Award of material customer contract

Corporate Travel Management Limited (ASX:CTD, 'CTM' or 'the Company') confirms it has been awarded a further contract by the UK Ministry of Defence (MoD) to ensure continuity of service in support of MoD's ongoing Afghan Resettlement Programme with accommodation and associated services.

CTM has been the exclusive provider of these services since February 2025. The new contract is expected to continue until the Afghan Resettlement Programme concludes.

Revenue under the contract is volume-dependent and not fixed. Based on current forecasts, CTM expects to generate approximately £28 million in Total Transaction Value (TTV) during the first six months of the contract.

CTM is pleased to be continuing to support the UK Government and this important programme.
