Capital Raising Background

On 30 April 2026, the Company announced a private share placement of new Shares (**Placement**), which comprised the issue of 147,058,824 Shares by way of a private placement to sophisticated and professional investors at an issue price of \$0.017 per Share, raising \$2.5 million (**Capital Raising**).

The funds raised from the Capital Raising will be applied to the following activities:

- drilling focused on resource expansion and exploration drilling at the Company's 100%-owned Lewis Ponds Gold, Silver and Base Metals Project in the Lachlan Fold Belt;
- metallurgical testing;
- costs of the Placement; and
- general working capital expenses.

Resolutions 1 and 2 – Ratification of the issue of 147,058,824 Shares under the Placement

As noted in the section of this Explanatory Memorandum titled "**Capital Raising Background**" on page 6, on 30 April 2026 the Company announced the Capital Raising, which included an issue of 147,058,824 Shares to sophisticated and professional investors pursuant to the Placement. This Placement was undertaken under the Company's placement capacity under Listing Rules 7.1 and 7.1A.

Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rules 7.1 and 7.1A limit the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% and 10% respectively of the fully paid ordinary shares it had on issue at the start of that period.

The Shares issued to participants in the Placement did not fall within an exception and were issued without Shareholder approval under the Company's 15% placement capacity under Listing Rule 7.1 and the Company's 10% placement capacity under Listing Rule 7.1A.

Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under Listing Rules 7.1 and 7.1A, provided the issue did not breach the maximum thresholds set by Listing Rules 7.1 and 7.1A. If they do, the issue is taken to have been approved under Listing Rules 7.1 and 7.1A and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under those rules.

For personal use only

Explanatory Memorandum

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A and thus the Company is seeking ratification of the Shares issued pursuant to the Placement by Resolutions 1 and 2. The Company confirms that the issue and allotment of the Shares did not breach Listing Rules 7.1 and 7.1A at the date of issue.

Resolution 1 seeks the ratification of 77,026,492 Shares which were issued by the Company under the Placement using its capacity under Listing Rule 7.1.

Resolution 2 seeks the ratification of the remaining 70,032,332 Shares which were issued by the Company under its additional capacity under Listing Rule 7.1A.

If Resolution 1 is passed, the Shares issued using the Company's Listing Rule 7.1 capacity pursuant to the Placement will be excluded in calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Additional Placement Capacity limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolution 2 is passed, the Shares issued using the Company's Listing Rule 7.1A capacity pursuant to the Placement will be excluded in calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Additional Placement Capacity limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolution 1 and/or Resolution 2 are not passed, the relevant issues will be included in calculating the Company's 15% Threshold in Listing Rule 7.1 and 10% Additional Placement Capacity limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the date of issue.

For the purposes of Listing Rule 7.5, the following information is provided in respect of Resolutions 1 and 2:

	Resolution 1 (LR 7.1 Capacity)	Resolution 2 (LR 7.1A Capacity)
Names of allottees	<p>The Shares issued under the Placement were issued to various professional and sophisticated investors selected by the Company in consultation with the Lead Manager.</p> <p>None of the allottees are Related Parties of the Company .</p> <p>No Related Party or a person who is, or was at any time in the 6-months before the Placement, a substantial (10%+) holder of the Company or any of their respective Associates participated in the Placement.</p> <p>No Director or any of their Associates have participated in or will receive any Shares pursuant to Resolution 1 or 2.</p> <p>No member of the Company's key management personnel or adviser to the entity, or any of their respective Associates, participated in the Placement and received more than 1% of the Company's issued capital at the time of the issue and no substantial holder of the Company at the time of agreeing to the issue received more than 1% of the Company's issued capital at the time of the issue.</p>

Resolution 3 – Ratification of 7,500,000 Broker Options

The Company is a party to an agreement with the Lead Manager to act as lead manager for the Capital Raising (**Lead Manager Agreement**).

For the services provided by the Lead Manager during the Capital Raising, the Company agreed, subject to obtaining Shareholder approval (if required), to issue the Lead Manager with 7,500,000 Options, having an exercise price of \$0.034 and expiry date of 6 May 2028 (the **Broker Options**).

As described above in relation to Resolutions 1 and 2, subject to a number of exceptions, Listing Rules 7.1 and 7.1A limit the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% and 10% respectively of the fully paid ordinary shares it had on issue at the start of that period.

The Broker Options issued to the Lead Manager did not fall within an exception and were issued without Shareholder approval under the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under Listing Rules 7.1 and 7.1A, provided the issue did not breach the maximum thresholds set by Listing Rules 7.1 and 7.1A. If they do, the issue is taken to have been approved under Listing Rules 7.1 and 7.1A and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under those rules. As mentioned above, the Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A and, thus, Resolution 3 is seeking ratification of the issue of the Broker Options to the Lead Manager.

Explanatory Memorandum

If Resolution 3 is passed, the Broker Options issued to the Lead Manager will be excluded in calculating the Company's 15% Threshold in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolution 3 is not passed, then the Broker Options issued to the Lead Manager will be included in calculating the Company's 15% Threshold in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the date of issue.

For the purposes of Listing Rule 7.5, the following information is provided in respect of Resolution 3:

Names of allottees	<p>The 7,500,000 Broker Options were issued to the Lead Manager (or its nominee(s)).</p> <p>None of those nominees were Related Parties, Directors, key management or, at the time of the agreement to issue securities, substantial holders of the Company, or any of their respective Associates, who received more than 1% of the Company's issued capital at the time of the issue.</p>

6. **Participation Rights or Entitlements**

There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of securities offered to Shareholders during the term of the Options, except in their capacity as existing Shareholders.

However, the Company will ensure that, for the purpose of determining entitlements to any such issue, the record date will be at least five (5) Business Days after the issue is announced so as to give holders of Options the opportunity to exercise their Options before the date for determining entitlements to participate in any issue.

7. **Bonus Issues**

If, prior to the expiry of the Options, the Company makes a bonus issue of Shares to Shareholders for no consideration, the number of Shares over which an Option is exercisable will be increased by the number of Shares which the holder would have received if the Option had been exercised before the relevant record date for calculating entitlements for the bonus issue.

8. **Pro-Rata Issue**

If, from time to time, prior to the expiry of the Options, the Company makes a pro-rata issue of Shares to shareholders, the exercise price of the Options will be reduced in accordance with the formula set out in Listing Rule 6.22.2.

9. **Capital reorganisation**

If there is a reorganisation of the issued capital of the Company (including any consolidation, subdivision, reduction, or return of capital), the rights of the holder of Options shall be changed to the extent necessary to comply with the Listing Rules at the time of the reorganisation.

Proxy Voting Form

If you are attending the Meeting in person, please bring this with you for Securityholder registration.

Your proxy voting instruction must be received by **9:00am (AEST) on Sunday, 28 June 2026**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 - APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together.
