FY26 GUIDANCE UPGRADE AND INVESTOR DAY

Superloop Limited (ASX: SLC) ("Superloop", "Company" or "Group") is today pleased to announce an upgrade to its FY26 guidance.

FY26 Guidance Upgrade

Superloop is upgrading its FY26 guidance, reflecting continued strong operating performance across the Group in the second half of FY26, together with the contribution from Lightning Broadband following completion of the acquisition on 29 May 2026 (approximately \$700k in FY26).

The upgraded FY26 guidance is as follows:

- **Underlying EBITDA** is now expected to be in the range of **\$118 million to \$122 million**, representing growth of 28% to 32% on FY25. (The previous guidance range, provided in February 2026, was \$112 million to \$120 million.)
- **Capex** guidance has increased by \$2 million to a range of **\$34 million to \$37 million**, excluding the IRU renewal.

Investor Day

The Company is today hosting its Investor Day, at which Management will present Superloop's new three-year strategy for the period FY27 to FY29. The strategy, *Supercharge29*, is focused on driving the next phase of growth, earnings expansion and shareholder value creation through continued organic growth, operating leverage, Smart Communities expansion, accretive M&A and disciplined capital management. The Investor Day presentation, which sets out the strategy in full, has been lodged with this announcement.

Commenting on the announcement, Superloop Chief Executive Officer and Managing Director Paul Tyler said, "Today's announcement reflects Superloop's strong momentum. We have upgraded FY26 guidance and, later this morning, will present our SuperCharge29 Strategy to investors, outlining our strategy for the next phase of growth and shareholder value creation."

ENDS

Authorised and approved for release by the Superloop Board of Directors.

ABOUT SUPERLOOP

Founded in 2014, and listed on the ASX since 2015, Superloop's purpose is to enable better internet for Australian homes and businesses. We enable challenger retail brands (including Superloop and Exetel brands) to take a larger share of the market, leveraging Superloop's Infrastructure-on-Demand platform. Superloop provides connectivity and services to customers in three segments of the market: Consumer, Business and Wholesale. Our offerings leverage Superloop's investments in physical infrastructure assets that include fibre, subsea cables and fixed wireless, as well as Superloop's software platforms. Hundreds of thousands of homes and businesses rely on Superloop and Exetel every day for their connectivity needs.
