2.1 Voting in person

To vote in person, attend the Meeting on the date and at the place set out above.

2.2 Voting by proxy

A Proxy Form is made available with the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are encouraged to vote by lodging the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

(i) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;

(ii) a proxy need not be a member of the Company; and

(iii) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms. Your proxy voting instruction must be received by 12:00 noon (AWST) on Sunday, 22 November 2026, being not later than 48 hours before the commencement of the Meeting.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

(i) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);

(ii) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;

(iii) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

(iv) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

(i) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;

(ii) the appointed proxy is not the Chair of the meeting;

(iii) at the meeting, a poll is duly demanded on the resolution; and

(iv) either the proxy is not recorded as attending the meeting or the proxy does not vote on

For personal use only

the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

2.3 Canadian Notice & Access

The Company has chosen to deliver proxy materials, including the Notice of Annual General Meeting and Explanatory Memorandum (together, the **Proxy Materials**), in reliance on the provisions of Notice-and-Access, which govern the delivery of proxy materials to Shareholders using the internet. Notice-and-Access provisions are found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* (**NI 51-102**) for delivery to registered Shareholders and in section 2.7.1 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (**NI 54-101**) for delivery to non-registered (or beneficial) Shareholders (together, the **Notice-and-Access Provisions**).

The Notice-and-Access Provisions permit the Company to deliver the Proxy Materials to Shareholders by posting them on a non-SEDAR+ website (usually the reporting issuer's website or the website of its transfer agent), provided that the conditions of NI 51-102 and NI 54-101 are met, rather than by printing and mailing the Proxy Materials. This method reduces paper waste and the Company's printing and mailing costs. Under the Notice-and-Access Provisions, the Company must send a Notice-and-Access notification and form of proxy or voting instruction form, as applicable (together, the **Notice Package**) to each Shareholder, including registered and non-registered (or beneficial) Shareholders, indicating that the Proxy Materials have been posted online and explaining how a Shareholder can access such materials and how they may obtain a paper copy of the Explanatory Memorandum from the Company.

This Explanatory Memorandum has been posted in full, together with the Notice of Annual General Meeting, the form of proxy, and the financial statements request form, on the Company's website at **https://fireflymetals.com.au/** and under the Company's profile at SEDAR+ (**www.sedarplus.ca**), the Canadian Securities Administrators' national system that all market participants use for filings and disclosure.

How to Obtain a Paper Copy of the Explanatory Memorandum

Any Shareholder may request a paper copy of the Explanatory Memorandum be mailed to them, at no cost, by contacting the Company via email to **cosec@fireflymetals.com.au**.

To allow adequate time for a Shareholder to receive and review a paper copy of the Explanatory Memorandum and then to submit their vote by 11:00pm (Toronto Time) on Saturday, 21 November 2026**,** a Shareholder requesting a paper copy of the Explanatory Memorandum as described above, should ensure such request is received by the Company no later than 5:00pm (Toronto time) on Tuesday, 10 November 2026. Under the Notice-and-Access Provisions, Proxy Materials must be available for viewing for up to one year from the date of posting and a paper copy of the Explanatory Memorandum can be requested at any time during this period. To obtain a paper copy of the Explanatory Memorandum after the Meeting date, please contact the Company.

The Company will not use a procedure known as 'stratification' in relation to its use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using Notice-and-Access Provisions also provides a paper copy of its Explanatory Memorandum to some Shareholders with the Notice Package. All Shareholders will receive only the Notice Package, which must be mailed to them pursuant to Notice-and-Access Provisions, and which will not include a paper copy of the Explanatory Memorandum. Shareholders will not receive a paper copy of the Explanatory Memorandum from the Company, or from any intermediary, unless a Shareholder

For personal use only

specifically requests one.

All Shareholders may call 1-800-564-6253 (toll-free within Canada and the United States) or (+1)514-982-7555 (direct from outside Canada and the United States) in order to obtain additional information relating to Notice-and-Access Provisions. All Shareholders may email **cosec@fireflymetals.com.au** to request a paper copy of the Explanatory Memorandum, up to and including the date of the Meeting, including any adjournment of the Meeting.

2.4 Canadian Non-Registered Owners or Beneficial Shareholders

Canadian beneficial shareholders should be aware that only the Registered Shareholders whose names appear on the share register of the Company are entitled to vote at the Meeting.

The purpose of the procedures described below is to permit Canadian beneficial shareholders to direct the voting of the Shares they beneficially own in accordance with NI 54-101. There are two categories of Canadian beneficial shareholders:

(a) Canadian beneficial shareholders who have provided instructions to an intermediary that they do not object to the intermediary disclosing ownership information about them (**NOBOs**); and

(b) Canadian beneficial shareholders who have objected to an intermediary providing ownership information (**OBOs**).

The Notice, Explanatory Memorandum and proxy-related materials will be sent to intermediaries to be forwarded to all Canadian Non-Registered Owners. The intermediary holding the Shares on your behalf has assumed responsibility for delivering these materials to you and executing your proper voting instructions.

The Company does not intend to pay for intermediaries to forward the Notice, Explanatory Memorandum, and proxy-related materials to OBOs directly. Consequently, an OBO will not receive the Notice, Explanatory Memorandum, and proxy-related materials unless the OBO's intermediary/broker assumes the cost of delivery.

In addition, OBOs and other Canadian beneficial shareholders will typically receive a voting instruction form (**VIF**) from an intermediary by way of instruction of their financial institution. Detailed instructions of how to submit your vote will be on the VIF.

Voting Procedure for Canadian Beneficial Shareholders

Intermediaries (which are usually banks, trust companies, securities dealers or stockbrokers, or clearing agencies in which such an intermediary participates), which are the Canadian Registered Shareholders, can only vote the Shares if instructed to do so by the Canadian beneficial shareholders. Every intermediary has its own mailing procedure and provides its own instructions. You should consider and follow the instructions which your intermediary provides to you (or which are otherwise contained in the contract between you and your intermediary). Typically, a beneficial owner will be given a VIF, which must be completed and signed by the beneficial owner in accordance with the instructions provided by the intermediary. The purpose of such VIF is to give the intermediary permission on how to vote on behalf of or otherwise represent the beneficial owner at the Meeting. A Canadian beneficial shareholder cannot use the VIF to vote or otherwise represent Shares at the Meeting.

The majority of intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions (**Broadridge**). Broadridge mails the VIFs to the Canadian beneficial shareholders as of the Canadian Beneficial Holder Record Date and

For personal use only

asks the Canadian beneficial shareholders to return the VIFs to Broadridge. Broadridge then tabulates the results of all VIFs received from Canadian beneficial shareholders as of the Canadian Beneficial Holder Record Date respecting the Shares to be represented at the Meeting. The VIF must be returned to Broadridge in advance of the Meeting as per the instructions on the VIF in order to have the Shares voted or otherwise represented at the Meeting.

Voting by Internet, Telephone or Facsimile

If you are a Canadian beneficial shareholder and have been provided with a VIF from your intermediary, you may be given the option of submitting your voting instructions by telephone or facsimile – follow the instructions on the VIF. You will likely also be able to submit your voting instructions by Internet by accessing the URL or web address as provided in the VIF, entering the control number that appears on the VIF, indicating your vote on each resolution and selecting "final submission". Any such vote is an instruction to your intermediary as to how you wish to vote. It is not a vote cast by you at the Meeting.

Your vote **must be received by 11:00pm (Toronto time) on Saturday, 21 November 2026** or 48 hours (excluding Saturdays, Sundays and statutory holidays in Canada) before the time and day of any adjourned Meeting. If you vote by Internet, DO NOT mail back the proxy or the VIF.

Canadian beneficial shareholders should follow the instructions on the forms they receive and contact their intermediaries promptly if they need assistance.

2.5 Chair's voting intentions

Subject to the below, the Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 1, Resolutions 3(a) and (b) and Resolution 4 even though these Resolutions are connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

If the Chair is a person referred to in the voting prohibition statement applicable to a Resolution (under section 224 of the Corporations Act), the Chair will only be able to cast a vote as proxy for you on the relevant Resolution if you are entitled to vote and have specified your voting intention in the Proxy Form.

2.6 Submitting questions

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company at **cosec@fireflymetals.com.au**, by no later than 5:00pm (AWST) on Friday, 20 November 2026. Shareholders will also have the opportunity to submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

For personal use only

3. Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report, for the financial year ended 30 June 2026. There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

(a) discuss the Annual Report which is available online at **https://fireflymetals.com.au/financial-reports/** or on the ASX platform for 'FFM' at **https://www.asx.com.au/markets/company/FFM**;

(b) ask questions about, or comment on, the management of the Company; and

(c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

(a) the preparation and content of the Auditor's Report;

(b) the conduct of the audit;

(c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and

(d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so.

4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's remuneration report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

For personal use only

Where a resolution on the Company's remuneration report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable directors' report must stand for re-election.

The Company's remuneration report did not receive a Strike at the 2025 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2027 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

4.2 Board recommendation

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Re-election of Director – Michael Naylor

5.1 General

Article 7.2(b) of the Company's Constitution and Listing Rule 14.5 both provide that there must be an election of Directors at each annual general meeting of the Company.

Michael Naylor, Executive Director, was last elected as a Director at the annual general meeting of the Company held on 19 November 2024 and, along with Non-Executive Director Renée Roberts, has held office the longest without re-election. Mr Naylor has agreed to retire by rotation at this Meeting and, being eligible, seeks re-election pursuant to Resolution 2.

If re-elected, the Board (with Mr Naylor abstaining) considers Mr Naylor not to be an independent Director by virtue of his executive position with the Company.

If Resolution 2 is passed, Mr Naylor will retire at the conclusion of the Meeting and will be immediately re-elected as a Director.

If Resolution 2 is not passed, Mr Naylor will retire at the conclusion of the Meeting and will not be re-elected as a Director at this Meeting.

5.2 Mr Michael Naylor

Mr Naylor has over 25 years' experience in corporate advisory and public company management since commencing his career and qualifying as a chartered accountant with Ernst & Young. Mr Naylor has been involved in the financial management of mineral and resources focused public companies, serving on the board and on the executive management team, focusing on advancing and developing mineral resource assets and business development.

Mr Naylor has worked in Australia and Canada and has extensive experience in financial reporting, capital raisings, debt financings and treasury management of resource companies.

Previously, Mr Naylor served as founding Executive Director of ASX200 Bellevue Gold Limited (ASX: BGL) (**Bellevue**) leading the business through discovery, funding, development and

For personal use only

construction of the 3 million oz Bellevue Gold Mine in Western Australia. He then served as a Non-Executive Director of Bellevue until 20 January 2026.

Mr Naylor does not currently hold any other material directorships, other than as disclosed in this Notice.

Mr Naylor has been a Non-Executive Director of the Company since 30 November 2018 and was appointed as Executive Director on 20 October 2023 after the successful acquisition of the Green Bay Copper-Gold Project. His proven track record, experience, expertise, reputation and credibility will be invaluable for the Company moving forward.

5.3 Board recommendation

Resolution 2 is an ordinary resolution.

The Board (other than Mr Naylor, who abstains from making a recommendation given his personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of Resolution 2 for the following reasons:

(a) Mr Naylor's corporate and project finance experience will assist the Company in achieving its strategic objectives in the short and medium term;

(b) Mr Naylor's contributions to the Board's activities to date have been invaluable and his skills, qualifications and experience will continue to enhance the Board's ability to perform its role; and

(c) Mr Naylor is a long-standing Board member whose in-depth knowledge and understanding of the Company and its business will be instrumental in the growth of the Company at an important stage of development.

6. Resolution 3(a) and 3(b) – Approval of issue of Director Performance Rights

6.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to a total of 1,797,018 Performance Rights to Managing Director, Stephen Parsons and Executive Director, Michael Naylor (**Executive Directors**) (or their respective nominee/s) under the Plan (**Director Performance Rights**), as follows:

The Director Performance Rights are to be issued under the Company's Employee Securities Incentive Plan (**Plan**). A summary of the material terms and conditions of the Plan is in Schedule 3. The vesting conditions for the Director Performance Rights are outlined in Section 6.3 below and include the Executive Directors remaining with the Company until 30 June 2029. Further details on the independent valuation of the Director Performance Rights can be found in Section 6.1 and Schedule 4. The Director Performance Rights will expire on 30 June 2031. The terms and conditions of the Director Performance Rights are set out in Schedule 2.

The quantum of Director Performance Rights proposed to be issued to the Executive Directors during FY27 compared against FY26, expressed as a percentage of their total fixed remuneration (**TFR**), is outlined in the table below.

Director	FY27	FY26[1]
Stephen Parsons	300%	175%
Michael Naylor	220%	108%

1. The FY26 Director Performance Rights were approved by shareholders at the Company's 2025 AGM by a "for" vote of 99.02% (Stephen Parsons) and 99.01% (Michael Naylor).

The Company engaged the services of an independent external remuneration consultant, RemSmart, to undertake remuneration benchmarking against a peer group. The peer group, which is different to that used for the FY26 grant, was identified by RemSmart from mineral project development companies listed on the ASX and operating within Australia or internationally in a similar project development window to the Company, namely advancing a material asset from pre-production towards production. The key comparator issue identified by RemSmart was whether the executive team is required to lead a project through study progression, approvals, financing, organisational build-out, development execution and

readiness for first production, as companies whose value is primarily driven by these development milestones are more relevant comparators than companies whose value is predominantly derived from current operating cash flow. Other factors taken into consideration to ensure the comparability of the peer group across several dimensions included:

(a) **listed market relevance:** mining and development companies listed in relevant public markets;

(b) **project development stage:** non-producing or pre-production development-stage companies;

(c) **asset concentration:** companies with a flagship asset or dominant project central to the company's valuation;

(d) **executive task comparability:** executive teams operating in the study, approvals, financing and development-readiness phase, rather than steady-state production; and

(e) **scale:** market capitalisation was considered as a relevant, but not determinative, factor, providing context as to company scale and investor positioning.

The peer group proposed by the external remuneration consultant was endorsed by the Company's Nomination and Remuneration Committee (**NRC**).

The peer group is summarised in the table below, and comprises peers who are also transitioning through development phases and towards production, facing similar complexities and challenges and delivering similar milestones. This approach allows for a relevant and fair comparison, as the management team guides the Company through a critical phase in its lifecycle.

Company	ASX Code
Arafura Rare Earths Limited	ARU
Bannerman Energy Limited	BMN
Chalice Mining Limited	CHN
Deep Yellow Limited	DYL
Ioneer Ltd	INR
Neometals Limited	NMT
PDI Gold Limited	PDI
Silver Mines Limited	SVL

The remuneration data from the remuneration benchmarking exercise completed by the external remuneration consultant was provided to the Company's NRC and Board for their consideration in recommending and adopting the FY27 remuneration framework, including the increases to the Executive Directors' TFR and the proposed issue of Director Performance Rights to the Executive Directors. The increase in long-term incentive quantum reflects the Executive Directors' lower TFR compared with independent market benchmarking, the absence of any short-term incentive, and the Company's intention that all 'at risk' remuneration be delivered through long-term incentives aligned with sustained value generation.

Unlike some other peers, FireFly's Executive Directors are not currently receiving any short-term incentives, with the entire quantum of 'at risk' remuneration comprising the long-term incentives provided by the proposed Director Performance Rights. The purpose of providing these long-term incentives, partly in lieu of any short-term incentives, is to focus the Executive Directors and management of the Company on sustained value generation from the Green Bay Copper-Gold Project.

The proposed total remuneration mix for the Executive Directors for the financial year ending 30 June 2027 is as follows:

Executive Director	TFR[1]	At-risk remuneration *Director Performance Rights*					
		Project Incentive			Long Term Shareholder Reward		
		% of TFR	Ascribed Value[2]	No.[3]	% of TFR	Ascribed Value[2]	No.[3]
Stephen Parsons	$700,000	150%	$1,050,000	602,064	150%	$1,050,000	602,064
Michael Naylor	$470,000	110%	$517,000	296,445	110%	$517,000	296,445

Notes:

1. Including statutory superannuation.
2. The Ascribed Value was calculated based on a percentage of TFR. An independent valuation of the Director Performance Rights is summarised in Schedule 4.
3. The number of Director Performance Rights to be issued has been calculated using the 5-day VWAP for the Company's Shares up to and including 30 June 2026, being A$1.744.

Resolutions 3(a) and (b) seek Shareholder approval pursuant to Listing Rule 10.14 and section 208 of the Corporations Act for the issue of up to 1,797,018 Director Performance Rights under the Plan to Messrs Parsons and Naylor (or their respective nominee/s).

6.2 Further background and rationale

The acquisition and advancement of the Green Bay Copper-Gold Project, the Company's dual listing on the ASX and TSX and recent entry into the S&P/ASX 200 have materially expanded the complexity, accountability, and strategic scope of the Executive Directors' roles. The Executive Directors are responsible for managing activities across two continents, requiring seamless coordination between Australian and Canadian teams, and the navigation of distinct markets and regulatory frameworks in both jurisdictions.

The Executive Directors have been instrumental in creating and advancing the strategic opportunity represented by the Company and the Green Bay Copper-Gold Project. Their proven track record, including leading Bellevue Gold Limited from an explorer with a market capitalisation of $300 million in 2019 to an ASX 200 gold producer with a market capitalisation exceeding $1.3 billion by June 2026 demonstrates their ability to deliver meaningful growth and value. Both bring extensive industry-specific expertise, strong stakeholder relationships, and market credibility, which have contributed to a stable share price, the attraction of top talent, and the successful raising of approximately A$149 million (before costs) in FY26 and approximately A$185 million (before costs) in August 2026.

The Executive Directors have also played key roles in achieving sustained shareholder value, including a 69% increase in the Company's share price during FY26 (from A$1.04 as at 30 June 2025 to A$1.76 as at 30 June 2026) and a 102% increase in the market capitalisation of the Company (from approximately A$668.8 million as at 30 June 2025 to approximately A$1.35 billion as at 30 June 2026), and positioning the Company to progress along the development journey towards its aim to become a future significant copper producer, including by increasing the Mineral Resource at the Green Bay Copper-Gold Project by 51%, with higher confidence M&I Mineral Resources at the Ming Deposit increasing by 121% in November 2025, which was followed by a further 19% increase in August 2026, and securing significant funding through equity raisings announced in June and December 2025 and August 2026.

For personal use only

Following a year of transformative growth as highlighted above, the Board has undertaken a comprehensive review of Executive Director remuneration, informed by the peer benchmarking completed by external remuneration consultant, RemSmart, to ensure such remuneration remains competitive in both Australian and Canadian markets and aligned with the Company's next stage of development. The Board considers it appropriate that executive remuneration reflects both the performance delivered and the increasing breadth of responsibilities required to manage a larger and more advanced business.

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue of the Director Performance Rights seeks to align the efforts of Messrs Parsons and Naylor in seeking to drive development and achieve growth of the Share price and in the creation of Shareholder value. In this regard, in addition to all Performance Rights being subject to the Executive Directors remaining with the Company for a three-year service period, Tranches D, E, F and G of the Performance Rights are linked to the Company's performance in generating total shareholder return. For Tranche D, such performance is compared against a defined peer group. For Tranches E, F and G, growth of the Company's total shareholder return is required to exceed certain thresholds (10%, 15% and 20%, respectively). Other tranches of the Director Performance Rights are dependent on achievement of key project milestones at the Green Bay Copper-Gold Project, being the announcement of an Ore Reserve at the Green Bay Copper-Gold Project and Mineral Resource at any of the Company's regional projects and the commencement of construction at the Green Bay Copper-Gold Project.

The Board believes it is important to offer these Director Performance Rights to continue to attract and maintain highly experienced and qualified Executive Directors in a competitive market.

6.3 Vesting Conditions

The Performance Rights will have the vesting conditions (**Vesting Conditions**) specified below. Refer to Schedule 2 for more detail, including definitions of capitalised terms used in the table above.

This structure ensures a balanced focus between operational delivery and market performance, directly linking rewards to the delivery of transformative project outcomes and superior shareholder returns. The inclusion of a three-year service condition further supports executive retention through a critical phase of the Company's development. Overall, the framework is designed to maintain strong governance and alignment with proxy advisor and institutional investor expectations.

Copper Equivalent

For the purposes of the Vesting Conditions of Tranches A and B, the Copper Equivalent value will be calculated based on the following formula, or such amended or alternative formula as may be applied by the Company from time to time: CuEq(%) = Cu(%) + (Au(g/t) x 0.97106) + (Ag(g/t) x 0.01360). This formula was derived based on a copper price of US$10,626/t, gold price of US$3,587/oz and silver price of US$50.22/oz.

Measuring the Long-Term Shareholder Reward Vesting Conditions

For the purposes of the Vesting Condition for Tranche D of the Director Performance Rights, the Company's TSR will be ranked against the FY27 TSR Peer Group. To measure performance against the Vesting Condition:

(a) the TSR of each company in the FY27 TSR Peer Group will be calculated;

(b) the FY27 TSR Peer Group companies will be ranked according to their TSR;

(c) the Company's TSR will be calculated to determine its percentile in relation to the FY27 TSR Peer Group companies; and

(d) the Company's percentile will determine the proportion of the Director Performance Rights to vest.

6.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of its Shareholders:

(a) a director of the entity (Listing Rule 10.14.1);

(b) an associate of a person referred to in Listing Rule 10.14.1 (Listing Rule 10.14.2);

(c) a person whose relationship with the entity or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by Shareholders.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Performance Rights as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Performance Rights will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1.

For personal use only

The effect of Shareholders passing Resolutions 3(a) and (b) will be to allow the Company to proceed with the issue of the Director Performance Rights to Messrs Parsons and Naylor (or their respective nominee/s) in the proportions listed above.

If Resolutions 3(a) and (b) are not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to Messrs Parsons and Naylor (or their respective nominee/s) and the Company may consider other alternative commercial means to incentivise Messrs Parsons and Naylor, including by the payment of cash, subject to the requirements of the Company's Constitution, Corporations Act and Listing Rules. The Company will also engage with Shareholders to understand the reasons the Resolutions were not passed and may resubmit the resolutions for a Shareholder vote at a later general meeting.

Resolutions 3(a) and (b) are not inter-conditional, and Shareholders may approve either or both Resolutions. If only one Resolution is approved, only the Director Performance Rights the subject of that Resolution will be issued, even though Shareholders have not approved all of these Resolutions.

6.6 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

(a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Performance Rights constitutes giving a financial benefit to related parties of the Company.

For personal use only

Although the Board (with Messrs Parsons and Naylor abstaining) considers that the grant of the Director Performance Rights constitutes reasonable remuneration in the circumstances (which would constitute an exception under section 211 of the Corporations Act), as a matter of good corporate governance, the Board has resolved to seek approval for the purposes of Chapter 2E of the Corporations Act in respect of the Director Performance Rights proposed to be issued to Messrs Parsons and Naylor (or their respective nominee/s) pursuant to Resolutions 3(a) and (b).

6.7 Information required under Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Performance Rights:

(a) **Identity of the related parties to whom Resolutions 3(a) and (b) would permit a financial benefit to be given**

Refer to Section 6.5(a) above.

(b) **Nature of the financial benefit**

Resolutions 3(a) and (b) seek Shareholder approval to allow the Company to issue the Director Performance Rights in the amounts specified in Section 6.1 to Messrs Parsons and Naylor (or their respective nominee/s).

The Director Performance Rights are to be issued in accordance with the Plan and otherwise on the terms and conditions in Schedule 2.

The Shares to be issued upon conversion of the Director Performance Rights will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

(c) **Board recommendations**

The Board recommends (with Messrs Parsons and Naylor abstaining) that Shareholders vote in favour of Resolutions 3(a) and (b) for the reasons detailed in Sections 6.1 and 6.5(g).

(d) **Valuation of financial benefit**

Refer to Section 6.1 and Schedule 4.

(e) **Remuneration of the Directors**

Refer to Section 6.5(d).

(f) **Existing relevant interests of the Directors**

As at the date of this Notice, Messrs Parsons and Naylor hold the following relevant interests in Equity Securities of the Company:

Director	Shares	Performance Rights
Stephen Parsons	17,843,360	12,164,253
Michael Naylor	4,017,928	9,358,680

For personal use only

Assuming that each of the Resolutions which form part of Resolutions 3(a) and (b) are approved by Shareholders, all of the Director Performance Rights are issued, vested and exercised into Shares, and no other Equity Securities are issued or exercised (including any existing convertible Securities held by Messrs Parsons and Naylor at the date of this Notice), the interest of each of the Directors in the Company's Shares would be (based on 872,670,736 Shares on issue as at the date of this Notice):

Director	Percentage interest held in Company Shares
Stephen Parsons	2.18%
Michael Naylor	0.53%

(g) **Dilution**

The issue of the Director Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Performance Rights vest and are exercised. The potential dilution if all Director Performance Rights are exercised into Shares is approximately 0.21% based on the Shares on issue as at the date of this Notice (assuming no other Shares are issued).

On a fully diluted basis (that is, assuming that all convertible securities are exercised into Shares), the potential dilution if all Director Performance Rights vest and are exercised into Shares is approximately 0.20%, based on the convertible Securities on issue as at the date of this Notice. The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: $2.32 on 2 June 2026

Lowest: $1.27 on 7 and 8 October 2025

The latest available closing market sale price of the Shares on ASX as at the date of this Notice was $1.61 per Share on 7 October 2026.

(i) **Corporate governance**

Stephen Parsons is the Managing Director of the Company and Michael Naylor is an Executive Director of the Company. Therefore, the Board (other than Messrs Parsons and Naylor) believe that the grant of the Director Performance Rights to Messrs Parsons and Naylor is in line with the guidelines in Box 8.2 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations.

(j) **Taxation consequences**

There are no material taxation consequences for the Company arising from the issue of the Director Performance Rights (including fringe benefits tax).

(k) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 3(a) and (b).

For personal use only

6.8 Board recommendation

Resolutions 3(a) and (b) are separate ordinary resolutions and are not inter-conditional.

As stated in paragraph 6.7(c), the Board recommends (with Messrs Parsons and Naylor abstaining) that Shareholders vote in favour of Resolutions 3(a) and (b) for the reasons detailed in Sections 6.1 and 6.5(g).

7. Resolution 4 – Approval to increase Non-Executive Directors' Total Aggregate Remuneration Limit

7.1 General

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of Directors' fees payable to all of its non-executive directors without the approval of its Shareholders. Article 7.8(a) of the Constitution also requires that remuneration payable to the non-executive Directors will not exceed the sum determined by the Company in a general meeting from time to time, and the total aggregate fixed sum will be divided between the non-executive Directors as the Directors shall determine and, in default of agreement between them, then in equal shares.

The maximum aggregate amount of fees payable to all of the non-executive Directors is currently set at A$750,000. Resolution 4 seeks the approval of Shareholders pursuant to Listing Rule 10.17 and Article 7.8(a) of the Constitution to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to A$1,100,000 (**Proposed Limit**).

If Resolution 4 is passed, the Company will be able to proceed to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to the Proposed Limit.

If Resolution 4 is not passed, the Company will not be able to proceed to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to the Proposed Limit and the Company may need to revise its current remuneration structure payable to its non-executive Directors which may include considering the issue of Equity Securities to non-executive Directors in lieu of cash fees, subject to Shareholder approval.

7.2 Rationale for the increase

FireFly last increased its Non-Executive Director fee pool at the 2024 Annual General Meeting of Shareholders. Since that time, the Company has experienced significant growth and change, including becoming dual listed on the ASX and TSX and being added to the S&P/ASX 300 and S&P/ASX 200 Indices. In light of the increasing demands on the Board as the Company progresses towards development of the Green Bay Copper-Gold Project, the multi-jurisdictional complexity the Board is required to navigate, and the associated increase in Director workload, Shareholder approval is being sought to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors to the Proposed Limit.

The Proposed Limit does not mean the Company must pay the entire amount approved as fees each year, rather the Proposed Limit is requested to:

(a) provide the Company with the flexibility to expand the size of the Board and to attract and retain directors possessing skills and qualifications commensurate with the size and nature of the Company, including by facilitating overlapping tenures in furtherance of the Board's orderly succession planning;

For personal use only

(b) remunerate non-executive directors fairly due to increased time commitments and workload, in line with expectations placed upon them by the Company and the regulatory environment in which it operates, given:

(i) the complexity of the Company's operations across international countries (2 continents), involving the navigation of diverse regulatory environments, cultural differences and logistical challenges;

(ii) risk management becomes inherently more complex when operating in international markets. FireFly faces a broader range of risks, encompassing currency fluctuations, political instability, and regulatory compliance issues. These factors require careful planning and strategic foresight to mitigate potential impacts on operations and financial performance; and

(iii) success in an international landscape demands adept navigation of these many complex challenges which are notably greater than those encountered by single own-country operators;

(c) provide flexibility to respond to future Board composition requirements, including the potential for additional Board Committees to be formed, as the Company progresses through its next stage of development.

The Company's remuneration framework for Non-Executive Directors is available on pages 60 and 61 of the 2026 Annual Report.

In addition, the Proposed Limit has been determined after reviewing other similar ASX listed companies' fee limits payable to its non-executive directors. The Board believes that the Proposed Limit is in line with the aggregate remuneration of such companies.

7.3 Specific information required by Listing Rule 10.17

Pursuant to and in accordance with Listing Rule 10.17, the following information is provided in relation to the proposed increase to the aggregate amount payable to non-executive Directors:

(a) The Company is proposing to increase the total aggregate fixed sum per annum to be paid to the non-executive Directors by $350,000.

(b) The maximum aggregate amount per annum to be paid to all non-executive Directors is $1,100,000 and includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine 'special exertion' fees paid in accordance with the Constitution, or Equity Securities issued to a non-executive Director under Listing Rules 10.11 or 10.14 with Shareholder approval.

(c) In the past three years, the Company has issued Equity Securities to the current Non-Executive Directors (or their respective nominees) as follows:

Non-Executive Director	Shareholder approval	Equity Securities	Number of Securities	Date of issue
Kevin Tomlinson	Listing Rule 10.14	Performance Rights	1,680,000	20 Oct 2023
Renée Roberts	n/a	n/a	n/a	n/a
Leanne Heywood	n/a	n/a	n/a	n/a

For personal use only

***Note**: All figures are on a post-Consolidation basis; the Consolidation completed on 7 December 2023.*

The issue of Performance Rights to Kevin Tomlinson was approved by shareholders at the General Meeting on 11 October 2023 pursuant to ASX Listing Rule 10.14. 9. Resolution 5 – Ratification of issue of ASX Placement Shares

9.1 General

The background to the ASX Placement is set out in Sections 8.1 and 8.2 above.

Resolution 5 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the ASX Placement Shares.

9.2 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the ASX Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the ASX Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rules 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 5 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

9.3 Specific information required by ASX Listing Rule 14.1A

If Resolution 5 is passed, 84,269,663 ASX Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 5 is not passed, 84,269,663 ASX Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 84,269,663 Equity Securities for the 12-month period following the issue of those Placement Shares.

The Company confirms that Listing Rule 7.1 was not breached at the time the ASX Placement Shares were agreed to be issued.

9.4 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the ASX Placement Shares:

(a) The ASX Placement Shares were issued to sophisticated and professional investors. The participants in the ASX Placement were identified through a bookbuild process, which involved the Company and the Lead Manager and Co-Managers seeking expressions of interest to participate in the ASX Placement from new and existing

For personal use only

contacts of the Company. None of the recipients of the ASX Placement Shares were a related party of the Company. The following substantial Shareholders and Material Investors acquired ASX Placement Shares:

(i) a subsidiary of Black Rock Inc. acquired 10,908,988 ASX Placement Shares; and

(ii) Regal Partners Funds Management Pty Limited acquired 9,831,461 ASX Placement Shares.

(b) A total of 84,269,663 ASX Placement Shares were issued within the Company's 15% placement capacity permitted under Listing Rule 7.1.

(c) The ASX Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

(d) The ASX Placement Shares were issued on 1 September 2026.

(e) The ASX Placement Shares were issued at an issue price of A$1.78 each.

(f) The use of funds in respect of the proceeds from the Capital Raising (including the proceeds from the issue of the ASX Placement Shares) is set out in Section 8.5.

(g) There are no other material terms to the agreement for the subscription of the ASX Placement Shares.

(h) A voting exclusion statement is included in this Notice.

9.5 Additional information

Resolution 5 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 5.

10. Resolution 6 – Ratification of issue of TSX Bought Deal Shares

10.1 General

The background to the issue of the TSX Bought Deal Shares is set out in Sections 8.1 and 8.3 above.

Resolution 6 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the TSX Bought Deal Shares.

10.2 Listing Rules 7.1 and 7.4

A summary of Listing Rules 7.1 and 7.4 is set out in section 9.2 above.

The issue of the TSX Bought Deal Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the TSX Bought Deal Shares.

For personal use only

The effect of Shareholders passing Resolution 6 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

10.3 Specific information required by ASX Listing Rule 14.1A

If Resolution 6 is passed, 16,820,454 TSX Bought Deal Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 6 is not passed, 16,820,454 TSX Bought Deal Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 16,820,454 Equity Securities for the 12-month period following the issue of those TSX Bought Deal Shares.

10.4 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the TSX Bought Deal Shares:

(a) The TSX Bought Deal Shares were issued to the Underwriters as underwriters and subsequently distributed to a number of investors, none of whom is a related party of the Company or a Material Investor.

The participants in the TSX Bought Deal were identified through a bookbuild process, which involved the Underwriters seeking expressions of interest to participate in the TSX Bought Deal from new and existing contacts of the Company and clients of the Underwriters.

(b) 16,820,454 TSX Bought Deal Shares were issued within the Company's 15% placement capacity permitted under Listing Rule 7.1.

(c) The TSX Bought Deal Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

(d) The TSX Bought Deal Shares were issued on 3 September 2026.

(e) The TSX Bought Deal Shares were issued at an issue price of C$1.76 each.

(f) The use of funds in respect of the proceeds from the Capital Raising (including the proceeds from the issue of the TSX Bought Deal Shares) is set out in section 8.5.

(g) The material terms of the Underwriting Agreement are set out in Section 8.3. The Underwriting Agreement contains additional provisions, including warranties and indemnities in respect of the Company, which are considered standard for agreements of this nature.

(h) A voting exclusion statement is included in this Notice.

10.5 Additional information

11. (**Restrictions on transfer of Shares**): If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or such a notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, Shares issued on exercise of the Performance Rights may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act. (**Bonus issues**): If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the exercise of a vested Performance Right will be increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right before the record date for the bonus issue.

24. (**Amendments required by ASX**): The terms of the Performance Rights may be amended as considered necessary by the Board in order to comply with the ASX Listing Rules, or any directions of ASX regarding the terms provided that, subject to compliance with the Listing Rules, following such amendment, the economic and other rights of the holder are not diminished or terminated.

25. (**Plan**): The Performance Rights are issued pursuant to and are subject to the Plan. In the event of conflict between a provision of these terms and conditions and the Plan, these terms and conditions prevail to the extent of that conflict.

26. (**Constitution**): Upon the issue of the Shares on exercise of the Performance Rights, the holder will be bound by the Company's Constitution.

Schedule 3 Summary of material terms and conditions of Plan

A summary of the material terms of the Plan is set out below:

1. (**Eligible Participant**): A person is eligible to participate in the Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the Plan from time to time and are an "ESS participant" (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

   This relevantly includes, amongst others:

   (a) an employee or director of the Company or an individual who provides services to the Company;

   (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;

   (c) a prospective person to whom paragraphs (a) or (b) apply;

   (d) a person prescribed by the relevant regulations for such purposes; or

   (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. (**Maximum allocation**):

   (a) The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

      (i) the total number of Plan Shares (as defined in paragraph 14 below) that may be issued or acquired upon exercise of the convertible securities offered; plus

      (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

   would exceed 10% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.

3. (**Purpose**): The purpose of the Plan is to:

   (a) assist in the reward, retention and motivation of Eligible Participants;

   (b) link the reward of Eligible Participants to Shareholder value creation; and

   (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

4. (**Plan administration**): The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. (**Eligibility, invitation and application**): The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

For personal use only

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. (**Grant of Securities**): The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

7. (**Terms of Convertible Securities**): Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. (**Vesting of Convertible Securities**): Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

9. (**Exercise of Convertible Securities and cashless exercise**): To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

10. At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

11. (**Delivery of Shares on exercise of Convertible Securities**): As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under

For personal use only

the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

12. (**Forfeiture of Convertible Securities**): Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest. Without limiting this general discretion, the Board may resolve to permit a Participant to retain unvested Convertible Securities on the basis that the Convertible Securities will vest on a specified date, or occurrence of a specified event, notwithstanding that the Participant is no longer an Eligible Participant.

    Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

    Unless the Board otherwise determines, or as otherwise set out in the Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

13. (**Change of control**): If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

14. (**Rights attaching to Plan Shares**): All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

15. (**Disposal restrictions on Securities**): If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

16. (**Adjustment of Convertible Securities**): If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

    If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

    Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

17. (**Participation in new issues**): There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of

For personal use only

the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

18. (**Amendment of Plan**): Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

    No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

19. (**Plan duration**): The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

TOTAL	**1,797,018**										**$ 2,597,164**

1. For the purposes of the Monte Carlo Simulation, being the period from the Valuation Date to the end of the Vesting Period. While the Director Performance Rights expire 4.76 years after the Valuation Date, it was assumed that the Director Performance Rights would be exercised immediately after vesting given their $nil exercise price, and so limited the duration of the simulation to the end of the relevant Vesting Period.

2. Any change in the variables applied in the calculations between the date of the valuation and the date the Director Performance Rights are issued would have an impact on their value.
