EXPLANATORY STATEMENT

INTRODUCTION

The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the business of the Meeting and the Resolution proposed to be considered at the Extraordinary General Meeting.

1 RESOLUTION 1 – DISPOSAL OF MAIN UNDERTAKING

Background

The Company is the owner of Hampers with Bite, an e-commerce gifting business. Hampers With Bite's product offering includes a wide range of gift hampers for all occasions and working with local brands to help support other Australian businesses.

The Company is proposing to dispose of its Hampers with Bite business. That is the purpose of this Resolution 1. The Company's rationale for doing so, and the perceived advantages to the Company of doing so, are explained in this Explanatory Statement. Following the proposed Disposal, the Company will have the opportunity to identify and pursue other suitable assets and businesses which may be more accretive to shareholder value.

ASX Listing Rule 11.2

ASX Listing Rule 11.2 provides that where a company proposes to dispose of its main undertaking, it must first obtain the approval of its shareholders. The notice of meeting must include a voting exclusion statement and the agreement to dispose of the undertaking must be conditional upon receipt of the shareholder approval. The disposal of the Hampers with Bite business constitutes a disposal of the Company's main undertaking for the purposes of Listing Rule 11.2.

Resolution 1 seeks the required shareholder approval for the disposal of the Hampers with Bite business under and for the purposes of Listing Rule 11.2. Even if Shareholder approval is obtained, there is no certainty that the Hampers with Bite business will be disposed of as the Asset Purchase Agreement is subject to other conditions precedent.

The information required under ASX Guidance Note 12, Significant Changes to Activities, in relation to the Resolution is set out in this Explanatory Statement and in the Notice of Meeting.

Shareholders should note that, following the proposed disposal of the Company's main undertaking, ASX may require the Company to:

- seek further shareholder approval under Listing Rule 11.1.2; and/or
- re-comply with Chapters 1 and 2 of the Listing Rules under Listing Rule 11.1.3,

in connection with any future transaction the Company may pursue.

In addition, the disposal of a listed entity's main undertaking may give rise to considerations under Listing Rules 12.1 and 12.2, which require a listed entity to demonstrate to ASX, on an ongoing basis, that the scale of its operations and its financial condition continue to justify the quotation of its securities.

If the Resolution is passed, the Company will be able to proceed with the disposal of the Hampers with Bite business, subject to the satisfaction or waiver of any remaining conditions precedent in the Asset Purchase Agreement.

If the Resolution is not passed, the disposal of the Hampers with Bite business will not proceed and the Company will continue to operate the Hampers with Bite business.

ASX have advised that the Company will be afforded a period of 6 months from the date of the Asset Purchase Agreement (i.e. by 15 November 2026) to demonstrate to the ASX that it is compliant with Listing Rule 12.1.

ASX also advises that if the Company does not demonstrate compliance with this rule to ASX's satisfaction by the 6-month anniversary (i.e. by 15 November 2026), ASX will suspend trading in its securities.

ASX takes no responsibility for the contents of this notice.

Proposed Transaction

The Company confirms that it has entered into an asset purchase agreement (**Asset Purchase Agreement**) to sell 100% of the assets relating to the Hampers with Bite business, to Gourmet Brands Two Pty Ltd (ACN 112 255 259) (**Gourmet Brands or Purchaser**). The Hampers with Bite business is the main undertaking of the Company. Gourmet Brands is a 100% Australian operated and owned gourmet food and gift wholesale distributor.

Gourmet Brands will acquire the Hampers with Bite business for a total estimated consideration of approximately \$1,000,000 on a debt and cash free basis, subject to adjustments, earn outs and certain conditions precedent, including shareholder approval by the Company's shareholders under ASX Listing Rule 11.2 (the **Disposal**).

A summary of the key terms of the Asset Purchase Agreement are set out below.

Key Terms

The key terms of the Disposal are as follows:

- (a) **Assets:** the Company will sell, and the Purchaser will purchase, all of the assets relating to the Hampers with Bite business, including fixed assets, intellectual property, business records, customer data, digital assets, software systems and inventory, other than certain excluded assets;
- (b) **Consideration:** the Purchaser will pay a total estimated consideration of approximately \$1,000,000 on a debt and cash free basis, subject to adjustments and earn outs, to the Company at completion;
- (c) **Title:** title and ownership of the assets will pass from the Company to the Purchaser on completion (see indicative timetable for the Disposal below);
- (d) **Conditions:** completion of the sale of the Hampers with Bite business will be conditional on, and subject to, the following conditions precedent:
 - (i) the passing of Resolution 1 – Disposal Of Main Undertaking;
 - (ii) no material adverse change having occurred in respect of the Hampers with Bite business or the assets relating to the Hampers with Bite business between the date of the Asset Purchase Agreement and completion of the Disposal; and
 - (iii) all security interests affecting the assets relating to the Hampers with Bite business being released at or before the completion of the Disposal;
- (e) **Completion:** subject to satisfaction of the conditions precedent, completion is expected to occur on or about 9 July 2026
- (f) **Representations:** the Company has provided usual representations and warranties in respect of title to the Hampers with Bite assets, capacity and solvency; and
- (g) **Other terms:** the Asset Purchase Agreement otherwise contains terms conventional for a sale and purchase transaction of this nature.

Indicative Timetable

Subject to the ASX Listing Rules and Corporations Act requirements, the Company anticipated completion of the Disposal will be in accordance with the following timetable:

Event	Date
ASX announcement of Disposal	15 May 2026
Notice of Meeting and Explanatory Statement dispatched to shareholders	9 June 2026
Shareholder Meeting to approve Disposal	8 July 2026
Completion of Disposal	9 July 2026

Completion of the Disposal and its timing is subject to satisfaction of the conditions precedent noted in the Key Terms section.

Financial effect of the Disposal on the Company

The pro forma statement of the financial position and pro forma profit or loss statement of the Company showing the financial effect of the disposal of the Hampers with Bite business is contained in Schedule 1.

The proceeds from the Disposal will be used by the Company to contribute to the funding required for sourcing and acquiring a suitable new business opportunity, including conducting due diligence and ASX re-compliance costs.

Effect of the Disposal on the capital structure of the Company

The Disposal will have no impact on the capital structure of the Company.

Effect of the Disposal on the board and management of the Company

No changes to Company's board or senior management are proposed as a consequence of the Disposal.

Reasons for the Disposal

The Company's decision to undertake the Disposal was made after careful consideration by the Directors of the merits of retaining or selling the Hampers with Bite business.

Advantages

The Directors believe that the following non-exhaustive list of advantages may be relevant to a Shareholder's decision on how to vote on the proposed Disposal:

- (a) The Disposal will improve the Company's balance sheet;
- (b) The Disposal enables the Company to identify and pursue other suitable assets and businesses which may be more accretive to shareholder value;
- (c) The Disposal will mitigate potential losses from the Hampers with Bite business eroding the Company's capital;
- (d) The Disposal will remove the need to invest further working capital in labour costs to convert raw materials into finished goods;
- (e) The Disposal will remove the seasonal challenges of the Hampers with Bite business;

- (f) The Disposal will reduce the Company's exposure to operational and market risks associated with the asset, including an overall decrease in market sentiment towards hamper gifting; and
- (g) The Disposal will provide shareholders with certainty with respect to the Hamper with Bite business amongst a period of declining revenues and ongoing operational challenges.

Disadvantages

The Directors believe that the following non-exhaustive list of disadvantages may be relevant to a Shareholder's decision on how to vote on the proposed Disposal:

- (a) The Company will not be able to participate in or derive any future revenue from the Hampers with Bite business;
- (b) The Disposal involves the Company selling a principal asset, which may not be consistent with the investment objectives of all Shareholders;
- (c) The foregone upside should the Hampers with Bite business return to profitability; and
- (d) The Disposal may result in the market reacting negatively to the Disposal or uncertainty regarding the Company's future operations and strategic direction.

Future activities and direction on completion of the Disposal

The Company currently intends to continue as an ASX listed company.

The Company's decision to divest the Hampers with Bite business was made after careful consideration by the Directors of the merits of retaining or selling the Hampers with Bite business.

If the Disposal proceeds, the Company will have the opportunity to identify and pursue other suitable assets and businesses which may be more accretive to shareholder value.

Director interests and recommendations

None of the Directors have any material interest in the outcome of the Resolution other than interests arising solely in the capacity as security holders.

The Board has approved the proposal to put the Resolution to Shareholders.

Each of the Directors intends to vote all of their Shares in favour of the Resolution.

Based on the information available, all of the Directors consider that the proposed Disposal is in the best interests of the Company and recommend that the Shareholders vote in favour of Resolution 1.
