Explanatory notes

Resolution 1: Approval of Board fixing remuneration of auditor

Grant Thornton is automatically re-appointed as IKE's auditor under section 207T of the Companies Act 1993. Section 207S of the Companies Act 1993 details the basis on how the fees and expenses of the auditor shall be set. To provide flexibility, your directors recommend that they be authorised to determine the fees and expenses of the auditors.

The Board unanimously recommends that shareholders vote in favour of Resolution 1.

Resolution 2: Re-election of Mr Alex Knowles

In accordance with NZX Listing Rule 2.7.1, a director must not hold office (without re-election) past the third annual meeting following that director's appointment or 3 years, whichever is longer. Accordingly, Mr Alex Knowles is required to retire (having held office since 2014 as the managing director of the Company). Being eligible, Mr Alex Knowles has offered himself for re-election.

The Board considers that Mr Alex Knowles will be an independent director for the purposes of the NZX Listing Rules if elected to the Board.

Mr Knowles has extensive experience involving start-ups, investing, acquisitions, operating experience, and trade sales of international companies in the information technology and transportation industries. Based in Los Angeles, he has successful lead, guided and grown a number of companies that have become significant entities in their respective sectors.

The Board unanimously supports the re-election of Mr Alex Knowles.

Resolution 3: Election of Mr Rod Snodgrass

In accordance with NZX Listing Rule 2.7.1, a director appointed by the board must not hold office (without re-election) past the next annual meeting following that director's appointment. Accordingly, Rod Snodgrass is required to retire (having been appointed by the board in December 2025). Being eligible, Rod Snodgrass has offered himself for election.

The Board considers that Rod Snodgrass will be an independent director for the purposes of the NZX Listing Rules if elected to the Board.

- Mr Rod Snodgrass brings extensive experience in strategic business transformation, digital innovation and new product and revenue growth principally across the communications and energy sectors where he has deep expertise in scaling technology centred businesses through his executive leadership roles at Telecom NZ/Spark and Vector as well as his work advising companies on growth and digital strategy. Mr Snodgrass is a recognized leader in business transformation and growth strategy who has successfully guided organizations through market transitions, product innovation, and revenue expansion initiatives across the telecommunications, energy and technology sectors.
