APPENDIX 4E

PRELIMINARY FINAL REPORT

1. COMPANY DETAILS

Name of entity: Salter Brothers Emerging Companies Limited

ABN: 96 646 715 111

Reporting period: For the year ended 30 June 2026

Previous period: For the year ended 30 June 2025

2. RESULTS FOR ANNOUNCEMENT TO THE MARKET

				$'000
Revenues from ordinary activities	down	238.3%	to	(9,537)
Loss from ordinary activities after tax attributable to the owners of Salter Brothers Emerging Companies Limited	down	351.0%	to	(7,893)
Loss for the year attributable to the owners of Salter Brothers Emerging Companies Limited	down	351.0%	to	(7,893)

	Reporting period $'000	Previous period $'000
Investment (loss)/income	(9,537)	6,896
(Loss)/Profit from ordinary activities before tax attributable to shareholders	(11,609)	4,264
(Loss)/Profit from ordinary activities after tax attributable to shareholders	(7,893)	3,145

COMMENTS

The loss for the Company after providing for income tax amounted to $7,893,000 (30 June 2025: profit of $3,145,000).

FINANCIAL PERFORMANCE

During the financial year ended 30 June 2026 (FY26), investment income included a net loss on financial instruments at fair value through profit or loss of $10,533,000 (2025: net gain of $6,127,000) and dividend income of $996,000 (2025: $769,000).

Total expenses excluding income tax for FY26 decreased to $2,376,000 a decrease of $321,000 when compared to the corresponding period (2025: $2,697,000), primarily due to lower management fees and no performance fees earned.

Net operating cash inflow for FY26 was $5,269,000 compared with $6,078,000 in the previous financial year. The $809,000 decrease was mainly due to a lower net cash inflow from the sale and purchase of financial assets, partly offset by higher dividends, distributions and interest received and lower management and performance fees.

FINANCIAL POSITION

Net assets decreased by $12,056,000 to $74,722,000 in FY26. The decrease reflects the net loss after tax of $7,893,000 (mainly driven by the net investment losses of $10,533,000), dividend payments of $3,381,000 and share buy-backs of $782,000.

3. NET TANGIBLE ASSETS

	2026 $	2025 $
Pre Tax NTA	0.815	0.990
Post Tax, Pre tax on Unrealised Earnings NTA	0.827	1.003
Post Tax NTA	0.889	1.019

Notes:

- NTA per share, as required by ASX Listing Rule 4.12, is calculated in accordance with the definition of "net tangible asset backing" contained in Chapter 19 of the ASX Listing Rules. NTA calculations presented are non-IFRS information which is information presented that is not in accordance with Australian accounting standards. The information presented is unaudited.
- Refer to the attached Annual Report for the basis of calculation of Pre-tax NTA, Post Tax, Pre tax on Unrealised Earnings NTA and Post tax NTA.

4. CONTROL GAINED OVER ENTITIES

Not applicable.

5. LOSS OF CONTROL OVER ENTITIES

Not applicable.

6. DIVIDENDS

CURRENT PERIOD

	Amount per security Cents	Franked amount per security Cents
Interim dividend for the year ended 30 June 2026 of $0.02 per ordinary share, fully franked, paid on 23 April 2026	2.000	2.000
Final dividend for the year ended 30 June 2026 of $0.02 per ordinary share, 50% franked, to be paid on 22 October 2026	2.000	1.000

On 31 August 2026, the directors declared a partial franked final dividend of $0.02 per share to the holders of fully paid ordinary shares in respect of the financial year ended 30 June 2026, to be paid to the shareholders on 22 October 2026. The dividend will be paid to shareholders based on the Register of Members on 25 September 2026. This dividend has not been included as a liability in these financial statements. The total estimated dividend to be paid is $1.7 million.

The final dividends recommended after 30 June 2026 will be partial franked through the use of existing franking credits in the year ended 30 June 2026.

Ex-dividend date is 24 September 2026
Record date is 25 September 2026
Payment date is 22 October 2026

7. AUDIT QUALIFICATION OR REVIEW

DETAILS OF AUDIT/REVIEW DISPUTE OR QUALIFICATION (IF ANY):

The financial statements have been audited and an unmodified opinion has been issued.

CHAIRPERSON'S LETTER

DEAR SHAREHOLDER

ON BEHALF OF THE BOARD OF DIRECTORS, THIS ANNUAL REPORT, CONTAINED HEREIN, COVERS THE FINANCIAL YEAR TO 30 JUNE 2026 (FY26) FOR SALTER BROTHERS EMERGING COMPANIES LIMITED (SB2).

SB2's charter and focus continues to be one of providing investors with attractive risk adjusted returns, with capital growth and income over the long term by investing in a portfolio of typically 20-36 investments in predominantly Australian listed and unlisted securities of emerging companies.

As such the portfolio has a micro-cap bias, with portfolio performance driven and benchmarked by the performance of this sector of the market.

As at 30/06/2026 the SB2 portfolio has 32 listed holdings (84.0% of the total value), 4 unlisted holdings (11.9% of the total value) and 4.1% cash.

The weighted average market capitalisation of the portfolio was $299m.

The trading result for the past financial year recorded a decrease of 12.66% across the portfolio, with the pre-tax net tangible assets (NTA) at $0.815 with a post-tax NTA at $0.885.

FY26 was a challenging year for the broader market and the SB2 portfolio. The Reserve Bank of Australia began tightening the official cash rate in early 2026, a shift that weighed particularly heavily on funds focused on the microcap sector. This was compounded by a broad-based sell-off in software-related businesses and the ongoing unrest in the Middle East, together generating strong headwinds across Australian equity markets.

While these factors are expected to continue weighing on the Australian equity market as we enter the 2026/27 financial year, we believe the portfolio is well positioned to benefit from future growth as these headwinds begin to ease.

In FY26 two unlisted holdings, IPSI and Sphere, were successfully exited, reducing the unlisted portfolio to 4 holdings.

The unlisted portfolio now comprises 4 holdings, with the Board continuing to work towards further favourable exits across the balance of the portfolio.

This unlisted portfolio component remains a key element of differentiation for the fund, and we remain positive for the prospects of these companies.

Directors once again elected to extend the buyback program that was started in September 2022. Another 1,074,947 shares were bought back and cancelled during FY26 at a total cost of $781,901.

Building on the inaugural dividend paid in FY25, SB2 paid total dividends of 4.0c per share during FY26. Subject to profitability and available franking credits, Directors intend maintaining dividend payments.

As we look to FY27, we believe that the portfolio is well placed for growth as the headwinds experienced during FY26 begin to dissipate.

Outperformance of our microcap benchmarks and a narrowing of the NTA discount remain priorities heading into FY27. We remain confident that both these objectives can be achieved.

SB2 continues to hold its 4 star "Superior" rating from independent research house SQM, first received in July 2025, reflecting SQM's strong assessment of the Fund's investment quality.

On behalf of the Directors and Manager of SB2, I would like to extend a thank you to all shareholders for their continued support. We look forward to keeping you informed as the Company continues to grow, actively manage the portfolio, and assess further investment opportunities.

Yours sincerely,

JOHN VATOVEC

Chairperson

INVESTMENT MANAGER'S REVIEW

For personal use only

ABOUT THE MANAGER: SALTER BROTHERS

Salter Brothers is a global alternatives asset manager with over 150 staff throughout its offices with operations in Australia, Singapore, Japan, Dubai and the USA.

The firm specialises in providing investment opportunities for high net worth and institutional clients across real estate, credit, equities and specialist decarbonisation strategies. The firm manages over A$10.3 billion through its various business lines, including investment mandates of over A$5.4 billion, trustee and administration services for over A$4.0 billion in assets, and a multi-family office managing over A$0.9 billion.

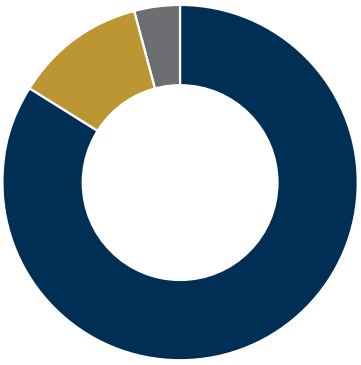

The firm's multi-disciplinary team of professionals cover investment, asset management, corporate finance, operations, trading and execution, finance, custody and investor relations. The firm also provides financial and strategic advice to clients across a broad range of M&A and capital markets transactions.

Our SB2 strategy continues to concentrate on Australian small-cap companies, with market capitalisations below $500 million as well as unlisted growth companies. This approach provides investors with a unique avenue into high-potential sectors that are often difficult to access directly. Our overarching goal is to deliver compelling, risk-adjusted returns over the long term by investing in resilient businesses with sustainable growth trajectories, solid financial foundations, and adaptable business models. As we progress into FY27, we remain committed to long-term value creation, leveraging our deep market insights and rigorous analysis to navigate evolving economic conditions.

THE INVESTMENT PORTFOLIO (ASX:SB2)

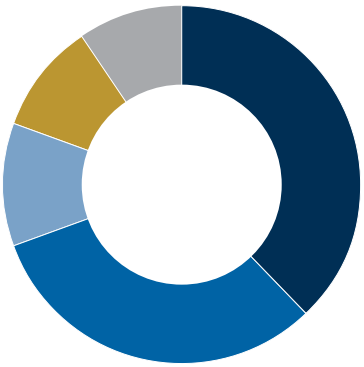

PORTFOLIO COMPOSITION

- The SB2 Portfolio has 32 Listed holdings (84.0% of the total value), 4 Unlisted holdings (11.9% of the total value) and 4.1% Cash.
- The weighted average market capitalisation of the stocks in the listed portfolio is $299m.
- The investment strategy was compliant with the emerging companies' investment requirements of the Australian Significant Investor Visa regime for the period ending 30 June 2026.

KEY FEATURES OF THE SB2 PORTFOLIO

- Taking a two year view, the weighted average valuation upside of the listed holdings in the portfolio based on SB2 forecasts is greater than 70%.
- The SB2 equity portfolio quantitatively reflects the investment philosophy of the Investment Team – that is focused on capital preservation, long-term capital growth and income from its investments and generating attractive risk adjusted returns over the long term.
- As such, the weighted average investment profile of our portfolio (as at 30/06/2026) features:
  - Weighted average FY26-27F Revenue growth of +20%
  - Weighted average FY26-27F EBITDA margin of c.11%
  - Weighted average FY26-27F NPAT margin of c.1%
  - Weighted average FY26-27F P/E multiple of 10.8x

METRICS OF THE PORTFOLIO*

THE INVESTMENT PROCESS

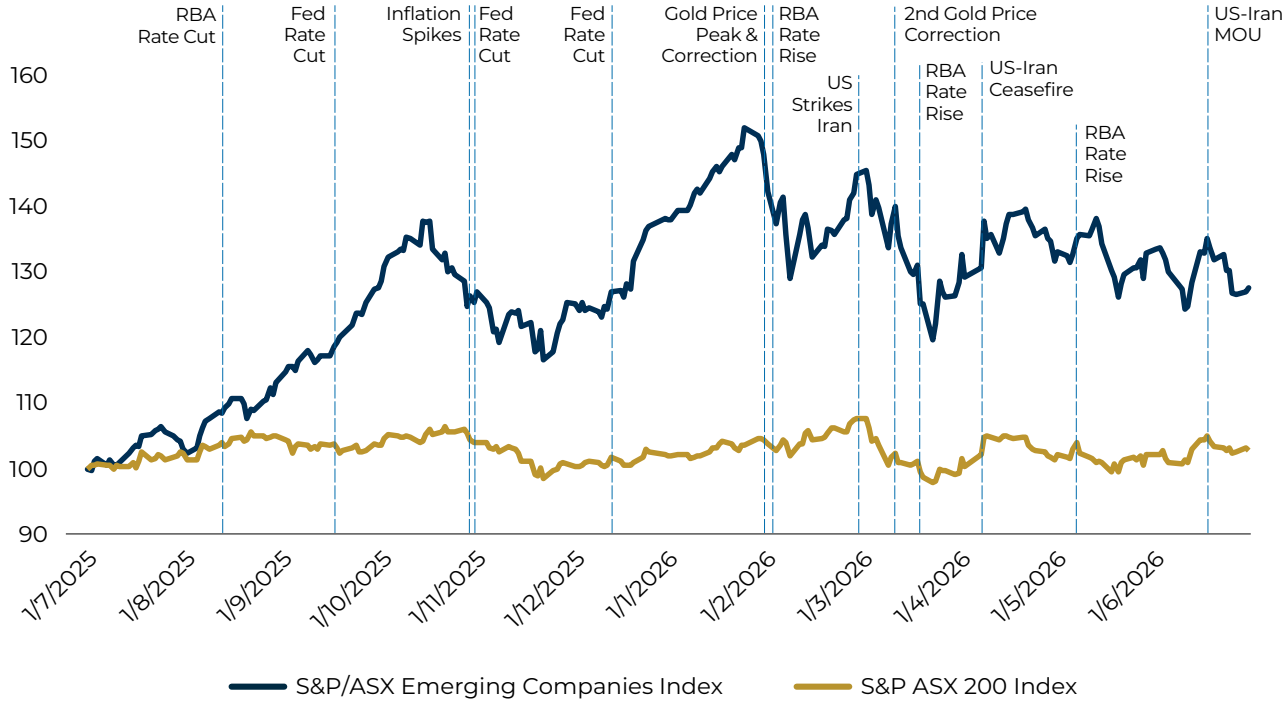

The Manager utilises a disciplined investment process, designed to enable the Equities Team to deliver attractive risk adjusted returns.

1	**Opportunity Sourcing**	The Manager **utilises its network** of financial advisors and brokers, industry experts and operational partners to identify a large number of investment opportunities
2	**Investment Universe Screening**	A **quantitative screen** is then applied to the Investment Universe. A **qualitative review** of the investment screen is then conducted by the Manager. We look for **IP-driven, sustainable businesses** with **earnings growth** and **strong balance sheets** at **reasonable valuations**
3	**Phase 1 Due Diligence**	Phase 1 due diligence includes a **review of company financials** and **building an initial model** on the business, detailed valuation analysis based on both a 2-year forward valuation multiple based on trading metrics of comparable companies as well as a DCF valuation, and an initial meeting with management
4	**Phase 2 Due Diligence**	Phase 2 Diligence includes **finalising the financial model** including all forecast assumptions, site visits and follow-up **meetings with management** if required and insights from Salter Brothers network of industry experts, advisors and the target company's customers and competitors
5	**Investment Approval**	A detailed discussion will take place to review outputs of the due diligence process. Opportunities may be rejected, may require further due diligence or may be accepted for investment
6	**Ongoing Reporting & Monitoring**	The Investment team will often work with and assist the management and Board of portfolio companies, acting as an investment partner to unlock the growth potential of the company

INTEREST RATES AND DIRE STRAIGHTS CONDITIONS AND HEIGHTENED GEOPOLITICAL UNCERTAINTY WEIGHED ON INVESTOR SENTIMENT (FIGURE 1).

The S&P/ASX Emerging Companies Index recorded a strong year, returning 27.6%, significantly outperforming the broader S&P/ASX 200 Index, which returned 2.8%. Performance was driven largely by the index's heavy weighting to the resources sector, particularly gold producers. Outperformance was concentrated in the first half of FY26, with the Emerging Companies Index rising 52% by the 23rd of January 2026. The second half of FY26 proved more challenging for micro and small-cap equities as shifting economic conditions and heightened geopolitical uncertainty weighed on investor sentiment (Figure 1).

Figure 1: Performance of the S&P/ASX Emerging Companies Index and S&P/ASX 200, 1/07/2025 – 30/06/2026, Index 1/07/2025 = 100

Source: S&P, RBA, US Federal Reserve, Salter Brothers Research

When assessing the performance of the Emerging Companies Index over fiscal year 2026, it was hard to ignore the impact of interest rates. The RBA's rate cutting cycle in the first half of the financial year, together with expectations of further monetary easing, provided a supportive backdrop for micro and small-cap equities. Lower interest rate environments have historically been favourable for growth-oriented companies, while also contributing to the strong rally in the gold price. Gold rose approximately 60% from the start of the financial year to its peak in late January 2026, providing a significant tailwind for the Emerging Companies Index given its meaningful exposure to gold producers.

The situation reversed in the second half of FY26. Domestic inflation spiked back over 3% in October 2025, prompting fears that the easing cycle may have been premature. These fears were realised in early February 2026 and after the outbreak of conflict between the US and Iran later that month, fuelled inflation concerns globally. Two more rate rises followed from the RBA, expectations of rate cuts by the US Federal Reserve were put on ice and the price of gold retreated to end the financial year 25% below its January peak.

DIVING INTO THE DETAILS: RESOURCEFUL OR INDUSTRIOUS?

Among major developed economies, Australia's listed universe is one of the most resource heavy. Of the 320 companies in the >A$500 million cohort described above, 77 were resource companies, while amongst the A$50-A$500 million cohort, a remarkable 198 out of 488 were resource companies. Further, it is fair to say that over recent years Australian markets have been more resourceful than industrious. This was again the case in FY26, as demonstrated by Figure 2, which splits the two cohorts into resource and industrial sub-indices.

Figure 2: Performance of Industrial and Resource Sectors by Market Capitalisation, 1/07/2025 – 30/06/2026, Index 1/07/2025 = 100.

Source: S&P, Salter Brothers Research

The two resource sub-indices were clearly the top performers, growing 50.2% (>A$500m) and 48.7% (A$50 – A$500m), while the two industrial sub-indices grew -3.3% (>A$500m) and 13.1% (A$50m – A$500m). The strong performance of the resource sub-indices clearly benefited from the strong rise in the gold price, particularly in the first half of the year. However, the bifurcation runs deeper than that. Australia's resources businesses are exposed to key emerging industries fuelling the green and AI transitions in a way that Australia's ndustrials, particularly large cap industrials, simply are not. While Australia has many resource companies ready to supply the highly sought after inputs these frontier businesses need, it has few such frontier businesses itself. The most interesting sub-sector was industrials. The only sub-sector to record a positive average 52 week return across both size cohorts, it showed strong performance in both cases. Performance in the mid-to large cap cohort was also broad-based. Of the 39 industrials companies in the >A$500 million cohort, 22 delivered a 52 week total return above 20% and only 9 reported a negative return. This speaks to the ongoing strength and growth outlook of Australia's industrial businesses. Supported by a strong domestic demand base, Australian industrial businesses have also tended to find more success expanding beyond our shores than their counterparts in other sectors.

We believe the market continues to undervalue companies with defensible, non-discretionary earnings streams, particularly those with strengthened balance sheets and clear operational leverage. While some headwinds remain, such as ongoing weak global demand and the risks posed by international tariffs and geopolitical tensions, there are promising signs that suggest a re-rating of higher quality small caps may be underway. This is particularly relevant given the persistent valuation gap between small and large caps, which has widened significantly since 2021. Although the XEC slightly underperformed broader benchmarks during FY26, it remains the top-performing index over the long term, outperforming the ASX 100 since 2016. As ever, active management remains critical in this part of the market. Amid sector level dispersion, company specific drivers will play a dominant role in performance. Investors who can navigate the volatility identifying businesses with sustainable models, pricing power, and strong capital discipline are likely to be rewarded as sentiment recovers and capital flows return to the small-cap space.

PERFORMANCE ANALYSIS: KEY CONTRIBUTORS AND DETRACTORS OF FY26

The table and commentary below highlights the major contributors and detractors for the Fund in FY26.

Top 3 Contributors				
Rank	**Ticker**			**Market Cap at 30 June 2026**
1		IPSI	Fintech	Unlisted
2	SYL	Symal Group Ltd	Engineering/Construction	$698m
3	PYC	PYC Therapeutics Ltd	Biotechnology	$1.7b

Bottom 3 Contributors				
Rank	**Ticker**			**Market Cap at 30 June 2026**
1	BBT	BETR Entertainment Ltd	Casinos & Gaming	$173m
2	EGL	Environmental Group Ltd	Engineering	$34m
3	CCR	Credit Clear Ltd	Software & Services	$80m

IPSI was a significant contributor to portfolio performance during FY26 following the successful completion of its sale to the Commonwealth Bank of Australia. The investment originated in December 2022 when the Salter Brothers Equities team established and led a special purpose vehicle to acquire and restructure the business. Over the subsequent three years, IPSI was transformed into a scalable, enterprise-grade payments infrastructure platform, benefiting from ongoing investment in its technology, product capabilities and commercial execution. During this period, the company strengthened customer relationships, enhanced its payment optimisation offering and built a growing pipeline of enterprise opportunities, positioning the business to capitalise on increasing demand for modern payment infrastructure. In February 2026, IPSI was acquired by the Commonwealth Bank of Australia, crystallising a significant uplift to both the Fund's original investment cost and the prior carrying value of the asset. The successful exit highlights the Manager's ability to identify attractive private investment opportunities, actively support value creation through strategic and operational initiatives, and realise investments at attractive valuations, generating meaningful returns for shareholders.

Symal Group Limited (SYL) was a strong contributor to the portfolio during FY26, supported by continued operational execution following its successful ASX listing in late 2024. The company delivered EBITDA of $106.1 million in FY25, exceeding prospectus guidance despite challenging conditions across the civil construction sector. During FY26, management subsequently upgraded the midpoint of EBITDA guidance to $123 million. Throughout the year, Symal increased work in hand to $1.76 billion, while also highlighting a $1.4 billion Early Contractor Involvement (ECI) pipeline and a broader $7.1 billion tender pipeline. The company further strengthened its market position through the accretive acquisitions of Trimms Group and L&D Contracting, while securing a new $300 million revolving corporate debt and bank guarantee facility to support future growth opportunities. The company enters FY27 with a strong balance sheet, substantial work in hand and a robust pipeline of opportunities, positioning it to benefit from ongoing investment across Australia's infrastructure, energy and defence sectors while continuing to execute on its growth strategy.

PYC Therapeutics Limited (PYC) made a meaningful contribution to portfolio performance during FY26 as the company continued to advance its precision medicine pipeline, while significantly strengthening its balance sheet. During the year, PYC completed an oversubscribed capital raising of approximately $653 million, increasing its cash position to around $750 million and extending its funding runway through to approximately CY2030. The capital raising attracted strong support from leading US specialist life sciences investors, providing external validation of the company's clinical programs while substantially reducing funding risk ahead of several key clinical readouts expected over CY2026 and CY2027. The company also undertook a Board renewal process during the year, strengthening its governance framework to support multiple clinical-stage programs, with further Board appointments anticipated as the company continues to grow. With a fully funded balance sheet and multiple clinical catalysts approaching, PYC is well positioned to execute on its development strategy over the coming years.

For personal use only

Betr Entertainment Limited (BBT) was the portfolio's largest detractor during FY26, primarily reflecting the prolonged uncertainty surrounding its proposed acquisition of PointsBet Holdings Limited. Throughout the year, the transaction remained subject to competing proposals and an extended takeover process, creating uncertainty that weighed on investor sentiment and the company's share price. Despite this, the underlying business continued to perform well, with the successful integration of the TopSport acquisition and the company achieving its underlying EBITDA guidance. Management also continued to grow the customer base while maintaining disciplined capital management throughout the period. While the strategic rationale for acquiring PointsBet remains compelling, the extended process has delayed certainty around the ultimate outcome and overshadowed the company's underlying operational performance. The Manager believes greater clarity on the transaction is likely before the end of the calendar year, allowing investors to refocus on the earnings potential of the combined business or alternatively, the company's capacity to pursue other strategic opportunities supported by its well-capitalised balance sheet.

Environmental Group Limited (EGL) detracted from portfolio performance over FY26 following a negative trading update after the fund established its position during the year. The Manager had monitored the company for several years prior to investing, attracted by its exposure to environmental engineering solutions supporting industrial decarbonisation, emissions reduction and waste treatment. Following a solid first half result, the company revised its FY26 earnings guidance lower after identifying issues associated with the implementation of a new enterprise resource planning (ERP) system within its Energy division. The downgrade was compounded by higher diesel costs, delays to Middle East project awards and shipping disruptions impacting its Baltec business. While these operational issues weighed on investor sentiment and earnings expectations, management noted that the revised guidance did not reflect weaker underlying demand across the business. The Manager continues to view the issues as operational rather than structural, with the company's long-term growth outlook supported by increasing demand for environmental solutions, recurring revenue streams and continued progress across its PFAS treatment technology.

Credit Clear Limited (CCR) was among the portfolio's weaker performers during FY26 as regulatory uncertainty offset an otherwise positive year of strategic execution. Following the Fund's participation in the company's capital raising, Credit Clear completed the acquisitions of ARC Europe in the UK and DTS in Australia, expanding its geographic footprint and further strengthening its digital debt collection platform. However, sentiment deteriorated after the ACCC commenced legal proceedings relating to historical debt collection communications undertaken by subsidiaries acquired by the company. While the ultimate financial impact remains uncertain, the proceedings created an overhang that weighed on the share price despite continued operational progress. Management has consistently rejected the allegations and continues to engage constructively with the process. The Manager will continue to monitor developments closely while remaining focused on the company's ability to integrate its recent acquisitions and execute on its long-term growth strategy.

For personal use only

LOOKING AHEAD

FY26 was a reminder that successful investing in the micro and small-cap market is driven by disciplined stock selection rather than broader market movements. While shifting interest rate expectations and geopolitical uncertainty created a more challenging backdrop during the second half of the year, the period continued to reward businesses that executed well operationally and maintained clear competitive advantages.

We believe this environment creates attractive opportunities for active managers, particularly where short-term market sentiment diverges from long-term business fundamentals. Our investment philosophy remains unchanged, with a continued focus on identifying high-quality businesses led by capable management teams, supported by strong balance sheets and sustainable growth prospects.

We remain disciplined in our approach to capital allocation and thank our shareholders for their continued support as we look forward to the opportunities that FY27 may present.

CORPORATE GOVERNANCE STATEMENT

Salter Brothers Emerging Companies Limited (the **Company**) is a listed investment company whose shares are traded on the Australian Securities Exchange (**ASX**). The Company has no employees and its day-to-day functions and investment activities are managed by Salter Brothers Funds Management Pty Ltd (the Manager) in accordance with the Management Agreement dated 27 April 2021 (Management Agreement).

The Board is committed to a high standard of ethical behaviour and to having an effective system of corporate governance commensurate with the size of the Company and the nature of its operations. The Board is responsible for the overall corporate governance of the Company.

The Board believes that good corporate governance helps ensure the future success of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the (fourth edition) recommendations of the ASX Corporate Governance Council (**Recommendations**) during the reporting period. The Recommendations are not prescriptive, such that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and provide reasons for not following them.

This Corporate Governance Statement (Statement) discloses the extent to which the Company has followed the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation.

More information on the Company's governance practices, including Board profiles, Board and Committee charters and key governance policies, can be found in the Investor Centre section of our website at **www.salterbrothers.com.au/funds-management/emerging-companies**

This Statement is current as at 31 August 2026 and has been approved by the Board of Directors of the Company.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

ROLE OF THE BOARD

The primary role of the Board is to act in the best interests of the Company as a whole and the Board is accountable to shareholders for the overall direction and corporate governance of the Company. This involves monitoring the decisions and actions of the Manager, who is responsible for the day-to-day management and investment activities of the Company in accordance with the Management Agreement.

The Board has a formal Board Charter which is available on our website that sets out its roles and responsibilities and guidelines for determining Director independence. The Directors meet formally as a Board on a quarterly basis and more frequently as required.

The Board has also established an Audit Risk and Compliance Committee (the **ARCC**) to assist the Board in carrying out its responsibilities. The ARCC is discussed in further detail in Principle 4 below.

APPOINTMENT OF DIRECTORS

The Board facilitates the selection and appointment of Directors. Before the Board appoints a new Director or puts forward a candidate for election, appropriate background checks are undertaken. Shareholders will be provided with all material information that is relevant to the Board's decision on whether or not to elect or re-elect a Director through the notice of meeting and other information contained in the 2026 Annual Report.

For personal use only

For personal use only

APPOINTMENT TERMS

Upon appointment, each Director receives a letter of appointment which sets out the formal terms of their appointment. Directors also receive a deed of indemnity, insurance and access.

Each Director has a written contract with the Company, setting out the terms of his or her appointment, including remuneration entitlements and performance requirements.

COMPANY SECRETARY

The Board is supported by the Company Secretary, whose role includes supporting the Board on governance matters, assisting the Board with meetings and directors' duties, and acting as an interface between the Board and the Manager on governance matters. The Board and each individual Director have access to the Company Secretary.

Under the Company's governance framework, the Company Secretary is accountable to the Board, through the Chair, on all matters regarding the proper functioning of the Board. The Board is responsible for the appointment of the Company Secretary.

Details regarding our Company Secretary, including experience and qualifications, is set out in the Directors' Report in our 2026 Annual Report.

DIVERSITY POLICY

As detailed above, the Company has outsourced its management to the Manager and has no executive employees. Due to the current size and composition of the Company and its outsourced management function, the Board does not consider it appropriate to provide measurable objectives at this time. However, the Company is committed to ensuring that the appropriate mix of skills, expertise, and diversity are considered when making any new Board appointments and is satisfied that the composition of members of the Board is appropriate at this time.

To demonstrate the Company's commitment to developing measurable objectives to achieve diversity and inclusion in its workplace, the Company has implemented a Diversity Policy, which can be found on the Company's website at: **www.salterbrothers.com.au/funds-management/emerging-companies**

Further, the workforce of the Manager comprises individuals with diverse skills, backgrounds, perspectives and experiences and this diversity is valued and respected.

The proportion of women on the Board as at 30 June 2026 was as follows:

Gender	Board
No. of women	None
% women	-

BOARD PERFORMANCE ASSESSMENT

The Board is committed to formally evaluating its performance, the performance of its committees (if applicable) and individual Directors, as well as the governance processes supporting the Board. The Board does this through an annual assessment process.

The review process involves:

- completion of a questionnaire/survey by each director, facilitated by the Company Secretary;
- the preparation and provision of a report to each director with feedback on the performance of the Board based on the survey results; and
- the Board meeting to discuss areas for improvement and any associated actions.

An internal Board assessment was carried out in August 2026.

MANAGEMENT PERFORMANCE

The administration and management of the Company is outsourced to the Manager as previously detailed. The Board is responsible for assessing the performance of the Manager against measurable and qualitative indicators in accordance with the Management Agreement. The Board must monitor the compliance by the Manager with its obligations under the Management Agreement and take appropriate steps to enforce the performance of those obligations, if and when required.

Performance evaluation of the Manager is conducted on a continuous basis through monthly report submitted by the Manager to the Board

PRINCIPLE 2: STRUCTURE THE BOARD TO BE EFFECTIVE AND ADD VALUE

NOMINATION COMMITTEE

The Company does not have, and does not currently intend to establish, a Nomination and Remuneration Committee (**NRC**) because the formation of such a committee would be inefficient given the Company's size and nature and having regard to the fact that the Company does not have any employees. For this reason, an NRC would not serve to protect or enhance the interest of Shareholders.

Should the size of the Company change, the Company will consider establishing a separate NRC.

Notwithstanding the above, the Board will ensure that appropriate remuneration policies are practices are in place for non-executive Directors, executive directors (if any from time to time) and senior management (if any from time to time), while having regard to the ASX Recommendations. The Board will annually review the allocation and amount of remuneration for non-executive Directors and will reflect market rates.

The Board Charter and Diversity Policy seeks to ensure that the Board has the appropriate range of skills, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.

BOARD SKILL MATRIX

Our objective is to have an appropriate mix of expertise and experience on our Board so that it can effectively discharge its corporate governance and oversight responsibilities. It is the Board's view that the current directors possess an appropriate mix of relevant skills, experience, expertise and diversity to enable the Board to discharge its responsibilities and deliver the Company's strategic objectives. The Board regularly reviews the skills of the directors to ensure that the Company continues to maintain the skills needed to address existing and emerging business and governance issues relevant to it.

The Board does not maintain a formal matrix of Board skills and experience, however the diversity of experience and assessment of any gaps in skills and experiences are a key consideration for any proposed appointment to the Board.

To the extent that any skills are not directly represented on the Board, they are supplemented through access to the Manager and external advisers.

Full details of each Directors' relevant skills and experience are set out in the Director's Report.

For personal use only

For personal use only

INDEPENDENT CHAIRPERSON AND DIRECTORS

An independent director is a Non-Executive Director who is not a member of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement.

The Board currently comprises three Directors, two of whom are considered by the Board to be independent: John Vatovec (Chairperson) and Marcos Marcou. Details of the background, experience and professional skills of each Director, as well as the period that each Director has held office, are set out in the Directors' Report.

The Board regularly assesses the independence of each Non-Executive Director in light of the information which each Director is required to disclose in relation to any material contract or other relationship with the Company in accordance with the director's terms of appointment, the *Corporations Act 2001* and the Board Charter.

When appointing an independent Director or reviewing the independence of its Directors, the Board will have regard to the definition of independent director and the factors set out in the Recommendations, particularly those outlined in Recommendation 2.3 relating to director independence.

The Board's assessment of each current Director is set out below.

Name	Position	Appointment date	Status
John Vatovec	Non-Executive Director and Chairperson	18 December 2020	Independent
Robert Salter	Non-Executive Director	18 December 2020	Not Independent
Marcos Marcou	Non-Executive Director	18 December 2020	Independent

INDUCTION, EDUCATION AND TRAINING

New Directors are provided with copies of all relevant documents and policies governing the Company's business, operations and management, at the time of joining the Board. All Directors are provided with ongoing professional development and training opportunities to enable them to develop and maintain their skills and knowledge. Directors are also encouraged to personally undertake appropriate training and refresher courses as appropriate to maintain the skills required to discharge their obligations to the Company.

PRINCIPLE 3: INSTIL A CULTURE OF ACTING LAWFULLY, ETHICALLY AND RESPONSIBLY

CODE OF CONDUCT

The Board has adopted a Code of Conduct for Directors, a copy of which can be found on the Company's website. The Code sets out the Company's policies on various matters, including ethical conduct, business conduct, compliance, privacy and security of information. The Code is not intended to address every circumstance, nor is it a summary of all the laws and regulations that apply to the Company. The Board is always expected to use their common sense and best judgement when addressing business conduct issues, and to seek guidance if the best course of action is not clear.

Any bribery, fraud or corruption committed against the Company is a major concern to the Company. The Company requires all officers, the Manager, management, contractors and others engaged by the Company at all times to act honestly and with integrity to safeguard the Company resources for which they are responsible. Accordingly, the Company has adopted an Anti-Bribery, Fraud and Corruption Policy with the purpose of protecting the assets and reputation of the Company. This policy reinforces the responsibility and commitment of the Board and the Manager to identify fraudulent and corrupt activities and establishes policies and controls for prevention.

The Company has adopted a Whistleblower Policy that outlines the types of disclosures eligible for protection, the safeguards available to whistleblowers, the Company's processes for investigating disclosures, and the measures in place to support and protect whistleblowers from detriment. The Policy also sets out how the Company will ensure the fair treatment of individuals who are the subject of, or referred to in, a disclosure. This policy is available on the Company's website at https://salterbrothers.com.au/funds-management/emerging-companies/. The Board or a committee of the board is required to be informed of any material incidents reported under this policy.

The Board believes that the Company is fully compliant with the Principle 3 recommendations.

PRINCIPLE 4: SAFEGUARD THE INTEGRITY OF CORPORATE REPORTS

AUDIT COMMITTEE

The Board has established an ARCC to assist the Board to implement controls designed to safeguard the Company's interests and the integrity of its reporting. Given the size of the Board (a total of 3 directors) and circumstances of the Company, it was determined that it would be preferable to comprise the committee with the two independent non-executive Directors, Marcos Marcou (Chairperson), and John Vatovec as opposed to the full three members of the Board.

The Chairperson is not the chairperson of the Board. For more information regarding the qualifications and experience of the members of the ARCC and for information on the ARCC's meetings held during the year ended 30 June 2026 please refer to the Directors' Report.

The ARCC Charter, being the charter under which the ARCC operates can be found in the Audit, Risk and Compliance Committee Charter available on the Company's website.

The objectives of the ARCC are to:

- assist the Board achieve its governance objective in relation to financial reporting, the application of accounting policies, legal and regulatory compliance and internal control and risk management systems;
- maintain and improve the quality, credibility and objectivity of the financial accountability process;
- promote a culture of compliance;
- ensure effective communications between the Board and compliance representatives of the Manager;
- provide a forum for communication between the Board and senior financial and compliance representatives of the Manager;
- ensure effective internal and external audit functions and communications between the Board and auditors; and
- ensure compliance strategies and compliance functions are effective.

The responsibilities of the ARCC include:

- external financial reporting;
- risk management and internal compliance and control systems;
- assessing and monitoring key financial risk;
- assessing and monitoring legal and regulatory risk;
- disclosure and reporting; and
- overseeing the internal audit function and the engagement of the external auditor.

The Company does not have a Chief Executive Officer or Chief Financial Officer (or equivalent). However, section 3(f) of the Company's ARCC Charter provides that the Committee is responsible for reviewing any half-yearly and annual financial reports (including those prepared on a consolidated basis) with management, advisers and the internal and external auditors (as appropriate) to assess (among other things) the compliance of accounts with applicable accounting standards and the *Corporations Act 2001* (Cth) and the nature and impact of any changes in accounting policies during the applicable period.

The Company's independent external auditor is Deloitte Touche Tohmatsu (Australia). The external auditor will attend the Company's Annual General Meeting and will be available to answer questions from shareholders in relation to the conduct of the audit, the auditors' report and the preparation of the financial statements. The external auditor will also attend other meetings where relevant items are on the ARCC's agenda. The Company also undertakes a verification process in relation to all material released to ASX, including non-audited periodic reports.

The Company has adopted the Market Disclosure Policy (as discussed below). As part of the continuous disclosure process a verification process is undertaken in relation to all material released to ASX including non-audited periodic reports.

For personal use only

For personal use only

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

The Company is committed to complying with its continuous disclosure obligations under the Corporations Act 2001 and the ASX Listing Rules.

The Board has adopted a Market Disclosure Policy, the objectives of which are to:

- ensure the Company immediately discloses all price-sensitive information to ASX in accordance with the ASX Listing Rules and the Corporations Act;
- ensure the Company's and the Manager's officers are aware of the Company's continuous disclosure obligations; and
- establish procedures for the collection and assessment of potentially price-sensitive information and (if necessary) release information determined to be price-sensitive to ASX, as well as responding to any queries from ASX.

Under the Management Agreement the Manager has also agreed to assist the Company to comply with its continuous disclosure obligations by providing information and drafting ASX announcements for approval by the Board or its delegate.

The Company's Market Disclosure Policy, which can be found on the Company's website, also sets out the procedures which must be followed in relation to releasing announcements to the market and discussions with analysts, the media or shareholders. The Board of the Company receives a copy of all material market announcements promptly after they have been released.

The Board believes that the Company is fully compliant with the Principle 5 recommendations.

PRINCIPLE 6: RESPECT THE RIGHTS OF SECURITY HOLDERS

INFORMATION AND GOVERNANCE

The Board has adopted the Shareholder Communications Policy, a copy of which can be found on the Company's website. The purpose of the Shareholder Communications Policy is to promote effective communication with shareholders and encourage effective participations at general meetings of the Company. The Company's primary communication portals for shareholders are its website, ASX announcements, Annual Report, Annual General Meeting (the **AGM**), Half-Yearly Report, Investment Report & Net Tangible Asset (NTA) Updates, details of corporate governance practices, key date information, security issue history and other periodic correspondence regarding matters impacting shareholders.

The Company Secretary oversees and coordinates the distribution of all information by the Company to shareholders and regulators under the direction of the Board.

INVESTOR RELATIONS

The Company will communicate with shareholders and other stakeholders in an open, regular and timely manner so that the market has sufficient information to make informed investment decisions.

Through its shareholder communications, the Company aims to provide information that will allow existing shareholders, potential shareholders and financial analysts to make informed decisions about the Company's intrinsic value, as well as meet its obligations under the ASX's continuous disclosure regime.

Shareholder queries should be referred to the Company Secretary in the first instance.

SHAREHOLDER MEETING PARTICIPATION

All shareholders will have the opportunity to attend the AGM and ask questions of the Board.

The Company's Constitution allows for a poll to be demanded by any five members entitled to vote on the resolutions, members with at least 5% of the votes that may cast on the resolution on a poll.

During the Company's engagements with shareholders, the shareholders are provided the opportunity to meet with representatives of the Board and the Company's independent external auditor, to learn more about the Company's activities and provide an opportunity to ask questions regarding the Company's activities. The documentation produced (both hard copy and electronic) for the AGM will make provision for shareholders to submit questions to the Company. Such processes are intended to continue in the context of virtual rather than just physical meetings.

In addition to AGM, the Company may conduct investor and analyst briefings at other times during the year. Any presentation materials provided will be made available to all shareholders on the Company's website.

ELECTRONIC COMMUNICATION WITH SHAREHOLDERS

Shareholders are entitled to make and receive communication to and from the Company electronically as per the Shareholder Communications Policy.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

RISK COMMITTEE

The ARCC oversees the risk management framework for the Company. For details regarding the ARCC please refer above to the coverage under Principle 4.

The Board, through the ARCC, is responsible for ensuring:

- the oversight and management of material business risks to the Company;
- the review of reports provided by the Manager and other service providers and agents appointed by the Company;
- that there are effective systems in place to identify, assess, monitor and manage the risks of the Company and to identify material changes to the Company's risk profile; and
- there are arrangements in place to adequately monitor compliance with laws and regulations applicable to the Company.

RISK MANAGEMENT FRAMEWORK

The Manager's risk management framework identifies the key risks confronted by the Manager and the Company and the procedures and controls required to mitigate them. Key risks identified include:

- implementing strategies (strategic risk);
- operations or external events (operational risk);
- legal and regulatory compliance (legal risk);
- changes in community expectation of corporate behaviour (reputation risk);
- a counterparty's financial obligations within a contract (credit risk);
- changes in financial and physical market prices (market risk); and
- being unable to fund operations or convert assets into cash (liquidity risk);

The risk management framework is subject to quarterly review by the Manager to ensure that the risks identified and the controls implemented remain appropriate and continue to be sound. The ARCC will review the Manager's risk management framework on an annual basis.

INTERNAL AUDIT FUNCTION

The Company does not have an internal audit function, however, it employs processes for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.

For personal use only

For personal use only

ECONOMIC, ENVIRONMENTAL AND SOCIAL SUSTAINABILITY RISK

There is a risk of poor market conditions (and more specifically the potential for underperformance by the Company) have been identified as an economic sustainability risk that has the potential to materially impact the Company's ability to create or preserve value for security holders over the short, medium or long term. This risk is addressed and managed within the Company's investment strategy and through the Company's ability to diversify across sectors and in both listed and unlisted securities. The Company does not consider that it has material exposure to environmental or social risks.

PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

REMUNERATION COMMITTEE

The Company does not have, and does not currently intend to establish, a Nomination and Remuneration Committee (**NRC**) because the formation of such a committee would be inefficient given the Company's size and nature and having regard to the fact that the Company does not have any employees. For this reason, a remuneration committee would not serve to protect or enhance the interest of Shareholders.

Should the size of the Company change (and the Company commences having employee), the Company will consider establishing a remuneration committee.

Notwithstanding the above, the Board will ensure that appropriate remuneration policies and practices are in place for non-executive Directors, executive directors (if any from time to time) and senior management (if any from time to time), while having regard to the ASX Recommendations. The Board will annually review the allocation and amount of remuneration for non-executive Directors and will reflect market rates.

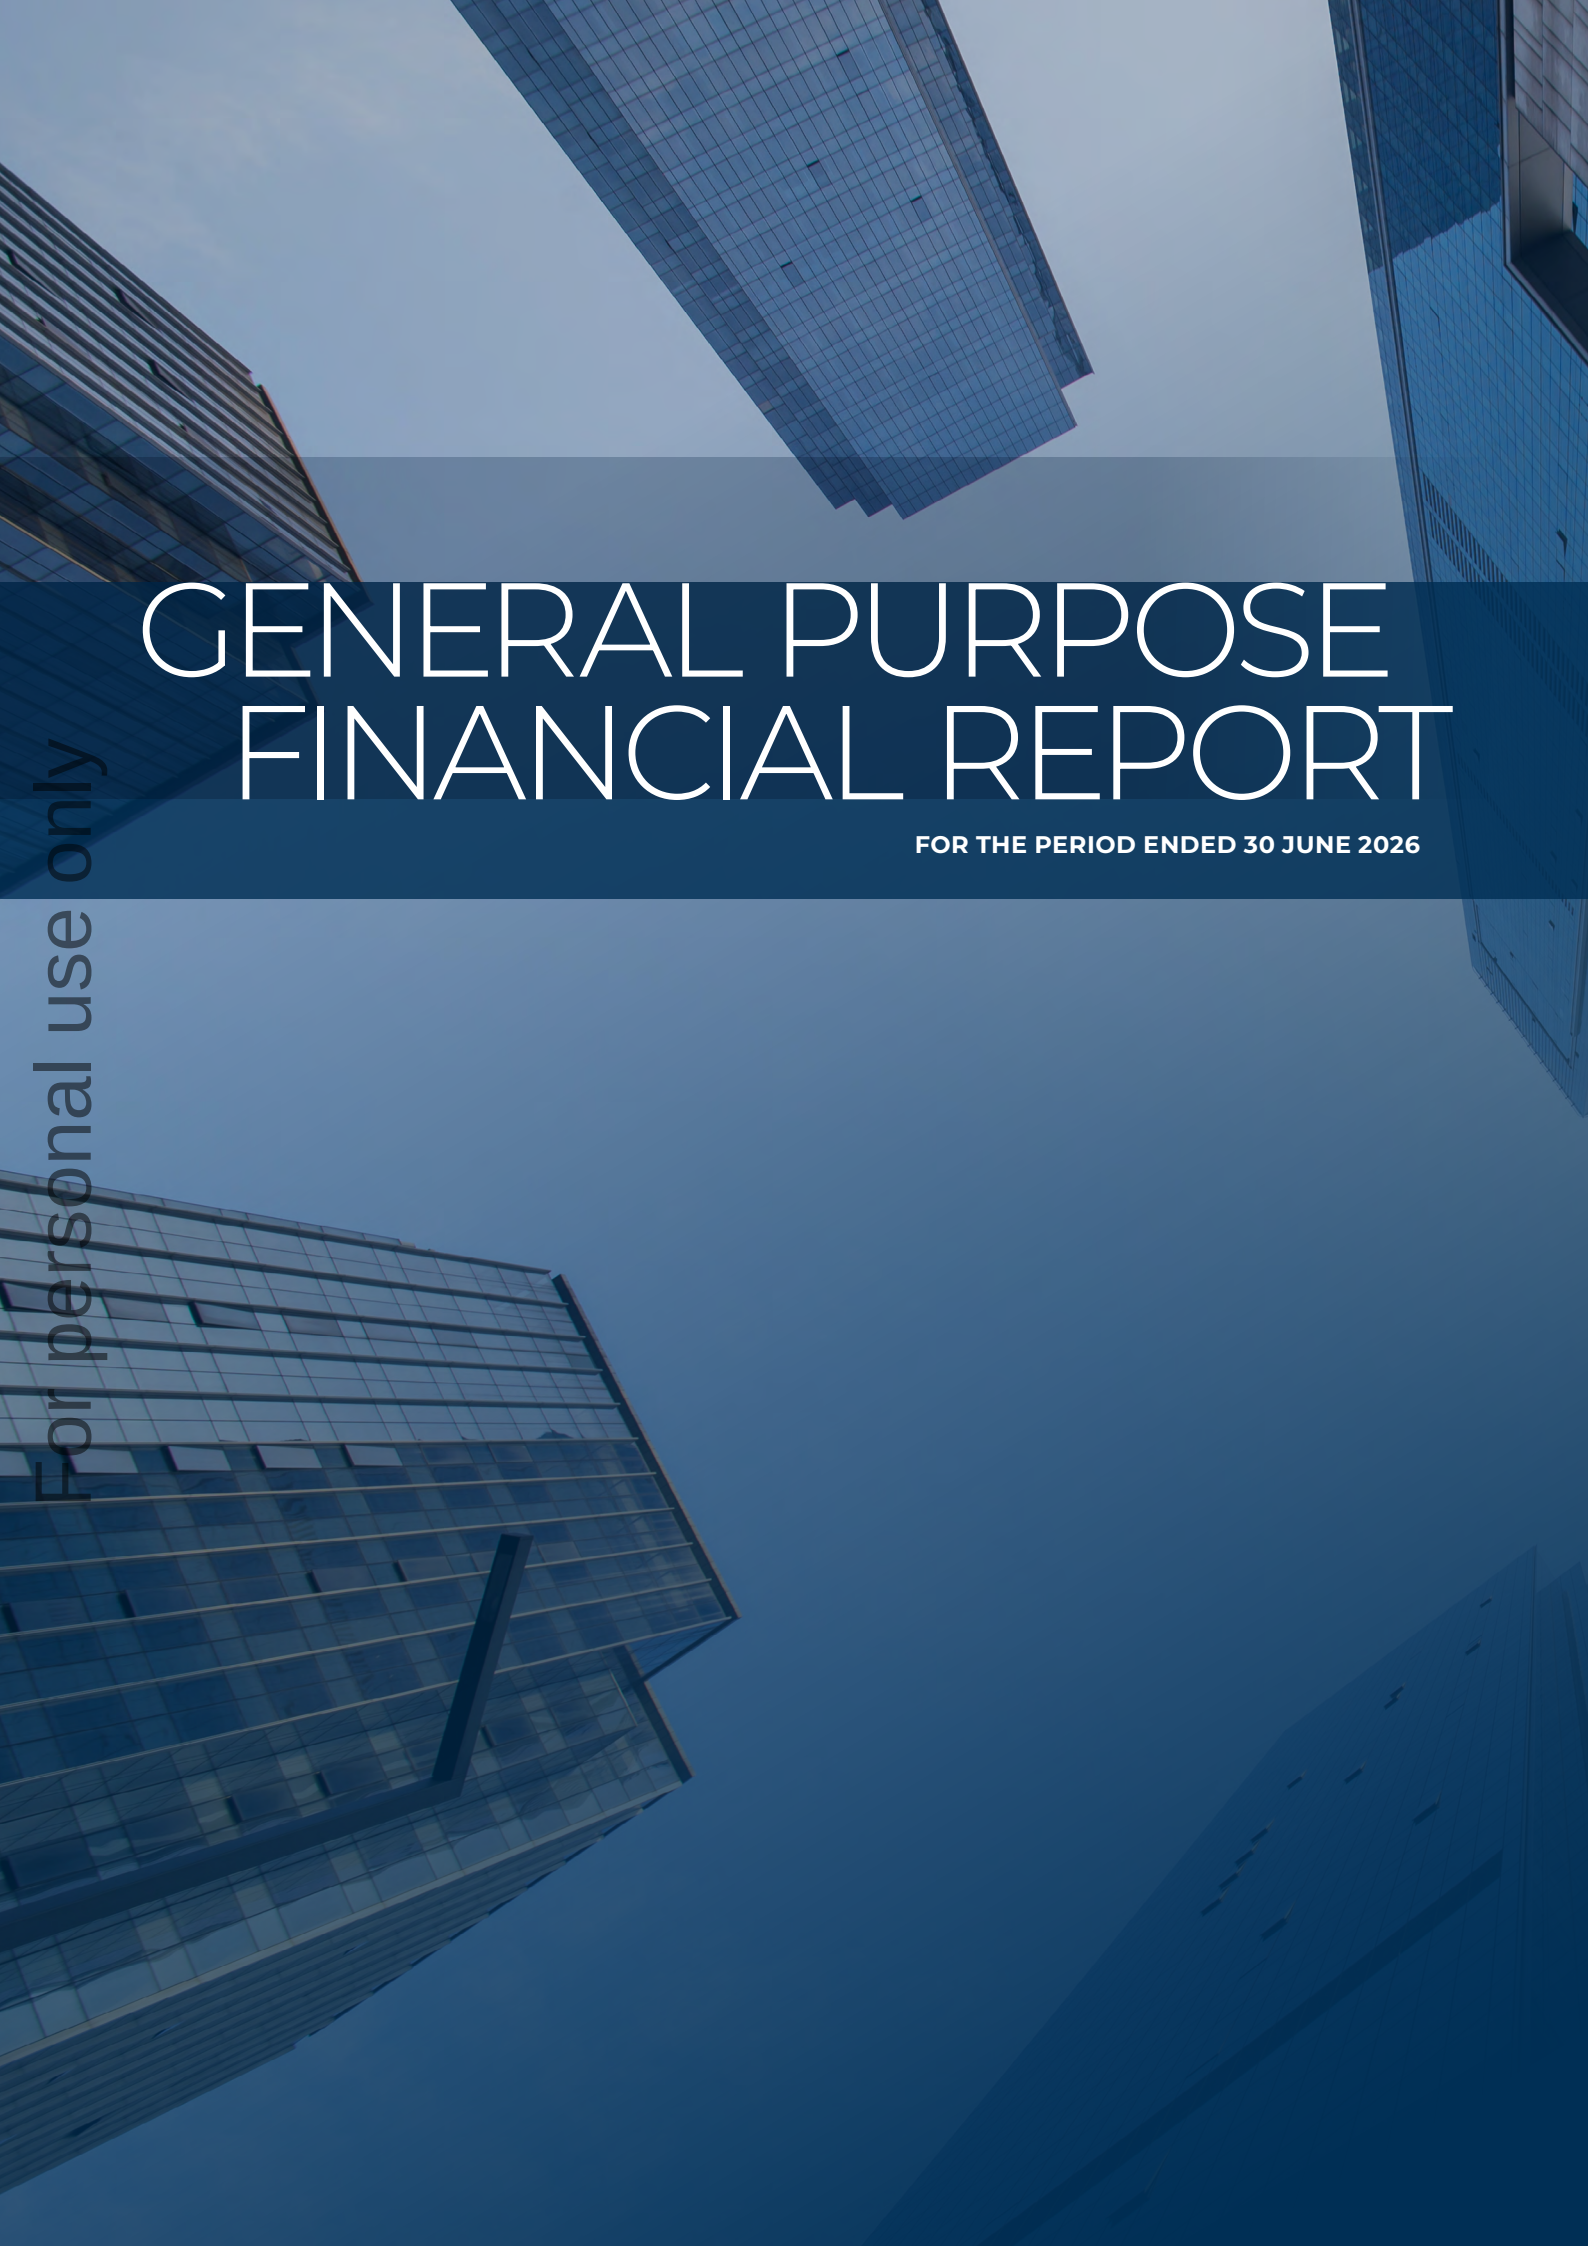

The Company has no employees. The management of the Company is performed by the Manager who is entitled to be paid management and performance fees. The Company pays the Manager a management fee of 1.50% p.a. (plus GST) of the gross value of the investment portfolio. The management fee is calculated paid each month in arrears.

In addition, the Manager will be entitled to receive a performance fee from the Company equal to 20% (plus GST) of the investment portfolio's performance over each Calculation Period, subject to a high water mark mechanism which is calculated on a pre-tax basis and, where tests are satisfied, any positive performance fee amounts that are in excess of the minimum performance fee account balance (as defined in the Management Agreement) are paid quarterly.

Further details of the fees paid to the Manager and Salter Brothers Asset Management Pty Ltd for the reporting period are set out in the Financial Statements of the Company.

PRINCIPLE 9: ADDITIONAL RECOMMENDATIONS

Recommendations 9.1 – 9.3 are not applicable to the Company.

INFORMATION ON DIRECTORS (CONTINUED)

Name:	**ROBERT SALTER**
Title	Mr
Age:	54
Qualifications:	Robert is a member of Chartered Accountants Australia and New Zealand (CAANZ). He holds a Bachelor of Commerce (University of Melbourne), is PS146 Accredited and was an Accredited Derivatives Advisor Levels 1 & 2 with Macquarie Equities.
Experience and expertise:	Robert was a Senior Investment Advisor at Macquarie Bank Limited. He provided investment advice to high net worth and ultra-high net worth individuals in the Asia Pacific region, encompassing asset allocation, structuring and investment selection. Before this, he held similar roles as a Director with UBS Wealth Management and Merrill Lynch Private. Prior to his career as an investment advisor, Robert worked overseas, principally in Switzerland, as the Deals Desk Head for the Metals and Minerals Division of Trafigura Beheer BV, a physical commodity trader. Robert was responsible for the management of the Global Derivatives book encompassing both the hedging of physical price risk and all proprietary trading activities.
Interests in shares:	610,000 fully paid ordinary shares

COMPANY SECRETARY

JUSTIN MOUCHACCA

In office since 12 April 2021

Justin is a Chartered Accountant and Fellow of the Governance Institute of Australia with over 19 years' experience in public company responsibilities including statutory, corporate governance and financial reporting requirements. Since July 2019, Justin has been principal of JM Corporate Services and has been appointed Company Secretary and Financial Officer for a number of entities listed on the ASX and unlisted public companies.

DIVIDENDS

Dividends paid during the financial year were as follows:

	2026 $'000	2025 $'000
Interim dividend for the year ended 30 June 2026 of $0.02 per ordinary share, fully franked, paid on 23 April 2026	1,682	-
Interim dividend for the year ended 30 June 2025 of $0.02 per ordinary share, fully franked, paid on 24 April 2025	-	1,706
Final dividend for the year ended 30 June 2025 of $0.02 per ordinary share, 85% franked, paid on 30 October 2025	-	1,699
	1,682	3,405

On 31 August 2026, the directors declared a partial franked final dividend of $0.02 per share to the holders of fully paid ordinary shares in respect of the financial year ended 30 June 2026, to be paid to the shareholders on 22 October 2026. The dividend will be paid to shareholders based on the Register of Members on 25 September 2026. This dividend has not been included as a liability in these financial statements. The total estimated dividend to be paid is $1.7 million.

The final dividends recommended after 30 June 2026 will be partial franked through the use of existing franking credits in the year ended 30 June 2026.

PRINCIPAL ACTIVITIES

The principal activity of the Company during the period was to provide investors with attractive risk-adjusted returns and capital growth and income over the long term by investing in a concentrated portfolio of listed and unlisted securities, focused on emerging companies.

There were no significant changes in the nature of this activity during the period.

For personal use only

OPERATING AND FINANCIAL REVIEW

REVIEW OF OPERATIONS

During the financial year, the Company continued to operate within the terms of its investment mandate under the management of Salter Brothers Funds Management Pty Ltd (**Manager**).

BUSINESS RISK MANAGEMENT

The Company is committed to the effective management of risk to reduce uncertainty in the entity's business outcomes and to protect and enhance shareholder value. There are various risks that could have a material impact on the achievement of the entity's strategic objectives and future prospects.

Key risks and mitigation activities associated with the Company's objectives are set out below:

Market risk

The value of the Company's shares and/or the Company's investments may decline in value. A fall in global or local equity markets, global or local bond markets, market volatility or lack of movement in the value of the Australian dollar against other major currencies may also materially affect both the performance of the securities in which the Company invests and the net tangible asset backing of its shares. The performance of these companies have been influenced by general economic and market conditions such as Australian and international inflationary pressures, supply-chain disruptions resulting from geopolitical tensions surrounding the conflicts around the world. Inflationary and geopolitical concerns will weigh heavily on markets for the foreseeable future as uncertainty will continue to impact risk premia.

Strategy implementation

There is a risk that the Company's investments will fall in value over the short or long term and individual security prices may fluctuate and under perform other asset classes over time. There are risks inherent in the investment strategy that the Manager will employ for the Company. The Company seeks to reduce this investment risk by a policy of diversification of investments across industries and companies operating in various sectors of the market. The Manager operates in accordance with a formal Investment Management Agreement approved by the Board and reports to the Board regularly on the portfolio's performance, transactions, exposures, strategy and operating resources and procedures.

Emerging companies

Emerging companies are likely to be at an early stage of development and therefore may possess limited financial profiles. At such a stage in a company's lifecycle, it may not be revenue producing and may not have access to capital on acceptable terms and may not meet the going concern tests under accounting standards. Consequently, early stage emerging companies in the Company's investment portfolio may be reliant on the Company and other investors for access to capital. Emerging companies also tend to have a small number of employees and therefore may not operate with the same level of rigour in relation to corporate governance when compared to larger organisations. There is a risk that issues that arise may not be able to be sufficiently dealt with by employees of sufficient expertise within these organisations thereby creating a risk that is less likely to exist in larger organisations with greater internal governance capabilities.

Manager risk

The success and profitability of the Company's investment portfolio in part will depend upon the ability of the Manager to make investments that increase in value over time, and the retention of the Manager as manager of the Company's investment portfolio, or the Manager's performance in identifying investments, executing on the investment strategy or monitoring the Company's investment portfolio is ineffective or unsuccessful, which may have a negative impact on the Company's performance and the value of its shares. The Manager's mandate is to ensure the Company's investment portfolio will retain an actively managed, fundamentals-based investment approach with a focus on capital preservation, long term capital growth and income from its investments.

OPERATING AND FINANCIAL REVIEW (CONTINUED)

FINANCIAL REVIEW

The most appropriate measure of the Company's financial performance is profit after income tax expense.

The loss for the Company after providing for income tax amounted to $7,893,000 (30 June 2025: profit of $3,145,000).

NET TANGIBLE ASSET BACKING (NTA) PER SHARE (NON-IFRS)

NTA details presented are considered a key metric in assessing the performance of the Company, consistent with information presented by comparable companies. Details have been prepared on a consistent basis with details included in 'Investment Report and NTA Update' reports submitted monthly to the ASX as required by ASX Listing Rule 4.12.

	2026 $	2025 $
Pre Tax NTA	0.815	0.990
Post Tax, Pre tax on Unrealised Earnings NTA	0.827	1.003
Post Tax NTA	0.889	1.019

Notes:

- NTA per share, as required by ASX Listing Rule 4.12, is calculated in accordance with the definition of "net tangible asset backing" contained in Chapter 19 of the ASX Listing Rules. NTA calculations presented are non-IFRS information which is information presented that is not in accordance with Australian accounting standards. The information presented is unaudited.
- NTA details reported in the Investment Report and NTA update published on 13 July 2026 (relating to period up to 30 June 2026) included Pre Tax NTA $0.815 and Post Tax NTA $0.885. Movement in NTA from the above reflects adjustment arising from the finalisation of the tax position review performed by tax agent.
- Pre tax NTA: includes provision for tax on realised gains/losses and other earnings, but excluding provision for tax on unrealised gains / losses, and any deferred tax assets relating to capitalised issue costs, income tax losses, and other earnings (where the fund is in an overall loss position).
- Post Tax NTA: includes provision for tax on unrealised gains/losses and other earnings, and includes deferred tax assets relating to capitalised issue costs and income tax losses.

Details in the published report reflected the final Director's valuation for the unlisted investments. There have been no changes from the audited report compared to the NTA announcement.

RECONCILIATION OF NET ASSETS, TO NET TANGIBLE ASSET BACKING (NTA) PER SHARE CALCULATIONS

	Used in calculation of	2026 $'000	2025 $'000
Net assets, excluding deferred tax balances	**Pre tax NTA**	**68,526**	**84,298**
Include deferred tax balances relating to capitalised issue costs, income tax losses, and other earnings		1,011	1,155
Net assets, excluding deferred tax liabilities relating to unrealised earnings	**Post Tax, Pre tax on Unrealised Earnings NTA**	**69,537**	**85,453**
Include deferred tax balances relating to unrealised earnings		5,185	1,325
Net assets, including deferred tax liabilities	**Post tax NTA**	**74,722**	**86,778**
Other adjustments		-	-
Net assets per financial statements		**74,722**	**86,778**

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There were no other significant changes in the state of affairs of the Company during the financial year.

SIGNIFICANT EVENTS AFTER THE REPORTING PERIOD

Apart from the dividend declared as discussed above, no other matter or circumstance has arisen since 30 June 2026 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

LIKELY DEVELOPMENTS AND EXPECTED RESULTS OF OPERATIONS

The Company will continue to invest in listed and unlisted investments in accordance with its Investment Policy.

ENVIRONMENTAL REGULATION AND PERFORMANCE

The Company is not subject to any particular or significant environmental regulation under laws of the Commonwealth or of a State or Territory.

SHARES OPTIONS

No option to acquire shares in the Company has been granted to any person. No shares have been issued during the financial period or since the end thereof by virtue of the exercise of any options. There were no unissued ordinary shares of the Company under option outstanding at the date of this report.

PROCEEDINGS ON BEHALF OF THE COMPANY

No person has applied for leave of Court to bring proceedings on behalf of the Company or intervene in any proceeding to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or any part of those proceedings.

The Company was not a party to any such proceedings during the year.

INDEMNITY AND INSURANCE OF OFFICERS

During the financial year, the Company paid a premium in respect of a contract insuring the Directors of the Company, the Company Secretary and any related body corporate against liability incurred as such by a Director or Company Secretary to the extent permitted by the Corporations Act 2001. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium.

The Company has not otherwise, during or since the end of the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer or auditor of the Company against liability incurred as such an officer or auditor.

FEES PAID TO AND INTERESTS HELD IN THE COMPANY BY THE MANAGER

Fees paid to the Manager out of Company property during the reporting period are disclosed in other transactions with key management personnel or entities related to them in the Directors' report.

For personal use only

DIRECTORS' MEETINGS

The number of meetings of Directors (including meetings of committees of directors) held during the financial year and the number of meetings attended by each Director were as follows:

	Board meetings		Audit, Risk and Compliance Committee	
	Eligible	Attended	Eligible	Attended
John Vatovec	8	8	3	3
Marcos Marcou	8	8	3	3
Robert Salter	8	7	-	-

COMMITTEE MEMBERSHIP

Members acting on the committees of the Board during the period were:

AUDIT, RISK AND COMPLIANCE COMMITTEE

- Marcos Marcou (Chairperson)
- John Vatovec

REMUNERATION REPORT (AUDITED)

The Directors of the Company present the Remuneration Report (Report) for the Company for the year ended 30 June 2026. This Report forms part of the Directors' report and has been audited in accordance with section 300A of the *Corporations Act 2001*.

This Report details the remuneration policy for key management personnel (KMP) of the Company (as defined in AASB 124 Related Party Disclosures) for the year ended 30 June 2026.

There is no remuneration paid to executives by the Company as their services are provided pursuant to an agreement with the Manager as disclosed below. The Company has no employees (only Non-Executive Directors) and therefore does not have a remuneration policy for employees. Accordingly, the Non-Executive Directors of the Company are the only members of KMP and this Report outlines the remuneration policy and arrangements that are in place for Non-Executive Directors only.

All Non-Executive Directors held their positions for the entire reporting period.

The remuneration report is set out under the following main headings:

- Remuneration policy
- Contractual arrangement with Directors
- Share-based compensation
- Additional disclosures relating to key management personnel

For personal use only

REMUNERATION REPORT (AUDITED) (CONTINUED)

REMUNERATION POLICY

The Company remunerates Non-Executive Directors at market rates for time, commitment and responsibilities. The Board determines payments to the Non-Executive Directors and reviews their remuneration annually, based on market practice, duties and accountability. Independent external advice is sought when required, subject to the Board's approval. No remuneration consultants were engaged during the reporting period and no remuneration recommendation was made.

RELATIONSHIP BETWEEN REMUNERATION POLICY AND THE COMPANY PERFORMANCE

Remuneration of the Directors is not linked to the performance of the Company. The Non-Executive Directors are remunerated with set fees and do not receive any performance based pay. This enables the Directors to maintain independence and impartiality when making decisions affecting the future direction of the Company.

The table below outlines the KMP of the Company and their movements during the financial period.

Name	Position	Term in position as KMP
Non-Executive Directors		
John Vatovec	Non-Executive Independent Director and Chairperson	Acting as Chairperson throughout the whole financial year
Marcos Marcou	Non-Executive Independent Director	Acting as Non-Executive Director and Chair of Audit Committee throughout the whole financial year
Robert Salter	Non-Executive Non-Independent Director	Acting as Non-Executive Director throughout the whole financial year

The focus of this Report is on the remuneration arrangements for the KMP listed in the table above.

As stated above, the performance of the Company does not affect Directors remuneration. The performance of the Company depends on the quality of its Directors and executives. To that end, the Company's remuneration philosophy is to attract, motivate and retain high performing and high quality talent.

The table below shows the investment portfolio performance of the Company.

	2026	2025
Portfolio return (%)	(12.66)	6.34
(Loss)/Profit after tax ($)	(7,893,000)	3,145,000
(Loss)/Profit per share ($)	(0.0939)	0.0369
Share price as at 30 June ($)	0.5800	0.7100

Investment portfolio performance is calculated net of management fees and expenses but before taxes, other fees and expenses.

REMUNERATION REPORT (AUDITED) (CONTINUED)

CONTRACTUAL ARRANGEMENT WITH DIRECTORS

In accordance with the Constitution, the Directors as a whole (other than any Executive Directors) may be provided with remuneration for their services the total amount of which must not exceed the maximum amount determined from time to time by the Company in general meetings. The current maximum aggregate sum per annum is $800,000.

In accordance with the current terms of appointment, the Non-Executive Directors will only receive in aggregate, at present, Director fees of $125,000 per annum as set out in the following table.

	2026 $	2025 $
Non-Executive Directors		
John Vatovec	55,000	55,000
Marcos Marcou	35,000	35,000
Robert Salter	35,000	35,000
Total	**125,000**	**125,000**

SHARE-BASED COMPENSATION

ISSUE OF SHARES

There were no shares issued to directors and other key management personnel as part of compensation during the year ended 30 June 2026.

OPTIONS

There were no options over ordinary shares issued to directors and other key management personnel as part of compensation that were outstanding as at 30 June 2026.

For personal use only

REMUNERATION REPORT (AUDITED) (CONTINUED)

ADDITIONAL DISCLOSURES RELATING TO KEY MANAGEMENT PERSONNEL

INTERESTS IN THE SHARES AND OPTIONS OF THE COMPANY

The number of ordinary shares in the Company held during the financial year by each director and other members of key management personnel of the Company, including their personally related parties, is set out below:

	Balance at the start of the year	Received as part of remuneration	Additions[1]	Disposals	Balance at the end of the year
Non-Executive Directors					
John Vatovec	5,000	-	-	-	5,000
Marcos Marcou	7,000	-	-	-	7,000
Robert Salter	302,636	-	307,364	-	610,000
Total	**314,636**	**-**	**307,364**	**-**	**622,000**

1 *Shares purchased by the Directors were conducted at arm's length and transacted at the prevailing market rate at the date of purchase.*

LOANS AND BALANCES

The Company has not made, guaranteed or secured, directly or indirectly any loans to the Directors or their related parties during the reporting period.

OTHER TRANSACTIONS WITH KEY MANAGEMENT PERSONNEL AND THEIR RELATED PARTIES

A Non-Executive Director, Mr Robert Salter, is an Executive Director of Salter Brothers Funds Management Pty Ltd (**Manager**).

The Company and the Manager have entered into the Management Agreement whereby, the Company has exclusively appointed the Manager to invest and manage all of the assets of the Company (including any controlled entity of the Company) from time to time, for and on behalf of the Company (considered to be the provision of key management personnel services). The agreement was based normal commercial terms and conditions and at market rates as applicable.

Aggregate amounts of each type of the above other transactions with the Manager and their related parties of the Company:

	2026 $	2025 $
Amounts recognised as expense		
Management fee paid/payable to Salter Brothers Funds Management Pty Ltd	1,267,642	1,392,149
Performance fee paid/payable to Salter Brothers Funds Management Pty Ltd	-	379,878
Shared services fee paid/payable to Salter Brothers Funds Management Pty Ltd	556,188	360,000
Total recognised as expense	**1,823,830**	**2,132,027**
Amounts recognised as revenue		
Gain on disposal of investments to Salter Brothers Tech Fund	-	22,222
Total recognised as revenue	**-**	**22,222**

	2026 $'000	2025 $'000
Amounts recognised as assets and liabilities		
Payables to Salter Brothers Funds Management Pty Ltd (exclusive of GST)	**125,757**	**104,000**

This concludes the remuneration report, which has been audited.

ROUNDING

The financial report is presented in Australian Dollars ($) and the Company is an entity to which section 7 of *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2026/183* applies and in accordance with that section amounts in the directors' report are rounded off to the nearest thousand dollars, unless otherwise required.

AUDITOR

Deloitte Touche Tohmatsu (Australia) continues in office in accordance with section 327 of the *Corporations Act 2001*.

There are no officers of the Company who are former partners of Deloitte Touche Tohmatsu (Australia).

NON-AUDIT SERVICES

During the year Deloitte Touche Tohmatsu, the Company's auditor, performed other services in addition to their statutory duties for the Company as disclosed in note 21 'Auditor's Remuneration' to the financial statements.

The Board is satisfied that the provision of other services during the year is compatible with the general standard of independence of auditors imposed by the *Corporations Act 2001*. The Directors are satisfied that the services disclosed in note 21 'Auditor's Remuneration' did not compromise the external auditor's independence for the following reasons:

- All non-audit services are reviewed and approved by the Board prior to commencement to ensure they do not adversely affect the integrity and objectivity of the auditor; and
- The nature of the services provided do not compromise the general principles relating to the auditor independence in accordance with the APES 110 Code of Ethics for Professional Accountants set by the Accounting Professional and Ethical Standards Board.

AUDITOR'S INDEPENDENCE DECLARATION

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out immediately after this Directors' report.

The Directors' report is signed in accordance with a resolution of Directors made pursuant to s.298(2) of the *Corporations Act 2001*.

On behalf of the Directors

John Vatovec

Non-Executive Director and Chairperson

The Board of Directors
Salter Brothers Emerging Companies Limited
Level 9, 477 Collins Street
Melbourne, VIC 3000

Dear Directors,

Auditor's Independence Declaration to Salter Brothers Emerging Companies Limited

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the those charged with governance of Salter Brothers Emerging Companies Limited.

As lead audit partner for the audit of the financial report of Salter Brothers Emerging Companies Limited for the financial year ended 30 June 2026, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- The auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- Any applicable code of professional conduct in relation to the audit.

Yours faithfully

Deloitte Touche Tohmatsu

NOTES TO THE FINANCIAL STATEMENTS

30 JUNE 2026

1. CORPORATE IN FORMATION

The financial statements of Salter Brothers Emerging Companies Limited ("the Company") for the year ended 30 June 2026 were authorised for issue in accordance with a resolution of the Directors on 31 August 2026.

Salter Brothers Emerging Companies Limited is a listed public company (ASX code: SB2) limited by shares, incorporated and domiciled in Australia.

Salter Brothers Funds Management Pty Ltd, a corporate authorised representative of Salter Brothers Asset Management Pty Ltd, has been appointed to manage the Investment Portfolio for the Company.

The registered office and principal place of business of the Company is located at:

Level 9
477 Collins Street
Melbourne, VIC 3000

Further information on the nature of the operations, principal activity and other related party relationships of the Company is provided in the Directors' report.

2. MATERIAL ACCOUNTING POLICY INFORMATION

2.1 BASIS OF PREPARATION

The accounting policies that are material to the Company are set out below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

The financial report is a general purpose financial report, which has been prepared in accordance with the requirements of the *Corporations Act 2001*, Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board ('AASB').

The financial report has been prepared on a historical cost basis, except for financial assets that have been measured at fair value through profit or loss.

The financial report is presented in Australian Dollars ($) and the Company is an entity to which section 7 of *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2026/183* applies and in accordance with that section amounts the financial report are rounded off to the nearest thousand dollars, unless otherwise required.

The statement of financial position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are generally expected to be recovered or settled within twelve months, except for investments in financial assets where the amount expected to be recovered within twelve months after the end of the reporting period cannot be reliably determined.

2.2 COMPLIANCE WITH INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRS)

Compliance with Australian Accounting Standards ensures that the financial statements and notes of the Company comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB). Consequently, this financial report has been prepared in accordance with and complies with IFRS as issued by the IASB.

2.3 ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

NEW OR AMENDED ACCOUNTING STANDARD AND INTERPRETATIONS ADOPTED IN THE CURRENT PERIOD

The Company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period. No new or revised Accounting Standards and Interpretations effective for the current reporting period are considered to have a material impact on the Company.

For personal use only

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.3 ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS (CONTINUED)

NEW ACCOUNTING STANDARDS AND INTERPRETATIONS NOT YET ADOPTED

At the date of authorisation of the financial statements, the Company has not applied the following new and revised Australian Accounting Standards, Interpretations and amendments that have been issued but are not yet effective:

- AASB 18 *Presentation and Disclosure in Financial Statements*
- AASB 2024-2 *Amendments to Australian Accounting Standards - Classification and measurement of financial instruments*
- AASB 2025-1 *Amendments to Australian Accounting Standards – Contracts Referencing Nature-dependent Electricity*

The Directors have assessed that the new or amended standards (to the extent relevant to the Company) and interpretations are not expected to have a material impact on the Company.

2.4 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION

(A) REVENUE AND INVESTMENT INCOME

The Company recognises investment income as follows:

DIVIDEND INCOME

Dividend income is recognised on the date when the Company's right to receive the payment is established. Dividend income is presented gross of any non-recoverable withholding taxes, which are disclosed separately in the statement of profit or loss and other comprehensive income.

NET GAINS OR LOSSES ON FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

Gains or losses on financial assets at fair value through profit or loss arising as a result of holding the investments, which comprise:

- *Realised gains or losses* - the gain or loss made from selling an investment that has increased or decreased in value from the date of purchase; and,
- *Unrealised gains or losses* - the gain or loss related to a change in the monetary value due to a change in the market price an investment.

(B) EXPENDITURE

All expenses, including performance fees and investment management fees, are recognised in the statement of profit or loss and other comprehensive income on an accrual basis.

(C) TAXES

CURRENT INCOME TAX

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

DEFERRED TAX

Deferred income tax is provided on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences except when the deferred income tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred income tax assets are recognised for all deductible temporary differences, carry-forward of unused tax assets and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry-forward of unused tax assets and unused tax losses can be utilised except when the deferred income tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

For personal use only

For personal use only

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.4 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

The carrying amount of deferred tax is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except:

- when the GST incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case the GST is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable; and
- when receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

Cash flows are included in the statement of cash flows on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as part of operating cash flows.

(D) CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash and short-term bank deposits with an original maturity of three months or less. The carrying amount of these assets is approximately equal to their fair value.

(E) TRADE AND OTHER RECEIVABLES

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

Outstanding settlements due from brokers are receivables for securities sold (in a regular way transaction) that have been contracted for, but not yet delivered, on the reporting date.

The Company has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

(F) INVESTMENTS

RECOGNITION/DERECOGNITION

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.4 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

MEASUREMENT

Financial assets at fair value through profit or loss

Financial assets held at fair value through profit or loss are measured initially at fair value, with transaction costs that are directly attributable to their acquisition recognised in the statement of profit or loss. Subsequent to initial recognition, all instruments held at fair value through profit or loss are measured at fair value with changes in their fair value recognised in the statement of profit or loss and other comprehensive income.

Listed equity securities

Listed shares and other equity securities that are listed or traded on an exchange are fair valued using last sale prices as at the close of business on the day the shares are being valued. If a quoted market price is not available on a prescribed financial market, the fair value of the instruments are estimated using valuation techniques, which include the use or recent arm's length market transactions, reference to the current fair value of another instrument that is substantially the same, discounted cash flow techniques, option pricing models or any other valuation techniques deemed appropriate that provide a reliable estimate of prices obtained in actual market transactions.

Unlisted equity securities

Valuations on unlisted equity securities are assessed regularly by the Manager, and reviewed and approved by the Directors of the Company. This review process considers the appropriateness of the valuation inputs, methods and techniques used in the valuations. Where practicable, level 3 inputs are sourced from independent third-party pricing sources without adjustment such as stock exchanges, pricing agencies, and/or fund managers.

In determining year-end valuations, the Directors considers the annual valuation report prepared by the Manager along with other material deemed appropriate by the Directors in arriving at those valuations.

(G) IMPAIRMENT OF FINANCIAL ASSETS

The Company holds only trade receivables with no financing component and which have maturities of less than 12 months at amortised cost and, as such, has chosen to apply an approach similar to the simplified approach for expected credit losses (ECL) under AASB 9 Financial Instruments to all its trade receivables. Therefore the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

(H) TRADE AND OTHER PAYABLES

Trade and other payables are carried at amortised cost and represent liabilities for goods and services provided to the Company prior to the end of the financial period that are unpaid and arise when the Company becomes obliged to make future payments in respect of the purchase of these goods and services.

Outstanding settlements due to brokers are payables for securities purchase (in a regular way transaction) that have been contracted for, but not yet delivered, on the reporting date.

(I) FAIR VALUE MEASUREMENT

When a financial asset is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date, and assumes that the transaction will take place either in the principal market, or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset, assuming they act in their economic best interests. Valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

For personal use only

2. MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

2.4 SUMMARY OF MATERIAL ACCOUNTING POLICY INFORMATION (CONTINUED)

In addition, for the purposes of fair value measurement, fair value measurements are categorised into level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs.

For recurring and non-recurring fair value measurements, external valuers may be used when internal expertise is either not available or when the valuation is deemed to be significant. External valuers are selected based on market knowledge and reputation. Where there is a significant change in fair value of an asset or liability from one period to another, an analysis is undertaken, which includes a verification of the major inputs applied in the latest valuation and a comparison, where applicable, with external sources of data.

(J) CONTRIBUTED EQUITY

Ordinary shares are classified as equity. Costs directly attributable to the issue of shares are shown in equity as a deduction, net of tax, from the proceeds. Where shares are issued as consideration for purchase of assets, these are recorded based on the fair value of the underlying securities transferred and the share price on the date of transfer.

(K) DIVIDENDS TO SHAREHOLDERS

Dividends are at the discretion of the Company. A dividend to the Company's shareholders is accounted for as a deduction from the profits reserve. Dividends are recognised as a liability in the period in which it is irrevocably declared by the Board of Directors.

(L) PROFITS RESERVE

The profits reserve is made up of amounts transferred from current and retained earnings that are preserved for future dividend payments.

(M) EARNINGS PER SHARE

BASIC EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the Company, excluding any costs of servicing equity other than ordinary shares, by the weighted average number of ordinary shares outstanding during the reporting period.

DILUTED EARNINGS PER SHARE

Diluted earnings per share adjusts the basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential ordinary shares and the weighted average number of shares assumed to have been issued for no consideration in relation to dilutive potential ordinary shares. In the current year there are no dilutive potential ordinary shares.

3. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Company's financial statement requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

3.1 JUDGEMENTS

The Company's financial instruments are valued primarily based on the prices provided by independent pricing services. When the fair values of the reported financial instruments cannot be derived from active markets, they are determined using prices obtained from inactive or unquoted markets and/or other valuation techniques. The inputs to these valuation techniques (if applicable) are taken from observable markets to the extent practicable. Where observable inputs are not available, the inputs may be estimated based on a degree of judgments and assumptions in establishing fair values.

For personal use only

3. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS (CONTINUED)

3.1 JUDGEMENTS (CONTINUED)

Where appropriate, the outcomes of the valuation techniques that are used in establishing fair values are validated using prices from observable current market transactions for similar instruments (without modification or repackaging) or based on relevant available observable market data.

The determination of what constitutes 'observable' requires significant judgement by the Company. The Company considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

In addition, areas such as credit risk (both own and counterparty), volatilities and correlations require management to make estimates and judgments. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For certain other financial instruments, including amounts due from/to brokers, accounts payable and accounts receivable, the carrying amounts approximate fair value due to the immediate or short-term nature of these financial instruments.

3.2 ESTIMATES AND ASSUMPTIONS

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

RECOVERY OF DEFERRED TAX

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits, together with future tax planning strategies.

FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

When the fair value of financial assets and financial liabilities recorded in the statement of financial position cannot be derived from active markets, their fair value is determined using valuation techniques including the discounted cash flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. The judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments, further details are provided in Note 19.

4. SEGMENT INFORMATION

The Company only has one reportable segment and one industry. It operates in Australia and in the securities industry. It earns revenue from dividend income, interest income and other returns on its investment portfolio.

For personal use only

5. NET (LOSS)/GAIN ON FINANCIAL INSTRUMENTS AT FAIR VALUE THROUGH PROFIT OR LOSS

	2026 $'000	2025 $'000
Realised gains on financial instruments at fair value through profit or loss	2,333	5,490
Unrealised (losses)/gains on financial instruments at fair value through profit or loss	(12,866)	637
	(10,533)	**6,127**

6. INCOME TAX

(A) THE MAJOR COMPONENTS OF INCOME TAX EXPENSE FOR THE YEAR ENDED 30 JUNE 2026 ARE:

	2026 $'000	2025 $'000
Deferred tax		
Relating to origination and reversal of temporary differences	(3,716)	1,119
Aggregate income tax expense	**(3,716)**	**1,119**
Reconciliation of tax expense and the accounting profit multiplied by Australia's domestic tax rate for the year		
(Loss)/Profit before income tax benefit/(expense)	**(11,609)**	**4,264**
Tax effect amounts which are not deductible/(taxable) in calculating taxable income:		
Tax at the statutory tax rate of 30% (2025: 30%)	(3,483)	1,279
Tax offset for franked dividends	(233)	(160)
Income tax expense	**(3,716)**	**1,119**

(B) DEFERRED TAX RELATES TO THE FOLLOWING:

	2026 $'000	2025 $'000
Financial assets held at fair value	6,196	2,480
Net deferred tax assets	**6,196**	**2,480**
Reflected in the Statement of Financial Position as follows:		
Deferred tax assets	7,310	3,888
Deferred tax liabilities	(1,114)	(1,408)
Net deferred tax assets	**6,196**	**2,480**

For personal use only

For personal use only

7. EARNINGS PER SHARE (EPS)

Basic EPS is calculated by dividing the profit for the period attributable to ordinary equity holders of the parent by the weighted average number of ordinary shares outstanding during the period. For the current period diluted EPS is the same as basic EPS.

The basic (losses)/earnings per share for the reporting period were as follows:

	2026 Cents	2025 Cents
Basic earnings per share	(9.36)	3.61
Diluted earnings per share	(9.36)	3.61

The following table reflects the income and share data used in the basic EPS calculations:

	2026 $'000	2025 $'000
(Loss)/Profit after income tax attributable to the owners of Salter Brothers Emerging Companies Limited	**(7,893)**	**3,145**

	Number	Number
Weighted average number of ordinary shares used in calculating basic earnings per share	84,371,417	87,140,137
Weighted average number of ordinary shares used in calculating diluted earnings per share	84,371,417	87,140,137

8. CASH AND CASH EQUIVALENTS

	2026 $'000	2025 $'000
Cash at bank	**3,486**	**2,380**

9. CASH FLOW INFORMATION

(A) RECONCILIATION OF (LOSS)/PROFIT AFTER INCOME TAX TO NET CASH FLOWS FROM OPERATIONS

	2026 $'000	2025 $'000
(Loss)/Profit after income tax benefit/(expense) for the year	(7,893)	3,145
Adjustments to reconcile profit after tax to net cash flows:		
Unrealised losses/(gains) on financial instruments at fair value through profit or loss	12,866	(637)
Changes in assets and liabilities:		
Decrease/(increase) in receivables and other assets	20	(74)
Decrease in financial assets held at fair value through profit or loss	4,077	2,058
(Increase)/decrease in deferred tax assets	(3,716)	1,119
(Decrease)/Increase in payables and other liabilities	(85)	489
Net cash from operating activities	**5,269**	**6,078**

(B) NON-CASH INVESTING AND FINANCING ACTIVITIES

There were no non-cash investing and financing activities for the year ended 30 June 2026.

For personal use only

10. TRADE AND OTHER RECEIVABLES

	2026 $'000	2025 $'000
Dividends & distributions receivable	-	401

11. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS

	2026 $'000	2025 $'000
Listed equity securities	57,582	68,211
Unlisted equity securities	8,215	14,128
	65,797	**82,339**

An overview of the risk exposures relating to financial assets at fair value through profit or loss is included in Note 18.

12. OTHER ASSETS

	2026 $'000	2025 $'000
GST receivable	45	65
Prepayments	40	40
	85	**105**

13. TRADE AND OTHER PAYABLES

	2026 $'000	2025 $'000
Outstanding settlements payable	646	802
Management fee accrual	90	104
Other payable and accruals	106	21
	842	**927**

Refer to Note 18 for further information on financial risk management.

14. CONTRIBUTED EQUITY

	2026 Shares	2025 Shares	2026 $'000	2025 $'000
Ordinary shares issued and fully paid	84,079,646	85,154,593	87,263	88,045

Ordinary shares issued and fully paid	Number of shares	$'000
At 1 July 2024	**90,526,470**	**91,944**
Share buy-backs	(5,371,877)	(3,899)
At 30 June 2025	**85,154,593**	**88,045**
Share buy-backs	(1,074,947)	(782)
At 30 June 2026	**84,079,646**	**87,263**

14. CONTRIBUTED EQUITY (CONTINUED)

ORDINARY SHARES

Ordinary shares entitle the holder to participate in dividends and the proceeds on winding up of the Company in proportion to the number of and amounts paid on the shares held. On a show of hands every holder of ordinary shares present at a meeting in person or by proxy, is entitled to one vote, and upon a poll each share is entitled to one vote. Ordinary shares have no par value and the Company does not have a limited amount of authorised capital.

CAPITAL MANAGEMENT

The Board will regularly review the capital structure of the Company and, where the Board considers appropriate; undertake capital management initiatives which may involve:

(a) the issue of shares (for example, through bonus options issues, placement, pro rata issues); and

(b) the buy-back of Shares on-market.

The Company's policy is to maintain an appropriate level of liquidity in the Company's shares.

To achieve this, the Board of Directors monitor monthly NTA results, investment performance, the Company's management expenses and share price movements.

The capital risk management policy remains unchanged from the 2025 Annual Report.

15. PROFITS RESERVE

	2026 $'000	2025 $'000
Balance at the beginning of the year	-	-
Transfer from profits reserve	10,707	-
Dividends paid	(3,381)	-
Balance at the end of the year	**7,326**	**-**

To the extent possible under the *Corporation Act 2001* and applicable tax laws, the profits reserve is preserved for future dividend payments.

16. ACCUMULATED LOSSES

	2026 $'000	2025 $'000
Balance at the beginning of the year	(1,267)	(2,706)
(Loss)/Profit for the year attributable to members of the Company	(7,893)	3,145
Transfer to profits reserve	(10,707)	-
Dividend paid	-	(1,706)
Balance at the end of the year	**(19,867)**	**(1,267)**

For personal use only

17. DIVIDENDS (CONTINUED)

Dividends paid during the financial year were as follows:

	2026 $'000	2025 $'000
Interim dividend for the year ended 30 June 2026 of $0.02 per ordinary share, fully franked, paid on 23 April 2026	1,682	-
Interim dividend for the year ended 30 June 2025 of $0.02 per ordinary share, fully franked, paid on 24 April 2025	-	1,706
Final dividend for the year ended 30 June 2025 of $0.02 per ordinary share, 85% franked, paid on 30 October 2025	-	1,699
	1,682	**3,405**

Dividend franking information

	2026 $'000	2025 $'000
Franking credits available for shareholders from previous financial periods	1,702	2,433
Impact on the franking account of dividends paid during the period	(1,340)	(731)
Franking credits available for subsequent financial years based on a tax rate of 30%	**362**	**1,702**

On 31 August 2026, the directors declared a partial franked final dividend of $0.02 per share to the holders of fully paid ordinary shares in respect of the financial year ended 30 June 2026, to be paid to the shareholders on 22 October 2026. The dividend will be paid to shareholders based on the Register of Members on 25 September 2026. This dividend has not been included as a liability in these financial statements. The total estimated dividend to be paid is $1.7 million.

The final dividends recommended after 30 June 2026 will be partial franked through the use of existing franking credits in the year ended 30 June 2026.

18. FINANCIAL RISK MANAGEMENT

(A) MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company's exposure to market risk is limited to interest rate risk.

Investment returns are influenced by general market factors both in Australia and internationally and by factors specific to each security. In particular, the market prices of the shares of many listed entities have in recent times experienced wide fluctuations which in many cases reflect a diverse range of non-entity specific influences.

These market risks may materially affect both the performance of the securities in which the Company invests and the net tangible asset backing of the shares.

The market risk disclosures are prepared on the basis of the Company's direct investments and not on a look-through basis.

The sensitivity of the Company's total equity and profit to price risk, foreign exchange risk and interest rate risk is measured by the reasonably possible movements approach. This approach is determined based on management's best estimate, having regard to a number of factors, including historical levels of changes in interest rates and foreign exchange rates, historical correlation of the Company's investments with the relevant benchmarks and market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors, including unusually large market shocks resulting from changes in the performance of the economies, markets and securities in which the Company invests. As a result, historic variations in the risk variables are not a definitive indicator of future variations in the risk variables.

For personal use only

18. FINANCIAL RISK MANAGEMENT (CONTINUED)

(A) MARKET RISK (CONTINUED)

At 30 June 2026, the overall market exposures were as follows:

	2026 $'000	2025 $'000
Securities at fair value through profit or loss	**65,797**	**82,339**

(I) FOREIGN CURRENCY RISK

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The Company currently does not have a direct exposure to foreign currency risk.

(II) EQUITY PRICE RISK

The Company's listed and non-listed equity investments are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Reports on the equity portfolio are submitted to the Manager's senior management on a regular basis.

Price risk exposure arises from the Company's investment portfolio. The investments are classified on the statement of financial position as held at fair value through profit or loss. All securities investments present a risk of loss of capital. Except for equities sold short, the maximum risk resulting from financial instruments is determined by the fair value of the financial instruments. Possible losses from equities sold short can be unlimited, however the Company does not engage in short-selling.

The Manager mitigates this price risk through diversification and a careful selection of securities and other financial instruments within specified limits set by the Board.

The Company's overall market positions are monitored on a regular basis by the Company's Manager. This information is reported to the relevant parties on a regular basis and ultimately the Board.

If the equity prices had increased/(decreased) by the percentage indicated below, with all other variables held constant, the total equity and profit would have changed by the following amounts, approximately and respectively:

	Impact on operating profit/net assets attributable to shareholders	
	-10% $'000	+10% $'000
2026	(6,580)	6,580
2025	(8,234)	8,234

At the reporting date, the exposure to non-listed equity investments at fair value was $8,215,000 (2025: $14,128,000). Sensitivity analyses of these investments have been provided in Note 19.

(III) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's investment returns. Interest rate risk is monitored at the Board level.

The market risk disclosures are prepared on the basis of the Company's direct investments and not on a look-through basis.

For personal use only

18. FINANCIAL RISK MANAGEMENT (CONTINUED)

(B) CREDIT RISK

Credit risk is the risk that a counterparty, such as a clearing house, prime broker or custodian, will not meet its obligations under a financial instrument or contract, leading to a financial loss. The investment strategies of the Company and the Manager rely on the successful performance of contracts with external parties, including securities brokers and service providers.

The Manager uses a strict code of credit, including obtaining agency credit information, confirming references and setting appropriate credit limits. The consolidated entity obtains guarantees where appropriate to mitigate credit risk. The maximum exposure to credit risk at the reporting date to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the statement of financial position and notes to the financial statements. The Company does not hold any collateral.

The Company applies the AASB 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables and contract assets.

Generally, trade receivables are written off when there is no reasonable expectation of recovery. Indicators of this include the failure of a debtor to engage in a repayment plan, no active enforcement activity and a failure to make contractual payments for a period greater than 1 year.

(C) LIQUIDITY RISK

The Company monitors its risk of a shortage of funds by performing a liquidity planning analysis. Given the nature of the Company, and the traditionally lower trading volumes experienced by some listed investment companies ("LICs"), it is likely that there may be a low level of liquidity in trading of the shares. As a result, shareholders may not be able to sell their shares at the time and in the volumes or at a price they desire.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts and bank facilities.

The Company's investments include listed securities that are considered readily realisable, as they are listed on recognised stock exchanges.

The Company may invest in unlisted equities that expose the Company to the risk that the Company may not be able to liquidate quickly its investments in these instruments at an amount close to their fair value to meet its liquidity requirements or to respond to specific events such as deterioration in the creditworthiness of any particular issuer.

In accordance with the Company's policy, the Manager monitors the Company's liquidity position on a regular basis. This information and the compliance with the Company's policy are reported to the relevant parties on a regular basis as deemed appropriate and ultimately to the Board.

REMAINING CONTRACTUAL MATURITIES

The following tables detail the Company's remaining contractual maturity for its financial instrument liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the financial liabilities are required to be paid. The tables include both interest and principal cash flows disclosed as remaining contractual maturities and therefore these totals may differ from their carrying amount in the statement of financial position.

For personal use only

18. FINANCIAL RISK MANAGEMENT (CONTINUED)

(C) LIQUIDITY RISK (CONTINUED)

2026	Less than 1 month $'000	1-3 months $'000	3-12 months $'000	More than 12 months $'000	Remaining contractual maturities $'000
Non-derivatives					
Non-interest bearing					
Outstanding settlements payable	646	-	-	-	**646**
Management fee accrual	90	-	-	-	**90**
Other payable and accruals	106	-	-	-	**106**
Total non-derivatives	**842**	**-**	**-**	**-**	**842**

2025	Less than 1 month $'000	1-3 months $'000	3-12 months $'000	More than 12 months $'000	Remaining contractual maturities $'000
Non-derivatives					
Non-interest bearing					
Outstanding settlements payable	802	-	-	-	**802**
Management fee accrual	104	-	-	-	**104**
Other payable and accruals	21	-	-	-	**21**
Total non-derivatives	**927**	**-**	**-**	**-**	**927**

(D) CONCENTRATIONS OF RISK

Concentrations of risk arise when a number of financial instruments are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have similar economic conditions. These similarities would cause the counterparties' liabilities to meet the contractual obligations to be similarly affected by certain changes in the risk variables.

The concentrations of risk are monitored by the Manager to ensure they are within acceptable limits by reducing the exposures or by other means as deemed appropriate.

Concentrations of risk are managed by industry sector for equity instruments and by counterparty for debt instruments.

Based on the concentrations of risk that are managed by industry sector, the following investments can be analysed by the industry sector as follows:

	2026		2025	
	$'000	%	$'000	%
Information technology	27,557	41.9	28,751	34.9
Industrials	18,269	27.8	28,379	34.6
Health care	5,740	8.7	12,720	15.4
Financials	7,893	12.0	836	1.0
Communication services	-	-	474	0.6
Materials	-	-	15	-
Consumer discretionary	6,338	9.6	9,164	11.1
Communication staples	-	-	2,000	2.4
	65,797	**100.0**	**82,339**	**100.0**

For personal use only

For personal use only

19. FAIR VALUE MEASUREMENT

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at the reporting date. The carrying amounts of all financial instruments are reasonable approximations of the respective instrument's fair value.

Fair value measurement hierarchy for assets as at 30 June 2026:

		Fair value measurement using			
	Date of valuation	Quoted prices in active markets (Level 1) $'000	Significant observable inputs (Level 2) $'000	Significant unobservable inputs (Level 3) $'000	Total $'000
Assets measured at fair value:					
Financial assets at fair value through profit or loss	30 June 2026	57,582	-	8,215	65,797

Fair value measurement hierarchy for assets as at 30 June 2025:

		Fair value measurement using			
	Date of valuation	Quoted prices in active markets (Level 1) $'000	Significant observable inputs (Level 2) $'000	Significant unobservable inputs (Level 3) $'000	Total $'000
Assets measured at fair value:					
Financial assets at fair value through profit or loss	30 June 2025	65,971	2,240	14,128	82,339

Level 1 instruments comprise securities quoted on the ASX where values are based on quoted market prices.

Level 2 instruments are valued using inputs other than quoted prices covered in Level 1.

These other inputs include quoted prices that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices). The inputs included in this level encompass quoted prices in active markets for similar assets or liabilities, quoted prices in markets in which there are few transactions for identical or similar assets or liabilities. Financial instruments that are valued using other inputs that are not quoted prices but are observable for the assets or liabilities also fall into this categorisation.

Level 3 instruments include certain private equity type investments of which valuations are not based on market inputs or securities valued using models and internal data. Level 3 instruments may be adjusted to reflect illiquidity.

Level 3 investments are valued by the Managers using a variety of valuation techniques, taking into consideration recent market transactions. These valuations are reassessed on a monthly basis by the Manager. Management considers the appropriateness of the valuation inputs, methods and techniques used in the valuations. The valuations inputs are sourced from independent third party pricing sources without adjustment such as stock exchanges, pricing agencies and/or fund managers where available. Where the inputs are considered stale, unobservable, proprietary or from an inactive market, they are categorised as level 3.

19. FAIR VALUE MEASUREMENT (CONTINUED)

The following table presents the movement in level 1 instruments as at the reporting date by class of financial instrument.

	Opening balance $'000	Purchases/ (Sales) $'000	Transfer In/(out) of Level 3 $'000	Fair value gain/ (loss) recognised in profit or loss $'000	Closing balance $'000
Listed equity securities	68,211	7,333	-	(17,962)	57,582

The following table presents the movement in level 3 instruments as at the reporting date by class of financial instrument.

	Opening balance $'000	Purchases/ (Sales) $'000	Transfer In/(out) of Level 3 $'000	Fair value gain/ (loss) recognised in profit or loss $'000	Closing balance $'000
Unlisted equity securities	14,128	(13,342)	-	7,429	8,215

The unlisted equity securities investment includes a portfolio of ordinary and/or preference shares or other similar equity instrument investments in unlisted companies. A description of the significant unobservable inputs underpinning the valuation of unlisted equity securities investments, are included in this note.

Stepchange Holdings Limited was listed on the ASX during the year, resulting in the investment being reclassified from level 2 to level 1. TSI a Level 2 investment and IPSI and Sphere, both Level 3 investments, were disposed of during the year.

DESCRIPTION OF SIGNIFICANT UNOBSERVABLE INPUTS TO VALUATION

The following table summarises the quantitative information about the significant unobservable inputs used in Level 3 fair value measurements, together with a sensitivity analysis as at 30 June 2026 shown below. Based on different characteristics of individual investments, valuation technique adopted by the Manager may include the capitalisation of earnings and comparable market transactions approach or, a blended average of both.

Valuation technique	Significant unobservable inputs	Sensitivity of the input to fair value
Capitalisation of earnings	EBITDA multiples	In isolation, a 10% increase/(decrease) in EBITDA multiples for Pelican and Bike Exchange would result in an increase/(decrease) in fair value by $814,000.
Comparable market transactions	Value from most recent capital raise	In isolation, a 10% increase/(decrease) in comparable for Zero Latency and Salter Brothers Tech Fund would result in an increase/(decrease) in fair value by $173,000.

20. RELATED PARTY DISCLOSURES

COMPENSATION OF KEY MANAGEMENT PERSONNEL OF THE COMPANY

	2026 $	2025 $
Short-term benefits	125,000	125,000
Total compensation paid to key management personnel	**125,000**	**125,000**

The amounts disclosed in the table are the amounts recognised as an expense during the reporting period related to key management personnel.

For personal use only

20. RELATED PARTY DISCLOSURES (CONTINUED)

OTHER TRANSACTIONS WITH RELATED PARTIES OR ENTITIES RELATED TO THEM

TRANSACTIONS WITH RELATED PARTIES

Transactions between the Company and related parties for the year ended 30 June 2026 were as follows:

	2026 $	2025 $
Amounts recognised as expense		
Management fee paid/payable to Salter Brothers Funds Management Pty Ltd	1,267,642	1,392,149
Performance fee paid/payable to Salter Brothers Funds Management Pty Ltd	-	379,878
Shared services fee paid/payable to Salter Brothers Funds Management Pty Ltd	556,188	360,000
Total recognised as expense	**1,823,830**	**2,132,027**
Amounts recognised as revenue		
Gain on disposal of investments to Salter Brothers Tech Fund	-	22,222
Total recognised as revenue	**-**	**22,222**

All transactions with related entities are entered into on normal commercial terms and conditions and at market rates as applicable.

MANAGEMENT AGREEMENT

The Company and the Manager have entered into the Management Agreement whereby, subject to the provisions set out below, the Company has exclusively appointed the Manager to invest and manage all of the assets of the Company (including any controlled entity of the Company) from time to time, for and on behalf of the Company (considered to be the provision of key management personnel services). An initial term of 10 years was entered into on 27 April 2021, which will be automatically extended for successive five year periods unless terminated earlier in accordance with the Management Agreement.

MANAGEMENT FEES

In its capacity as Investment Manager, the Manager is entitled to be paid a management fee equal to 1.50% (plus GST) per annum of the value of the portfolio calculated on the last business day of each month and payable within 10 business days of the end of each month.

PERFORMANCE FEES

In addition, the Manager is entitled to be paid by the Company a fee equal to 20.00% (plus GST) of the Portfolio's outperformance, if any, over each performance calculation period, subject to a high watermark mechanism. Performance fees are calculated on the last business day of each Performance Period, and payable within 10 business days after the end of the relevant Performance Calculation Period.

SHARED SERVICES FEES

Under the terms of the Management Agreement, the Manager must provide or procure the provision of reasonable administrative support services reasonably required by the Company to conduct its business. The Manager may delegate the provision of such administrative support services. The Manager has entered into the Shared Services Agreement, under which Salter Brothers Asset Management Pty Ltd has agreed to provide to the Company the administrative support services. The Shared Services Fee is paid to Salter Brothers Asset Management Pty Ltd by the Manager, and the Company reimburses the Manager for the Shared Services Fee pursuant to the terms of the Management Agreement.

TERMS AND CONDITIONS

All transactions were made on normal commercial terms and conditions and at market rates.

For personal use only

20. RELATED PARTY DISCLOSURES (CONTINUED)

RECEIVABLE FROM AND PAYABLE TO RELATED PARTIES

The following balances are outstanding at the reporting date in relation to transactions with related parties:

	2026 $	2025 $
Payables to Salter Brothers Funds Management Pty Ltd (exclusive of GST)	125,757	104,000

LOANS TRANSACTIONS AND BALANCES

The Company has not made, guaranteed or secured, directly or indirectly any loans to the Directors or their related parties during the reporting period.

21. AUDITOR'S REMUNERATION

The auditor of Salter Brothers Emerging Companies Limited is Deloitte Touche Tohmatsu (Australia). During the period the following fees were paid or payable for services provided by the auditor, its related practices and non-audit related services:

	2026 $	2025 $
Amounts received or due and receivable by Deloitte Touche Tohmatsu		
Audit services		
- An audit or review of the financial report of the entity	87,500	88,750
Non-audit services		
- Taxation services	8,300	16,100
	95,800	**104,850**

22. COMMITMENTS AND CONTINGENCIES

(A) COMMITMENTS

There are no commitments as at the reporting period which would have a material effect on the Company's financial statements as at 30 June 2026.

(B) CONTINGENCIES

There are no contingent assets or contingent liabilities as at the reporting period which would have a material effect on the Company's financial statement as at 30 June 2026.

23. EVENTS AFTER THE REPORTING PERIOD

Apart from the dividend declared as disclosed in note 17, no other matter or circumstance has arisen since 30 June 2026 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

24. CONSOLIDATED ENTITY DISCLOSURE STATEMENT

Salter Brothers Emerging Companies Limited does not have any controlled entities and is not required by the Australian Accounting Standards to prepare consolidated financial statements. Therefore, section 295(3A)(a) of the *Corporations Act 2001* does not apply to the entity.

For personal use only

DIRECTORS' DECLARATION

30 JUNE 2026

In the opinion of the Directors:

- the attached financial statements and notes comply with the *Corporations Act 2001*, the Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes comply with International Financial Reporting Standards as issued by the International Accounting Standards Board as described in note 2 to the financial statements;
- the attached financial statements and notes give a true and fair view of the Company's financial position as at 30 June 2026 and of its performance for the financial year ended on that date;
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable; and
- the Company does not have any controlled entities and is not required by the Accounting Standards to prepare consolidated financial statements. Therefore, a consolidated entity disclosure statement has not been included as section 295(3A)(a) of the *Corporations Act 2001* does not apply to the entity.

While the Company does not have any employees, the Directors have been given the declarations required by section 295A of the *Corporations Act 2001* by the relevant executives of Salter Brothers Funds Management Pty Ltd in relation to the Company.

Signed in accordance with a resolution of directors made pursuant to section 295(5)(a) of the *Corporations Act 2001*.

On behalf of the board

Independent Auditor's Report to the Members of Salter Brothers Emerging Companies Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Salter Brothers Emerging Companies Limited (the "Company") which comprises the statement of financial position as at 30 June 2026, the statement of profit or loss and other comprehensive income, the statement of changes in equity, and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information, the consolidated entity disclosure statement and the directors' declaration .

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- Giving a true and fair view of the Company's financial position as at 30 June 2026 and of it's financial performance for the year then ended; and
- Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* issued by the Accounting Professional & Ethical Standards Board Limited (the Code) that are relevant to audits of the financial report of public interest entities in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report for the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Liability limited by a scheme approved under Professional Standards Legislation.

Member of Deloitte Asia Pacific Limited and the Deloitte organisation.

Key Audit Matter	How the scope of our audit responded to the Key Audit Matter
Valuation and existence of level 3 financial assets held at fair value through profit or loss As at 30 June 2026, the Company's financial assets held at fair value through profit or loss amounted to $65.8m million (including both listed and unlisted positions). The Company's financial assets held at fair value represent the most significant driver of the Company's revenue and performance. The fluctuations in financial assets held at fair value also impact the realised and unrealised gains/(losses) recognised in the statement of profit or loss and other comprehensive income, which in turn affects the current and deferred tax balances. As disclosed in Notes 11 and 19 to the financial statements, the financial assets held at fair value through profit or loss comprised of: • Listed equity securities; and • Unlisted equity securities. The Company exercises judgment in valuing certain financial assets where there are significant unobservable inputs required for determining their fair value. These assets are classified as Level 3 financial instruments. For the Company, these Level 3 financial instruments predominantly consist of investments in unlisted equity securities. Judgement is required in estimating the fair value of these financial instruments.	In conjunction with our valuation specialists, our procedures included, but were not limited to: • obtaining an understanding of the design and implementation of relevant controls in relation to the valuation of the Company's unlisted equity securities; • assessing and challenging the valuation methodology used by management to estimate the fair value of investments in unlisted equity securities; • obtaining the most recent financial reports, management accounts and recent transactions information, as available, and assessing the performance of the unlisted equity securities; • performing sensitivity analysis on unlisted equity securities and evaluating the potential impact of upside or downside changes in the key management's inputs and assumptions; • reviewing publicly published information where available to corroborate the value of unlisted equity securities; • agreeing on a sample basis, the investment holdings to the external custodian's holdings statement; and • assessing the appropriateness of the disclosures in Note 11 and 19 to the financial report.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the Company's annual report for the year ended 30 June 2026, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

For personal use only

Deloitte.

Responsibilities of the Directors for the Financial Report

The directors are responsible:

- For the preparation of the financial report in accordance with the *Corporations Act 2001*, including giving a true and fair view of the financial position and performance of the Company in accordance with Australian Accounting Standards; and
- For such internal control as the directors determine is necessary to enable the preparation of the financial report in accordance with the *Corporations Act 2001*, including giving a true and fair view of the financial position and performance of the Company, and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

For personal use only

Deloitte.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Remuneration Report

Opinion on the Remuneration Report

We have audited the Remuneration Report included in pages 23 to 27 of the Directors' Report for the year ended 30 June 2026.

In our opinion, the Remuneration Report of Salter Brothers Emerging Companies Limited, for the year ended 30 June 2026, complies with section 300A of the *Corporations Act 2001*.

Responsibilities

The directors of the Company are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300A of the *Corporations Act 2001*. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.

Yours faithfully,

Deloitte Touche Tohmatsu
