the subject of this Resolution to Messrs Bird, Hunt and Gill. In addition, the issue of those Performance Rights will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If any of Resolutions 7, 8 and 9 are not passed, the Company will not be able to proceed with the issue of the Performance Rights the subject of the relevant Resolution which has not passed.

8.6 Directors Recommendations

Recommendation: Each Director has a material personal interest in the outcome of Resolutions 7, 8 and 9 on the basis that all of the Directors are to be issued Performance Rights should Resolutions 7, 8 and 9 be approved. Accordingly, Messrs Bird, Hunt and Gill decline to make a recommendation to Shareholders in relation to Resolutions 7, 8 and 9.

8.7 Other information

The Board is not aware of any other information which is relevant to the consideration by Shareholders of the proposed Resolutions which are detailed in the Notice. Prior to making any decision, Shareholders may wish to seek advice from their own independent accountant, solicitor or other financial adviser as to the effect of the proposed Resolution.

8.8 Directors' approvals and recommendations

To the extent permitted by law, it is the intention of the Chairman of the Meeting to vote all undirected proxies granted to him in favour of the Resolutions.

9. Resolution 10: Approval of additional 10% placement capacity

9.1 General

Under ASX Listing Rule 7.1A, an “eligible entity” may, subject to shareholder approval by way of special resolution, issue Equity Securities comprising up to 10% of its issued share capital over a 12-month period commencing after the annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the normal 15% Placement Capacity under ASX Listing Rule 7.1.

An “eligible entity” for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company confirms that it is an “eligible entity” for the purposes of ASX Listing Rule 7.1A and is seeking shareholder approval, by way of special resolution, for the Company to have an additional 10% Placement Capacity provided in ASX Listing Rule 7.1A to issue Equity Securities without shareholder approval.

Resolution 10 seeks Shareholder approval for the Company to have the additional 10% Placement Capacity provided for in the ASX Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Resolution 10 is a special resolution and requires approval of 75% of the votes cast by Shareholders present and eligible to vote. Therefore, if Resolution 10 is approved, the Directors will be allowed to issue Equity Securities of up to 25% (up to 10% pursuant to ASX Listing Rule 7.1A and up to 15% pursuant to ASX Listing Rule 7.1) of the Company's issued share capital without any further Shareholder approval.

In this regard, if Resolution 10 is approved, any Equity Securities issued under the 10% Placement Capacity as provided for in ASX Listing Rule 7.1A must be in the same class as an existing class of quoted Equity Securities, and the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as summarised below).

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: AKO).

If Resolution 12 is not approved, the Company will not be able to access the 10% Placement Capacity, as provided for in ASX Listing Rule 7.1A, to issue Equity Securities without Shareholder approval, but will still be allowed to issue Equity Securities of up to 15% of the Company's issued capital pursuant to ASX Listing Rule 7.1.

Formula for calculating 10% Placement Capacity

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of ordinary shares on issue 12 months before the date of issue or agreement (**relevant period**) to issue:
- (a) plus the number of fully paid ordinary shares issued in the relevant period under an exception in ASX Listing Rule 7.2 (other than exceptions 9, 16 or 17);

- (b) plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
 - (c) plus the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into between the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under ASX Listing rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
 - (d) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
 - (e) plus the number of partly paid ordinary shares that became fully paid in the relevant period; and
 - (f) less the number of fully paid ordinary shares cancelled in the relevant period.
- D** is 10%; and
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by the shareholders under ASX Listing Rule 7.4.

9.2 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 10:

Minimum issue price

In accordance with ASX Listing Rule 7.1A, Equity Securities issued by the Company under the 10% Placement Capacity can only be issued at a price that is not less than 75% of the VWAP (volume weighted average price) for the Equity Securities calculated over the 15 Trading Days on which trades in that class of Equity Securities were recorded immediately before:

- (a) the date on which the issue price of the Equity Securities is agreed by the Company and the recipient of the Equity Securities; or
- (b) the date on which the Equity Securities are issued (if the Equity Securities are not issued within ten Trading Days of the date on which the issue price is agreed).

Placement period

Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;
- (b) the time and date of the Company's next annual general meeting; or

- (c) the time and date of approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking),

after which date an approval under ASX Listing Rule 7.1 A ceases to be valid.

The 10% Placement Capacity under Listing Rule 7.1A will not lapse if the Company's market capitalisation subsequently exceeds \$300 million or if it is included in the S&P/ASX 300 Index at some time during that period provided that the Company meets those criteria on the date of the Meeting.

Risk of economic and voting dilution to existing shareholdings

If Resolution 10 is approved by Shareholders and the Company issues quoted Equity Securities under the 10% Placement Capacity, there is a risk of economic and voting dilution to existing Shareholders as a result, including the risk that:

- (a) the market price of the Company's Equity Securities may be significantly lower on the issue date than on the date of the Meeting; and
- (b) the Equity Securities may be issued at a price that is at a discount to the market price on the issue date,

and in either case, there is a further risk that the 10% Placement Capacity may raise less funding than it would be based on current market prices for the Equity Securities.

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

As required by Listing Rule 7.3A.2, the table below shows:

- (a) two examples where variable "A" in the formula in ASX Listing Rule 7.1A.2 (representing the Company's share capital) has increased by either 50% or 100%; and
- (b) two examples of whether the share price of ordinary securities has decreased by 50% or increased by 100% from the current share price,

and is prepared on the basis that:

- (c) Variable "A" is based on the number of ordinary securities the Company had on issue as at 31 March 2026. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval under ASX Listing Rule 7.1 (for example, a pro rata entitlements issue or scrip issued under a takeover offer, issue of Shares on vesting of the performance rights) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (d) The current issue price of the Shares is the closing price of the Shares as at 31 March 2026.

Share Capital (Variable 'A' in Listing Rule 7.1A.2)	Dilution table			
	Issue Price	\$0.04000	\$0.0800	\$0.16000
Current	50% decrease in Issue Price	Current Issue Price	100% increase in Issue Price	

173,924,745 Shares	Number of Shares issued (10% voting dilution)	17,392,475	17,392,475	17,392,475
	Funds raised	\$695,699	\$1,391,398	\$2,782,796
50% increase in Variable A 260,887,118 Shares	Number of Shares issued (10% voting dilution)	26,088,712	26,088,712	26,088,712
	Funds raised	\$1,043,548	\$2,087,097	\$4,174,194
100% increase in Variable A 347,849,490 Shares	Number of Shares issued (10% voting dilution)	34,784,949	34,784,949	34,784,949
	Funds raised	\$1,391,398	\$2,782,796	\$5,565,592

Dilution table

The dilution table has been prepared on the following hypothetical assumptions. The Company does not represent that they will necessarily occur:

- (a) There are currently 173,924,745 Shares on issue;
- (b) The current issue price set out above is the closing price of the Shares on the ASX on 31 March 2026. This price may fluctuate between the time of preparing this Notice and the date of the Meeting and the date that any Shares are issued by the Company pursuant to ASX Listing Rule 7.1A;
- (c) the Company issues the maximum number of shares available under the 10% Placement Capacity;
- (d) any increase in Variable A (being the issued share capital at the time of issue) is due to an issue of Shares which is an exception in ASX Listing Rule 7.2, for example a pro-rata rights issue. However, a 15% Placement Capacity under ASX Listing Rule 7.1 does not increase variable "A" for the purposes of calculating the 10% Placement Capacity under ASX Listing Rule 7.1A;
- (e) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with Shareholder approval under ASX Listing Rule 7.1;
- (f) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised before the date of issue of the Equity Securities;
- (g) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- (h) the table shows only the effect of issues of Shares under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1; and
- (i) the table does not show the dilution that may be caused to any particular Shareholder by reason of placements under ASX Listing Rule 7.1A, based on that Shareholder's holding at the date of the Meeting. For instance, Shareholders will have different outcomes

depending on whether or not they participate in a pro-rata issue which has the effect of increasing variable "A".

Purpose of the 10% Placement Capacity

Any Equity Securities issued under ASX Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of Equity Securities under ASX Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

Based on the Company's existing plans, the Company intends that any funds raised by the Company from the issue of Equity Securities under the 10% Placement Capacity (if the Shareholders approve this Resolution) may be used for funding the Madagascar Iron Ore exploration and development programs, a new resource, asset or investment acquisition and/or for general working capital purposes.

Allocation policy

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of any proposed issue under the 10% Placement.

The identity of the allottees under the 10% Placement Capacity will be determined on a case by case basis having regard to the factors including the following:

- (a) the purpose of the issue;
- (b) the methods of raising funds that are available to the Company, including a rights issue or other issue in which existing Shareholders can participate;
- (c) the effect of the issue of the Shares on the control of the Company;
- (d) the financial situation and solvency of the Company;
- (e) the prevailing market conditions; and
- (f) advice from corporate, financial and broking advisors (if applicable).

The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice and may include existing shareholders and/or new shareholders, but the allottees cannot include any Directors, Related Parties of the Company, a substantial holder of the Company referred to in ASX Listing Rule 10.11) or any of their Associates without a further specific Shareholder approval.

Voting exclusion

A voting inclusion statement is included in this Notice. In accordance with ASX Listing Rule 14.11.1 and the relevant Note under that rule concerning ASX Listing Rule 7.1A, as at the date of this Notice of Annual General Meeting, the Company has not approached or invited any particular existing Shareholder or an identifiable class of existing Shareholders to participate in the issue of Equity Securities under the 10% Placement Capacity. No existing Shareholder's vote will therefore be excluded from voting on Resolution 10 at the Meeting.

The Directors recommend that Shareholders vote **in favour** of Resolution 10.

SCHEDULE 3 – Valuation of Performance Rights

The Performance Rights to be issued pursuant to Resolutions 5-9 have been valued at the current market price \$0.084, being the closing price of the Shares on ASX on 28 April 2026. When valuing a nil exercise price Performance Right over a non-dividend paying stock, the Black Scholes valuation will be identical to the underlying share price.

The Performance Rights have been valued in accordance with Australian Accounting Standards Board (AASB) accounting standard AASB 2 Share-based payment.

Resolution	Performance Rights	Share Price at Grant Date	Total Value
5	4,500,000	\$0.084	\$378,000.00
6	2,297,904	\$0.084	\$193,023.95
7	6,000,000	\$0.084	\$504,000.00
8	4,000,000	\$0.084	\$336,000.00
9	2,500,000	\$0.084	\$210,000.00

Notes:

The valuation has taken into account the following matters:

- (a) The Performance Rights are subject to the following vesting condition referred to in the Explanatory Statement for each resolution 5 through 9;
- (b) Performance Rights with non-market based vesting conditions can only be exercised following the satisfaction of the vesting condition, a change of control or winding up occurring, or a takeover bid becoming unconditional.
- (c) The valuation of Performance Rights assumes that the exercise of a right does not affect the value of the underlying asset.
- (d) Given that the Performance Rights are to be issued for no cash consideration, the value of the Performance Rights is reflected in the underlying Share price at the valuation date. The Share price used is based on the closing price Shares on ASX on 28 April 2026 being \$0.084.
- (e) No consideration is to be paid upon exercising the Performance Rights.
