2.2 Voting by proxy

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

- (ii) a proxy need not be a member of the Company; and

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (ii) the appointed proxy is not the chair of the meeting;
- (iii) at the meeting, a poll is duly demanded on the resolution; and

2.3 Chair's voting intentions

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 6 - Resolution 10 (inclusive), even though these Resolutions are connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

2.4 Submitting questions

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

3. Resolution 1 – Approval of issue of 30,000,000 NSR Consideration Shares

3.1 General

On 27 May 2026, the Company announced that it had executed a binding agreement (**Share Sale Agreement**) with the shareholders (**Vendors**) of New South Resources Pty Ltd (**NSR**) to acquire a 100% interest in NSR (**NSR Acquisition**).

The total consideration payable under the Share Sale Agreement by the Company to the Vendors is the issue of 30,000,000 Shares (**NSR Consideration Shares**).

Completion of the Share Sale Agreement is conditional upon the satisfaction or waiver of various conditions precedent by 30 June 2026 (or such later date as the parties may agree in writing), including:

- (a) the Company being satisfied with the outcome of financial, tax and legal due diligence investigations on NSR, at the Company's absolute discretion;
- (b) there being no material adverse change between signing of the Share Sale Agreement and Completion;
- (c) NSR not holding any Shares; and

- (d) each of the Company, NSR and the Vendors receiving any necessary shareholder, regulatory, governmental (including the consent from any relevant mining department or body or from the relevant minister of mining (if required) or other third-party consents or approvals, or waivers, for the Share Sale Agreement to complete.

The Share Sale Agreement contains additional provisions, including warranties and indemnities which are considered customary for agreements of this nature and an obligation for NSR to deliver to the Company duly executed escrow deeds signed by each of the Foundation Sellers restricting any dealings in:

- (a) 50% the NSR Consideration Shares issued to that Foundation Seller for a period of six months from the date of their issue; and
- (b) 50% the NSR Consideration Shares issued to that Foundation Seller for a period of twelve months from the date of their issue

3.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the NSR Consideration Shares does not fall within any of these exceptions and exceeds the 15% limit under Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

If Resolution 1 is passed, the Company will be able to issue the NSR Consideration Shares to the Vendors without using the Company's placement capacity under the Company's 15% limit under Listing Rule 7.1.

If Resolution is not passed, the Company will not be able to issue the NSR Consideration Shares to the Vendors. As a result, the Share Sale Agreement may not complete.

3.3 Specific information required by Listing Rule 7.3

Under and for the purposes of Listing Rule 7.3, the following information is provided in relation to the proposed issue of the NSR Consideration Shares:

- (a) the Vendors are all of the shareholders of NSR;
- (b) with the exception of GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (pursuant to which Shareholder approval for the issue of NSR Consideration Shares thereto is sought under Resolution 2) none of the Vendors are a related party of the Company, a member of the Key Management Personnel, a substantial holder of the Company, an adviser of the Company or an associate of any of these parties that will be issued more than 1% of the Company's current issued capital by virtue of issue of the NSR Consideration Shares;
- (c) a maximum number of 30,000,000 Shares will be issued to the Vendors;
- (d) the NSR Consideration Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue;

- (e) 30,000,000 Shares will be issued upon Completion and in any event, no later than 3 months after the date of the Meeting;
- (f) the Shares will be issued at a deemed issue price of \$0.1710 per Share;
- (g) no funds will be raised from the issue of the NSR Consideration Shares. The NSR Consideration Shares will be issued to the Vendors as consideration payable under the Share Sale Agreement;
- (h) the NSR Consideration Shares will be issued pursuant to the Share Sale Agreement. A summary of the material terms of the Share Sale Agreement is set out in Section 3.1; and
- (i) a voting exclusion statement is included in the Notice.

3.4 Board recommendation

Resolution 1 is an ordinary resolution.

The Board (other than Mr Glen Alfred Diemar who has a personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of this Resolution.

4. Resolution 2 – Approval to issue NSR Consideration Shares to related party vendor

4.1 General

GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust is a related party of the Company under Listing Rule 10.11.1 as GNM Diemar Pty is Ltd an entity controlled by a director of the Company, Mr Glen Alfred Diemar.

Resolution 2 seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of NSR Consideration Shares to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees) pursuant to the Share Sale Agreement.

4.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or

- (e) a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the NSR Consideration Shares to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees).

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the NSR Consideration Shares to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees), and the Company will not be able to proceed with the NSR Acquisition.

4.3 Specific information required by Listing Rule 10.13

Under and for the purposes of Listing Rule 10.13, the following information is provided in relation to the proposed issue of NSR Consideration Shares to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees) under the Share Sale Agreement:

- (a) a maximum of 3,609,000 Shares will be issued to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees) under the Share Sale Agreement;
- (b) GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust is a related party of the Company under Listing Rule 10.11.1, as GNM Diemar Pty Ltd is an entity controlled by a director of the Company, Mr Glen Alfred Diemar;
- (c) the Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue;
- (d) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that the issue will occur on the same date;
- (e) the Shares will be issued at a deemed issue price of \$0.1710 per Share;
- (f) no funds will be raised from the issue of the NSR Consideration Shares. The NSR Consideration Shares will be issued to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust (or its nominees) as consideration payable under the Share Sale Agreement;
- (g) a summary of the Share Sale Agreement is set out in Section 3.1;
- (h) noting that GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust is a Foundation Seller, the NSR Consideration Shares issued to GNM Diemar Pty Ltd as trustee for the GNM Diemar Discretionary Trust will be subject to the escrow restrictions described in Section 3.1; and
- (i) a voting exclusion statement is included in the Notice.

The Board (other than Mr Glen Alfred Diemar who has a material personal interest in Resolution 2) considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required for the proposed issue of the NSR Consideration Shares due to the exception in section 210 of the Corporations Act. The Board considers that the Company and GNM Diemar Pty Ltd

as trustee for the GNM Diemar Discretionary Trust are dealing on arm's length terms, and therefore the exception in section 210 of the Corporations Act applies.

4.4 Board recommendation

Resolution 2 is an ordinary resolution.

The Board (other than Mr Glen Alfred Diemar) recommends that Shareholders vote in favour of Resolution 2.

Mr Glen Alfred Diemar has not voted on any resolutions of the Board in respect of the issue of any Securities the subject of Resolution 2.

5. Resolution 3 – Ratification of prior issue of Shares under Tranche 1 Placement

5.1 General

On 27 May 2026, the Company announced that it had commenced a capital raising process targeting a capital raise up to a total of approximately \$5,000,000 (before costs) under a two-tranche placement (**Placement**) to sophisticated and professional investors, via the issue of up to 32,258,066 Shares at an issue price of \$0.155 per Share (**Placement Shares**).

The Placement was proposed to be undertaken in two tranches:

- (i) tranche 1, comprising the issue of a total of 15,821,296 Shares under the Company's available Listing Rule 7.1 capacity to raise approximately \$2,452,301 (before costs) (**Tranche 1 Placement**); and
- (ii) tranche 2, comprising the issue of up to 16,436,770 Shares to raise up to approximately \$2,547,699 (before costs), subject to Shareholder approval (**Tranche 2 Placement**).

As announced on 27 May 2026, the Company received commitments to subscribe for 32,258,066 Shares under the Placement. The Company issued 15,821,296 Shares under the Tranche 1 Placement on 3 June 2026, with a further 16,436,770 Shares to be issued on or about 15 July 2026.

The Company intends to apply the proceeds of the Placement toward exploration activities at the Browns Reef Project, Achilles Project and Junee Gold Project (acquired as part of the NSR Acquisition), as well as to fund the costs of the Placement and for general working capital purposes.

Resolution 3 seeks the approval of Shareholders to ratify the issue of the Tranche 1 Placement Shares under and for the purposes of Listing Rule 7.4

5.2 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Shares under the Tranche 1 Placement does not fit within any of the exceptions to Listing Rule 7.1, and as it has not yet been approved by Shareholders, effectively uses up part of the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month

period following the issue of the Shares under the Tranche 1 Placement.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 3 seeks Shareholder approval for the issue of 15,821,296 Shares under and for the purposes of Listing Rule 7.4.

If Resolution 3 is passed, the issue of the Shares under the Tranche 1 Placement will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue of the Shares.

If Resolution 3 is not passed, 15,821,296 Shares will be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval over the 12-month period following the issue of those Shares.

5.3 Specific information required by Listing Rule 7.5

Under and for the purposes of Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of Shares under the Tranche 1 Placement:

- (a) the Shares were issued on 3 June 2026;
- (b) the Shares were issued to sophisticated and professional investors to whom a disclosure document does not need to be provided under the Corporations Act, none of whom is a related party of the Company, a substantial holder of the Company, an adviser of the Company or an associate of any of these parties that was issued more than 1% of the Company's current issued capital under the Tranche 1 Placement;
- (c) a total of 15,821,296 Shares were issued under the Tranche 1 Placement under the Company's available Listing Rule 7.1 capacity;
- (d) the Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue;
- (e) the Shares were issued at \$0.155 per Share;
- (f) the Company intends to apply the proceeds of the Tranche 1 Placement toward exploration activities at the Browns Reef Project, Achilles Project and June Gold Project (acquired as part of the NSR Acquisition), as well as to fund the costs of the Tranche 1 Placement and for general working capital purposes;
- (g) there are no additional material terms with respect to the agreements for the issue of the Shares; and
- (h) a voting exclusion statement is included in the Notice.

5.4 Board recommendation

Resolution 3 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of this Resolution.

6. Resolution 4 – Participation of Related Party in the Placement

6.1 General

Geozen Resources Group Co. Limited (or its nominees), being a related party of the Company, intends to participate in the Placement. The participation in the Placement by Geozen Resources Group Co. Limited (or its nominees) will be on the same terms as the Placement made to unrelated parties.

Geozen Resources Group Co. Limited (or its nominees) will be issued 16,436,770 Shares, raising a total of approximately \$2,547,699 (before costs).

Zhang Yong, a director of the Company, is sole director of Geozen Resources Group Co. Limited and holds, together with his associates, 72.07% of the shares on issue in the capital of Geozen Resources Group Co. Limited.

Further details regarding the Placement are set out in Section 5.1.

Resolution 4 seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of Shares to Geozen Resources Group Co. Limited under the Placement.

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Placement Shares to Geozen Resources Group Co. Limited (or its nominees) within one month after the date of the Meeting. In these circumstances, by operation of Listing Rule 7.2 Exception 14, the issue of the Placement Shares to Geozen Resources Group Co. Limited (or its nominees) will not be counted towards the Company's 15% limit under Listing Rule 7.1.

If Resolution 4 (inclusive) is not passed, the Company will not be able to proceed with the issue of the Placement Shares to Geozen Resources Group Co. Limited (or its nominees).

The Board (other than Zhang Yong and Pan Yang who have a personal interest in the outcome of Resolutions, being nominees of Geozen Resources Group Co. Limited and directors of the Company, as specified below) considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required for the proposed issue of the Shares pursuant to Resolution 4 due to the exception in section 210 of the Corporations Act. The Board considers that the Company and Geozen Resources Group Co. Limited are dealing on arm's length terms, and therefore the exception in section 210 of the Corporations Act applies.

By operation of Listing Rule 7.2 Exception 14, the issue of the Shares under the Tranche 2 Placement to Geozen Resources Group Co. Limited will be excluded in calculating the Company's 15% and 10% limit in Listing Rules 7.1 and 7.1A, , effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue of the Shares.

6.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or
- (e) a person whose relation with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

6.3 Specific information required by Listing Rule 10.13

Under and for the purposes of Listing Rule 10.13, the following information is provided in relation to the proposed issue of Shares to Geozen Resources Group Co. Limited (or its nominees) under the Placement:

- (a) a maximum of 16,436,770 Shares will be issued to Geozen Resources Group Co. Limited (or its nominees) under the Placement;
- (b) Geozen Resources Group Co. Limited is a related party of the Company under Listing Rule 10.11.2, as Geozen Resources Group Co. Limited is a substantial holder (30%+) in the Company;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company and will rank equally in all respects with the Company's existing Shares on issue;
- (d) the Shares will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that the issue will occur on the same date;
- (e) the Shares will be issued at an issue price of \$0.155 each, being the same as all other Shares issued under the Placement;
- (f) the intended use of funds raised under the Placement is set out in Section 5.1;
- (g) in accordance with Listing Rule 10.13.9, Section 5.1 and this Section 6.3 set out all of the material terms of the issue of Shares to Geozen Resources Group Co. Limited under the Placement; and
- (h) a voting exclusion statement is included in the Notice.

6.4 Board recommendation

Resolution 4 is an ordinary resolution.

The Board (other than Zhang Yong and Pan Yang who have a personal interest in the outcome of Resolution 4, being nominees of Geozen Resources Group Co. Limited and directors of the Company) recommends that Shareholders vote in favour of Resolution 4.

7. Resolution 5 – Ratification of prior issue of Shares under the Tenement Sale Agreement with Eastern Metals Limited

7.1 General

On 12 November 2025, the Company announced that it had executed a binding agreement (**Tenement Sale Agreement**) with Eastern Metals Limited, for its wholly owned subsidiary, South Cobar Resources Pty Ltd, to acquire a 100% interest in the Browns Reef Project comprising of four NSW tenements (EL6321, EL9136, EL9180 and EL9565) (**Browns Reef Acquisition**).

Part of the consideration payable under the Tenement Sale Agreement by the Company to Eastern Metals Limited for the Browns Reef Acquisition is the issue of 6,933,091 Shares at a deemed issue price of \$0.1875 per Share (**EMS Consideration Shares**).

Resolution 5 seeks the approval of Shareholders to ratify the issue of the EMS Consideration Shares under and for the purposes of Listing Rule 7.4

7.2 Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 27 November 2025.

The issue of the EMS Consideration Shares does not fit within any of the exceptions to Listing Rule 7.1, and as it has not yet been approved by Shareholders, effectively uses up part of the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the EMS Consideration Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 or 7.1A.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 5 seeks Shareholder approval for the issue of 6,933,091 Shares under and for the purposes of Listing Rule 7.4.

If Resolution 5 is passed, the issue of the Shares under the EMS Consideration Shares will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing

the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue of the Shares.

If Resolution 5 is not passed, 6,933,091 Shares will be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval over the 12-month period following the issue of those Shares.

7.3 Specific information required by Listing Rule 7.5

Under and for the purposes of Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the EMS Consideration Shares:

- (a) the EMS Consideration Shares were issued to Eastern Metals Limited on 12 November 2025;
- (b) \$700,000 worth of the EMS Consideration Shares were the subject of an in-specie distribution to Eastern Metals Limited shareholders, pro-rata to their existing shareholder;
- (c) 6,933,091 Shares were issued within the 15% annual limit permitted under Listing Rule 7.1, without the need for Shareholder approval;
- (d) the EMS Consideration Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue;
- (e) the Shares were issued at a deemed issue price of \$0.1875 per Share;
- (f) no funds were raised from the issue of the EMS Consideration Shares. The EMS Consideration Shares were part consideration for the Browns Reef Acquisition;
- (g) there are no additional material terms with respect to the agreements for the issue of the Shares;
- (h) information relating to the Tenement Sale Agreement pursuant to which the EMS Consideration Shares were issued is contained in Section 7.1; and
- (i) a voting exclusion statement is included in the Notice.

7.4 Board recommendation

Resolution 5 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 5.

For the purposes of the above milestones, 'silver equivalent' is calculated based on the metal content of lead, zinc, silver, gold, copper (with appropriate conversion assumptions to be determined by the Company in accordance with the JORC Code).

The Company is at a critical stage of its development, with significant opportunities and challenges in both the near and long term. The proposed issue of Officer Performance Rights recognises the Directors' and the Company Secretary/Chief Financial Officer's role in securing the NSR Acquisition and serve as an incentive to drive future performance, aligning their efforts with the objective of increasing the Share price, project performance and enhancing Shareholder value. Additionally, the Board believes that granting the Officer Performance Rights is a prudent strategy to conserve the Company's cash reserves while ensuring the retention and continued engagement of highly experienced and qualified officers in a competitive market.

The Officer Performance Rights are to be issued under the Plan. The terms and conditions of the Officer Performance Rights are summarised in Schedule 2.

Resolution 6(a), Resolution 7(a) and Resolution 8(a) seek Shareholder approval for the issue of up to a total of 4,874,000 Director Performance Rights under the Plan to Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang, or their respective nominees, under and for the purposes of Listing Rule 10.14, and section 208 of the Corporations Act.

Resolution 6(b), Resolution 7(b), Resolution 8(b) and Resolution 9 seek Shareholder approval in accordance with Part 2D.2 of the Corporations Act (including sections 200B, 200E and 208, where required, of the Corporations Act) and Listing Rule 10.19 for the potential vesting of the Performance Rights on the Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren ceasing to be an officer of, or holding a managerial or executive office or position, in the Company or the substantial diminution of their role or position in the Company (**Potential Termination Benefits**).

8.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- (a) a director of the company (Listing Rule 10.14.1);
- (b) an associate of a director of the company (Listing Rule 10.14.2); or
- (c) a person whose relation with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its shareholders.

The proposed issue of the Director Performance Rights to Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang, or their respective nominees, falls within Listing Rules 10.14.1 or 10.14.2. It therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 6(a), Resolution 7(a) and Resolution 8(a) seek the required Shareholder approval for the issue of the Director Performance Rights under and for the purposes of Listing Rule 10.14, and section 208 of the Corporations Act.

If Resolution 6(a), Resolution 7(a) and Resolution 8(a) are passed, the Company will be able to proceed with the issue of the Director Performance Rights to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang, or their respective nominees.

If Resolution 6(a), Resolution 7(a) and Resolution 8(a) are not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang, or their respective nominees.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rules 7.1 or 10.11 is not required. Accordingly, the issue of the Director Performance Rights will not be included under the Company's 15% and 10% limits under Listing Rules 7.1 and 7.1A.

8.4 Part 2D.2 of the Corporations Act

Under Part 2D.2 of the Corporations Act, companies are restricted from providing termination benefits to individuals who hold managerial or executive office, unless shareholder approval is obtained or an exception applies.

Each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren hold a managerial or executive office within the Company for the purposes of section 200AA of the Corporations Act.

Accordingly, Shareholder approval is sought under sections 200B and 200E of the Corporations Act for any Potential Termination Benefits that may be paid to Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren in connection with the cessation of their employment or office.

8.5 Section 200E of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by shareholders in accordance with section 200E of the Corporations Act.

Each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren hold 'managerial or executive offices' by virtue of being officers of the Company .

Under the terms and conditions of the Plan, under which the Officer Performance Rights are proposed to be issued, circumstances in which the early vesting of the Officer Performance Rights are permitted at the Board's discretion include (but are not limited to), amongst other things, on the officers ceasing to be an officer of, or holding a managerial or executive office or position, in the Company or the substantial diminution of their role or position in the Company, termination or discontinuance of a participant's employment, engagement or office with the Company due to death, permanent incapacity, mental incapacity, redundancy, resignation,

retirement or any other reason the Board decides, or in other circumstances where the Board exercises its discretion to allow early vesting, as well as change of control events.

The termination 'benefit' under section 200B of the Corporations Act has a wide operation and relevantly includes, in the context of Resolution 6 - Resolution 9 (inclusive), the early vesting of Officer Performance Rights upon the exercise of the Board's discretion.

Resolution 6(b), Resolution 7(b), Resolution 8(b) and Resolution 9 therefore seek approval of any termination benefit that may be provided to each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren under the terms and conditions of the Officer Performance Rights.

8.6 Specific information required by section 200E of the Corporations Act

The value of the Potential Termination Benefits cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Share price at the time of vesting and the number of Officer Performance Rights that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the length of service of each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren at the time they cease employment or office; and
- (b) the number of unvested Officer Performance Rights that each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren (or their respective nominees) hold at the time they cease employment or office.

At the relevant time, the Company believes that the termination benefits can be appropriately valued using a combination of Hoadley's Barrier1 Model and Hoadley's Parisian Model (the combination of the two models to be referred to as the 'Parisian Barrier1 Model').

8.7 Calculation of Potential Termination Benefits

The value of any Potential Termination Benefits cannot be accurately determined in advance, as it will depend on various factors including:

- (a) the Company's share price at the time of vesting of any incentive securities;
- (b) the length of service and status of any unvested securities;
- (c) the terms of the relevant officers' employment agreement; and
- (d) the number of unvested securities held at the time of cessation.

However, a valuation of the Officer Performance Rights to be issued to each of Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren is set out in Schedule 4.

8.8 Listing Rule 10.19

Listing Rule 10.19 restricts the payment of termination benefits to officers of listed entities if the aggregate value of such benefits exceeds 5% of the entity's equity interests, as disclosed in its most recent financial statements provided to ASX (**5% Threshold**).

The number of Securities that are the subject of the Potential Termination Benefits for each officer are set out in the table in Section 8.1. Given the potential uncertainty in the value of the Potential Termination Benefits payable, and in order to maintain flexibility, the Company seeks Shareholder approval under Listing Rule 10.19 for the grant of such benefits to Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren, in case the value exceeds the 5% Threshold.

8.9 Effect of Shareholder approval

The number of Securities that are the subject of the Potential Termination Benefits for each officer are set out in the table in Section 8.1.

If Resolution 6(b), Resolution 7(b), Resolution 8(b) and Resolution 9 are passed, Glen Alfred Diemar, Adam Robert McKinnon, Pan Yang and Rowan St John Caren may receive termination benefits which exceed the 5% Threshold. Approval would remain effective for a period of three years from the date Resolution 6(b), Resolution 7(b) Resolution 8(b) and Resolution 9 are passed.

If Resolution 6(b), Resolution 7(b) and Resolution 8(b) are not passed, Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang cannot receive the Potential Termination Benefits.

If Resolution 9 is not passed, Rowan St John Caren cannot receive the Potential Termination Benefits, except where such benefits fall within an exception under the Corporations Act or do not breach the 5% Threshold.

8.10 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang (or their respective nominees), the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Director Performance Rights and associated Potential Termination Benefits constitute giving a financial benefit and each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang are related parties of the Company by virtue of being Directors of the Company.

It is the view of the Board that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply in the current circumstances. Accordingly, the Company is seeking approval for the purposes of Chapter 2E of the Corporations Act in respect of the Director Performance Rights proposed to be issued to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang and the associated Potential Termination Benefits that will be received by Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang pursuant to Resolution 6, Resolution 7 and Resolution 8.

8.11 Specific information required by Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Performance Rights and associated Potential Termination Benefits:

(a) **Identity of the related parties to whom Resolution 6, Resolution 7 and Resolution 8 (inclusive) permit financial benefits to be given**

The Director Performance Rights will be issued to, and the associated Potential Termination Benefits received by:

- (i) Managing Director - Glen Alfred Diemar or his nominees;
- (ii) Non-Executive Director - Adam Robert McKinnon or his nominees; and
- (iii) Non-Executive Director - Pan Yang or his nominees;

for nil cash consideration, as set out in Section 8.3(i).

(b) **Nature of the financial benefit**

Resolution 6(a), Resolution 7(a) and Resolution 8(a) seek approval from Shareholders to allow the Company to issue the Director Performance Rights in the amounts specified in Section 8.1 above to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang (or their respective nominees). The Director Performance Rights are to be issued in accordance with the Plan. The terms and conditions of the Director Performance Rights can be found in Schedule 2.

The Shares to be issued upon the vesting of the Director Performance Rights will be fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares.

The grant of the Director Performance Rights encourages each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through Share ownership. Under the Company's current circumstances, the Company considers that the incentives intended for each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang represented by the grant of these Director Performance Rights are a cost effective and efficient means for the Company to provide a reward and an incentive, as opposed to alternative forms of incentive, such as the payment of additional cash compensation.

The number of Director Performance Rights to be granted to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang (or their respective nominees) has been determined based upon a consideration of:

- (i) the remuneration of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang;
- (ii) the experience and reputation of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang within the mining industry;

- (iii) the Company's wish to ensure that the remuneration offered is competitive with market standards or/and practice. The Company has considered the proposed number of Director Performance Rights to be granted and will ensure that overall remuneration of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang is in line with market practice; and
- (iv) incentives to attract and ensure continuity of service of directors who have appropriate knowledge and expertise, while maintaining the Company's cash reserves. The Company does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Performance Rights upon the terms proposed.

As described in Section 8.1, Resolution 6(b), Resolution 7(b) and Resolution 8(b) seek approval for the Potential Termination Benefits, being the potential vesting of the Director Performance Rights on the directors ceasing to be an officer of, or holding a managerial or executive office or position, in the Company or the substantial diminution of their role or position in the Company.

(c) **Valuation of financial benefit**

A valuation of the Director Performance Rights to be issued to each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang is set out in Schedule 4.

As outlined in Section 8.6, the value of the potential termination benefits cannot be reliably determined in advance.

(d) **Remuneration of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang**

The remuneration packages of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang is set out above in Section 8.3(d).

(e) **Existing relevant interests**

At the date of this Notice, each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang hold the following relevant interests in Securities of the Company:

Director	Shares	Options	Performance Rights
Glen Alfred Diemar	3,344,889	4,000,000	Nil
Adam Robert McKinnon	23,809	1,500,000	Nil
Pan Yang	Nil	Nil	Nil

Assuming that Resolution 6, Resolution 7 and Resolution 8 (inclusive) are approved by Shareholders, all of the Director Performance Rights are issued, vest and are converted into Shares (as a Potential Termination Benefit or otherwise), and no other Securities are issued or exercised, the respective interests in the Company of each of Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang would be as follows:

- (i) Glen Alfred Diemar's interest would represent approximately 2.65% of the Company's expanded capital (assuming the Company has 274,154,313 Shares on issue);
- (ii) Adam Robert McKinnon's interest would represent approximately 0.19% of the Company's expanded capital (assuming the Company has 274,154,313 Shares on issue); and
- (iii) Pan Yang's interest would represent approximately 0.16% of the Company's expanded capital (assuming the Company has 274,154,313 Shares on issue).

(f) **Dilution**

The issue of the Director Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Performance Rights vest and are converted.

The potential dilutionary effect of the issue of the Director Performance Rights (including where they vest as a termination benefit) is summarised below:

	Number of Shares on issue	% of undiluted issued capital on issue	% of fully diluted issued capital on issue
Shares	269,280,313	100%	96%
Options	7,500,000	3%	3%
Performance Rights	4,874,000	2%	2%

Notes:

1. This table assumes that 269,280,313 Shares are currently on issue and that the fully diluted issued capital on issue is 281,654,313 Shares.

(g) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Performance Rights and receipt of the associated Potential Termination Benefits (including fringe benefits tax).

(h) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6 - Resolution 8 (inclusive).

8.12 Board recommendation

Resolution 6 - Resolution 9 (inclusive) are each ordinary resolutions.

Zhang Yong recommends that Shareholders vote in favour of Resolution 6 - Resolution 9 (inclusive).

Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang recommend that Shareholders vote in favour of Resolution 9.

Glen Alfred Diemar, Adam Robert McKinnon and Pan Yang decline to make a recommendation to Shareholders in relation to Resolution 6 - Resolution 8 (inclusive) due to their material personal interests in the outcome of the Resolutions.

9. Resolution 10 – Renewed approval of employee incentive scheme

9.1 General

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 10 seeks Shareholders' renewed approval for the adoption of the Plan in accordance with exception 13 of Listing Rule 7.2.

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Securities as the Board may decide and on the terms set out in the rules of the Plan, a summary of the key terms and conditions of which is in Schedule 3. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting, or for download from the Company's ASX announcements platform. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

Resolution 10 is an ordinary resolution.

9.2 Listing Rules 7.1 and exception 13 of Listing Rule 7.2

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Exception 13 of Listing Rule 7.2 provides an exception to Listing Rule 7.1 such that issues of Securities under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 10 is passed, the Company will be able to issue Securities under the Plan to Eligible Participants over a period of 3 years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

If Resolution 10 is not passed, the Company will not be able to issue Securities under the Plan to Eligible Participants without using the Company's 15% annual placement capacity under Listing Rule 7.1, effectively decreasing the number of Securities the Company can issue or agree to issue without obtaining Shareholder approval over the 12 month period following any such issue.

However, any future issues of Securities under the Plan to a Director, or an associate of a Director, or a person whose relation with the Company or the Director or associate of a Director is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

9.3 Specific information required by exception 13 of Listing Rule 7.2

Pursuant to and in accordance with exception 13 of Listing Rule 7.2, the following information is provided in relation to the Plan:

- (a) the terms of the Plan are summarised in Schedule 3;
- (b) the Company last received approval of the Plan in accordance with exception 13 of Listing Rule 7.2 on 28 November 2023. Since that date, no Securities have been issued under the Plan;
- (c) the maximum number of Securities proposed to be issued under the Plan following Shareholder approval (should it be granted) is 20,000,000 Securities, subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules. This number comprises approximately 7.2% of the Company's Equity Securities currently on issue; and
- (d) a voting exclusion statement is included in the Notice.

9.4 Board recommendation

Resolution 10 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 10.

Schedule 3 Summary of terms of Plan

A summary of the terms of the Plan is set out below.

- (a) **(Eligible Participant):** Eligible Participant means a person that:
- (i) is an "ESS participant", as that term is defined in s 1100L of the Corporations Act in relation to the Company or an associated entity of the Company, where that associated entity is a body corporate (and where associated entity has the meaning given by section 50AAA of the Corporations Act); and
 - (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.
- (b) **(Maximum allocation):**
- (i) The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where the total number of Plan Shares (as defined in paragraph (m) below) that may be issued, or acquired upon exercise of securities exercisable for Plan Shares (**Convertible Securities**) offered, when aggregated with the number of Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period would exceed 5% of the total number of Shares on issue at the date of the offer, or such other limit as may be specified by the relevant requirements of the Constitution from time to time. Under the current Constitution, this percentage limit has been increased from 5% to 10%.
 - (ii) Subject to, but assuming that Resolution 10 is passed, the maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 is 20,000,000 Securities (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan, without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.
 - (iii) The Company will require prior Shareholder approval for the issue of Securities under the Plan to Directors, their associates, and any person whose relationship with the Company or a Director or a Director's associate is such that, in ASX's opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.
- (c) **(Purpose):** The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Company and its Related Bodies Corporate, by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion,

subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A of Part 7.12 of the Corporations Act (**Division 1A of Part 7.12**).

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A of Part 7.12.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board due to Special Circumstances or otherwise, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of

Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 20 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Company, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share or Convertible Security is subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions,

without the express written consent of the Company (which consent will only be granted in exceptional circumstances).

- (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
