Talius Appoints Global Aged Care Leader Marcus Riley as Strategic Adviser

19 August 2026

Appointment strengthens Talius's sector standing and network as the Company accelerates its growth strategy

Talius Group Limited (ASX: TAL) (**Talius** or **the Company**) is pleased to announce the appointment of Mr. Marcus Riley, a highly regarded leader in the aged care sector internationally, as Strategic Adviser to the Company, effective 24 August 2026.

Mr. Riley brings two decades of leadership across residential aged care, retirement living and global ageing policy, and an extensive network of industry, government and sector relationships.

He is currently Director of the Booming Ageing Agency, Chairman of BallyCara, a Queensland-based charitable provider of accommodation, health and care services for older Australians, and Non-Executive Chairman of Rockpool Residential Aged Care.

Mr. Riley is a past Chair and current Director of the Global Ageing Network, a former member of the Steering Committee for the Global Alliance for the Rights of Older People (GAROP), and serves as the Asia-Pacific Focal Point for the United Nations Stakeholder Group on Ageing. He has previously held national leadership roles including Chairman and Deputy Chairman of Leading Age Services Australia (LASA), and National Director of Aged and Community Services Australia (ACSA) and Retirement Villages Australia (RVA). He is also the author of Booming: A Life-Changing Philosophy for Ageing Well and the recently released Your Aging Advantage

Under the engagement, Mr. Riley will work closely with the Talius executive team to:

- Provide strategic input on go-to-market priorities across Residential Aged Care, Retirement Living and Home Care;
- Advise on strategic partnerships and market positioning as the Company expands its presence across these sectors; and
- Provide broader relationships and judgement support to the Board and management as Talius executes its growth strategy.

The engagement is for an initial term of six months.

Commenting on the agreement, Pat Howard, Managing Director and CEO of Talius, said:

"Marcus is one of the most respected voices in aged care globally, and we are thrilled to have him in our corner. His operational leadership, his standing with government and regulators, and his network across the sector make him a genuine asset as we sharpen our commercial strategy across residential aged care, retirement living and home care. This is an important step for Talius as we build out our platform."

About Talius Group Limited (ASX: TAL)

Talius Group Limited (ASX: TAL) is a real-time healthcare data platform company delivering integrated care technology across Australia's aged care sector.

The Company's device-agnostic Talius One Platform aggregates data from IoT sensors and clinical systems to deliver automated alerts, workflow integration and compliance reporting across home care, retirement living, and residential aged care. Deployed by major aged care providers including Bolton Clarke, Uniting Care, Keyton and St John, the Platform supports proactive care delivery and operational efficiency across the care continuum.

Talius has 51,150+ active subscriptions and $3.3M in Annual Recurring Revenue (+12.7% YoY).

FORWARD LOOKING STATEMENTS

Certain statements contained in this ASX release, including information as to the future financial or operating performance of the Company and its projects, are forward-looking statements. Such forward looking statements:

(a) are necessarily based upon several estimates and assumptions that, while considered reasonable by the Company, are inherently subject to significant technical, business, economic, competitive, political, and social uncertainties and contingencies;

(b) involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward-looking statements; and

(c) may include, among other things, statements regarding estimates and assumptions in respect of prices, costs, results, and capital expenditure, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social, and other conditions. The Company disclaims any intent or obligation to publicly update any forward-looking statements, whether it is because of new information, future events, or results or otherwise.

The words "believe", "expect", "contracted", "anticipate", "indicate", "contemplate", "target", "plan", "intends", "continue", "budget", "estimate", "may", "will", "schedule", "planned" and similar expressions identify forward-looking statements. All forward looking statements contained in this ASX release are qualified by the foregoing cautionary statements. Recipients are cautioned that forward looking statements are not guarantees of future performance, and accordingly recipients are cautioned not to put undue reliance on forward looking statements due to the inherent uncertainty therein.
