EXPLANATORY STATEMENT

ITEM 1: Financial Report – Year ended 31 March 2026

The Corporations Act requires the Financial Report (which includes the financial statements and the Directors' Declaration), the Directors' Report and the Auditor's Report to be tabled for discussion at the AGM. There is no requirement either in the Corporations Act or in the Constitution for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, these reports.

This item of business provides Shareholders with an opportunity to ask questions concerning or make comments on the Company's financial statements and reports for the financial year ended 31 March 2026 and the Company's performance generally.

A representative of the Auditor (Grant Thornton) will be attending the AGM.

As a Shareholder, you are entitled to submit a written question to the Auditor prior to the AGM provided that the question relates to:

- the content of the Auditor's Report; or
- the conduct of the audit in relation to the Financial Report.

All written questions must be received by the Company no later than **21 August 2026**. All questions must be sent to the Company by email to info@ampliatx.com and may not be sent direct to the Auditor. The Company will then forward all relevant questions to the Auditor.

The Auditor will answer written questions submitted prior to the AGM.

The Auditor will also answer questions at the meeting from Shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

1. RESOLUTION 1: Remuneration Report

The Directors' Report for the financial year ended 31 March 2026 contains a Remuneration Report which sets out the policy on remuneration of the Directors of the Company and specified executives of the Company.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory and does not bind the Directors of the Company.

Notwithstanding the non-binding nature of the vote, the Directors will take note of the outcome of the vote when considering future remuneration matters.

Members attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are against the adoption of the relevant remuneration report at two consecutive annual general meetings (with a 25% or more vote 'against' commonly referred to as a "first strike" or "second strike"), the Company will be required to put to Shareholders a resolution at the later of those annual

general meetings proposing that an extraordinary general meeting (**Spill Meeting**) be called to consider the election of directors of the company (**Spill Resolution**). The Spill Meeting must be held within 90 days of the date of the second annual general meeting. For a Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

At the Company's 2025 Annual General Meeting, a "first strike" was **not** recorded in respect of the Remuneration Report. Accordingly, a Spill Resolution is not relevant for this Meeting.

Recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to Resolution 1.

Subject to the voting exclusions set out in the Notice of Meeting, the Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 1.

2. RESOLUTION 2: Re-Election of Dr Robert Peach as a Director

2.1 ASX Listing Rules 14.4, 14.5 and the Constitution of the Company

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. This rule does not apply to the managing director.

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Under rule 8.1 of the Company's Constitution:

- (a) A director appointed by the Board under rule 8.1(b), who is not a chief executive officer, holds office until the conclusion of the next AGM following his or her appointment.
- (b) No director who is not the chief executive officer may hold office without re-election beyond the third AGM following the meeting at which the director was last elected or re-elected.
- (c) To the extent that the Listing Rules require an election of directors to be held and no director would otherwise be required (by rules 8.1(c) or 8.1(d)) to submit for election or re-election the director to retire is any director who wishes to retire (whether or not he or she intends to stand for re-election), otherwise it is the director who has been longest in office since their last election or appointment (excluding the chief executive officer). As between directors who were last elected or appointed on the same day, the director to retire must be decided by lot (unless they can agree among themselves).

Out of the current Directors who may be required to retire by rotation, Ms Jane Bell and Dr Robert Peach have together held office for the longest period of time since their last election (which occurred at the Company's 2024 AGM on 23 August 2024).

Accordingly, in accordance with rule 8.1 of the Constitution, Dr Robert Peach (as determined by a lot) will retire by rotation and, being eligible, offers himself for re-election as a Director.

2.2 Key Information relating to Dr Robert Peach - Independent Non-Executive Director

Dr Peach has over 30 years of drug discovery and development experience in the Pharmaceutical and Biotechnology industry. In 2009 he co-founded Receptos, becoming Chief Scientific Officer and raising \$59M in venture capital and \$800M in an IPO and three subsequent follow-on offerings. In August 2015 Receptos was acquired by Celgene for \$7.8B.

Robert held senior executive and scientific positions in other companies including Apoptos, Biogen Idec, IDEC and Bristol-Myers Squibb, supporting in-licensing, acquisition and venture investments. His extensive drug discovery and development experience in autoimmune and inflammatory diseases, and cancer has resulted in multiple drugs entering clinical trials and 3 registered drugs.

He currently serves on the Board of Directors of Rekovery Therapeutics, a privately held biotechnology company in New Zealand. Robert also serves on the Scientific Advisory Board of privately held Eclipse Bioinnovations in San Diego and is a consultant for several other biotechnology companies.

Robert is the co-author of 75 scientific publications and book chapters, and is an inventor on 17 patents. He was educated at the University of Canterbury and the University of Otago, New Zealand. Dr Peach was appointed as an Independent Non-Executive Director on the 2nd of September 2015 and is Chair of the Remuneration and Nomination Committee and a member of the Audit and Risk Committee.

2.3 Recommendation

The Directors (other than Dr Peach) recommend that Shareholders vote in favour of Resolution 2.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 2.

3. RESOLUTION 3: Election of Mr Brett Carter as a Director

3.1 ASX Listing Rules 14.4, 14.5 and the Constitution of the Company

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer. This rule does not apply to the managing director.

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Under rule 8.1(b) of the Company's Constitution, the Board may appoint any eligible person to be a Director, either as an addition to the existing Directors or to fill a casual vacancy, but so that the total number of Directors does not exceed the maximum number fixed under this constitution. Mr Carter was appointed as a Director by the Board pursuant to rule 8.1(b).

Under rule 8.1(c) of the Company's Constitution, a director appointed by the Board under rule 8.1(b), who is not a chief executive officer, holds office until the conclusion of the next AGM following his or her appointment. Accordingly, Mr Carter offers himself for election at this AGM.

3.2 Key Information relating to Mr Brett Carter - Independent Non-Executive Director

Brett has spent over 25 years in the life-sciences industry. He has been a director and CEO of multiple biotechnology organisations and is currently a non-executive director of Grey Wolf Therapeutics and the Chief Operating Officer of the not-for-profit pharmaceutical company, Medicines Development for Global Health.

Brett spent 8 years leading global licensing, acquisition and venture capital backed transactions for GSK in London and is the former Chair of the Limited Partner Advisory Committee of the Gates Foundation-backed Global Health Investment Fund. During his career, Brett has worked on transactions with a potential value in excess of \$2B, including licensing a program developed by Australia's Cancer Therapeutics to Pfizer in a deal worth over \$670M.

Brett has a BSc in Applied Chemistry from RMIT University, an MBA from London Business School and is a Graduate of the Australian Institute of Company Directors.

Mr Carter was appointed as an Independent Non-Executive Director on the 6 July 2026.

3.3 Recommendation

The Directors (other than Mr Carter) recommend that Shareholders vote in favour of Resolution 3.

The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 3.

4. RESOLUTION 4 – Approval of Additional 10% Placement Facility

4.1 Background

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility to provide the Company with additional flexibility to issue Equity Securities in appropriate circumstances. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (described further below).

4.2 ASX Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% for the 12 months following that meeting.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the 10% Placement Facility.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 Further requirements of Listing Rule 7.1A

10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained (which, in the case of Resolution 4 will be 28 August 2027);
- the time and date of the Company's 2027 annual general meeting; or
- the date of the approval by holders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(**"10% Placement Period"**).

Class of Equity Securities issued under ASX Listing Rule 7.1A

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company and be issued for a cash consideration per security. The Company currently has two classes of quoted Equity Securities on issue being:

- Shares (ASX Code: ATX); and
- Options (ASX Code: ATXOA) which have an Exercise Price of \$0.1725 and Expiry Date of 31 October 2027.

Issue price of Equity Securities issued under ASX Listing Rule 7.1A3

The issue price of Equity Securities issued under ASX Listing Rule 7.1A2 must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the Equity Securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the Equity Securities are issued,

(the **"Minimum Price"**).

ASX Listing Rule 7.1A4

The Company will comply with the disclosure obligations under ASX Listing Rule 7.1A.4 when it issues Equity Securities under ASX Listing Rule 7.1A.

Formula for calculating 10% Placement Facility

As at 7 July 2026, the Company had 513,312,014 Shares on issue ("A" in the formula below) and therefore, subject to Shareholder approval being obtained under Resolution 4, based on current circumstances 51,312,014 Shares will be permitted to be issued in accordance with Listing Rule 7.1A. The number of Shares that may be issued is calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of fully paid ordinary securities on issue at the commencement of 12 months immediately preceding the date of issue or agreement to issue (the relevant period):
- plus the number of fully paid ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17;
 - plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
 - plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
 - plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
 - plus the number of partly paid ordinary securities that became fully paid in the relevant period; and
 - less the number of fully paid ordinary securities cancelled in the relevant period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4;

Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the 10% Placement Facility is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

4.4 Specific information required by Listing Rule 7.3A

Pursuant to ASX Listing Rule 7.3A, the following information is provided in relation to Resolution 4.

Placement Period

If Shareholder approval is granted for Resolution 4, that approval will expire at the end of the 10% Placement Period as described further above.

Minimum Price

The Equity Securities will be issued at an issue price of not less than the Minimum Price as described further above.

Purpose

The Company may seek to issue the Equity Securities for cash consideration, in order to raise funds to support manufacture of additional drug substance and drug product, completion of a Phase 2b study of narmafotinib in pancreatic cancer exploring a new dosing regimen which will form the basis – and first stage – of a registrational study, a new clinical study investigating narmafotinib in ovarian cancer (including expenses associated with such studies), to expedite development of the Company's business and for general working capital.

Dilution

Shareholders should be aware that there is a risk of economic and voting dilution that may result from an issue of Equity Securities under the 10% Placement Facility, including the risk that:

- the market price for Equity Securities may be significantly lower on the date of the issue than on the date of the meeting where approval is sought (i.e. the date of this Meeting); and
- the Equity Securities may be issued at a price that is at a discount to the market price on the issue date,

which may have an effect on the amount of funds raised by the issue of Equity Securities under the 10% Placement Facility.

Any issue of Equity Securities under the 10% Placement Facility will dilute the interests of Shareholders who do not receive any Equity Securities under the issue.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 on the basis of the market price of Shares (being \$0.125 as at close of trade on 7 July 2026 (**Issue Price**)) and the current number of Shares on issue as at that date.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Facility.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution		
		\$0.0625 Issue Price at half the current market price	\$0.125 Issue Price at current market price	\$0.25 Issue Price at double the current market price
Current Variable 'A' 513,312,014 Shares	Shares issued	51,331,201	51,331,201	51,331,201
	Funds raised	\$3,208,200.09	\$6,416,400.18	\$12,832,800.35
	Dilution	10%	10%	10%
50% increase in Current Variable 'A' 769,968,021 Shares	Shares issued	76,996,802	76,996,802	76,996,802
	Funds raised	\$4,812,300	\$9,624,600	\$19,249,201
	Dilution	10%	10%	10%
100% increase in Current variable 'A' 1,026,624,028 Shares	Shares issued	102,662,403	102,662,403	102,662,403
	Funds raised	\$6,416,400	\$12,832,800	\$25,665,601
	Dilution	10%	10%	10%

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue as at the date of this Notice of Meeting. The number of Shares on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval, for example, a pro rata entitlement offer or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the Issue Price.

The table above has been prepared on the following additional assumptions:

- the Company issues the maximum number of Shares available under the 10% Placement Facility; and
- the table shows only the effect of issues of Shares under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.

Allocation Policy

The allottees of the Equity Securities to be issued under the 10% Placement Facility have not yet been determined. However the allottees could consist of current Shareholders or new investors (or both).

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to a range of factors including:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the circumstances of the Company, including the financial situation and solvency of the Company;
- the ASX Listing Rules and applicable law;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

4.5 Recommendation

Resolution 4 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

5. RESOLUTION 5 - Increase in Non-Executive Directors' Fee Pool

In accordance with ASX Listing Rule 10.17 and Rule 8.3 of the Company's Constitution, shareholder approval is being sought to increase the maximum aggregate amount of remuneration that may be paid to all of the Company's Non-Executive Directors (the Fee Pool) by \$450,000, from \$300,000 to \$750,000 per annum.

The current Fee Pool of \$300,00 was last approved by shareholders at the Annual General Meeting held on 20 August 2014.

The Board reviews Non-Executive Director remuneration regularly to ensure it remains competitive, fair, and aligned with market practices. The Board considers that the proposed increase is appropriate for the following reasons:

Market Competitiveness: To ensure the Company can attract and retain high-calibre Non-Executive Directors with the skills, experience, and diverse backgrounds required to oversee the Company's strategy and operations.

Board Succession and Composition: The increase will provide the Board with the financial flexibility to appoint additional Non-Executive Directors if required for orderly succession planning, without breaching the Fee Pool limit.

Increased Workload and Responsibility: The complexity, regulatory burden, and time commitments required of Non-Executive Directors have increased significantly since the fee pool was last set.

Buffer for Contingencies: The proposed limit is a maximum cap and includes a buffer to allow for future fee adjustments in line with market movements, or the creation of additional Board committees if required.

The Board does not intend to utilize the entire proposed Fee Pool immediately. Rather, it is intended to provide capacity for the next several years.

ASX Listing Rule 10.17 provides that a company must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

If Resolution 5 is passed, the Company will be able to increase the total aggregate amount of directors' fees payable to all of its non-executive directors as contemplated by Resolution 5.

If Resolution 5 is not passed, the Company will not be able to increase the total aggregate amount of directors' fees payable to all of its non-executive directors as contemplated by Resolution 5.

6. RESOLUTION 6 - Proposed Issue of Zero Exercise Price Options to Dr Christopher Burns (Managing Director and Chief Executive Officer)

6.1 Background

Christopher Burns Ph.D. was appointed as Chief Executive Officer and Managing Director on 5 December 2022. Dr Burns is a founder of Amplia and had previously served as a non-executive member of the Board of Directors. At the time of Dr Burns appointment his remuneration was pitched at a level designed to preserve the Company's available cash. While Dr Burns has received Short Term Incentive Payments based on performance against his Key Performance Indicators, his base remuneration is materially unchanged since the date of his original appointment.

In addition to his remuneration package, it is proposed that Dr Burns be issued 687,772 Zero Exercise Price Options (**ZEPO**) under the Company's Equity Incentive Plan (**Plan**) to provide him with additional incentive over the longer term, to ensure alignment with shareholders' interests and to maximise Company value. The ZEPOs will form part of Dr Burns remuneration.

ASX Listing Rule 10.14 provides that a company must not permit a director to acquire securities under an employee incentive scheme without the prior approval of holders of ordinary securities.

If Resolution 6 is passed, the Company will be able to issue the ZEPOs to Dr Burns (or nominee) as contemplated by Resolution 6.

If Resolution 6 is not passed, the Company will be unable to issue the ZEPOs to Dr Burns (or nominee) as contemplated by Resolution 6.

Accordingly, Resolution 6 seeks approval under ASX Listing Rule 10.14 to issue a total of 687,772 ZEPOs to Dr Burns for nil consideration. Relevant details are set out in the table below:

Director and relevant Resolution	Current Total Remuneration#1 (per annum)	Number of ZEPOs to be granted	Value attributed to these ZEPOs #2
Dr Christopher Burns (Resolution 6)	\$350,000	687,772	\$87,500

#1 – Base remuneration, inclusive of superannuation

#2 – This value has been determined using 30-day VWAP of \$0.19 as at 28 June 2026.

The ZEPOs shall have a nil exercise price, which the Remuneration Committee considered to be appropriate in the context of Dr Burns executive role, his performance to date and the importance of securing the ongoing commitment of Dr Burns to the Company's key business development objectives for the future. It is proposed that the ZEPOs will be issued to Dr Burns within three months after the date of the Meeting and the ZEPOs shall vest on the grant date and expire 5 years from the date of grant of the ZEPOs.

No loan will be made to the Dr Burns in respect of the grant of the ZEPOs.

While Dr Burns is the Company's Chief Executive Officer, restrictions will apply to the shares issued on exercise of the ZEPOs, including that the shares may only be traded following Board approval.

Under Chapter 2E of the Corporations Act, for a public company to give a financial benefit to a related party of the public company, the public company must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

It is the view of the Board (excluding Dr Burns) that the exception set out in section 211(1) (allowing the giving of a financial benefit that is reasonable remuneration) applies in the current circumstances. Accordingly, Shareholder approval is sought for the issue of the ZEPOs under ASX Listing Rule 10.14 as contemplated by Resolution 7, but not under Chapter 2E of the Corporations Act.

6.2 Specific information required by Listing Rule 10.15

Pursuant to ASX Listing Rule 10.15, the following information is provided in relation to Resolution 7:

- The ZEPOs will be issued for nil cash consideration and accordingly no funds will be raised by the issue of the ZEPOs. The exercise price of each of the ZEPOs is nil. It is proposed that the ZEPOs will be issued to Dr Burns within three months of the date of the Meeting and expire 5 years from the date of grant of the ZEPOs.
- Dr Burns has previously received the following Equity Securities under the Plan for Nil consideration:

Director	Number of Zero Exercise Price Options granted in August 2025	Exercise Price	Expiry Date

- The ZEPOs are expected to be granted no later than 3 months after the date of the Annual General Meeting and it is anticipated that the ZEPOs will be allocated on one date. The ZEPOs must be granted within 3 years after the date of the Annual General Meeting.
- Each ZEPO will be exercisable for one Share and Shares issued on exercise of the ZEPOs will rank equally with fully paid ordinary Shares.
- A summary of the terms of the Plan is set out in Schedule 1.
- The ZEPOs will be issued on the terms set out in Schedule 2.

- (l) Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Subject to the voting exclusion set out in the Notice of Meeting, the Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 6.

7. RESOLUTIONS 7 to 10 – Proposed issue of Zero Price Exercise Options to Non-Executive Directors

7.1 Background

Following a review of remuneration offered to the non-executive directors of peer group companies, the Remuneration Committee has identified that the Non-Executive Directors of the Company had been remunerated at the bottom end of the range applicable to peer group companies.

Accordingly, in addition to director fees, it is proposed that Non-Executive Directors be issued Zero Exercise Price Options (ZEPOs) under the Equity Incentive Plan (**Plan**) to incentivise them over the longer term, to ensure alignment with shareholders' interests and to maximise Company value. The ZEPOs will form part of each Non-Executive Director's remuneration.

ASX Listing Rule 10.14 provides that a company must not permit a director to acquire securities under an employee incentive scheme without the prior approval of holders of ordinary securities.

If Resolutions 7 to 10 are passed, the Company will be able to issue ZEPOs under the Plan to the relevant Directors as contemplated by Resolutions 7 to 10.

If any of Resolutions 7 to 10 are not passed, the Company will be unable to issue ZEPOs under the Plan to the relevant Director(s) as contemplated by the applicable Resolution(s). Accordingly, Resolutions 7 to 10 seek approval under ASX Listing Rule 10.14 to issue a total of 2,142,857 ZEPOs (the **NED ZEPOs**) to the Non-Executive Directors of the Company for nil consideration as set out in the table below:

Director and relevant Resolution	Current Total Remuneration#1 (per annum)	Number of ZEPOs to be granted	Value attributed to these ZEPOs #2
Ms Jane Bell (Resolution 7)	\$90,000	642,857	\$90,000
Dr Robert Peach (Resolution 8)	\$70,000	500,000	\$70,000
Dr Warwick Tong (Resolution 9)	\$70,000	500,000	\$70,000
Mr Brett Carter (Resolution 10)	\$70,000	500,000	\$70,000

#1 – Inclusive of superannuation (NOTE: Ms Jane Bell (former Non-Executive Director) was appointed as Non-Executive Chair on 30 June 2026 and Dr Warwick Tong (former Chair) continues as a Non-Executive Director from that same date. Mr Brett Carter was appointed as a Non-Executive Director on 6 July 2026.)

#2 – This value has been determined on based on the closing share price of the Company on 9 July 2026.

It is proposed that the ZEPOs will be issued to Non-Executive Directors within three months after the date of the Meeting and will expire 5 years from the date of grant of the ZEPOs.

The ZEPOs will vest on the following basis:

Vesting Date	Percentage to Vest
Grant Date	25%
1 st anniversary of Grant Date	25%
2 nd anniversary of Grant Date	25%
3 rd anniversary of Grant Date	25%

No loan will be made to the Non-Executive Directors in respect of the grant of the ZEPOs.

Under Chapter 2E of the Corporations Act, for a public company to give a financial benefit to a related party of the public company, the public company must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

It is the view of Dr Chris Burns (the sole Executive Director) that the exception set out in section 211(1) (allowing the giving of a financial benefit that is reasonable remuneration) applies in the current circumstances. Accordingly, Shareholder approval is sought for the issue of the ZEPOs under ASX Listing Rule 10.14 as contemplated by Resolutions 7 to 10, but not under Chapter 2E of the Corporations Act.

Schedule 1 – Summary of the Amplia Therapeutics Equity Incentive Plan

The rules of the Plan (**Plan Rules**) provide the framework under which the Plan and individual grants will operate. The key features of the Plan are outlined below.

Eligibility	Offers may be made at the Board's discretion to employees of the Company, Directors and any other person that the Board determines to be eligible to receive a grant under the Plan.
Types of securities	The Plan Rules provide flexibility for the Company to grant one or more of the following securities as incentives, subject to the terms of individual offers: • performance rights, which are an entitlement to receive Shares upon satisfaction of applicable conditions; • options, which are an entitlement to receive Shares upon satisfaction of applicable conditions and payment of the applicable exercise price; and • restricted shares, which are Shares that are subject to dealing restrictions, vesting conditions or other restrictions or conditions.
Offers under the Plan	The Board may make offers at its discretion and any offer documents must contain the information required by the Plan Rules. The Board has the discretion to set the terms and conditions on which it will offer performance rights, options and restricted shares in individual offer documents. Offers must be accepted by the participant and can be made on an opt-in or opt-out basis.
Issue price	Unless the Board determines otherwise, no payment is required for a grant of a performance right, option or restricted share under the Plan.
Vesting	Vesting of performance rights, options and restricted shares under the Plan is subject to any vesting or performance conditions determined by the Board and specified in the offer document. Options must be exercised by the employee and the employee is required to pay the exercise price before Shares are allocated (if applicable). Subject to the Plan Rules and the terms of the specific offer document or invitation, any performance rights, options or restricted shares will either lapse or be forfeited if the relevant vesting and performance conditions are not satisfied.
Cessation of employment or engagement	Under the Plan Rules, the Board has a broad discretion in relation to the treatment of entitlements on cessation of employment or engagement. It is intended that individual offer documents will provide more specific information on how the entitlements will be treated if the participant ceases employment.
Clawback and preventing inappropriate benefits	The Plan Rules provide the Board with broad "clawback" powers if, for example, the participant has acted fraudulently or dishonestly or there is a material financial misstatement.
Change of control	The Board may determine that all or a specified number of a participant's performance rights, options or restricted shares will vest or cease to be subject to restrictions on a change of control event in accordance with the Plan Rules.
Reconstructions, corporate action, rights issues, bonus issues etc.	The Plan Rules include specific provisions dealing with rights issues, bonus issues and corporate actions and other capital reconstructions. These provisions are intended to ensure that there is no material advantage or disadvantage to the participant in respect of their incentives as a result of such corporate actions.
Restrictions on dealing	Prior to vesting, the Plan Rules provide that participants must not sell, transfer, encumber, hedge or otherwise deal with their incentives. After vesting, participants will be free to deal with their incentives, subject to the Securities Trading Policy.
Other terms	The Plan contains customary and usual terms of dealing with administration, variation, suspension and termination of the Plan.

Schedule 2 – Summary of the terms of the ZEPOs (Resolution 6)

1. Unless specified in the terms of an offer under the Plan, no amount is payable for a grant of ZEPOs.
2. Each ZEPO shall carry the right in favour of an ZEPO holder to subscribe for one fully paid ordinary Share in the capital of the Company.
3. Each ZEPO expires and will automatically lapse at 5.00 pm (Melbourne, Victoria time) on the fifth anniversary of the ZEPO grant date, subject to earlier expiration, lapse or cancellation in accordance with the terms of the Plan.
4. ZEPOs may only be exercised if permitted by the Plan and on the terms of issue. ZEPOs cannot be exercised unless vested in accordance with the terms of issue.
5. The exercise price of each ZEPO shall be nil as specified in the terms of issue of that ZEPO.
6. ZEPOs shall be exercisable by the delivery to the registered office of the Company of a notice in writing stating the intention of the ZEPO holder to exercise all or a specified number of ZEPOs, accompanied by the relevant ZEPO certificate (if any).
7. An exercise of only some ZEPOs shall not affect the rights of the ZEPO holder for the balance of the ZEPOs held by him or her.
8. If a ZEPO is exercised in accordance with this Plan and its terms of issue, the Company shall issue the resultant Share and deliver notification of shareholding within ten (10) business days of the exercise of a ZEPO or such longer time as may be determined by the Board and as permitted under the listing rules of ASX (if applicable) and the Constitution.
9. Shares issued pursuant to the exercise of ZEPOs shall rank equally with existing Shares of the Company in all respects from the date of issue of the Share. If admitted to the official list of ASX at the time of issue of the Share, the Company will apply for official quotation by ASX of the Shares issued upon exercise of an Option, subject to any restriction obligations imposed by ASX.

11. ZEPOs may not be transferred, assigned or otherwise dealt with except in accordance with the Plan.
12. The Company is not bound to recognise any transfer or assignment of ZEPOs unless made in accordance with the Plan and then only if a copy of the duly executed instrument of assignment or transfer is lodged with the Company.
13. Holders of ZEPOs which have vested will be permitted to participate in any new pro-rata issue of securities of the Company subject to the prior exercise of the Options and any restriction obligations.
14. If the Company makes a bonus issue of Shares or other securities to shareholders (except an issue in lieu of dividends or by way of dividend reinvestment) and no Share has been issued in respect of a ZEPO before the record date for determining entitlements to the issue, then the number of underlying Shares over which the ZEPO is exercisable is increased by the number of Shares which the ZEPO holder would have received if the ZEPO holder had exercised the ZEPO before the record date for determining entitlements to the issue, in accordance with the Listing Rules.

15. If there is a reorganisation (including consolidation, sub-division, reduction or return) of the share capital of the Company, then the rights of the ZEPO holder (including the number of ZEPOs to which each ZEPO holder is entitled) is changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
16. Any calculations or adjustments which are required to be made under these ZEPO Terms of Issue will be made by the Board and will, in the absence of manifest error, be final and conclusive and binding on the Company and the ZEPO holder.
17. The Company must within a reasonable period give to each ZEPO holder notice of any change under paragraphs 14 to 16 (inclusive) the number of Shares for which the ZEPO holder is entitled to subscribe on exercise of the ZEPOs.
18. The ZEPOs will not give any right to participate in dividends until Shares are issued pursuant to the exercise of the relevant ZEPOs.
19. ZEPOs issued under the Plan do not confer upon the holder a right to receive notices of general meetings (except as may be required by law), nor any right to attend, speak at or vote at general meetings of the Company.
20. An ZEPO holder must only exercise a minimum of 100,000 ZEPOs, and thereafter in multiples of 50,000, unless an ZEPO holder exercises all of its ZEPOs.
21. These ZEPO Terms of Issue and the rights and obligations of ZEPO holders are governed by the laws of Victoria. Each ZEPO holder irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of Victoria and the Federal Court of Australia and any courts that may hear appeals from those courts about any proceedings in connection with these ZEPOs.

4. ZEPOs may only be exercised if permitted by the Plan and on the terms of issue. ZEPOs cannot be exercised unless vested in accordance with the terms of issue.
5. The ZEPOs shall vest in accordance with the following schedule:

Vesting Date	Percentage to Vest
Grant Date	25%
1 st anniversary of Grant Date	25%
2 nd anniversary of Grant Date	25%
3 rd anniversary of Grant Date	25%

6. The exercise price of each ZEPO shall be nil as specified in the terms of issue of that ZEPO.
7. ZEPOs shall be exercisable by the delivery to the registered office of the Company of a notice in writing stating the intention of the ZEPO holder to exercise all or a specified number of ZEPOs, accompanied by the relevant ZEPO certificate (if any).
8. An exercise of only some ZEPOs shall not affect the rights of the ZEPO holder for the balance of the ZEPOs held by him or her.
9. If a ZEPO is exercised in accordance with this Plan and its terms of issue, the Company shall issue the resultant Share and deliver notification of shareholding within ten (10) business days of the exercise of a ZEPO or such longer time as may be determined by the Board and as permitted under the listing rules of ASX (if applicable) and the Constitution.
10. Shares issued pursuant to the exercise of ZEPOs shall rank equally with existing Shares of the Company in all respects from the date of issue of the Share. If admitted to the official list of ASX at the time of issue of the Share, the Company will apply for official quotation by ASX of the Shares issued upon exercise of an Option, subject to any restriction obligations imposed by ASX.
11. While ZEPO holders remain Non-Executive Directors of the Company, restrictions may apply to the shares issued on exercise of the ZEPOs, including that the shares may only be traded in accordance with the Company's Securities Trading Policy.
12. ZEPOs may not be transferred, assigned or otherwise dealt with except in accordance with the Plan.
13. The Company is not bound to recognise any transfer or assignment of ZEPOs unless made in accordance with the Plan and then only if a copy of the duly executed instrument of assignment or transfer is lodged with the Company.

14. Holders of ZEPOs which have vested will be permitted to participate in any new pro-rata issue of securities of the Company subject to the prior exercise of the Options and any restriction obligations.
15. If the Company makes a bonus issue of Shares or other securities to shareholders (except an issue in lieu of dividends or by way of dividend reinvestment) and no Share has been issued in respect of a ZEPO before the record date for determining entitlements to the issue, then the number of underlying Shares over which the ZEPO is exercisable is increased by the number of Shares which the ZEPO holder would have received if the ZEPO holder had exercised the ZEPO before the record date for determining entitlements to the issue, in accordance with the Listing Rules.
16. If there is a reorganisation (including consolidation, sub-division, reduction or return) of the share capital of the Company, then the rights of the ZEPO holder (including the number of ZEPOs to which each ZEPO holder is entitled) is changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
17. Any calculations or adjustments which are required to be made under these ZEPO Terms of Issue will be made by the Board and will, in the absence of manifest error, be final and conclusive and binding on the Company and the ZEPO holder.
18. The Company must within a reasonable period give to each ZEPO holder notice of any change under paragraphs 15 to 17 (inclusive) the number of Shares for which the ZEPO holder is entitled to subscribe on exercise of the ZEPOs.
19. The ZEPOs will not give any right to participate in dividends until Shares are issued pursuant to the exercise of the relevant ZEPOs.
20. ZEPOs issued under the Plan do not confer upon the holder a right to receive notices of general meetings (except as may be required by law), nor any right to attend, speak at or vote at general meetings of the Company.
21. An ZEPO holder must only exercise a minimum of 100,000 ZEPOs, and thereafter in multiples of 50,000, unless an ZEPO holder exercises all of its ZEPOs.
22. These ZEPO Terms of Issue and the rights and obligations of ZEPO holders are governed by the laws of Victoria. Each ZEPO holder irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of Victoria and the Federal Court of Australia and any courts that may hear appeals from those courts about any proceedings in connection with these ZEPOs.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
