Acquisition of a pathology laboratory with a 20-year triple net lease to an ASX-50 tenant

In June 2026, CQE acquired a 25% interest in a **world-class integrated pathology laboratory** fully leased to Sonic Healthcare Limited (Sonic) located in Brisbane, Queensland

The property is secured by a **20-year triple net lease** with a further 30 years of options, featuring annual CPI linked rent reviews (capped at 3.5%)

The property serves as **Sonic's central laboratory** for Queensland and parts of New South Wales and the Northern Territory supporting a network of over 450 pathology collection centres.

Developed in two stages between 2016 and 2024, the 43,500 sqm property features **high-quality specialised laboratory fit-out**, diagnostic offices and logistics facilities to manage high sample volumes

CQE's 25% interest in the property was acquired for \$111.2 million on a 5.6% property yield

Purpose built WSU university campus with over 16 year WALE and 3.75% fixed annual increases

CQE increased its higher education exposure through the acquisition of a 50% interest in the university campus fully leased to Western Sydney University, located at 1 Parramatta Square, Parramatta

CQE's acquisition totalled \$152.0¹ million on an initial yield of 6.5%²

Long-term lease of over 16³ years with further option periods totalling 15 years and annual rent reviews of 3.75%

The university campus is a **modern, purpose-built vertical-style building** completed in 2017 with NLA of approximately 26,500 sqm (80% educational uses) and offers strong ESG benefits through 5-Star Green Star and 5-star NABERS ratings

The asset is **critical education infrastructure** within Parramatta's CBD, providing university services and benefiting from strong transport connectivity and access to a comprehensive range of civic, health, and commercial amenities

1. CQE acquired the units in a trust (which owns 50% of this property) for consideration of \$152.8 million
2. Following the annual rental increase of 3.75% which occurred in February 2026
3. At time of acquisition

FY26 Sustainability initiatives

By integrating sustainability across our platform and leveraging our scale, we attract and retain capital while delivering for our customers and employees – creating enduring value for all.

Environment

Net Zero¹

Maintained Net Zero Scope 1 and Scope 2 emissions supported by Charter Hall Group's renewable energy and nature-based offset strategy.

Future proofing the portfolio

Over 1.4MW of solar installed across the portfolio, including 55 early learning centres. Completed physical risk assessments across the portfolio to support future adaptation planning.

Awarded Australia's First Early Learning Green Star Rating

Achieved 4 Stars Green Star Performance v2 rating, representing "Best Practice" in operations², in partnership with our tenant customer.

Social

Customer engagement

Active tenant engagement with an NPS of +57. Customer Engagement Index remained stable at 87, aligned with industry best practice.

Supporting children and families

CQE's early learning portfolio provides over 25,000 places on a daily basis across 284 properties.

Fee-free learning

Extension of the long-standing partnership with Goodstart's Early Learning Fund, resulting in fee-free learning being provided for 20+ families each year.

Governance

ESG leadership

Maintained an 'A' ranking under the GRESB Public Disclosure, and a management component score of 30/30.

Diversity, equity and inclusion

Governed by an independent Board that prioritises diversity and inclusion, with 40% female representation.

Responsible supply chain

Strengthened frontline employees' capability to identify and respond to modern slavery risks, and deepened industry collaboration to support ongoing knowledge-sharing.

Further detail is available in our sixth [Modern Slavery Statement](#).

1. For assets which the REIT owns and where Charter Hall Group has operational control, Charter Hall Group has offset Scope 1 related emissions and procured 100% grid-supplied renewable electricity for Scope 2 emissions since FY24 to reach Net Zero.
2. The Green Star Performance v2 rating tool establishes minimum standards for fresh air, lighting quality, acoustic comfort and limits on exposure to toxins. A 4 Star rating reflects operational leadership, demonstrating performance beyond these minimum requirements through the implementation of ESG policies, verified operational improvements, and broader positive social and environmental outcomes.

The historical information in this presentation is, or is based upon, information contained in previous announcements made by CQE to the market. These announcements are available at www.asx.com.au. This presentation contains certain "forward looking statements". Forward looking words such as "expect", "should", "could", "may", "will", "believe", "forecast", "estimate" and other similar expressions are intended to identify forward-looking statements. Such statements are subject to various known and unknown risks, uncertainties and other factors that are in some cases beyond CQE's control. These risks, uncertainties and factors may cause actual results, performance or achievements to differ materially from those expressed or implied by the forward-looking statements and from past results, performance or achievements. CQE cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that CQE's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and CQE assumes no obligation to update such information. All information contained herein is current as at 30 June 2026 unless otherwise stated. All references to dollars (\$) are to Australian dollars, unless otherwise stated.
