Important information concerning proxy votes on Resolutions 1, 6 and 7
The Corporations Act places certain restrictions on the ability of Key Management Personnel and their closely related parties to vote on the Resolutions connected directly or indirectly with the remuneration of the Key Management Personnel.

Additionally, the Company will disregard any votes cast on Resolutions 1, 6 and 7 by any person appointed as a proxy by any person who is either a member of the Key Management Personnel or a Closely Related Party of such a member, unless:

(a) it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the proxy form; or
(b) it is cast by the Chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

For these reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all Resolutions. In particular, Shareholders who intend to appoint the Chair of the Meeting as their proxy (including an appointment by default) are encouraged to direct the Chair of the Meeting as to how to vote on all Resolutions.

If the Chair of the Meeting is appointed, or taken to be appointed, as your proxy, you can direct the Chair of the Meeting to vote for, against or abstain from voting on Resolutions 1, 6 and 7 by marking the box opposite the respective Resolution on the Proxy Form. You should direct the Chair of the Meeting how to vote on these Resolutions.

However, if the Chair of the Meeting is your proxy and you do not direct the Chair of the Meeting how to vote in respect of Resolutions 1, 6 and 7 on the Proxy Form, you will be deemed to have directed and expressly authorised the Chair of the Meeting to vote your proxy in favour of the relevant Resolution. This express authorisation acknowledged that the Chair of the Meeting may vote your proxy even if:

(a) Resolutions 1, 6 and 7 are connected directly or indirectly with the remuneration of a member or members of the Key Management Personnel for the Company; and
(b) the Chair of the Meeting has an interest in the outcome of Resolutions 1, 6 and 7 and that votes cast by the Chair of the Meeting for these Resolutions, other than as authorised proxy holder, will be disregarded because of that interest.

ANNUAL GENERAL MEETING - EXPLANATORY NOTES

These Explanatory Notes accompanying this Notice of Meeting are incorporated in and comprise part of this Notice of Meeting and should be read in conjunction with this Notice of Meeting.

If any Shareholder is in doubt as to how they should vote, they should seek advice from their legal, financial or other professional adviser prior to voting.

Introduction
These Explanatory Notes have been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be considered at the Annual General Meeting of the Company. The Directors recommend Shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Terms defined in the Notice of Meeting have the same meaning in these Explanatory Notes.

Financial Statements and Reports

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Director's report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at https://resolutionminerals.com.

Resolution 1 – Adoption of Remuneration Report

General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

Voting Consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

Resolution 2 – Election of Director – Mr Brett Lynch

General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Brett Lynch, having been appointed by other Directors on 17 August 2026 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

Further information in relation to Mr Brett Lynch is set out below.

Qualifications, experience and other material directorships	Mr Lynch is an experienced international mining executive and ASX company director with more than 30 years' experience across Australia, North America and Asia. He is widely recognised for his ability to transform and scale resource companies, deliver operational outcomes and build significant shareholder value. Most notably, Mr Lynch served as managing director of Sayona Mining Ltd, since renamed as Elevra Lithium Ltd (ASX: ELV), where he led the company's transformation from a small-cap lithium explorer into a multibillion dollar North American lithium producer. This included the successful acquisition and restart of the North American lithium operation in Quebec, positioning Sayona as a key participant in the North American battery materials supply chain. In addition to his achievements at Sayona, Mr Lynch has held senior operational and executive roles with leading resource companies including MIM Holdings, New Hope Corporation and Orica, overseeing large-scale, multi-jurisdictional operations, as well as serving as chairman of Ionic Rare Earths Limited (ASX: IXR). His professional qualifications include a Bachelor of Engineering (Mining) (Honours) at the University of Melbourne, a Graduate Diploma of Business (Accounting) at Monash University and a Company Director Diploma from the Australian Institute of Company Directors.

Independence	If elected, the Board considers that Mr Lynch will be an independent Director.
Other material information	The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Lynch.
Board recommendation	Having received an acknowledgement from Mr Lynch that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Lynch since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Lynch) recommend that Shareholders vote in favour of Resolution 2 and advise that they intend to vote any Shares that they own or control in favour of Resolution 2. The Chair intends to vote all undirected proxies in favour of Resolution 2.

Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Lynch will be elected to the Board as an independent Director.

If Resolution 2 is not passed, Mr Lynch will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and the Company's ability to execute on its strategic vision.

Resolution 3 – Re-Election of Director – Mr Syed Alsagoff

General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Syed Alsagoff, who has held office without re-election since 29 November 2024 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Alsagoff is set out below.

For personal use only

Required information	Details

Further, he has over 20 years' experience in senior operational and corporate leadership roles in diverse sectors' operations across several countries.
Term of office	Mr Alsagoff has served as a Director since 23 January 2024 and was last re-elected on 29 November 2024.
Independence	If re-elected, the Board considers that Mr Alsagoff will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Alsagoff that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Alsagoff since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Alsagoff) recommend that Shareholders vote in favour of Resolution 3 and advise that they intend to vote any Shares that they own or control in favour of Resolution 3. The Chair intends to vote all undirected proxies in favour of Resolution 3.

Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Alsagoff will be re-elected to the Board as an independent Director.

If Resolution 3 is not passed, Mr Alsagoff will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

Resolution 4 – Approval to increase Maximum Securities under the Company's Incentive Plan

General

Resolution 4 seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) to increase the maximum number of Securities under the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) from the present maximum of 250,000,000 Securities to a maximum of 400,000,000 Securities.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide service to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

Technical Information required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in this Resolution) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

Maximum number of Securities proposed to be issued under the Plan	The maximum number of Securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exception 13), following Shareholder approval is 400,000,000 Securities. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately. The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a director or a person whose relationship with the Company or the director is, in ASX's opinion, such that approval should be obtained.

Resolution 5 – Approval of 7.1A Mandate

General

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in the Explanatory Notes to Resolution 4 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. As of 2 October 2026, the Company's market capitalisation is $97,603,544. The Company is therefore an Eligible Entity.

Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

<tr><td>Use of funds</td><td>The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:
(a) expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
(b) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
(c) the development of the Company's current business; and
(d) general working capital.</td></tr>
<tr><td>Risk of economic and voting dilution</td><td>Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.
If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.
The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 2 October 2026.
The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.
The table above uses the following assumptions:
1. There are currently 2,568,514,340 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 2 October 2026 (being $0.044) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
3. The funds raised are rounded to the nearest thousand dollars.
4. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
5. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
6. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
7. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
8. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
9. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.</td></tr>

<tr><th>Required information</th><th>Details</th></tr>
<tr><td></td><td>10. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.
Shareholders should note that there is a risk that:
(a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
(b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.</td></tr>
<tr><td>Allocation policy under 7.1A Mandate</td><td>The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.
The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:
(a) the purpose of the issue;
(b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
(c) the effect of the issue of the Equity Securities on the control of the Company;
(d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
(e) prevailing market conditions; and
(f) advice from corporate, financial and broking advisers (if applicable).</td></tr>
<tr><td>Previous approval under Listing Rule 7.1A.2</td><td>The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2025 (Previous Approval).
During the 12-month period preceding the date of the Meeting, being on and from 30 November 2025, the Company issued 131,614,286 Shares pursuant to the Previous Approval (Previous Issue), which represent approximately 4.82% of the total diluted number of Equity Securities on issue in the Company on 30 November 2025, which was 2,730,088,425.
Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out below.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and the Related Parties are related parties of the Company by virtue of being Directors.

The Directors (other than the Related Parties) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for the Related Parties, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

10.14.1 a director of the entity;

10.14.2 an associate of a director of the entity; or

10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Technical information required by Listing Rule 14.1A

For personal use only

If Resolutions 6 and 7 are passed, the Company will be able to proceed with the issue within 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use any of the Company's 15% annual placement capacity.

If Resolutions 6 and 7 are not passed, the Company will not be able to proceed with the issue. The Company may consider other ways to pay the Related Parties, including in cash.

(a) the issue of the Incentive Performance Rights has no immediate dilutionary impact on Shareholders;
(b) the issue to the Related Parties will align the interests of the recipients with those of Shareholders;

(d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.</td></tr>
<tr><td>Valuation</td><td>The Company values the Performance Rights using the Monte Carlo methodology. The value for the rights has not been determined at this time, but can be reasonably approximated at the most recent share price of the Company's Shares of approximately $0.038 per Incentive Performance Right using a Monte Carlo valuation. <tr><td>Purpose of the issue, including the intended use of any funds raised by the issue</td><td>The purpose of the issue is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward their performance as Directors and to provide cost effective remuneration to the Related Parties, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties.</td></tr>

Terms and Conditions of the 2026 Employee Securities Incentive Plan

Eligible Participant	**Eligible Participant** means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time or a contractor or consultant of the Company or an Associated Body Corporate who has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Share, Option, Performance Right or other Convertible Security (**Securities**).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)). The maximum number of Securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exception 13), following Shareholder approval, is 400,000,000. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A **Convertible Security** represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.

Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited; (b) where the holder ceases to be an eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act)) (the **Group**) and the Board exercises its discretion to determine that any unvested Incentive Performance Rights will lapse. (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the Expiry Date, subject to the discretion of the Board.
Leaver	Where the holder ceases to be an eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group) before a Vesting Condition has been satisfied (other than where the Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group), subject to the Corporations Act and the Listing Rules, all or such other number of the Participant's unvested Incentive Performance Rights (based on the extent to which the Vesting Condition has been satisfied) continue "on-foot" and will be tested upon satisfaction of the Vesting Condition, vesting only to the extent that the Vesting Condition has been satisfied. Alternatively, the Board can modify the Vesting Conditions or determine that unvested Incentive Performance Rights lapse.
Listing of Convertible Securities	The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise (**Exercise Notice**) and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. In the case of Options, subject to the Board's approval, in lieu of paying the aggregate exercise price specified in the Exercise Notice, the Participant may elect a cashless exercise (**Cashless Exercise**) whereby the Board will issue to the Participant that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula: $$S = O * \frac{(MVS - EP)}{MVS}$$ Where: S = number of Shares to be issued on the exercise of the Options. O = number of Options being exercised. MVS = market value of shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise. EP = Exercise Price of the Options. For the avoidance of doubt, if the sum of the above calculation is zero or negative, then the holder will not be entitled to use Cashless Exercise. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five Business Days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.

Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Incentive Performance Rights will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Incentive Performance Rights on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Incentive Performance Rights for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any other provision of the Plan, and without limiting the amounts which may be deducted or withheld under applicable laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (**Withholding Amount**), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.
