Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly-owned U.S. subsidiary, Visage Imaging, Inc., has signed a 5-year, A\$28M contract renewal with Allegheny Health Network (AHN), including the addition of Visage 7 Workflow. AHN is one of the largest health networks in the Pittsburgh metro area, providing care to 29 Pennsylvania counties, as well as portions of New York, Ohio and West Virginia.

AHN is a unified network comprised of 14 hospitals, a total of 2,500 beds and more than 200 primary-care and specialty-care practices in more than 300 clinical locations and offices.

"We are very pleased to have played such a key role in AHN's growth over the past 10 years," said Dr Sam Hupert, Pro Medicus CEO. "AHN has now renewed for a third contract term, reflecting the strength of our long-standing partnership and the value our platform continues to deliver across their organisation."

Dr Hupert continued, "This contract brings our total renewals for the financial year to A\$125M, maintaining our track record of client retention. This underpins our belief that our solution provides unparalleled return on investment from both a financial and a clinical perspective."
