4 Resolution 1 – Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Director's Report contains the Remuneration Report which sets out:

- (a) the remuneration policy for the Company; and
- (b) the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Shareholders will have the opportunity to remove the whole Board except the Managing Director (if applicable) if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Remuneration Report did not receive a Strike at the 2025 annual general meeting. Please note if the Remuneration Report receives a Strike at the Meeting and if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow reasonable opportunity for Shareholders to ask questions about or comment on the Remuneration Report.

Resolution 1 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of Resolution 1.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

5 Resolution 2 – Re-election of Leanne Heywood as a Director

5.1 General

Resolution 2 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of Resolution 2.

5.2 Director profile

5.3 **Board recommendation**

The Board (excluding Leanne Heywood) supports the re-election of Leanne Heywood and recommends that Shareholders vote in favour of Resolution 2.

6 Resolution 3 – Re-election of Anthony Giammaria as a Director

6.1 **General**

Article 7.13 of the Constitution requires one third of all Directors (rounded down to the nearest whole number) to retire at each annual general meeting. Furthermore, Listing Rule 14.5 provides that an entity must have an election of directors at each annual general meeting.

Article 7.17 of the Constitution provides that a Director who retires under article 7.13 of the Constitution is eligible for re-election.

Resolution 3 provides that Anthony Giammaria retires and seeks re-election as a Director under article 7.17 of the Constitution.

Anthony Giammaria was appointed to the Board on 27 June 2024.

If Resolution 3 is passed, Anthony Giammaria will continue to be a Director.

If Resolution 3 is not passed, Anthony Giammaria will cease to be a Director.

Resolution 3 is an ordinary resolution.

The Chair intends to exercise all available proxies in favour of Resolution 3.

6.2 **Director profile**

Anthony Giammaria has over 20 years commercial and corporate law experience focused on corporate finance, restructuring and securities, advising microcap and mid-sized companies, has a large network and is well placed to assist the company in Canada. He has a deep understanding of Canada's legal landscape and has advised the Company since 2022, playing a key role in the restructuring of the group in preparation for its initial public offering on ASX. He has been involved in the Company's HPA business as a member of the joint venture company boards since 2023 and became a Director of the Company in May 2024.

6.3 **Board recommendation**

The Board (excluding Anthony Giammaria) supports the re-election of Anthony Giammaria and recommends that Shareholders vote in favour of Resolution 3.

7 Resolutions 4 to 16 – Approval to issue DSUs

7.1 **General**

The Company is proposing to issue, subject to obtaining Shareholder approval, up to a total of 190,405 2025 DSUs to the Relevant Directors (or their respective nominees) for the three month period ending on 31 December 2025, as follows:

Resolution	Relevant Director	2025 DSUs
4	Mr Richard Evans	28,443
5	Mr Steven Petersohn	28,443
6	Mr Nassif Obeid	28,443
7	Mr Timothy Fletcher	28,443
8	Ms Leanne Heywood	48,190
9	Mr Anthony Giammaria	28,443
Total		190,405

Additionally, the Company is proposing to issue, subject to obtaining Shareholder approval, such number of 2026 DSUs to the Relevant Directors (or their respective nominees) to be calculated based on a formula for the three month periods ending on 31 March 2026, 30 June 2026, 30 September 2026 and 31 December 2026, as follows:

Resolution	Relevant Director	Maximum value of 2026 DSUs to be issued for the 2026 FY
10	Mr Richard Evans	A\$90,000
11	Ms Leanne Heywood	A\$90,000
12	Mr Anthony Giammaria	A\$90,000
13	Mr Richard Seville	A\$372,960
14	Mr Steven Petersohn	A\$90,000
15	Mr Nassif Obeid	A\$90,000
16	Mr Timothy Fletcher	A\$90,000

The Directors have the ability to elect to receive their Directors' fees in DSUs or a combination of cash and DSUs. The Relevant Directors may elect to receive some of their Directors' fees in DSUs during the 2026 FY. Accordingly, depending on the election of each Relevant Director, DSUs may be issued to the Relevant Directors in lieu of paying the Relevant Directors some or all of their outstanding Directors' fees in cash.

The DSUs are to be issued under the Company's Plan, the terms of which are summarised in Schedule 2. The terms of the DSUs are summarised in Schedule 3.

Resolutions 4 to 9 seek Shareholder approval pursuant to Listing Rule 10.14, Chapter 2E of the Corporations Act and for all other purposes to grant an aggregate of 190,405 2025 DSUs to the Relevant Directors (or their respective nominees) under the Plan.

Resolutions 10 to 16 seek Shareholder approval pursuant to Listing Rule 10.14, Chapter 2E of the Corporations Act and for all other purposes to grant such number of 2026 DSUs (to be calculated based on the formula in Section 7.4(d)) to the Relevant Directors (or their respective nominees) under the Plan.

Resolutions 4 to 16 are ordinary resolutions.

The Board declines to make a recommendation in relation to Resolutions 4 to 16 due to their material personal interest in the outcome of these Resolutions.

7.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director of the company;
- (b) an associate of a director of the company; or
- (c) a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of DSUs to the Relevant Directors falls within paragraph (a) above (being Listing Rule 10.14.1) and therefore requires the approval of Shareholders under Listing Rule 10.14.

If Resolutions 4 to 16 are passed, the Company will be able to proceed with the issue of the DSUs to the Relevant Directors (or their respective nominees). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.14 (Listing Rule 7.2, exception 14). Accordingly, the issue of DSUs (and Shares issued on conversion of the relevant DSUs) will not be included in calculating the Company's placement capacity under Listing Rule 7.1.

If Resolutions 4 to 16 are not passed, the Company will not be able to proceed with the issue of the DSUs to the Relevant Directors (or their respective nominees) and the Company may need to consider alternative arrangements. Given that the DSUs are issued in lieu of paying Director fees in cash to the Relevant Directors, such alternative arrangements may include a cash payment to the Relevant Directors.

7.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Relevant Directors are all Directors of the Company and, therefore, are Related Parties of the Company for the purposes of section 208 of the Corporations Act. The grant of the DSUs under the Plan (and their conversion into Shares) constitutes the giving of a financial benefit to the Relevant Directors.

The Board is unable to form a quorum to determine whether the "reasonable remuneration" exception in section 211 of the Corporations Act applies to the issue of the DSUs to the Relevant Directors under Resolutions 4 to 16, due to the Relevant Directors having an interest in the outcome of Resolutions 4 to 16. Accordingly, the Board has determined to seek Shareholder approval pursuant to section 208 of the Corporations Act for Resolutions 4 to 16.

7.4 Specific information required by Listing Rule 10.15 and section 219 of the Corporations Act

The following information in relation to Resolutions 4 to 16 is provided to Shareholders for the purposes of Listing Rule 10.15 and section 219 of the Corporations Act:

- (a) The DSUs will be issued under the Plan to:
 - (i) Mr Richard Seville (or his nominees) under Resolution 13;

 - (vi) Ms Leanne Heywood (or her nominees) under Resolutions 8 and 11; and
 - (vii) Mr Anthony Giammaria (or his nominees) under Resolutions 9 and 12.
- (b) The Relevant Directors each fall within Listing Rule 10.14.1 as they are Related Parties of the Company by virtue of being Directors. In the event the DSUs are issued to a nominee of the Relevant Directors, those persons will fall into a category stipulated by Listing Rule 10.14.2.
- (c) The maximum number of 2025 DSUs to be issued to the Relevant Directors is detailed below:

Resolution	Relevant Director	2025 DSUs
4	Mr Richard Evans	28,443

7	Mr Timothy Fletcher	28,443
8	Ms Leanne Heywood	48,190
9	Mr Anthony Giammaria	28,443
	Total	190,405

- (d) The maximum number of 2026 DSUs that will be granted for each relevant three month period ending on 31 March 2026, 30 June 2026, 30 September 2026 and 31 December 2026 (as applicable) (each a **Relevant Period**) to the Relevant Directors (or their respective nominees) under Resolutions 10 to 16 will be calculated in accordance with the following formula:

$$\text{Number of 2026 DSUs} = \frac{\text{Relevant Fees}}{\text{Relevant VWAP}}$$

Where:

- (i) **Relevant Fees** means the relevant amount of Directors' fees (up to the amounts specified in the second table for Resolutions 10 to 16 in Section 7.1) which the Relevant Director has elected to receive in the form of DSUs for the Relevant Period.
 - (ii) **Relevant VWAP** means the three month VWAP for Shares calculated at the end of the Relevant Period for the Relevant Period.
- (e) The DSUs are being issued by way of remuneration and incentives to the Relevant Directors in lieu of paying the Relevant Directors some or all of their Directors' fees in cash. As such, the total remuneration package of the Relevant Directors has been detailed below:

Relevant Director	Salary and fees
Mr Richard Seville	\$372,960
Mr Richard Evans	\$90,000

Mr Steven Petersohn	\$90,000
Mr Nassif Obeid	\$90,000
Mr Timothy Fletcher	\$90,000
Ms Leanne Heywood	\$90,000
Mr Anthony Giammaria	\$90,000

Note: These figures include statutory superannuation. As the DSUs are being issued or are proposed to be issued in lieu of paying some or all of the Directors' fees to the Relevant Directors in cash, the above table incorporates the value of the DSUs being issued under Resolutions 4 to 9 and proposed to be issued under Resolutions 10 to 16.

- (f) As at the date of the Notice, the Company has issued 5,528,891 securities under the Plan to the Relevant Directors which were previously issued for nil cash consideration, in lieu of paying the Relevant Directors some of their outstanding Directors' fees in cash and as equity incentives.

- (j) The Company attributes a value of \$0.53 per 2025 DSU, using the issue price of Shares pursuant to the Company's initial public offering in 2025, giving the 2025 DSUs an aggregated value of \$100,916. The value attributed to the 2025 DSUs to be issued to each Relevant Director is as follows:

Resolution	Relevant Director	Total value
4	Mr Richard Evans	\$15,075
5	Mr Steven Petersohn	\$15,075
6	Mr Nassif Obeid	\$15,075

9	Mr Anthony Giammaria	\$15,075

- (k) The value attributed to each 2026 DSU cannot be determined at this time as the Relevant VWAP (representing the value of each 2026 DSU) is a figure which cannot be determined as this time. Since the 2026 DSUs will be issued in lieu of Directors' fees, the maximum value attributed to the 2026 DSUs which could be issued is as follows:

Resolution	Relevant Director	Maximum value of 2026 DSUs to be issued for the 2026 FY
10	Mr Richard Seville	\$372,960
11	Mr Richard Evans	\$90,000
12	Mr Steven Petersohn	\$90,000

16	Mr Anthony Giammaria	\$90,000

- (l) The Company intends to issue the DSUs to the Relevant Directors (or their respective nominees) by no later than three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules).
- (m) The DSUs will be issued for nil cash consideration (and no amount is payable upon conversion of the DSUs) in lieu of paying the Relevant Directors some or all of their Directors' cash fees.
- (n) No funds will be raised by the issue of the DSUs as they are being granted for nil cash consideration, in lieu of paying directors some of their cash Directors' fees.

- (o) A summary of the material terms of the Plan are detailed in Schedule 2.
- (p) No loan will be provided to the Relevant Directors in relation to the issue of the DSUs under the Plan.
- (q) The Company notes that:
 - (i) details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
 - (ii) any additional persons covered by Listing Rule 10.14 who becomes entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.
- (r) The DSUs to be issued to the Relevant Directors (or their respective nominees) will not have an immediate dilutionary impact on the Company. However, if the DSUs are converted into Shares in the future, there will be a dilutionary impact on the other Shareholders of the Company. In this regard,
 - (i) if the underlying Shares are issued on conversion of the 2025 DSUs, this will result in a dilution of all other Shareholders' holdings in the Company of 0.032% based on the issued Shares as at the date of the Notice and 0.031% on a fully diluted basis; and
 - (ii) the dilutionary impact cannot yet be calculated for the period within which the 2026 DSUs may be issued, being the 2026 FY. However, by way of example, if the Relevant VWAP for the Relevant Period was \$0.50, using the aggregate amount of Directors' fees which the Relevant Directors have elected to receive in the form of DSUs (being A\$912,960), the maximum number of DSUs that would be issued to the Relevant Directors (or their nominees) in the 2026 FY is 1,825,920 2026 DSUs. Accordingly, if the underlying Shares are issued on conversion of the 2026 DSUs, this will result in a dilution of all other Shareholders' holdings in the Company of 0.31% based on the issued Shares as at the date of the Notice and 0.30% on a fully diluted basis.
- (s) The historical quoted price information for Shares for the last 12 months is as follows:

Shares	Price	Date
Highest	\$0.65	21 January 2026
Lowest	\$0.395	17 March 2026
Last	\$0.50	21 April 2026

- (t) There are no taxation consequences for the Company arising from the issue of the DSUs (including fringe benefits tax).
- (u) Of the Relevant Directors:
 - (i) Mr Richard Seville has a material personal interest in the outcome of Resolution 13 and therefore believes it is inappropriate to make a recommendation to Shareholders on how to vote on Resolution 13;
 - (ii) Mr Richard Evans has a material personal interest in the outcome of Resolutions 4 and 10 and therefore believes it is inappropriate to make a recommendation to Shareholders on how to vote on Resolutions 4 and 10;
 - (iii) Mr Steven Petersohn has a material personal interest in the outcome of Resolutions 5 and 14 and therefore believes it is inappropriate to make a recommendation to Shareholders on how to vote on Resolutions 5 and 14;

- (iv) Mr Nassif Obeid has a material personal interest in the outcome of Resolutions 6 and 15 and therefore believes it is inappropriate to make a recommendation to Shareholders on how to vote on Resolution 6 and 15;
 - (v) Mr Timothy Fletcher has a material personal interest in the outcome of Resolutions 7 and 16 and therefore believes it is inappropriate to make a recommendation to Shareholders on how to vote on Resolutions 7 and 16;

7.5 **Section 200E of the Corporations Act**

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a "managerial or executive office" (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by shareholders in accordance with section 200E of the Corporations Act.

The Relevant Directors hold "managerial or executive offices" as their details are included in the Directors' Report by virtue of being Directors.

Under the terms and conditions of the Plan, under which the DSUs the subject of Resolutions 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16 (inclusive) are proposed to be issued, circumstances in which the DSUs are redeemed (whether through the issue of Shares or through a cash payment equal to the fair market value of the DSUs) at the Board's discretion include where the Relevant Director ceases to be a Director, or in other circumstances where the Board exercises its discretion to allow early vesting as well as change of control events, notwithstanding that the Company will comply with its obligations under Listing Rules 10.18 and 10.19.

7.6 **Specific information required by section 200E(2) of the Corporations Act**

The value of the potential termination benefits cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Share price at the time of redemption and the number of DSUs that will be redeemed.

7.7 **Specific information required by Listing Rule 10.19**

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

8 **Resolutions 17 and 18 – Approval to issue Incentive Performance Rights**

8.1 **General**

The Company is proposing to issue, subject to obtaining Shareholder approval, up to a total of 1,235,739 Incentive Performance Rights to Mr Richard Seville and Mr Michael Adams (or their respective nominees), as follows:

Resolution	Director	Incentive Performance Rights
17	Mr Richard Seville	411,913
18	Mr Michael Adams	823,826
Total		1,235,739

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Share price and in the creation of Shareholder value. In addition, the Board also believes that incentivising with Incentive Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Incentive Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Incentive Performance Rights are to be issued under the Company's Plan, the terms of which are summarised in Schedule 2. The terms of the Incentive Performance Rights are summarised in Schedule 4.

Resolution 17 seeks Shareholder approval pursuant to Listing Rule 10.14, Chapter 2E of the Corporations Act and for all other purposes to grant such number of the Incentive Performance Rights to Mr Richard Seville (or his respective nominees) under the Plan.

Resolution 18 seeks Shareholder approval pursuant to Listing Rule 10.14, Chapter 2E of the Corporations Act and for all other purposes to grant such number of the Incentive Performance Rights to Mr Michael Adams (or his respective nominees) under the Plan.

Resolutions 17 and 18 are ordinary resolutions.

The Board (other than Mr Richard Seville, who has a material personal interest in the outcome of Resolution 17) recommends that Shareholders vote in favour of Resolution 17. The Board (other than Mr Michael Adams, who has a material personal interest in the outcome of Resolution 18) recommends that Shareholders vote in favour of Resolution 18.

8.2 Listing Rule 10.14

Refer to Section 7.2 for a summary of Listing Rule 10.14.

The issue of the Incentive Performance Rights to Mr Richard Seville and Mr Michael Adams under the Plan falls within Listing Rule 10.14.1 (by virtue of Mr Richard Seville and Mr Michael Adams being Directors), and therefore requires the approval of Shareholders under Listing Rule 10.14.

If Resolution 17 is passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to Mr Richard Seville (or his nominees). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.14 (Listing Rule 7.2, exception 14). Accordingly, the issue of the Incentive Performance Rights (and Shares issued on conversion of the Incentive Performance Rights) will not be included in calculating the Company's placement capacity under Listing Rule 7.1.

If Resolution 17 is not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to Mr Richard Seville (or his nominees) and the Company may need to consider alternative arrangements. Such alternative arrangements may include incentivising Mr Richard Seville by other means, including a cash payment.

If Resolution 18 is passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to Mr Michael Adams (or his nominees). Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.14 (Listing Rule 7.2, exception 14). Accordingly, the issue of the Incentive Performance Rights (and Shares issued on conversion of the Incentive Performance Rights) will not be included in calculating the Company's placement capacity under Listing Rule 7.1.

If Resolution 18 is not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to Mr Michael Adams (or his nominees) and the Company may need to consider alternative arrangements. Such alternative arrangements may include incentivising Mr Michael Adams by other means, including a cash payment.

8.3 Chapter 2E of the Corporations Act

Refer to Section 7.3 for a summary of Chapter 2E of the Corporations Act.

Mr Richard Seville and Mr Michael Adams are Directors of the Company and, therefore, are Related Parties of the Company for the purposes of section 208 of the Corporations Act. The grant of the Incentive Performance Rights under the Plan (and their conversion into Shares) constitutes the giving of a financial benefit to Mr Richard Seville and Mr Michael Adams.

Although it is the view of the Board that the "reasonable remuneration" exception in section 211 of the Corporations Act applies to the issue of the Incentive Performance Rights under Resolutions 17 and 18, out of good corporate governance, the Board has determined to seek Shareholder approval pursuant to section 208 of the Corporations Act for Resolutions 17 and 18.

8.5 Section 200E of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a "managerial or executive office" (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by shareholders in accordance with section 200E of the Corporations Act.

Mr Richard Seville and Mr Michael Adams hold "managerial or executive offices" as their details are included in the Directors' Report by virtue of being Directors.

Under the terms and conditions of the Plan, under which the Incentive Performance Rights the subject of Resolutions 17 and 18 (inclusive) are proposed to be issued, the Board has the discretion to allow for early vesting of the Incentive Performance Rights provided that the Company complies with its obligations under Listing Rules 10.18 and 10.19.

8.6 Specific information required by section 200E(2) of the Corporations Act

The value of the potential termination benefits cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Share price at the time of vesting and the number of Incentive Performance Rights that will vest and convert into Shares.

8.7 Specific information required by Listing Rule 10.19

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

9 Resolution 19 – Approval of potential termination benefits under the Plan

9.1 General

The Corporations Act contains certain limitations concerning the payment of "termination benefits" to persons who hold a "managerial or executive office". The Listing Rules also provide certain limitations on the payment of "termination benefits" to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities (including Options, Performance Rights and DSUs) granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This "accelerated vesting" of Plan Securities may constitute a "termination benefit" prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained. Accordingly, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with Resolution 19.

Resolution 19 is an ordinary resolution.

The Directors decline to make a recommendation in relation to Resolution 19 due to their material personal interest in the outcome of Resolution 19.

9.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a "managerial or executive office" (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by shareholders in accordance with section 200E of the Corporations Act.

Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

As noted above, under the terms of the Plan and subject to the Listing Rules, the Board possesses the discretion to vary the terms or conditions of the Plan Securities (such as Options, Performance Rights and DSUs issued under the Plan). Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

Additionally, the DSUs held by a Director who retires or ceases to hold office as a Director are automatically redeemed on cessation or retirement from office. On redemption of the DSUs, the Board has the discretion on how the DSUs are redeemed on cessation or retirement (including whether they are redeemed in Shares or cash).

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a "benefit" for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

9.3 Value of termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting or termination of the person who holds "managerial or executive office" and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

10 Resolution 20 – Section 195 approval

10.1 General

In accordance with section 195 of the Corporations Act, a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a 'material personal interest' are being considered.

The Relevant Directors have a material personal interest in the outcome of Resolutions 4 to 16 (inclusive).

In the absence of this Resolution 20, the Directors may not be able to form a quorum at directors meetings necessary to carry out the terms of Resolutions 4 to 16 (inclusive).

The Directors accordingly exercise their right under section 195(4) of the Corporations Act to put the issue to Shareholders to resolve.

Resolution 20 is an ordinary resolution. If Resolutions 4 to 16 (inclusive) are not approved, Resolution 20 will be withdrawn.

The Chair intends to exercise all available undirected proxies in favour of Resolution 20.

10.2 **Board Recommendation**

The Board considers that, given the potential personal interests of the Directors the subject of Resolution 20, it would be inappropriate for the Directors to give any voting recommendation with respect to Resolution 20.

11 **Resolution 21 – Approval of change of Company name**

11.1 **General**

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

Resolution 21 seeks the approval of Shareholders for the Company to change its name to "Advanced Engineered Materials Limited".

Resolution 21 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 21.

11.2 **Rationale for proposed change**

The Company was incorporated as "Gulf Minerals Pty Ltd" in 2001 with an initial focus on kaolin mining and production. The Company changed its name to "Advanced Energy Minerals Limited" in June 2024 in preparation for the Company's initial public offer on ASX. In line with the product produced by the Company being High Purity Alumina (**HPA**) being used in a number of advanced applications and not being a resources company, the Board proposes the current change of name to "Advanced Engineered Materials Limited". There is no proposed change to the Company's ASX code in connection with the name change.

11.3 **Effect of approval of the Resolution**

The proposed name has been reserved by the Company with ASIC.

If Resolution 21 is passed the change of name will take effect when ASIC alters the details of the Company's registration.

2 Participation

- (a) The Board may from time to time in its sole and absolute discretion determine that an Eligible Participant may participate in the Plan.
- (b) Following determination that an Eligible Participant may participate in the Plan, the Board may at any time, and from time to time, make an EIP Offer to the Eligible Participant.

 - (B) the total number of Shares that have been issued, or may be issued, comprising:

5 Employee Share Trust

The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Shares for Participants under the Plan and delivering Shares to Participants for an issue of Shares upon exercise of an Option or the vesting of a Performance Right or DSU or otherwise.

6 Vesting Conditions

- (a) The Board may at its sole discretion determine the Vesting Conditions which will apply to any Employee Incentives. The Vesting Conditions will specify the criteria that the Eligible Participant is required to meet in the specified Performance Period (if any) in order to exercise Options or for Performance Rights to vest to become entitled to receive Shares under the Plan.
- (b) The Board may vary the Vesting Conditions and/or the Performance Period after the grant of those Employee Incentives, subject to:

 - (iii) the Board promptly notifying a Participant of any such variation.
- (c) The Board will determine in its sole discretion whether (and, where applicable, to what extent) the Participant has satisfied the Vesting Conditions applicable to the relevant Performance Period.

11 Board discretion

The Board may decide to allow a Participant to:

- (b) retain any Performance Rights regardless of:
 - (i) the expiry of the Performance Period to which those Performance Rights relate; or

14 Transfer of Options, Performance Rights or DSUs

Options, Performance Rights and DSUs may not be assigned, transferred, encumbered with a security interest in or over them, or otherwise disposed of by a Participant, unless such assignment or transfer occurs by force of law upon the death or total and permanent disablement of a Participant to the Participant's legal personal representative.

15 Board discretion for cash settlement

- (a) The Board may (in its absolute discretion) make one or more EIP Offers of Options, Performance Rights or DSUs on terms and conditions which provide that the Board has the absolute discretion to determine whether, upon exercise of any such Options or conversion of any such Performance Rights or DSUs, instead of Shares being issued to be held by or on behalf of the Eligible Participant, a cash payment will instead be made to the Eligible Participant (or its Nominee, where applicable), with the methodology for determining the amount of that payment being specified in the terms and conditions of those Options, Performance Rights or DSUs as determined by the Board.
- (b) The terms of Options, Performance Rights or DSUs the subject of an EIP Offer may also (in the Board's absolute discretion) provide for the Company to deduct from the cash payment referred to in that clause an amount on account of one or more of the following:

18 Amendments

- (a) The Board may at any time amend the Plan rules or the terms and conditions upon which any Employee Incentives have been issued.
