James Hardie Board authorizes \$250 million share repurchase program

CHICAGO — August 20, 2026 — James Hardie Industries plc (NYSE / ASX: JHX) ("James Hardie" or the "Company"), a leading provider of exterior home and outdoor living solutions, today announced a strategic divestiture of its European operations to further align the Company's portfolio with its long-term growth strategy. The Company has entered into an agreement to sell its sustainable walling and flooring solutions business Fermacell in Europe, including the fermacell® and Aestuver® brands, to Holcim (SIX: HOLN), a global provider of high-value end-to-end building materials and solutions based in Switzerland, for €840 million, or currently approximately \$980 million USD, in cash. James Hardie also intends to close its European fiber cement business, subject to customary legal, regulatory and employee (including competent works council) consultation requirements.

"The strategic divestiture of our European operations and the intended closure of the European fiber cement business will enable us to focus on our highest growth and return opportunities," said Aaron Erter, CEO of James Hardie. "We believe this divestiture will strengthen our balance sheet, deliver compelling value for our shareholders and position the Fermacell business for long-term success under Holcim's ownership. We are deeply grateful to our talented team members across Europe, whose expertise and hard work have made meaningful contributions to James Hardie, and we are committed to supporting impacted European fiber cement employees."

Continuity of Leadership and Operations

Following completion of the transaction, Fermacell will complement Holcim's ability to broaden its integrated building systems and modular construction offerings. The business, including the fermacell® and Aestuver® brands, will continue to be led by Christian Claus, CEO of Fermacell and President of James Hardie Europe.

"Holcim is a strong strategic fit for the Fermacell business, and importantly, customers will continue to receive high quality and excellent service," said Claus. "We share a common vision, values and commitment to shaping the future of sustainable construction. With Holcim's global reach and complementary capabilities, we will be well positioned to support a smooth transition, build on our strong foundation and accelerate our growth. I look forward to continuing to lead the Fermacell business in this next chapter."

Transaction Details and Use of Proceeds

The transaction is expected to be accretive to margin profile and return on invested capital post-close.

The Company intends to deploy the transaction proceeds to accelerate deleveraging and return capital to shareholders. Approximately \$600 million is expected to be used to repay debt, accelerating the Company's progress toward its stated target of net leverage below 2.0x by September 30, 2027. In addition, James Hardie's Board of Directors has authorized a new \$250 million share repurchase program. Repurchases may be effected through open-market purchases, accelerated share repurchases or other methods as determined by the Company, subject to market conditions and other relevant considerations.

The transaction is expected to close in the first half of calendar 2027, subject to customary closing conditions, including required regulatory approvals and completion of applicable employee (including competent works council) consultation processes where required.

- 5.2 On the Signing Date, the Sellers shall inform the works council of JH Netherlands (**Works Council**) of the Transaction in accordance with Schedule 19. Insofar as the Works Council argues that it has a right of advice regarding the Transaction, the obligation of the Purchaser and the Sellers to effect Completion is subject to the satisfaction of the condition precedent (*opschortende voorwaarde*) that the Consultation Process is completed in accordance with Schedule 19 (**Works Council Condition**).

Responsibility for satisfaction and information of the Merger Clearance Condition

- 5.3 The Purchaser shall procure that any filings necessary to satisfy the Merger Clearance Condition, or, where applicable, drafts or pre-filing notifications thereof are prepared and made without undue delay after the Signing Date and in any event no later than fifteen Business Days after the Signing Date. The Purchaser shall provide the Sellers with drafts of any filings and material submissions to be made by the Purchaser to obtain clearances and shall take any comments of the Sellers in relation to any such draft filing or submission into due consideration.
- 5.4 The Sellers undertake to reasonably cooperate in good faith with the Purchaser for purposes of the filings for the clearances by providing the information concerning the Group Companies and such additional information as may be reasonably requested by the European Commission. Where, in the relevant Party's reasonable discretion, such copy contains confidential information that must not be disclosed to the other Party outside of a clean team environment pursuant to applicable antitrust laws, such information shall be provided on a "clean team only" or "counsel to counsel" basis.
- 5.5 The Purchaser shall give the Sellers reasonable advance notice of any material notification, submission or other communication which it proposes to make or submit to the European Commission in connection with obtaining the clearances and provide the Sellers with copies of such material draft notification, submission or correspondence and any supporting documentation or information reasonably requested by the Sellers. The Purchaser undertakes to take any comments of the Sellers in relation to any such notification, submission or communication into due consideration. The Purchaser shall keep the Sellers fully informed of

the progress of any material notification made in order to obtain the merger clearances (including the exchange with the European Commission in connection with obtaining the merger clearance) and the status of the satisfaction of the Merger Clearance Condition, and provide the Sellers with (a) a copy of any respective material written communication received from the European Commission and (b) written summaries of any respective material oral communication with the European Commission. Any written engagement with the European Commission by any Seller shall be subject to the Purchaser's prior approval, such approval not to be unreasonably withheld.

- 5.6 The Purchaser undertakes not to, and shall procure that its Affiliates will not, take any action, enter into any transaction or into any agreement to effect any transaction (including any merger or acquisition) that might reasonably be expected to make it more difficult, or to increase the time required, to satisfy the Merger Clearance Condition, or otherwise prevent, or materially delay the consummation of the Transaction. For the avoidance of doubt, mere requests for information of a general or background nature issued by the European Commission in relation to any transaction entered into by the Purchaser or an Affiliate of the Purchaser shall not be deemed to be a breach of this clause 5.6.
- 5.7 In order to enable the Parties to consummate the Transaction in a timely manner, the Purchaser shall take and shall cause its Affiliates to take any and all steps necessary to obtain the clearance at the earliest possible date and to avoid or eliminate each and every impediment under any antitrust laws that may be asserted by the European Commission. In particular, the Purchaser shall offer, and shall procure that its Affiliates will offer to the European Commission the acceptance and satisfaction of any obligations or conditions imposed or commitments, agreements or other actions requested by the European Commission and the compliance therewith, as promptly as practicable from when the European Commission has articulated concerns that indicate that the Transaction raises serious doubts as to their compatibility with the common market, whether in the form of hold-separate arrangements, the sale, divestiture or disposition of such of its (or its Affiliates') assets, properties or businesses or of the assets, properties or businesses of the Group Companies, and the performance of such other actions and the entrance into such other arrangements, as are necessary or desirable to avoid that Completion is materially delayed or prohibited.
- 5.8 The Purchaser shall inform the Sellers without undue delay in writing (e-mail sufficient) and attaching the relevant documentation if (a) the Merger Clearance Condition has been satisfied or (b) it becomes reasonably likely that the Merger Clearance Condition will not be obtained or will not be obtained in a timely manner or if obligations or conditions will or are likely to be imposed by the European Commission. If Completion is prohibited by the European Commission, upon request of the Sellers, the Purchaser shall, at the Purchaser's cost, contest such decision (including by way of litigation) and use all other reasonable efforts to ensure that Completion may be consummated as contemplated by this agreement and as timely as reasonably practicable.
- 5.9 For the avoidance of doubt, the Purchaser may not request any adjustment of the Purchase Price or any portion thereof or any other amendment to this agreement as a result of (a) any divestiture or other action required or taken by the Purchaser or any of its Affiliates pursuant to clause 5.7 or (b) any decision by the European Commission prohibiting any transaction contemplated hereby in whole or in part.
- 5.10 Should the European Commission take the decision (or being deemed to have taken the decision) to refer the whole or part of the Transaction to the competent authorities of one or more EU Member States under Article 4(4) or Article 9(3) of the Regulation, clauses 5.3 to 5.9 shall apply *mutatis mutandis*.

Each of the Purchaser and the Sellers shall be entitled, by written notice to the other, to extend the long stop date by a period of up to three (3) months, provided that: (a) such notice is served no later than five (5) Business Days prior to the then-current long stop date; and (b) neither the Purchaser nor the Sellers shall be entitled to exercise this right of extension more than once.

Notwithstanding the foregoing, the Purchaser shall pay to the Sellers a fixed break fee in the amount of EUR 15,000,000 (in words: fifteen million euros) within five (5) Business Days after termination in accordance with clause 5.13 provided such termination is not attributable to a breach by a Seller of any of its obligations under this agreement.

6.7 The obligations of the Sellers under clause 6.6 shall be subject to the right of the Sellers or any of the Group Companies to refuse access to information on the grounds that access:

- (a) would be contrary to law;
- (b) would cause undue disruption to the business activities of the relevant Group Company or its managers;

The Sellers shall keep the Purchaser reasonably informed of the progress of the respective audits during the period from the Signing Date until the Completion Date. The Parties acknowledge and agree that the Sellers shall not be liable in any way for not having delivered in accordance with this clause 9.2 accounts that are signed off and/or audited for any of the relevant Group Companies by Completion.

Termination of Cash Pooling Agreements

- 9.3 The Sellers, on the one hand, and the Group Companies listed in Schedule 7 (together the **Pooling Group Companies**), on the other hand, participate in a cash pooling system pursuant to which any excess cash of the Pooling Group Companies generated by the end of a Business Day on the bank accounts of the Pooling Group Companies connected to the cash pooling system (the **Pool Accounts**) is automatically wire transferred to a cash pool bank account held by a member of the Seller Group (the **Cash Pool Leader**). Any debit amounts generated by the Pooling Group Companies on their Pool Accounts are automatically balanced by the Cash Pool Leader (i.e. an amount equal to such debt amount is

automatically wire transferred to each Pool Account with a negative account balance to settle such balance) at the end of a Business Day (such system being the **Cash Pooling**).

- 9.4 The Sellers shall procure that the Pooling Group Companies are released from the Cash Pooling with effect prior to the Completion Date at no additional cost for the Group Companies and/or the Purchaser, with all credit or debt balances between the Pooling Group Companies, on the one hand, and the Cash Pool Leader, on the other hand, being settled prior to the Completion Date.

Fiber Cement Business Carve-Out

- 9.7 The Parties acknowledge and agree that certain Group Companies operate business activities relating to the Fiber Cement Business, further details of which as well as of the Fiber Cement Agreements and the Fiber Cement Assets, are set out in the Carve-Out Principles. The Parties agree that, while the Fiber Cement Business may (in part) be transferred to the Purchaser as part of the Transaction, the Fiber Cement Business shall not be sold to the Purchaser (except for any Cash in relation to the Fiber Cement Business) and will be carved out from the Group Companies in accordance with the Carve-Out Principles (the **Carve-Out**). For the avoidance of doubt, the Carve-Out shall be considered complete once the Carve-Out has been implemented in accordance with the Carve-Out Principles, notwithstanding that certain elements of the Carve-Out may be implemented following Completion and that employment relationships relating to the Fiber Cement Business will continue to exist after Completion for administrative, legal or statutory reasons, provided that the relevant employees have ceased performing services for the Fiber Cement Business and are subject to an irrevocable release from their Fiber Cement Business duties. The existence of such continuing employment relationships shall not in itself prevent or delay the qualification of the Carve-Out as complete for the purposes of this agreement.
- 9.8 The principles setting out how the Carve-Out should be implemented are included in Schedule 15 (such principles, the **Carve-Out Principles**). The Sellers shall after the Signing Date and until Completion submit any changes to the Carve-Out Principles that could adversely affect or delay completion of the Carve-Out for the Purchaser's approval in accordance with clause 6.2.
- 9.9 The Sellers shall, and shall ensure that the Group Companies shall, use reasonable efforts to finalize such steps of the Carve-Out prior to Completion that can reasonably be finalized prior to Completion. The Sellers shall keep the Purchaser reasonably informed of the progress of the Carve-Out on a regular (at least monthly) basis. Subject to applicable law, including competition laws, the Sellers shall keep the Purchaser reasonably informed of the process in relation to employees concerned by the Carve-Out and, latest ten (10) Business Days prior to the Completion Date provide the Purchaser with the number and material details, on an anonymized basis, of any employees of the Group Companies who prior to the Signing Date were exclusively or predominantly allocated to the Fiber Cement Business, and, as of the expected Completion Date have been (re)allocated to the Business.
- 9.10 Without prejudice to clauses 9.9 and 9.16, if and to the extent any step of the Carve-Out is not finalized prior to Completion,
- (a) the Sellers shall provide the Purchaser five (5) Business Days prior to Completion with (i) a good faith overview of the status of the Carve-Out and any outstanding Carve-Out steps; and

- (b) the Purchaser shall, and shall procure that the Group Companies shall, finalize such Carve-Out steps as soon as reasonably possible after Completion, in accordance with the Carve-Out Principles. The Purchaser shall, after Completion, submit any deviations from the Carve-Out Principles for the Sellers' approval.

- 9.11 Subject to clauses 9.12, 9.13 and 9.15, any costs, expenses or other liabilities incurred by the Purchaser or the Group Companies in relation to the Purchaser's obligations under clause 9.10(b) (including in relation to any professional advisers, third party contractors or regulatory processes required to implement the Carve-Out) as well as any other costs, expenses or fees made by the Purchaser or the Group Companies in connection with the Carve-Out itself that have been pre-agreed with the Sellers in writing (in each case, if subject to approval, to the extent approved by the Sellers) (together the **Carve-Out Costs**) shall be for the account of the Sellers who shall reimburse such Carve-Out Costs to the Purchaser or, if so designated by the Purchaser, the relevant Group Company, within ten (10) Business Days following a notification, including a copy of corresponding proper invoices, from the Purchaser or the relevant Group Company evidencing that such Carve-Out Costs have been incurred. The Sellers shall indemnify and hold the Purchaser and, as of Completion, the Group Companies harmless from and against any and all losses, damages, liabilities, claims, costs, expenses, Taxes, interest, penalties and fees (whether known or unknown at the Signing Date) arising as a result of or in relation to the Fiber Cement Business, the operation of the Fiber Cement Business prior to Completion or the Carve-Out Costs, for the avoidance of doubt, excluding any loss of Fiber Cement Business profits or any other losses or claims on the basis that, as contemplated by clause 9.7, the Fiber Cement Business is not part of the Transaction perimeter and/or the Group Companies. For the avoidance of doubt, Carve-Out Costs shall include (a) any severance, termination or incentive payments and (b) any ongoing wages, benefits, social security contributions and employer overheads for retained but idled Fiber Cement Employees, provided that (i) Purchaser and/or the Group Companies do not amend those severance, termination or incentive payments already agreed prior to Completion and, on a per employee basis, the severance, termination and incentive payments agreed post Completion do not materially exceed the level of similar payments agreed prior to Completion; and (ii) any ongoing wages, benefits, social security contributions and employer overheads are not amended after Completion, in each case of (i) and (ii), save as, mandatorily foreseen in (x) the relevant employment terms as at Completion, (y) applicable law, or (z) court order.
- 9.12 The Sellers shall not be liable under the obligation of the Sellers to reimburse the Carve-Out Costs or the indemnity as referenced in clause 9.11 in relation to losses, damages, liabilities, claims, costs, expenses, Taxes, interest, penalties or fees or otherwise to the extent that these have been taken into account in the Final Completion Accounts and have resulted in a corresponding reduction of the Purchase Price.
- 9.13 To the extent any severance payments and other employee-related termination and incentive payments in relation to the Carve-Out are made or any Carve-Out Costs incurred after Completion, the Purchaser shall, and shall ensure that the Group Companies shall, minimize these payments to those required to complete the Carve-Out in accordance with the Carve-Out Principles and the overview provided by the Sellers pursuant to clause 9.10(a). The Purchaser shall, and shall ensure that the Group Companies shall, make reasonable efforts to mitigate all Carve-Out Costs.
- 9.14 Any cash, receivables or other funds held by the Group Companies as at the Effective Time or received by the Purchaser or any Group Company thereafter, in each case in relation to the Fiber Cement Business or the Carve-Out (for example, but not limited to, a purchase price for the Meppen Property or any other Fiber Cement Assets, provided that paragraphs 1.3 and 1.4 of Part 4 of the Carve-Out Principles shall apply with respect to any proceeds of the sale and transfer of the Meppen Property post-Completion), shall be for the account of the Sellers and the Purchaser shall, and shall procure that the Group Companies shall, after the Effective Time forward any respective amounts received, less any Tax suffered on the proceeds and any Carve-Out Costs incurred by the Purchaser or the relevant Group Company, to the Sellers within ten (10) Business Days of receipt by the Purchaser or the relevant Group Company, as the case may be, except to the extent such amounts have been taken into account in the Final Completion Accounts and have resulted in a corresponding increase of the Purchase Price. The Parties shall be entitled to set off amounts payable to the relevant other Party under this clause 9.14 against amounts payable by such other Party under clause 9.11, if and to the extent such claims have been acknowledged by all Parties or finally confirmed by a competent court or arbitration tribunal.
- 9.15 If following Completion the Purchaser or any Group Company anticipates incurring or will incur any Carve-Out Costs not explicitly provided for in the Carve-Out Principles or the

overview provided by the Sellers pursuant to clause 9.10(a) that individually exceed an amount of EUR 50,000 or in the aggregate an amount of EUR 500,000, the Purchaser shall:

- (a) as soon as reasonably practicable, and in any event prior to incurring such Carve-Out Costs (save in urgent circumstances where prior notification is not reasonably practicable, in which case as soon as practicable thereafter), notify the Sellers in writing of the anticipated nature and amount of such Carve-Out Costs, together with such supporting information as is reasonably available to the Purchaser; and
- (b) not incur and procure that no Group Company incurs, any such Carve-Out Costs without having first obtained the prior written approval of the Sellers. The Sellers shall be deemed to have objected to any Carve-Out Costs in respect of which they have not provided a written response within ten (10) Business Days of receipt of the Purchaser's written notification pursuant to clause 9.15(a).

9.16 Without prejudice to the Purchaser's obligations under clauses 9.10 through 9.15 (in each case including), if and to the extent the Carve-Out has not been finalised prior to Completion, the Purchaser shall, and shall procure that the Group Companies shall, conduct and implement the Carve-Out in accordance with the Carve-Out Principles, to the extent applicable, paragraph 1 of Part 4 of the Carve-Out Principles:

- (a) the Purchaser shall not, and shall procure that no Group Company shall deviate from, modify or supplement the Carve-Out Principles without the Sellers' prior written consent;
- (b) the Purchaser shall not, and shall procure that no Group Company shall, without the Sellers' prior written consent (not to be unreasonably withheld, conditioned or delayed) settle, compromise or otherwise resolve any claim, action or proceeding relating to any Fiber Cement Asset, Fiber Cement Agreement or Fiber Cement Employee;
- (c) notwithstanding clause 9.16(b), the Purchaser and the Group Companies shall be entitled to take any action in respect of any Fiber Cement Asset, Fiber Cement Agreement or Fiber Cement Employee without the Sellers' prior consent to the extent that: (i) such action is necessary to comply with applicable law or to prevent or mitigate a material and imminent risk of harm to any person or property, provided that the Purchaser shall notify the Sellers in writing of such action as soon as reasonably practicable thereafter; (ii) such action consists solely of administrative steps expressly contemplated by the Carve-Out Principles; or (iii) such action is expressly required by an Authority pursuant to a binding order, decision or regulation, provided that the Purchaser shall provide the Sellers with prompt written notice of any such requirement;
- (d) the Purchaser shall keep the Sellers informed of the progress of the Carve-Out on a regular basis and shall promptly notify the Sellers in writing: (i) of any material development, claim, dispute or circumstance that could adversely affect or delay the completion of the Carve-Out or give rise to any Carve-Out Costs; and (ii) of any communication received from any Authority in connection with any Fiber Cement Asset, Fiber Cement Agreement, Fiber Cement Employee or the Carve-Out.

IP Licence

9.17 The Seller shall procure that James Hardie Technology Ltd. will from Completion (in a license agreement to be agreed in good faith, without warranty of any kind) grant to the Group Companies a non-exclusive, irrevocable, fully paid-up, non-transferable, perpetual license over the Intellectual Property Rights set forth in Schedule 18 (the **Licensed IP**) "as is", solely for the manufacture, sale, and distribution of products distributed, manufactured or sold by the Business as at the Completion Date or contemplated pursuant to the product roadmap set forth in VDR 1.5.1, page 25 (the **Roadmap**), whether on a standalone basis or as part of systems existing as of the Completion Date or per the Roadmap containing fibre gypsum and cement-bonded products (but excluding any fiber cement products), solely within Europe, the Middle East and Africa (the **License**).

9.18 Within the same scope as the License, but excluding products contemplated per the Roadmap, the Seller undertakes, and shall procure that James Hardie Technology Ltd. or its successor will undertake, to not assert or bring any claims against the Group Companies

based on any other Intellectual Property Rights owned by it as at the Completion Date and not forming part of the Licensed IP (the **Non-Assert Covenant**) solely within Europe, the Middle East and Africa. For clarity, neither the License nor the Non-Assert Covenant extend to or cover any fiber cement products.

- 9.19 The Group Companies may sublicense the Licensed IP solely to: (a) affiliates; (b) subcontractors (to the extent necessary to perform services for the Group Companies); and (c) customers (to the extent necessary to use, install, and integrate products distributed, manufactured or sold by the Business as at the Completion Date or contemplated per the Roadmap and purchased from the Group Companies). The Non-Assert Covenant shall extend to the same persons mentioned in (a) to (c) provided their actions fall within the scope of the Non-Assert Covenant (for the avoidance of doubt, excluding products contemplated per the Roadmap). The License and the Non-Assert Covenant may only be transferred in connection with a sale of the Business, in whole or in part, or an internal corporate restructuring.
- 9.20 Seller Group shall have no obligation to maintain, prosecute, enforce, or defend any Licensed IP. However, if the Seller Group intends to allow any Licensed IP to lapse, it shall provide advance notice, and the Group Companies may thereafter maintain such rights at their own expense.

Employee & Leadership Retention Protections

- 9.21 Post-Completion, the Purchaser shall:
- (a) continue the employment of all transferring employees of the Business on terms and conditions which, in the aggregate, are materially no less favorable than those applicable immediately prior to Completion;
 - (b) comply with all applicable terms and conditions under the agreements with all transferring employees of the Business, in each case for a period of not less than twenty-four (24) months following Completion; and
 - (c) procure that the relevant Group Companies within the later of (i) fifteen (15) Business Days or (ii) regular payment cycle pay to their employees the monies owed to them under the Incentive and Retention Programs, any transaction bonus payable under the Transaction Bonus Programs implemented as at and payable upon occurrence of Completion as well as any amounts payable under the One-Time Benefits, in accordance with the terms of the applicable Incentive and Retention Programs, Transaction Bonus Programs and One-Time Benefits. Each employee referenced in (c) shall be, from and after Completion, an express third-party beneficiary, solely with respect to this clause 9.21(c), and shall be able to enforce such provisions with respect to its individual payment as though such individual were a party to this agreement, unless the respective employee already has a direct payment claim against any of the Group Companies under the relevant Incentive and Retention Programs, the Transaction Bonus Program or One-Time Benefit, as applicable. For the avoidance of doubt, the Sellers shall also have the right, on their own behalf and on behalf of the individuals referenced in the preceding sentence, to enforce this clause 9.21(c) and pursue and recover damages against Purchaser in the event of Purchaser's breach of this clause 9.21(c), provided that the Sellers shall, for the avoidance of doubt, not be able to claim for any payment already paid to the employees, and *vice versa*. The Sellers shall notify the Purchaser in good faith of the expected amount accruing as at the expected Completion Date under the Incentive and Retention Programs, the Transaction Bonus Programs and One-Time Benefits as close as reasonably practicable to, but no later than ten (10) Business Days before, the Completion Date. The Parties shall in good faith discuss and agree on a paying agent agreement in respect of the Incentive and Retention Programs, the Transaction Bonus Programs and the One-Time Benefits in due time prior to Completion, to the extent required. To the extent required and in consultation with the Purchaser as to the exact amount, the Sellers shall prior to Completion provide the Group Companies with sufficient cash to settle the relevant obligations under the applicable Incentive and Retention Programs, Transaction Bonus Programs and One-Time Benefits in accordance with this agreement.
- 9.22 The monies payable by the Group Companies after Completion pursuant to clause 9.21(c) to employees under any Incentive and Retention Programs, Transaction Bonus Programs and

One-Time Benefits shall be for the account of the Sellers. To the extent such obligation or monies are not included in the Final Completion Accounts (as provisions or otherwise), the Sellers shall reimburse the remaining amount (on a gross basis) to the Purchaser or upon request of the Purchaser, the relevant Group Companies, within 5 (five) Business Days after a request to do so from the Purchaser and after receipt of proof of payment. Notwithstanding the foregoing and without double counting, the Sellers shall indemnify the Purchaser and the Group Companies for all costs incurred by them in fulfilling the obligations in clause 9.21(c), including the payment of wage Tax as well as social security contributions, in each case on a gross basis, in each case unless taken into account in the Final Completion Accounts. For the avoidance of doubt, Sellers shall only be liable for the same monies payable once under this agreement (including clauses 9.11 and 9.22).

9.23 The Purchaser shall use reasonable efforts to retain the Key Employees for a minimum period of twenty-four (24) months following Completion through the arrangements set out in clauses 9.21 and 9.24, provided that the Purchaser shall be entitled to terminate the employment or engagement of the Key Employees for good cause. During such period, Purchaser shall not materially reduce:

- (a) base compensation;
- (b) annual incentive opportunity;
- (c) long-term incentive opportunity;
- (d) pension benefits;
- (e) only in relation to such Key Employees on the level ESLT (*Executive Leadership Team*) or EULT (*European Senior Leadership Team*) and European country managers of the Group Companies, reporting level;
- (f) only in relation to such Key Employees on the level ESLT (*Executive Leadership Team*) or EULT (*European Senior Leadership Team*) and European country managers of the Group Companies, principal responsibilities,

provided that the Purchaser may make changes to the items in clause 9.23(e) and/or clause 9.23(f) (i) in accordance with its customary integration and existing HR practice and subject to such change being reasonable given the integration of the Business and the Group Companies (and such employees) into the structure and governance of the Purchaser Group, (ii) subject to approval of the President of the Business, Christian Claus or his successor, and, in each case only with the relevant Key Employee's specific agreement, should this be required by their individual employment terms or statutory applicable law.

9.24 The Purchaser acknowledges the importance of management continuity and shall maintain or implement retention arrangements for certain Key Employees substantially equivalent in economic value to those currently in place.

9.25 The Purchaser shall not, during the first twelve (12) months following Completion, implement any group-wide restructuring program resulting in involuntary termination of more than ten percent (10%) of the workforce of the Business, except (i) where required by applicable law or agreed with applicable employee representative bodies, or (ii) in the case of significant changes in market conditions in which the Business operates that make the restructuring reasonably required.

9.26 The Purchaser shall recognize all prior service with the Group Companies for purposes of severance, pension, vacation entitlement and other employment-related benefits.

9.27 The Purchaser shall, at Completion, procure that the Group Companies purchase or otherwise arrange directors' and officers' run-off liability insurance (the "**D&O Run-Off Policy**") from a reputable insurer for the benefit of all persons who are or were, at any time prior to Completion, directors, managing directors, officers or supervisory board members of any Group Company (the "**D&O Beneficiaries**") up to a limit of liability of EUR 40,000,000. The D&O Run-Off Policy shall:

- (a) provide coverage for a period of six (6) years following Completion in respect of all acts, omissions, matters, events and circumstances occurring or alleged to have

occurred prior to Completion (including any claims made or threatened during such period arising out of such acts, omissions, matters, events or circumstances);

- (b) be on terms, conditions, retentions and limits that are materially no less favourable in the aggregate to the D&O Beneficiaries than those provided under the directors' and officers' liability insurance maintained by or on behalf of the Group Companies immediately prior to Completion; and
 - (c) name each Group Company as additional insured to the extent required to permit the continuation of indemnification obligations to the D&O Beneficiaries following Completion.
- 9.28 The cost of procuring the D&O Run-Off Policy shall be borne by the Purchaser. No Party shall take any action, and the Purchaser shall procure that no Group Company takes any action, that would reasonably be expected to prejudice, limit or restrict the coverage afforded by the D&O Run-Off Policy.
- 9.29 Between the Signing Date and Completion, the Sellers shall obtain an offer for a cyber insurance run-off policy for the benefit of the Group Companies from a reputable insurer and provide a copy of such offer to the Purchaser for its consideration to take out such insurance with effect from Completion.

Retained use of Business Trademarks

- 9.30 Subject to clause 9.31 and clause 9.32, the Sellers shall not use, and shall procure that their Affiliates shall not use, at any time after Completion, directly or indirectly:
- (a) any Business Trademarks; or
 - (b) in the jurisdictions in which the Group Companies are operationally active on the Signing Date and in which the relevant Business Trademark is registered, any word or device which is confusingly similar to the relevant Business Trademarks.
- 9.31 Within sixty (60) Business Days of the Completion Date, the Sellers shall procure that all references to the Business Trademarks and any other wording or signs that suggest any continued association with the Group Companies are removed from the websites and all assets owned or used by any member of the Seller Group (including products, packaging, marketing materials, business stationery, vehicles and premises). Notwithstanding anything to the contrary, the Seller Group shall not be obligated to remove from its website any materials filed with or furnished to any stock exchange or similar regulatory body, or similar investor materials and other public filings and corporate communications, in each case that relate to periods prior to Completion.
- 9.32 With effect from Completion, the Purchaser hereby grants, and shall procure that each relevant Group Company grants, to each member of the Seller Group a non-exclusive, royalty-free, irrevocable, perpetual and worldwide licence to use the Business Trademarks solely for non-commercial purposes (including descriptive and referential use), including to describe the historical business and activities of the Seller Group in the annual reports, regulatory and stock exchange filings, investor materials and other public filings and corporate communications of any member of the Seller Group, in each case whether such use is by a member of the Seller Group directly or through its agents, advisers or contractors acting on its behalf.

Restriction on use and removal of Seller Group names and marks

- 9.33 Subject to clause 9.34 through and including clause 9.40, the Purchaser shall not use, and shall procure that its Affiliates shall not use, at any time after Completion, directly or indirectly:
- (a) any company or trading name, domain name, logo or trade or service mark (whether registered or unregistered) which includes the words "James Hardie" or "Hardie" or is owned by the Seller Group at Completion (together, **Seller Group Names and Marks**); or
 - (b) any word or device which is confusingly similar to the Seller Group Names and Marks.

- 9.34 The Parties acknowledge and agree that
- (a) any domain names disclosed in the Data Room that include the words "James Hardie" or "Hardie" (the **Excluded Domain Names**) may, as at the Signing Date, be registered in the name of one or more Group Companies but form part of or incorporate the Seller Group Names and Marks;
 - (b) the Excluded Domain Names are not intended to remain owned by any Group Company following Completion;
 - (c) the Sellers may procure the transfer, assignment, cancellation, redirection or separation of any Excluded Domain Name to or for the benefit of a member of the Seller Group or a nominee of a member of the Seller Group at or prior to Completion and that any such action is permitted and does not constitute or result in a breach of clauses 6.1 or 6.2, any Seller Warranty or any other provision of this agreement, and does not give rise to any Claim, Seller Warranty Breach, adjustment to the Purchase Price or other remedy or right of the Purchaser;
 - (d) the Excluded Domain Names are not Business IPR, Owned Business IPR or Owned Registered IPR and are not assets necessary for the continuation of the Business;
- 9.35 if any Excluded Domain Name remains registered in the name of a Group Company at Completion, the Purchaser shall procure that the relevant Group Company promptly transfers or assigns it to the Sellers or their nominee (including a member of the Seller Group designated by the Sellers) at the cost of the Sellers; and pending such transfer or assignment, the Purchaser shall procure that no Group Company uses or permits the use of that Excluded Domain Name, except with the prior written agreement of the Sellers.
- 9.36 Within sixty (60) Business Days of the Completion Date, the Purchaser shall procure that, other than for Video Assets:
- (a) all references to the Seller Group Names and Marks and any other wording or signs that suggest any continued association with the Seller Group are removed from the Group Companies' websites and all digital assets owned or used by any Group Company;
 - (b) any Group Company whose corporate name includes the words "James Hardie" (or any word which is confusingly similar) (i) duly files an application with the relevant commercial register regarding a change of its corporate name to remove the words "James Hardie" (or any word which is confusingly similar) and (ii) changes its corporate name to remove any references to "James Hardie" or "Hardie" (or any word which is confusingly similar to either); and
 - (c) each Group Company ceases to use any domain name that includes the words "James Hardie" or "Hardie" (or any word which is confusingly similar to either).
- 9.37 Within ninety (90) Business Days of the Completion Date, the Purchaser shall procure that:
- (a) all Video Assets are removed from the Group Companies' websites and all digital assets owned or used by any Group Company; and
 - (b) the Group Companies shall cease to actively upload, post, or publish all Seller Group Names and Marks appearing in any video assets (including recorded training materials, product demonstration videos, archived marketing videos and similar audio-visual content),
- it being understood that none of the obligations in clause 9.33, clause 9.36 and/or this clause 9.37 shall require the Purchaser to remove, edit or replace any Seller Group Names and Marks appearing in video assets (including recorded training materials, product demonstration videos, archived marketing videos and similar audio-visual content) that are not (cumulatively) (i) Video Assets and (ii) actively used for commercial or marketing purposes.
- 9.38 Within six (6) months of the Completion Date, the Purchaser shall procure that all references to the Seller Group Names and Marks and any other wording or signs that suggest any continued association with the Seller Group are removed from the Group Companies' assets

not referenced in clause 9.36 (including products, packaging, marketing materials, business stationery, vehicles and premises).

- 9.39 Pending the removal, name change or cessation referenced in clause 9.34 and clause 9.38, each Group Company may continue during the applicable removal term its pre-existing use of the Seller Group Names and Marks on its websites and assets and in its name or domain names, and the Sellers (for itself and on behalf of the Seller Group) grants to each Group Company a non-exclusive and royalty-free licence to do so.
- 9.40 The Purchaser and the Group Companies shall be entitled to continue to sell, distribute and otherwise dispose of products in packaging bearing the Seller Group Names and Marks that (i) formed part of the existing stock of the Group Companies as at Completion, or (ii) was, as at Completion, already ordered from or in production by a third party manufacturer or supplier on behalf of any Group Company, in each case until such stock is exhausted and the Sellers (for themselves and on behalf of the Seller Group) grant to each Group Company a non-exclusive and royalty free licence to do so, provided that the Purchaser shall not, and shall procure that no Group Company shall, manufacture, order or otherwise procure any new packaging bearing the Seller Group Names and Marks after Completion.
- 9.41 With effect from Completion, the Sellers hereby grant, and shall procure that each relevant member of the Seller Group grants, to the Group Companies a non-exclusive, royalty-free, irrevocable, perpetual and worldwide licence to use the mark "James Hardie" solely for non-commercial purposes (including descriptive and referential use), including to describe the historical business and activities of the Group Companies in the annual reports, regulatory and stock exchange filings, investor materials and other public filings and corporate communications of any member of the Group Companies, in each case whether such use is by a member of the Group Companies directly or through its agents, advisers or contractors acting on its behalf.
- 9.42 If the Sellers become aware of any specific instance of non-compliance by the Purchaser or any Group Company with the obligations set out in clause 9.34 and/or clause 9.38, the Sellers shall promptly notify the Purchaser in writing of such instance, identifying the non-compliance in reasonable detail, and the Purchaser shall, or shall procure that the relevant Group Company shall, remedy such non-compliance within five (5) Business Days following receipt of such notice, provided that such remedy shall not require the recall, withdrawal or replacement of any products bearing the Seller Group Names and Marks that have already been sold, distributed or placed on the market prior to the end of the Business Day immediately following receipt of such notice.

Specific Tax Indemnity

- 9.43 Subject to clause 9.45 and subject to Completion and notwithstanding any information disclosed, the Sellers shall indemnify the Purchaser (or, at the Purchaser's election, the relevant Group Company) on a euro-for-euro basis against:
- (a) any VAT pertaining to time periods prior to Completion assessed against a Group Company by the German Tax Authority in relation to or in connection with the VAT treatment and VAT handling of supplies involving permanent establishments as described in the letter dated 9 August 2023 by KPMG AG Wirtschaftsprüfungsgesellschaft to the German Tax Authorities and the VAT treatment and handling of supplies following the same fact pattern prior to Completion (irrespective of such supplies were performed prior to or after the date of the aforementioned letter), including any such VAT arising out of the discussions ongoing with the competent Tax Authority as at the Signing Date and Fairly Disclosed in the Disclosed Information (each, a **Relevant VAT Exposure**);
 - (b) any penalties, surcharges and interest imposed by the German Tax Authority on a Group Company attributable to or associated with a Relevant VAT Exposure; and
 - (c) any reasonable external and internal costs incurred by the Purchaser or a Group Company after Completion in connection with the Relevant VAT Exposure and any measures to mitigate, reduce or avoid such Relevant VAT Exposure (including, but not limited to the costs caused by collecting additional information from the relevant customer, discussions with the respective customers which are directly attributable to the Relevant VAT Exposure, correcting invoices and VAT reporting and otherwise

remediating the Relevant VAT Exposure at Group Company level and by discussing the Relevant VAT Exposure with the competent Tax Authority),

(each, a Specific Tax Indemnity Claim). The Parties agree that a Specific Tax Indemnity Claim can be notified by the Purchaser to the Sellers as soon as the respective Tax assessment notice leading to a Relevant VAT Exposure is issued by any Tax Authority and that the statute of limitations with respect to the Specific Tax Indemnity Claim pursuant to Section 3:307, paragraph 1, of the DCC is suspended by the notice until six (6) months after the Tax assessment became final and binding. However, (i) a Specific Tax Indemnity Claim pursuant to clauses 9.43(a) and 9.43(b) becomes due and payable once it can, based on the facts and circumstances of the individual case, reasonably be expected that the Tax assessment notice cannot successfully be challenged, at the latest when the respective Tax assessment notice becomes binding and (ii) a Specific Tax Indemnity Claim pursuant to clause 9.43(c) becomes due and payable ten (10) Business Days after the respective costs to be compensated have been incurred and notified by the Purchaser to the Sellers (with respective evidence).

- 9.44 If any Specific Tax Indemnity Claim for which a payment pursuant to clause 9.43 has been made is subsequently reduced either (i) by payment by or credit from a German Tax Authority or (ii) by payment by or credit from a customer, in each case of German VAT, such reduction shall be reimbursed by the Purchaser to the Sellers within ten (10) Business Days after such reduction has become effective. The Purchaser shall within ten (10) Business Days notify the Sellers in reasonable detail of such reduction and any interest related thereto. For the avoidance of doubt, neither the Purchaser nor any Group Company is obliged to contact any customer or pursue any rights towards a customer in order to obtain a payment or credit regarding German VAT that would qualify as a reduction under this clause 9.44.
- 9.45 The Sellers' aggregate liability for all Specific Tax Indemnity Claims pursuant to clause 9.43(a) through and including clause 9.43(c) shall not exceed EUR 7,500,000 (the Original VAT Cap). On the day following each anniversary of the Completion Date for the four (4) years following Completion, the Original VAT Cap shall be reduced by the lower of (i) 25% of the Original VAT Cap and (ii) 25% of the Original VAT Cap less the aggregate amount of Specific Tax Indemnity Claims (i) that have been notified but not yet finally resolved and (ii) that already have been paid.
- 9.46 The Purchaser shall, and shall procure that each relevant Group Company shall, use reasonable efforts towards customers if and to the extent that information from the customers is required to substantiate the underlying customer invoices vis-à-vis the competent Tax Authority.
- 9.47 Paragraphs 6 and 7 of Schedule 9 shall apply *mutatis mutandis* with respect to VAT assessments leading to a Relevant VAT Exposure.
- 9.48 A Specific Tax Indemnity Claim pursuant to clause 9.43 shall be excluded, if and to the extent such Specific Tax Indemnity Claim arises or is increased as a direct result of the Purchaser not complying with its obligations under paragraphs 6 and 7 of Schedule 9, provided and to the extent that the Sellers prove that the non-compliance caused or increased the respective Specific Tax Indemnity Claim. If and to the extent, (i) the relevant Tax assessment notice, decision against an appeal or decision of a fiscal court becomes final and binding due to the expiration of the period for filing an appeal or for initiating court proceedings and if the respective Tax assessment notice, decision against an appeal or decision of a fiscal court has not been received by the Sellers at least ten (10) Business Days prior to the expiration of such period, (ii) the Purchaser has not followed a relevant instruction given by the Sellers in accordance with paragraphs 6 or 7 of Schedule 9, or (iii) the relevant Tax Return was filed without the consent of the Sellers, a payment obligation of the Sellers with respect to the Specific Tax Indemnity Claim with which such non-compliance under (i) through (iii) is excluded unless and to the extent the Purchaser proves that the non-compliance has neither caused nor increased the respective Specific Tax Indemnity Claim.

10 Seller Warranties and breaches

Seller Warranties

- 10.1 The Sellers warrant (*garandeert*) to the Purchaser that, subject to clauses 10.3 and 10.4, each of the Seller Warranties is true and accurate on the Signing Date and that each of the Fundamental Warranties is true and accurate on the Completion Date. Other than the

Fundamental Warranties (unless specifically set out therein), all Seller Warranties are given subject to Sellers' Knowledge.

- 10.2 The Parties acknowledge and agree that the Seller Warranties constitute an express allocation of risk between the Purchaser and the Sellers. The Purchaser confirms that when entering into this agreement it did not rely on any warranty or statement other than the Seller Warranties.
- 10.3 The Sellers shall not be liable for any Seller Warranty Breach where the subject matter giving rise to such Seller Warranty Breach has been Fairly Disclosed. The Sellers shall not be liable for any forecasts, estimates, interpretations, analysis, projections, statements of intent or statements of opinion provided to the Purchaser or its advisers, whether or not part of the Disclosed Information.
- 10.4 The Purchaser confirms that:
- (a) it has completed the Due Diligence Investigation to its satisfaction prior to the Signing Date, with the assistance of legal, financial, tax and other professional advisers;
 - (b) it and its advisers have posed all such questions as the Purchaser and its advisers thought relevant in relation to the Group Companies and the Business; and
 - (c) the Sellers have provided all information and assistance requested by the Purchaser or its advisers in the Due Diligence Investigation.

Seller Warranty Breach

- 10.5 In the event of a Seller Warranty Breach, the Sellers shall, following Completion, subject to the limitations set out in this agreement, in particular clauses 12.3 and 12.4, pay to the Purchaser or, at the Purchaser's sole discretion, the relevant Group Company, an amount equal to the amount of loss or damage (*schade*) within the meaning of section 6:96 et seq. of the DCC suffered by the Purchaser or the Group Companies as a result of such breach, provided, however, that the Sellers shall in no event be liable for any loss of profits or consequential, indirect or punitive damage suffered by the Purchaser or any of the Group Companies resulting from a Seller Warranty Breach (**Damage**).
- 10.6 The sole remedy of the Purchaser for a Seller Warranty Breach shall be an action for Damages and the Damage shall be calculated on a euro-for-euro basis without applying any multiple or taking into account any other valuation principles which formed the basis for the Purchaser in calculating the Purchase Price.
- 10.7 Three (3) Business Days before the Completion Date, for purposes of the W&I Insurance only (which W&I Insurance may cater for a synthetic repetition of the Seller Warranties as of Completion, whereas the Seller Warranties (other than the Fundamental Warranties) under this agreement are only given as of the Signing Date), the Sellers will deliver to the Purchaser either:
- (a) a written notice confirming that Chris Russell and Niamh Lynch have no actual knowledge of any matters, events and circumstances that occurred after the Signing Date and which would render untrue or incorrect any of the Fundamental Warranties or any of the other Seller Warranties had they have been given as of the Completion Date or of a claim under the Tax Covenant at that date which is not already disclosed in the Disclosed Information, or
 - (b) a disclosure letter disclosing such matters, events and circumstances that occurred after the Signing Date of which Chris Russell and Niamh Lynch have actual knowledge and which would render untrue or incorrect any of the Fundamental Warranties or the other Seller Warranties had they have been given as of the Completion Date, or result in a claim under the Tax Covenant (the **Completion Disclosure Letter**).

For the avoidance of doubt, in no event shall any disclosure made in the Completion Disclosure Letter or any matters, events and circumstances that occurred after the Signing Date constitute or give right to a Claim against Sellers for a Seller Warranty Breach.

11 Conduct of claims

Claim Notice

- 11.1 The Purchaser shall as soon as practicable after it or any member of the Purchaser Group becomes aware of a Claim or any matter or circumstance that will or may give rise to a Claim, give written notice to the Sellers (**Claim Notice**). The Claim Notice must contain all the details of such Claim or the matter or circumstance that will or may give rise to a Claim to the extent available to the Purchaser, including (if practicable) the Purchaser's estimate of the amount of the Claim, an indication as to whether any insurance cover or third party recourse may be available to any Group Companies in relation to the matter or circumstance giving rise to the Claim as well as any other information then available to the Purchaser to enable the Sellers to assess the merits of the Claim.

Failure to give Claim Notice

- 11.2 If the Purchaser fails to give the Claim Notice within fifteen (15) Business Days after it or the relevant member of the Purchaser Group becomes aware of a Claim or any matter or circumstance that will or may give rise to a Claim in accordance with clause 11.1, this shall not affect the rights of the Purchaser to make a relevant Claim except that the failure shall be taken into account in determining the liability of the Sellers for such Claim if and to the extent the Sellers were prejudiced by the failure to give timely notice.
- 11.3 A Seller Warranty Breach becomes due and payable when the Claim is granted by the competent arbitration court in accordance with clause 20.3 or when such Claim has been settled by the relevant Parties.
- 11.4 Upon receiving notification of a Claim or any matter or circumstance potentially giving rise to a Claim notified pursuant to clause 11.1, the Purchaser shall:
- (a) allow the Sellers or their representatives access to books, records and to such personnel of the Purchaser Group as the Sellers may reasonably request to investigate the Claim upon reasonably advance notice; and
 - (b) disclose to the Sellers or their representative all information and documents relevant to the Claim unless such information and/or documents are commercially sensitive in nature.

Third Party Claims

- 11.5 If any Claim or any matter or circumstance potentially giving rise to a Claim (in each case, other than in relation to Seller Warranty Breaches (with the exception of Fundamental Warranties) and under the Tax Covenant) relates to a claim by a third party in or out of court (**Third Party Claim**), the Sellers may within one month after having been notified by the Purchaser, by a written notice to the Purchaser, at their own expense take over the conduct of the Third Party Claim, provided and to the extent they unconditionally accept full (subject to any limitations set out in this agreement) liability for the underlying Claim towards the Purchaser and – if and to the extent the Third Party Claim is finally decided in favour of the third party (unless reimbursement is otherwise provided for in this agreement in which case no such final decision is required) – for any reasonable costs and expenses (including adviser fees) made by the Purchaser Group in relation to the Third Party Claim prior to Sellers taking over the conduct of the Third Party Claim. If the Sellers take over the conduct, then
- (a) the Purchaser shall, and shall ensure that the Purchaser Group shall:
 - (i) leave the conduct of the Third Party Claim entirely to the Sellers, provided that they shall (A) keep the Purchaser informed on all material developments in relation to the relevant Third Party Claim, (B) promptly forward or procure to be forwarded to the Purchaser copies of all material correspondence and other written communications with the counterparty or its advisers relating to the Third Party Claim and (C) consult with the Purchaser on the strategy and direction of their defence on a regular basis and take reasonable account of the views of the Purchaser when determining such strategy and direction; and

- (ii) give the Sellers all assistance necessary to conduct the Third Party Claim on its behalf, or on behalf of the relevant member of the Purchaser Group, including by granting powers of attorney; and
 - (b) to the extent that a Third Party Claim alleges any wrongdoing or criminal acts of any Group Company or otherwise results in reputational risk for any Group Company, the Sellers shall not make any admissions in relation to the relevant Third Party Claim and the Third Party Claim shall not be compromised, disposed of or settled without the Purchaser's prior written consent.
- 11.6 Unless and until the Sellers have issued a notice pursuant to clause 11.5, the Purchaser shall have the right to settle, at its own expense and with its own professional advisers, any Third Party Claim, provided no settlement is made without the Sellers' prior written consent (such consent not to be unreasonably withheld or delayed). Such consent is a condition to the Sellers' liability for any Claim in connection with a Third Party Claim and its settlement

12 Limitations on Sellers' liability

Financial thresholds

- 12.1 The Sellers shall not be liable for any Claim, except, subject to clause 12.2, for a Claim under the Fundamental Warranties, unless:
- (a) the amount of the individual Damage exceeds 0.1% of Purchase Price; and
 - (b) the aggregate amount of all Damages from all such Claims exceeding the threshold in clause 12.1(a) above exceeds 1% of the Purchase Price,
- in which case the Sellers' liability shall (subject to clauses 12.3 and 12.4) be for the whole of the amount and not just the excess.
- 12.2 The Sellers shall not be liable for any Claim in respect of the Fundamental Warranties unless the aggregate amount of all Damages from all such Claims under the Fundamental Warranties exceed an amount of EUR 100,000,000 (in words: one hundred million euros) and then only for the excess.

Financial caps

- 12.3 Subject to clause 12.4, the maximum aggregate liability of the Sellers for all Seller Warranty Breaches (other than in the liability of the Sellers for any claim for breaches of the Fundamental Warranties) and under the Tax Covenant (but, for the avoidance of doubt, not for any Specific Tax Indemnity Claim) shall be limited to EUR 1.00.
- 12.4 Subject to clause 12.7, the maximum aggregate liability of the Sellers for all claims for breaches of the Fundamental Warranties shall be limited to the Purchase Price minus EUR 100,000,000.
- 12.5 The maximum aggregate liability of the Sellers under this agreement (other than the liability of the Sellers for any claim for breaches of the Fundamental Warranties which is governed by clause 12.4, the liability of the Sellers in relation to reductions of the Purchase Price in accordance with clause 19.7 and in respect of any Specific Tax Indemnity Claim) shall in any event be limited to 15% of the Purchase Price.
- 12.6 The maximum aggregate liability with respect to the Specific Tax Indemnity Claim is set forth in clause 9.45.
- 12.7 The maximum aggregate liability of the Sellers under this agreement shall in any event be limited to 100% of the Purchase Price.

Time limits

- 12.8 The Sellers shall not be liable for a breach of a provision of this agreement, unless the Claim Notice is received by the Sellers:

- (a) if such Seller Warranty Breach relates to the Fundamental Warranties, (i) within three (3) years after the Completion Date;
- (b) if such Seller Warranty Breach relates to the Business Warranties, within twelve (12) months after the Completion Date;
- (c) if such Seller Warranty Breach relates to the Tax Warranties at the earlier of (i) six (6) months after the expiry of the relevant statute of limitations and (ii) seven (7) years after Completion Date;
- (d) if a claim relates to clause 9.43, within four years after Completion.
- (e) if a claim relates to a breach of clause 16, the period ending six (6) months after the earlier of (a) the expiry of the relevant covenant; and (b) the date on which the relevant breach giving rise to the claim became known to the Parties (and in no event later than three (3) years and six (6) months after the Completion Date);
- (f) if a claim relates to a breach of clause 9.11, within three (3) years after Completion and, only with respect to the liquidation and dissolution of James Hardie Fiber Cement Europe GmbH, the earlier of (i) five (5) years after Completion and (ii) three (3) months after liquidation and dissolution of James Hardie Fiber Cement Europe GmbH (provided liquidation and dissolution of James Hardie Fiber Cement Europe GmbH is actively pursued by the Purchaser); and
- (g) for any other breach, within twenty-four (24) months after the Completion Date.

12.9 A Claim shall not be enforceable against the Sellers, unless within ten (10) months of notification pursuant to clause 11.1 either:

- (a) the Claim is settled between the Parties; or
- (b) the Purchaser institutes and pursues legal proceedings in relation to the Claim.

Information and knowledge

12.10 The Sellers shall not be liable for a breach of a provision of this agreement of which the Purchaser had actual knowledge at the Signing Date.

Other exclusions and limitations

12.11 The Sellers shall not be liable in respect of a breach of a provision of this agreement to the extent such breach relates to:

- (a) any act, omission, transaction, or arrangement performed at the request of the Purchaser before Completion or in respect of which the Purchaser has given its prior written consent (or is deemed to have given its prior consent pursuant to clause 6.3);
- (b) any change in law, practice or generally accepted published interpretation of the law after the Completion Date;
- (c) any change in the accounting or taxation policies and practice of the Purchaser or any member of the Purchaser Group after the Completion Date;
- (d) a liability which is contingent only.

12.12 The Purchaser and the Sellers acknowledge and agree that the members of management of the Seller Group have at all times acted solely and exclusively in their respective capacities as officers, employees, directors, agents or advisers of the Group Companies (as applicable), and not in any personal capacity or on their own behalf. No member of management shall have any personal liability whatsoever to the Sellers, the Purchaser or any of their respective Affiliates in connection with this agreement, any transaction document, the negotiation, preparation or execution hereof or thereof, the operation, management or conduct of the Business or any Group Company, any disclosure (or alleged failure to disclose) made or omitted during the Due Diligence Investigation (whether in writing, orally or otherwise), or any

representation, warranty, covenant, undertaking or statement contained herein or therein or otherwise made in connection with the Transaction, except in the case of fraud, intentional misconduct or knowing misrepresentation by such individual.

No claims against management

- 12.13 With effect from Completion, the Purchaser, on behalf of itself and each member of the Purchaser Group (including, for the avoidance of doubt, the Group Companies), hereby irrevocably and unconditionally releases and discharges any (current or former) employee, director, agent, board member, supervisory board member and/or officer of the Sellers or any Affiliates of the Sellers on whom the Purchaser may have relied before agreeing to any term of, or entering into, this agreement or any other Transaction Document (together, the **Seller Released Parties**) from any and all claims, actions, proceedings, demands, rights, liabilities, damages, losses, costs, expenses and obligations of whatsoever nature, whether known or unknown, suspected or unsuspected, accrued or contingent, at law or in equity, which the Purchaser, the Group Companies or any of its Affiliates ever had, now has, or may hereafter have against any of the Seller Released Parties, except in the case of fraud (*bedrog*), intentional misconduct or knowing misrepresentation by such person. Each and every Seller Released Party shall be entitled to enforce this clause 12.13 as an irrevocable third-party stipulation for nil consideration (*onherroepelijk derdenbeding om niet*).
- 12.14 The release set out in clause 12.13 and 12.15 shall not apply to any claim, action, proceeding, demand, right, liability, damage, loss, cost, expense or obligation arising out of, relating to, or in connection with the Transaction or any breach by any Party of its obligations under this agreement or any other document entered into pursuant to or in connection with this agreement.
- 12.15 With effect from Completion, each of the Sellers, on behalf of itself and each member of the Seller Group, hereby irrevocably and unconditionally releases and discharges any (current or former) employee, director, agent or officer of any of the Group Companies on whom the Sellers may have relied before agreeing to any term of, or entering into, this agreement or any other Transaction Document (together, the **Group Company Released Parties**) from any and all claims, actions, proceedings, demands, rights, liabilities, damages, losses, costs, expenses and obligations of whatsoever nature, whether known or unknown, suspected or unsuspected, accrued or contingent, at law or in equity, which either of the Sellers or any of their Affiliates ever had, now has, or may hereafter have against any of the Group Company Released Parties, except in the case of fraud (*bedrog*), intentional misconduct or knowing misrepresentation by such person. Each and every Group Company Released Party shall be entitled to enforce this clause 12.15 as an irrevocable third-party stipulation for nil consideration (*onherroepelijk derdenbeding om niet*).

Tax and reductions

- 12.16 For the purpose of this clause 12.16, the Sellers' liability for any breach of a provision of this agreement shall be (i) calculated on a net after Tax basis and (ii) reduced by:
- (a) any amount already recovered by the Purchaser as part of the adjustment procedure in respect of the Estimated Purchase Price in accordance with clause 8, but only to the extent that such amount already recovered by the Purchaser relates to the same subject matter as the Seller Warranty Breach;
 - (b) any amount recoverable by the Purchaser Group under any insurance policy in force or any amount that would have been recoverable under an insurance policy of a Group Company if such insurance policy in force immediately prior to Completion had been maintained after the Completion Date;
 - (c) any amount for which a provision or reserve for the liability or matter giving rise to the loss or damage has been made in the Accounts; and
 - (d) any relief from, deduction available to or reduction available or accruing to the Purchaser Group in respect of Tax (a **Tax Benefit**) or any other saving or benefit available or accruing to the Purchaser Group and arising by virtue of the Damage in respect of which the Claim is made. The amount of any such Tax Benefit shall be calculated (i) in its full nominal amount if and to the extent it has already arisen for any post Completion Date period by the time the potential Damage claim would become due and payable and (ii) in the amount of its net present value if and to the

extent it arises after such date. Such net present value shall be calculated on the basis of the Tax rate as at the time when the Tax Benefit is reasonably expected to be realized on the basis of the regular business plan of the Purchaser Group established in line with the rules and procedures of drawing up business plans in the Purchaser Group (if not yet known, then the then most recent rate shall apply) and using a discount rate of 5% p.a. but shall only take Tax Benefits into account which are reasonably expected to be realized within six (6) years after Completion.

No double recovery

- 12.17 The Purchaser shall not be entitled to recover from the Sellers more than once in respect of the same Damage suffered.

Mitigation of Damage

- 12.18 The Purchaser shall take all measures and shall procure that all measures are taken by the Group Companies as may be reasonably expected in the circumstances, and that all reasonable assistance is given, to avoid or mitigate any Damage.

Third party recovery

- 12.19 If the Purchaser or any member of the Purchaser Group actually recovers (whether by payment, discount, credit, relief, insurance or otherwise) from a third party a sum which indemnifies or compensates the Purchaser or the relevant member of the Purchaser Group (in whole or in part) in respect of any loss or damage which is the subject matter of a Claim:
- (a) before the Sellers pay an amount in discharge of that Claim, the Sellers' liability in respect of that Claim shall be reduced by the recovered amount (less any reasonable costs incurred in obtaining such recovery); or
 - (b) after the Sellers have paid an amount in discharge of that Claim, the Purchaser shall as soon as practicable notify the Sellers of such recovery and transfer an amount equal to the recovered sum (less any reasonable costs incurred in obtaining such recovery) to a bank account nominated by the Sellers within 5 Business Days of such nomination.
- 12.20 If, before the Sellers pay an amount in discharge of any Claim, the Purchaser or any member of the Purchaser Group is entitled to recover (whether by payment, relief, insurance or otherwise) from a third party a sum which indemnifies or compensates the Purchaser or the relevant member of the Purchaser Group (in whole or in part) in respect of the loss or damage which is the subject matter of the Claim, the Purchaser or the relevant member of the Purchaser Group shall ensure, before steps are taken to enforce a Claim against the Sellers following notification under clause 11.1, that all necessary steps are taken to enforce recovery against the third party while any actual recovery (less any reasonable costs incurred in obtaining such recovery) shall result in reduction of the amount of the Claim.
- 12.21 If the Sellers have paid an amount in discharge of any Claim and the Purchaser or a member of the Purchaser Group subsequently is entitled to recover from a third party, a sum that is directly related to the Claim, the Purchaser or the relevant member of the Purchaser Group shall take all reasonable steps to enforce recovery against the third party concerned, while paying the Sellers an amount equal to the sum actually recovered from the third party (less any reasonable costs incurred in obtaining such recovery).

13 Recourse to W&I Insurance

- 13.1 The Purchaser acknowledges and agrees that:
- (a) its sole recourse in respect of any claim for a Seller Warranty Breach (except for a Claim relating to a breach of the Fundamental Warranties) and under the Tax Covenant (for the avoidance of doubt, also other than in respect of any Specific Tax Indemnity Claim) shall be against the W&I Insurer under the W&I Insurance, and neither the Purchaser nor any member of the Purchaser Group or any of their respective assignees or successors will have any recourse against the Sellers;

- (b) it shall not be entitled to claim against the Sellers if the amount of any claim for a Seller Warranty Breach (except for a Claim relating to a breach of the Fundamental Warranties) and under the Tax Covenant (for the avoidance of doubt, also other than in respect of any Specific Tax Indemnity Claim), is not or not fully recovered under the W&I Insurance and hence under or in connection with any such claim for a Seller Warranty Breach (except for a Claim relating to a breach of the Fundamental Warranties) and under the Tax Covenant (for the avoidance of doubt, also other than in respect of any Specific Tax Indemnity Claim) the damage will remain for the account of the Purchaser itself;
 - (c) neither any failure on the part of the Purchaser Group to enter into, or to comply with the terms of, the W&I Insurance, nor any unavailability of the W&I Insurance or of recourse under it for whatever reason, shall create or increase the Sellers' liability pursuant to or in connection with this agreement in any way;
 - (d) it shall not waive or agree to amend the provisions of the W&I Insurance pursuant to which the W&I Insurer waives any rights of subrogation it may have against the Sellers;
 - (e) the validity and collectability risk in respect of the W&I Insurance shall solely and irrevocably rest with the Purchaser and shall have no impact on the exclusion or limitations of liability provided for in this agreement; and
 - (f) the premium for the W&I Insurance, and any Tax in respect of it, will be for the account of the Purchaser and the Purchaser shall be responsible for payment of them.
- 13.2 Any payment made in accordance with this clause 13 pursuant to the W&I Insurance shall discharge the Sellers from their obligations and liability in relation to the relevant claim, provided that in relation to a claim for breach of the Fundamental Warranties the Sellers shall be discharged only to the extent any payment is made by the W&I Insurer in relation to such breach.
- 13.3 If and to the extent the Purchaser notifies the Sellers of its request or intention to request compensation from the W&I Insurance with respect to a Third Party Claim relating to a Fundamental Warranty breach, the Sellers shall not exercise their rights under clause 11.5 in a manner which could restrict or jeopardize the Purchaser's entitlement under the W&I Insurance for compensation in respect of any damages and costs resulting from such Third Party Claim.
- 13.4 The Purchaser shall procure that the W&I Insurer shall enter into a subrogation letter, confirming that it is only entitled to subrogate against the Sellers in the event of fraud (and then only against such person that committed fraud), and the Purchaser undertakes not to subsequently change or terminate such provisions without the prior written consent from the Sellers (at the sole discretion of the Sellers) and shall procure that no claim by the Purchaser against the Sellers under or in connection with this agreement is assigned or subrogated to the W&I Insurer under the W&I Insurance. The Purchaser shall fully indemnify and hold the Sellers harmless for any and all losses, damages, reasonable costs and expenses and liabilities in connection with the W&I Insurer (or any person claiming through the W&I Insurer in relation to the W&I Insurance) bringing any claim against the Sellers by way of subrogation, claim for contribution or otherwise, other than in the event of a claim in relation to fraud (and then only against such person that committed fraud).
- 13.5 The provisions of clause 13.1 shall not apply in the event of any fraud (*bedrog*) on the part of the Sellers (and then only in relation to such person that committed fraud).

14 Tax Covenant

The provisions of Schedule 9 shall apply in respect of Tax.

15 Purchaser Warranties and guarantees and assurances

- 15.1 The Purchaser warrants (*garandeert*) that each of the statements set out in Schedule 10 is true and accurate on the Signing Date and will be true and accurate immediately before Completion.
- 15.2 The Purchaser warrants that as at the Signing Date the Purchaser is not aware of a Seller Warranty Breach or any other breach of this agreement.

Purchaser Guarantee

- 15.3 The Purchaser Guarantor guarantees to be jointly and severally (*hoofdelijk*) liable to the Sellers for the full, due and punctual performance by the Purchaser of its obligation to pay the Purchase Price (including any adjustments of the Estimated Purchase Price in accordance with this agreement) and the Intra-Group Debt Purchase Price.
- 15.4 The obligations of the Purchaser Guarantor under clause 15.3:
- (a) constitute its direct, primary, unconditional and irrevocable obligations to, on first demand by the Sellers, pay any sum relating to the Purchase Price (including any adjustments of the Estimated Purchase Price in accordance with this agreement) and the Intra-Group Debt Purchase Price which have become due, without requiring the Sellers to first take any steps against the Purchaser or any other person;
 - (b) remain in full force and effect until all such obligations have been irrevocably paid and discharged (whether by the Purchaser or the Purchaser Guarantor);
 - (c) will not be impaired or affected by:
 - (i) any change in the constitution or control or the insolvency of, or any liquidation, winding up or analogous proceedings relating to, the Purchaser;
 - (ii) any amendment of this agreement or any related document; or
 - (iii) the exercise, variation, renewal or release of, or refusal or neglect to perfect or enforce any right, remedy or security against the Purchaser or any other person.
- 15.5 Clause 15.3 constitutes a primary obligation of the Purchaser Guarantor. To the extent permitted by law, the Purchaser Guarantor waives and agrees to exclude any right, privileges and exceptions granted to a co-obligator (*hoofdelijk medeschuldenaar*) or surety (*borg*) towards the Sellers which might otherwise apply under Dutch law.
- 15.6 The Purchaser Guarantor warrants (*garandeert*) to the Sellers that, at the Signing Date and the Completion Date:
- (a) it has been duly incorporated and validly exists under the laws of its jurisdiction of incorporation and has the necessary corporate capacity and power to enter into this agreement and to perform its obligations under this agreement;
 - (b) all corporate and other actions required to be taken by it to authorise the execution of this agreement and the performance of its obligations under this agreement have been duly taken or, to the extent that such actions are not required prior to entry into this agreement, will have been duly taken by Completion;
 - (c) this agreement has been duly executed on its behalf, constituting legal, valid and binding obligations of the Purchaser Guarantor, enforceable in accordance with its terms;
 - (d) the execution and performance of this agreement does not conflict with or result in a breach of any material provision of the articles of association or similar documents of the Purchaser Guarantor;

- (e) it is not required to obtain any approval, consent, licence or give notice to any regulatory or governmental body in connection with its execution and performance of the agreement, save as required under this agreement; and
- (f) no investigation, action or proceeding is pending or impending against the Purchaser Guarantor that may result in any impediment, delay or prohibition, or any other interference with, the Transaction.

16 Restrictive covenants

Competing Business; employees

- 16.1 In order to protect the full benefit, know-how and goodwill of the Business as acquired by the Purchaser, each Seller undertakes to the Purchaser, its Affiliates and the Group Companies that it will not, and shall procure that their Affiliates shall not, during a period of three (3) years following the Completion Date, either alone or jointly with others in any Relevant Capacity, directly or indirectly:

- 16.2 Each Party undertakes to each other Party that it will not, and shall procure that their Affiliates shall not, make or cause to be made, any statement or announcement (including through any press, media, analysts or other persons) that constitutes an expression of negative opinion, or otherwise disparages, defames, slanders, or impugns or is reasonably likely to damage the reputation of the other Party or any Group Company.
- 16.3 Each of the covenants contained in clause 16.1 and clause 16.2 shall constitute a separate and independent restriction on the Seller Group.

Permitted actions

- 16.4 Nothing in clause 16.1 shall prohibit the Seller Group from:
- (a) making purely financial investments, it being understood that such investment does not provide to the Seller Group any involvement in the operations of any financial investment in a Competing Business, including for the avoidance of doubt, holding up to 5 (five) per cent of the shares in any company listed or traded on any recognised stock exchange, provided that the relevant Seller or member of the Seller Group shall not have any managing capacity or governance role with such company;

Controlled auction

- 17.7 The Purchaser acknowledges and agrees that the Transaction is the result of a controlled auction process organised by the Seller Group in connection with the sale of the Shares and that third parties may have received (confidential) information (subject to confidentiality agreements) regarding the Group Companies and their respective businesses.
- 17.8 The Purchaser also agrees that, in case any such third party breaches any such confidentiality agreement:
- (a) the Sellers shall not be liable towards the Purchaser in respect of such breach; and
 - (b) the Sellers shall not be obligated to take any action or exercise any rights (if any) in relation to such breach on its own initiative.

18 Insurance

Existing claims under Sellers Group Insurance Policies

- 18.1 With respect to any claim made before the Completion Date by or on behalf of any Group Company under any Sellers Group Insurance Policy, if and to the extent that:
- (a) the Group Companies or the Purchaser Group have not been indemnified, reimbursed, or otherwise compensated (whether under this agreement or otherwise) in respect of the losses in respect of which the claim was made; and
 - (b) the losses in respect of which the claim was made have not been taken into account in (i) the Accounts or (ii) the Final Completion Accounts,

the Sellers shall use reasonable endeavours after the Completion Date to recover all monies due from insurers and shall pay any monies received (after taking into account any deductible under the Sellers Group Insurance Policies and less any Tax suffered on the proceeds and any reasonable out of pocket expenses suffered or incurred by the Sellers or any member of

the Seller Group in connection with the claim) to the Purchaser or, at the Purchaser's written direction, the relevant Group Company as soon as practicable after receipt.

New claims under occurrence-based policies

18.2 With respect to any event, act or omission relating to any Group Company that occurred or existed prior to the Completion Date that is covered by an 'occurrence-based' Sellers Group Insurance Policy, the Sellers shall, at the direction and cost of the Purchaser or the relevant Group Company, make a claim under such insurance policy in accordance with and subject to clause 18.3, provided that:

- (a) the Sellers shall not be obliged to make any such claim if and to the extent that such claim is covered by an insurance policy held by the Purchaser or a member of the Purchaser Group (including any Group Company);

- (c) the relevant Group Company shall be liable for any deductible or excess under the Sellers Group Insurance Policy payable in respect of the claim.

18.3 In the event a Group Company notifies a claim pursuant to clause 18.2, the Sellers shall, at the Purchaser's cost, make all necessary notifications and claims under the relevant Sellers Group Insurance Policy and the relevant Group Company shall be entitled to be paid any proceeds actually received under the Sellers Group Insurance Policy (less any deductible or excess actually paid by the Sellers or any member of the Seller Group and less any Tax suffered on the proceeds and any reasonable out of pocket expenses suffered or incurred by the Sellers or any member of the Seller Group) provided that:

- (b) neither the Purchaser nor any Group Company shall be entitled to any proceeds received by the Seller Group under any Sellers Group Insurance Policy except if and to the extent that such proceeds relate to a claim made pursuant to clause 18.2 in respect of:
 - (i) an event, act or omission connected with the carrying on of the Business prior to the Completion Date;
 - (ii) any losses for which the relevant Group Company has not already been reimbursed, indemnified or otherwise compensated for whether under this agreement or otherwise;
- (c) the Purchaser shall provide (and shall procure that the relevant Group Company also provides) all assistance, information and co-operation reasonably requested by the Sellers or the Sellers' representatives (including the Sellers' insurers, appointed claims handlers or any lawyers instructed in relation to such claim);
- (d) the Purchaser shall or shall procure that the relevant Group Company shall pay or bear any deductible or excess element of any such claim; and
- (e) nothing herein shall prohibit the Seller Group from amending, modifying or terminating any coverage under any Seller Group Insurance Policy following Completion.

19 General

19.1 Notices

- (a) Any notice or other communication to be given in connection with the matters contemplated by this agreement shall, except where expressly provided otherwise, be in writing and in the English language and shall either be delivered in person or sent

by registered post or email to the address set out in Schedule 13 or, in each case, such other address or contact as a Party may notify to the others in accordance with this clause 19.1.

- (b) Notice of any change of address or contact shall be effective three Business Days after the date on which it is deemed to have been given in accordance with this clause 19.1 or such later date as may be specified in the notice.
- (c) A notice shall be effective upon receipt and shall be deemed to have been received:
 - (i) if delivered by hand, registered post or express courier, at the time of delivery; or
 - (ii) if delivered by email, at the time the email is sent, provided that no automated message is received stating that the email has not been delivered.

However, if any notice would be deemed to have been given after 5.00 pm on a Business Day and before 9.00 am on the next Business Day, such notice shall be deemed to have been given at 9.00 am on the second of such Business Days.

- (d) A notice sent solely to the addressee of the legal adviser of a Party shall not constitute a notification for the purpose of this clause 19.1. Failure to send the notification to the addressee of legal adviser of a Party shall not invalidate the notification given to that Party.

19.2 Termination

- (a) If this agreement is terminated, which termination can only occur on the basis of and in accordance with the relevant provisions of this agreement, then:
 - (i) all rights and obligations of the Parties under this agreement shall end and become ineffective, except for the rights and obligations of or pursuant to clauses 1 (Definitions and interpretation), 5.14 (Break Fee), 17 (Confidentiality and announcements), 19 (General) and 20 (Governing law and jurisdiction), which will remain in full force and effect after termination of this agreement;
 - (ii) the CTA will remain in full force and effect;
 - (iii) if Completion has been initiated but has not been fully effected in accordance with this agreement, each Party shall unwind any of the legal actions taken by the Parties which do not automatically unwind by operation of law; and
 - (iv) such termination shall be without prejudice to any rights a Party may have vis-à-vis the other Parties in connection with a breach of any provision of or obligation under this agreement occurring prior to its termination.
- (b) The Parties waive their rights under articles 6:265 through 6:272 (*ontbinding*) and article 6:228 (*dwaling*) of the DCC to rescind (*ontbinden*) this agreement in whole or in part, to demand the whole or partial rescission (*ontbinding*) in legal proceedings or to nullify (*vernietigen*) or amend (*wijzigen*) it in whole or in part.

19.3 Exclusions

- (a) The Parties agree to exclude the applicability of Title 1 of Book 7 of the DCC and the Parties waive any rights they may have in connection therewith.
- (b) The Parties acknowledge and agree that (i) they have discussed and considered the COVID-19 pandemic and the past, current and future (potential) impact of such pandemic on the Group Companies, and (ii) neither the COVID-19 pandemic nor any other pandemic (including potential subsequent waves or variations of such pandemic), nor its past, current or future (potential) impact, will qualify as an unforeseen circumstance (*onvoorziene omstandigheid*) under article 6:258 of the DCC, an act of force majeure (*overmacht*) or otherwise give any Party the right to

terminate, amend, or suspend performance of this agreement or request any court or arbitral tribunal to do the same.

19.4 No assignment

- (a) Except as provided in this clause 19.4, no Party shall:
- (i) assign, transfer or create an Encumbrance over any of its benefits, rights or obligations under this agreement;
 - (ii) grant, declare, create or dispose of any right under or interest in this agreement; or
 - (iii) sub-contract all or any of its obligations under this agreement,

without the prior written consent of the Sellers and the Purchaser (such consent not to be unreasonably withheld or delayed), save that each of the Sellers or the Purchaser may assign or grant any security interest over (in whole or in part) any monetary claim (*geldvordering op naam*), as referred to in article 3:83(3) of the DCC, arising under this agreement provided that such assignment will not be enforceable against the other party until the assigning or pledging party, as applicable, has given notice of the assignment to the other party in accordance with article 3:94(3) of the DCC.

19.5 Costs

- (a) The Purchaser shall pay the premium for the W&I Insurance.
- (b) The Purchaser shall bear and settle any real estate transfer tax in relation to the signing, execution and implementation of the Transaction. The Purchaser agrees to prepare a draft notification regarding the Transaction required to be filed by the Purchaser in accordance with Section 1 paragraph 3 and Sections 19 and 20 German RETT Act (*Grunderwerbsteuergesetz*) within fifteen (15) Business Days after the Signing Date (**RETT Draft Notification**) and to provide the RETT Draft Notification to the Sellers at least three (3) Business Days prior to any filing due date. The Sellers shall be entitled to base their notification, in case of a filing obligation under applicable law is required, on the RETT Draft Notification and shall procure that the respective Group Companies comply with their own notification obligations, in each case with respect to German real estate transfer tax. The Sellers and the respective Group Companies remain responsible for any alterations necessary to reflect that the respective filing is made by the Sellers, if applicable, or a Group Company. The Sellers shall upon the Purchaser's request provide the Purchaser within three (3) Business Days after such request with all information, which is reasonably required and requested by the Purchaser to be able to prepare the RETT Draft Notification. For the avoidance of doubt, the Sellers shall be responsible for the correctness and completeness of all information reasonably required and requested by the Purchaser in relation to the Seller Group, except to the extent such information was solely derived from public records and the Sellers have had no control over the information contained in such records.
- (c) The Sellers shall pay the Notary's fees in connection with the preparation and execution of the Deed of Transfer.
- (d) The Purchaser shall pay the costs in connection with the notifications required in relation to the Merger Clearance Condition, provided that each Party shall bear their own advisors fees, costs and expenses.
- (e) Save as otherwise stated, each Party shall bear its own costs, charges and expenses in relation to the negotiation, preparation, execution and implementation of this agreement as well as the Transaction.

19.6 Notary

The Purchaser and the Purchaser Guarantor are aware that the Notary is a civil-law notary working at DLA Piper Nederland, the firm that advises the Sellers in respect of the matters set out in this agreement. With reference to the Code of Conduct (*Verordening beroeps- en gedragsregels*) established by the Royal Notarial Professional Organisation (*Koninklijke Notariële Beroepsorganisatie*), the Parties hereby acknowledge and confirm that:

- (a) the Notary shall execute any and all deeds related to this agreement; and
- (b) the Sellers are assisted and represented by DLA Piper Nederland in relation to this agreement and any other agreements that may be concluded, or disputes that may arise, in connection with it.

19.7 Payments

- (a) Any payment made by any Party under this agreement shall be deemed to be an adjustment of the Purchase Price for Tax purposes only, and shall not affect the calculation of the Purchase Price for any other purpose under this agreement (including for the purposes of any financial thresholds, caps or other limitations calculated by reference to the Purchase Price). To the extent these payments are made at the election of the Purchaser directly to a Group Company such payments shall constitute a capital contribution by the Purchaser to such Group Company and shall – to the extent permitted by law – also be treated as such for Tax purposes.
- (b) No payment under this agreement is subject to deduction or withholding for the account of Tax, unless required by law. To the extent any payment made by the Parties (including payment of the Purchase Price) is subject to deduction or withholding of Tax, the relevant paying Party shall pay such amount to the receiving Party which would leave such receiving Party with an amount equal to the payment which would have been due if no deduction or withholding had been required.

19.8 Variation and unenforceability

- (a) No variation to this agreement shall have any effect unless it is agreed in writing and signed by or on behalf of each Party.
- (b) Each provision of this agreement is severable. If any such provision is determined to be illegal, invalid or unenforceable (whether in whole or in part) in any respect under the law of any relevant jurisdiction:
 - (i) such determination shall be without prejudice to the legality, validity or enforceability in that jurisdiction of:
 - (A) the other provisions of this agreement (if these other provisions are not inextricably related to the illegal, invalid or unenforceable provision) in that jurisdiction; or
 - (B) such or any provision of this agreement in any other jurisdiction; and
 - (ii) the Parties will negotiate in good faith with a view to replacing it with one or more provisions which are legal, valid and enforceable under the laws of all relevant jurisdictions and which differ from the replaced provision as little as possible, taking into account the substance and purpose of this agreement.

19.9 Further actions

At the request of the Sellers or the Purchaser made after Completion, each Party shall take all actions and execute (or ensure the execution of) all such further documents as reasonably deemed necessary or desirable by the Sellers or the Purchaser to fully effect the Transaction.

19.10 Entire agreement

- (a) The Transaction Documents (together with all documents referred to them and executed at Completion) constitute the whole and only agreements and understandings between the Parties in relation to their subject matter. All previous understandings, letters of intent, agreements, undertakings, representations, warranties and arrangements of any nature whatsoever, including the NDA, between the Parties or members of the Seller Group and the Purchaser Group respectively with any bearing on the subject matter of the Transaction Documents are superseded and terminated (and all rights and liabilities arising pursuant to them, whether or not accrued at the Signing Date, are cancelled, except for any claims under the NDA) to the extent that they have such a bearing.
- (b) Each of the Parties agrees and acknowledges that its only right and remedy in relation to any Seller Warranty shall be for breach of the terms of this agreement and any other agreement entered into in connection with the Transaction and each of the Parties waives all other rights and remedies (including rights to (wholly or partly) rescind, nullify or terminate (whether by court or arbitral order or otherwise) the agreement connected to the Transaction) in relation to any such Seller Warranty.

19.11 Waiver

Any waiver under this agreement must be given by written notice to that effect.

19.12 Exercise of rights and third party stipulation

- (a) If a Party does not exercise any right under this agreement (including one Party granting any other Party an extension of time to perform its obligations under any provision of it), then this shall not be deemed to constitute a forfeit of any such right (*rechtsverwerking*).
- (b) Except as expressly provided otherwise in this agreement, only a Party or a Party's permitted assignees or successors may enforce the terms of this agreement. In the event any third party stipulation (*derdenbeding*) contained in this agreement is accepted by any third party, such third party will not become a party to this agreement.

19.13 Counterparts

This agreement may be signed in any number of counterparts each of which, when executed by one or more of the Parties, shall constitute an original. Delivery of an executed signature page of this agreement by PDF-file (or other scanned document) or signature effected by an electronic signing platform sent by email to the Parties shall be effective as delivery of an original counterpart of this agreement.

20 Governing law and jurisdiction

20.1 This agreement shall be governed by and construed in accordance with Dutch law, with the exclusion of any conflict of law rules under Dutch private international law.

20.2 If and to the extent that the laws of any jurisdiction provide for more protection to the Purchaser than the provisions of this agreement (such as additional rights exercisable vis-à-vis the Sellers or implied representations or warranties in addition to the Seller Warranties), the Purchaser hereby excludes or (if incapable of exclusion) irrevocably waives the right to invoke such additional protection, and the Sellers hereby accept such waiver.

20.3 All disputes arising out of or in connection with this agreement and/or any agreement, arrangement or undertaking arising from this agreement shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce.

20.4 The following shall apply to such arbitration:

- (a) the proceedings shall be conducted in the English language;

- (b) the seat of arbitration shall be Amsterdam, the Netherlands;
- (c) the place of arbitration shall be Amsterdam, the Netherlands;
- (d) no award or procedural order made in the arbitration shall be published; and
- (e) the arbitral tribunal shall be composed of three arbitrators appointed in accordance with the Rules of Arbitration of the International Chamber of Commerce.
