### **About Beetaloo Energy**

Beetaloo Energy holds 28.9 million acres of highly prospective exploration tenements in the McArthur Basin and Beetaloo Sub-basins, Northern Territory. Work undertaken by the Company since 2010 demonstrates that the Eastern depositional Trough of the McArthur Basin, of which the Company holds around 80%, has enormous conventional and unconventional hydrocarbon potential. The Beetaloo Sub-basin, in which Beetaloo Energy holds a substantial position, has world-class hydrocarbon volumes in place and a ramp up in industry activity to appraise substantial discoveries already made by major Australian oil and gas operators is accelerating.

## Resolution

### **Resolution 18** – Approval of issue of SPP Shortfall Shares to the Underwriters

#### **Background**

The background to the SPP and the Capital Raise is set out in Resolutions 4 and 5 of the Original Notice.

As announced on 4 May 2026, the Company entered into an underwriting agreement with Blue Ocean Equities Pty Ltd and Morgans Corporate Limited, who acted as Joint Lead Managers to the Placement (together, the **Underwriters**) to fully underwrite the SPP (**Underwriting Agreement**).

Any shortfall shares under the SPP (**SPP Shortfall Shares**) may be issued to the Underwriters (or their respective sub-underwriter(s)) pursuant to the Underwriting Agreement. The issue of SPP Shortfall Shares is conditional on the Company obtaining Shareholder approval for the issue of SPP Shares to Eligible Shareholders under the SPP, which is the subject of Resolution 7.

Accordingly, the exact number of SPP Shortfall Shares to be issued to the Underwriters is not presently known. However, the number of SPP Shortfall Shares issued will not exceed the shortfall under the SPP and, in any event, will not exceed an aggregate value of \$5 million.

The issue of SPP Shortfall Shares to the Underwriters does not fall within ASX Listing Rule 7.2, Exception 5. As a result, the issue of the SPP Shortfall Shares requires either the use of the Company's placement capacity under ASX Listing Rule 7.1 or prior Shareholder approval.

Resolution 18 seeks Shareholder approval under and in accordance with ASX Listing Rule 7.1 for the issue of SPP Shortfall Shares to the Underwriters (or their respective sub-underwriter(s)).

#### **Listing Rule 7.1**

Broadly speaking, and subject to a number of exceptions in Listing Rule 7.2, Listing Rule 7.1 limits the

number of Equity Securities that a listed company can issue without shareholder approval over any 12-month period to 15% of the fully paid ordinary securities that the company had on issue at the start of that 12-month period.

The issue of the SPP Shortfall Shares does not fall within any of the specified exceptions set out in Listing Rule 7.2 and as it has not yet been approved by Shareholders, it effectively uses up the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date of the SPP Shortfall Shares.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1. Accordingly, under Resolution 18, the Company seeks from Shareholders approval for the issue of the SPP Shortfall Shares.

Resolution 18 is an Ordinary Resolution.

#### **Listing Rule 14.1A**

If Resolutions 7 and 18 are passed, then the issue of the SPP Shortfall Shares can proceed without using up any of the Company's 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

If Resolution 7 is passed and 18 is not passed, the Company may still proceed to issue the SPP Shortfall Shares utilising its Listing Rule 7.1 placement capacity, if its placement capacity is sufficiently refreshed following the AGM, subject to the terms of the Underwriting Agreement.

If Resolutions 7 and 18 are not passed, the Company will not proceed with the issue of the SPP Shortfall Shares.

#### **Information required by Listing Rule 7.3**

The following information is provided to Shareholders for the purposes of Listing Rule 7.3.

- (a) The SPP Shortfall Shares will be issued to the Underwriters or their respective nominated sub-underwriter(s) in accordance with the Underwriting Agreement, who are not related parties, a member of the Company's key management personnel, a substantial holder of the Company or an Associate of any of those persons.
- (b) A maximum of 17,857,143 Shortfall SPP Shares (representing approximately \$5 million) will be issued to the Underwriters or their respective nominated sub-underwriter(s) in accordance with the Underwriting Agreement.
- (c) The SPP Shortfall Shares, being fully paid ordinary shares in the Company, will rank equally with the existing Shares on issue.
- (d) Subject to Resolution 7 being passed, the Company intends to issue the SPP Shortfall Shares on or about 4 June 2026 and, in any event, will not issue the SPP Shortfall Shares later than 3 months (or such later date permitted by the ASX) from the date of the AGM.
- (e) The SPP Shortfall Shares will be issued at \$0.28 per Share, being the same price as under the SPP and Placement.
- (f) The use of funds for the SPP Shortfall Shares is outlined in the background section of

Resolutions 4 and 5.

- (g) The SPP Shortfall Shares will be issued pursuant to the Underwriting Agreement, the material terms of which are summarised below:
- a. the Company agreed to pay the Underwriters a commission of 5% (in aggregate) of the underwritten amount;
  - b. the Company provided certain representations, warranties and indemnities in favour of the Underwriters, customary for an agreement of its nature;
  - c. the obligations of the Underwriters under the Underwriting Agreement are subject to the Company obtaining Shareholder approval for the issue of the SPP Shares to Eligible Shareholders, which is the subject of Resolution 7;
  - d. the Underwriting Agreement contains other customary conditions precedent that must be satisfied or waived before the Underwriters are obligated to underwrite the SPP; and
  - e. the Underwriting Agreement is subject to generally customary termination events consistent with agreements of its nature.
- (h) The SPP Shortfall Shares will not be granted under, or to fund, a reverse takeover.
- (i) A voting exclusion statement is included in the Notice for Resolution 18.

**Directors' recommendation**

The Board of Directors recommend that Shareholders vote in favour of Resolution 18.

Any undirected proxies held by the Chair will be directed in favour of Resolution 18.
