EXPLANATORY STATEMENT

This Explanatory Statement is included in and forms part of the Notice of Meeting. It contains background information pertaining to the Resolutions to be considered and voted upon at the Meeting as well as information required to be given to Shareholders under the Listing Rules in relation to the Resolutions.

It is given to Shareholders to help them determine how to vote on the Resolutions set out in the Notice of Meeting.

Shareholders should read this Explanatory Statement in full and in conjunction with the other sections of this Document, in order to gain a more complete understanding of the Resolutions proposed in the Notice of Meeting.

If a Shareholder is in doubt about what to do in relation to a Resolution, it should consult its financial or other professional adviser.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026, together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.silvermines.com.au.

For personal use only

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 Background

The Annual Report for the year ended 30 June 2026 contains the Company's Remuneration Report on pages 39 to 45. The Remuneration Report sets out the Company's remuneration policies and reports on the remuneration arrangements in place for the Directors of the Company. A copy of the 2026 Annual Report is available on the Company's website at www.silvermines.com.au, or upon request and free of charge.

The Corporations Act:

(a) requires the agenda for an Annual General Meeting of a listed company to include a resolution for the adoption of the Remuneration Report (the subject of this Resolution 1); and

(b) expressly provides that the vote on that resolution is advisory only and does not bind the Directors or the Company.

Shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions and comment on the Remuneration Report.

2.2 Voting Prohibition Statement

A description of the persons not permitted to vote on Resolution 1, and whose votes will be disregarded if cast on Resolution 1, is set out in the Notice.

3. RESOLUTION 2 – RATIFICATION OF PLACEMENT SHARES

3.1 Background

On 23 September 2026, the Company announced that it had received firm commitments for a two-tranche Placement of $70 million (before costs) to institutional and sophisticated investors (**Placement**). The Placement was well supported with demand in excess of funds raised by the Company.

The Placement saw strong support from a number of highly credentialled investors both locally and internationally.

The Company received firm commitments for a $70 million placement at $0.145 per share. The offer price of $0.145 per share represents a 10.0% discount to the 5-trading day volume weighted average trading price to 18 September 2026.

The Placement was supported by both existing shareholders and new investors.

The Placement will result in the issue of 482,758,621 fully paid ordinary shares (**New Shares**).

277,733,713 of the New Shares were issued unconditionally to institutional, professional and sophisticated investors who are not Directors or related parties of the Company (**Tranche 1 Placement Shares**) on 29 September 2026 using the Company's available placement capacity (under ASX Listing Rule 7.1).

Subject to shareholder approval 204,335,252 Shares will be issued to institutional, professional and sophisticated investors who are not Directors or related parties of the Company (**Tranche 2 Placement Shares**) (the subject of Resolution 3 of this Notice).

Subject to shareholder approval 689,656 New Shares will be issued to Directors (or their nominees) who have participated in the Placement (**Director Placement Shares**) (the subject of Resolutions 4 and 5 of this Notice).

Petra Capital acted as Sole Lead Manager and Sole Bookrunner to the Placement and Morgans Corporate Limited acted as a Co-Manager to the Placement.

For personal use only

New Shares issued under the Placement will rank pari passu with existing Silver Mines ordinary shares from the respective dates of issue.

The Company now seeks shareholder approval to ratify the issue of Tranche 1 Placement Shares pursuant to Listing Rule 7.4.

3.2 Subsequent approval of an issue of Securities under Listing Rule 7.4 and 7.5

Listing Rule 7.1 requires Shareholder approval for the proposed issue of securities in the Company where such issue represents more than 15% of the Company's securities then on issue within the 12 month period immediately prior to the date of that issue or the date of agreement to effect that issue (**15% Threshold**).

Listing Rule 7.4 permits the ratification of previous issues of securities made without Shareholder approval, provided such issue, in aggregate with any other applicable issues of Equity Securities by the Company, did not breach the 15% Threshold.

Shareholder ratification of an issue of securities under Listing Rule 7.4 enables the Company capacity to issue further securities up to the 15% Threshold, without additional Shareholder approval (but still subject to any other approval required under the Listing Rules), to the extent of the securities that were the subject of that ratification.

Listing Rule 7.4 stipulates that an issue of Equity Securities made without Shareholder approval under Listing Rule 7.1 is treated as having been made with approval, if it is subsequently approved by Shareholders.

The issue of the Tranche 1 Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses part of the Company's 15% capacity in Listing Rules 7.1, and if this Resolution is not approved it reduces the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche 1 Placement Shares.

If this Resolution is passed, the Tranche 1 Placement Shares will be excluded in calculating the Company's 15% Threshold, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

3.3 Additional disclosure

The participants in the Placement were introduced by Petra Capital who acted as sole lead manager to the Placement or Morgans who acted as Co-Manager to the Placement, or were prospective investors already known to the Company. The recipients were identified through a bookbuild process, which involved the lead manager and co-manager seeking expressions of interest from Sophisticated Investors, professional and institutional investors to participate in the Placement.

In accordance with paragraph 7.2 of the ASX Guidance Note 21, the Company confirms that none of the recipients were:

(i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and

For personal use only

4. RESOLUTION 3 – APPROVAL OF ISSUE OF TRANCHE 2 PLACEMENT SHARES

4.1 Background

Pursuant to the Placement summarised in Section 3.1 above, subject to shareholder approval 204,335,252 Tranche 2 Placement Shares will be issued to institutional, professional and sophisticated investors who are not Directors or related parties of the Company.

The Company now seeks shareholder approval for the issue of 204,335,252 Tranche 2 Placement Shares.

4.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Tranche 2 Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and exceeds the 15% Threshold. It therefore requires the approval of Shareholders under Listing Rule 7.1.

Resolution 3 seeks the required Shareholder approval to the issue the Tranche 2 Placement Shares under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares and, the issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares.

4.3 Additional disclosure

The following information in relation to the Tranche 2 Placement Shares, the subject of Resolution 3 is provided to the Shareholders for the purposes of Listing Rule 7.3:

(a) Equity Securities issued

204,335,252 fully paid ordinary shares.

(b) Issue price

The Tranche 2 Placement Shares will be issued at $0.145 per Share. The Company will receive an aggregate $29,628,611 (before costs) as consideration for the issue of the Shares which are the subject of this Resolution.

(c) Issue date

The Tranche 2 Placement Shares will be issued no later than three months after the date of the Meeting.

(d) Terms

The Tranche 2 Placement Shares to be issued will be fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary shares on issue.

(e) Persons to whom Equity Securities will be issued

The Tranche 2 Placement Shares will be issued to Sophisticated Investors, professional and institutional investors who are not Related Parties of the Company and who participated in the Placement.

For personal use only

The participants in the Placement were introduced by Petra Capital who acted as sole lead manager to the Placement or Morgans who acted as Co-Manager to the Placement, or were prospective investors already known to the Company. The recipients were identified through a bookbuild process, which involved the lead manager and co-manager seeking expressions of interest from Sophisticated Investors, professional and institutional investors to participate in the Placement.

In accordance with paragraph 7.2 of the ASX Guidance Note 21, the Company confirms that none of the recipients of the Tranche 2 Placement Shares will be:

(i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and

(ii) issued more than 1% of the issued capital of the Company.

(f) Use of funds raised

After costs, the funds raised under the Placement have or will be used primarily for:

- progression of the Bowdens Silver Project development consent approvals and engineering studies;
- cash consideration for the acquisition of the Fitzroy Royalty and Asia Metals Royalty (refer to ASX announcement dated 21 September 2026);
- ongoing community and freehold purchases including property purchases and land access agreements;

- general working capital.

The above is a statement of current intentions at the date of this Document. Intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

(g) Material Terms of an agreement to which securities will be issued

The Tranche 2 Placement Shares will be issued to Sophisticated Investors, professional and institutional investors who entered binding commitments and subscribed for the Shares under the Placement.

4.5 Recommendation of Directors

Each Director recommends that Shareholders vote **in favour** of Resolution 3.

Each Director confirms that they have no personal interest in the outcome of Resolution 3.

5. RESOLUTIONS 4 AND 5 – ISSUE OF DIRECTOR PLACEMENT SHARES TO DIRECTORS

5.1 Background

For personal use only

Pursuant to the Placement summarised in Section 3.1 above, the Company received the support of its Directors in the Placement, and the issue of the Shares under the Placement to Directors is subject to Shareholder Approval.

Joel Fitzgibbon and Kristen Podagiel (and/or their nominees) have, subject to shareholder approval agreed to invest collective total of $100,000 under the Placement being 689,656 Director Placement Shares. The Director Placement Shares comprise:

(a) 344,828 Shares at an issue price of $0.145 to Mr Fitzgibbon, approval of which is pursuant to Resolution 4; and

(b) 344,828 Shares at an issue price of $0.145 to Ms Podagiel, approval of which is pursuant to Resolution 5.

The Company is now seeking Shareholder approval under Resolutions 4 and 5 to issue a total of 689,656 Shares under the Placement to Joel Fitzgibbon and Kristen Podagiel (and/or their nominees) pursuant to Listing Rule 10.11.

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being Directors.

The Directors (other than Mr Fitzgibbon who has a material personal interest in Resolution 4) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 4 because the Director Placement Shares will be issued to Mr Fitzgibbon on the same terms as Shares offered to the unrelated Placement participants, and as such the giving of the financial benefit is on arm's length terms.

The Directors (other than Ms Podagiel who has a material personal interest in Resolution 5) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 5 because the Director Placement Shares will be issued to Ms Podagiel on the same terms as Shares offered to the unrelated Placement participants, and as such the giving of the financial benefit is on arm's length terms.

5.3 Requirement for Shareholder Approval

Listing Rule 10.11 requires that unless an exception applies, an entity must not without the prior approval of its shareholders, issue or agree to issue Equity Securities to:

(a) a Related Party of the entity;

(b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;

For personal use only

(c) a person who is or was at any time in the 6 months before the issue or agreement a substantial (10%) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;

(d) an associate of a person referred to in (a) to (c) above; or

(e) a person whose relationship with the entity or a Related Party is, in ASX's opinion, such that approval of shareholders should be obtained.

Joel Fitzgibbon and Kristen Podagiel are Related Parties of the Company by virtue of being Directors.

5.4 Technical information required by Listing Rule 14.1A

Should either or both of Resolutions 4 or 5 not be approved, the Company will not issue the relevant Director Placement Shares to the Directors or their nominees and the Company will be required to refund funds deposited to Directors as part of their participation under the Placement. This may affect the Company's exploration, development and business plan.

Should Resolutions 4 and 5 be passed, the Company will be able to proceed with the issue of a total of 689,656 Shares to Mr Joel Fitzgibbon and Ms Kristen Podagiel (or their nominees) within one month of receiving such approval (or such later date as permitted by an ASX waiver or modification of the Listing Rules) and will raise additional funds under the Placement. As approval under Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

5.5 Information required by Listing Rule 10.13

For the purpose of Listing Rule 10.13, the following information in relation to the Director Placement Shares the subject of Resolutions 4 and 5 is provided:

(a) Parties to whom the securities will be issued

Joel Fitzgibbon and Kristen Podagiel or their nominees.

The Company intends to issue the Director Placement Shares the subject of Resolutions 4 and 5 on 3 December 2026 or in any event, within one month from the date on which Resolutions 4 and 5 are duly approved.

(d) **Relationship of Related Party and Listing Rule Category**

Joel Fitzgibbon and Kristen Podagiel are Directors of the Company and are therefore related parties under 10.11.1 of the ASX Listing Rules.

(e) **Issue price and terms of issue**

The Director Placement Shares to be issued will be issued at $0.145 per Share (the same price as the Placement). The Director Placement Shares to be issued will be fully paid ordinary shares in the capital of the Company and will be issued on the same terms and conditions as the Company's existing Shares.

For personal use only

The Company will receive:

- Resolution 4 – Joel Fitzgibbon: $50,000 (before costs); and
- Resolution 5 – Kristen Podagiel: $50,000 (before costs),

as consideration for the issue of the Director Placement Shares which are the subject of Resolutions 4 and 5.

The value of the Director Placement Shares proposed to be issued are also set out above, based on a valuation of $0.145 per Director Placement Share (being the issue price of the Placement Shares proposed to be issued, which is equivalent to the price at which Placement Shares were issued to unrelated participants in the Placement).

(f) **Use of funds raised**

After costs, the funds raised under the Placement (including the issue of Director Placement Shares) have or will be used primarily for:

- progression of the Bowdens Silver Project development consent approvals and engineering studies;
- cash consideration for the acquisition of the Fitzroy Royalty and Asia Metals Royalty (refer to ASX announcement dated 21 September 2026);
- ongoing community and freehold purchases including property purchases and land access agreements;
- continued exploration aimed at Mineral Resource growth across the Kramer Hills Project and Calico North Project located in the United States, as well as the Company's New South Wales projects including the Tuena Project;
- business-development opportunities; and
- general working capital.

The above is a statement of current intentions at the date of this Document. Intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

The issue of Shares to Directors under Resolutions 4 and 5 are not intended to remunerate and incentivise the Directors as part of their remuneration package.

(g) **Material Terms of an agreement to which securities will be issued**

The Director Placement Shares will be issued to the parties named above or their nominees as part of their subscription under the Placement.

Voting Exclusion Statement

A description of the persons not permitted to vote on Resolutions 4 and 5 and whose votes will be disregarded if cast on Resolutions 4 and 5, are set out in the Notice.

For personal use only

6. RESOLUTION 6 AND 7 – RATIFICATION OF CONSIDERATION SHARES ISSUED FOR BUY-BACK OF FITZROY ROYALTY AND ACQUISITION OF ASIA METALS 4 PTY LTD

6.1 Background

On 21 September 2026, the Company announced that its wholly owned subsidiary Bowdens Silver Pty Ltd (**Bowdens**) had executed binding agreements to acquire and extinguish two private royalties over its 100% owned Bowdens Silver Project (**Royalty Buy-Backs**).

Completion of the Royalty Buy-Backs were subject to the Company obtaining firm commitments for a placement to raise at least $50 million. The Company announced on 29 September 2026 that it had completed the Royalty Buy-Backs.

Bowdens agreed to:

- buy-back and extinguish a 2% net smelter royalty over tenement EL5920 held by Royalco Resources Pty Ltd (**Royalco**) a subsidiary of Fitzroy River Corporation Ltd (ASX:FZR) (**Fitzroy**) (**Fitzroy Royalty**); and

- acquire 100% of the issued shares in Asia Metals 4 Pty Ltd (**Asia Metals**) which owns a 1% gross revenue royalty over tenement EL5920 which commences after the first 20 million ounces of silver has been produced (**Asia Metals Royalty**),

(collectively, the **Royalties**).

Fitzroy Royalty

Pursuant to a Royalty Buyback and Extinguishment Deed, Bowdens acquired the Fitzroy Royalty from Royalco for the following consideration:

(a) A$10,000,000 cash paid on completion; and

(b) A$7,500,000 Shares in Silver Mines (being 51,724,138 Shares) (**Fitzroy Consideration Shares**).

Asia Metals Royalty

Pursuant to a share sale agreement, Bowdens acquired 100% of the issued shares of Asia Metals for the following consideration:

(a) A$8,000,000 cash paid on completion; and

(b) A$500,000 Shares in Silver Mines (being 3,448,276 Shares) (**Asia Metals Consideration Shares**).

The Fitzroy Consideration Shares and Asia Metals Consideration Shares were issued at a deemed issue price equal to the issue price of Shares under the Placement.

6.2 Subsequent approval of an issue of Securities under Listing Rule 7.4 and 7.5

The background to Listing Rules 7.4 and 7.5 is at Section 3.2.

The issue of the Fitzroy Consideration Shares and Asia Metals Consideration Shares do not fit within any of the exceptions set out in Listing Rule 7.2 and, as they have not yet been approved by Shareholders, they use part of the Company's 15% capacity under Listing Rules 7.1, and if Resolutions 6 and 7 are not approved the issue of these Shares reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the these Shares.

If Resolutions 6 and 7 are passed, the Fitzroy Consideration Shares and the Asia Metals Consideration Shares will be excluded in calculating the Company's 15% Threshold, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

Accordingly, Shareholders are asked to consider and vote upon the election of Ms Podagiel as a Director of the Company.

8.2 Requirement for Shareholder Approval

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Section 201H(3) of the Corporations Act also provides that any director who has been appointed by the other directors as a director of a public company, the company must confirm the appointment by resolution at the company's next AGM.

Accordingly, Shareholders are asked to consider and vote upon the election of Ms Nicole Brook as a Director of the Company.

8.3 Recommendation of Directors

Each Director, other than Ms Nicole Brook, confirms they have no personal interest in the outcome of this Resolution other than in their capacity as a Shareholder or an Associate of a Shareholder.

Mr Fitzgibbon has served on a number of parliamentary committees, covering diverse issues including regional affairs; agriculture and resources; economics and finance; employment and workplace relations; foreign affairs, defence and trade; and public administration.

9.2 Requirement for Shareholder Approval

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Section 201H(3) of the Corporations Act also provides that any director who has been appointed by the other directors as a director of a public company, the company must confirm the appointment by resolution at the company's next AGM.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders.

Listing Rule 14.5 also provides that an ASX listed company which has directors must hold an election of directors at each annual general meeting.

Accordingly, Shareholders are asked to consider and vote upon the election of Mr Joel Fitzgibbon as a Director of the Company.

For personal use only

If this Resolution is not approved, Mr Joel Fitzgibbon will not be able to serve as a member of the Board and the Company may need to consider other appropriately qualified persons to serve on its board.

9.3 Recommendation of Directors

Each Director, other than Mr Joel Fitzgibbon, recommends that Shareholders vote **IN FAVOUR** of this Resolution. Each Director, other than Mr Fitzgibbon, confirms they have no personal interest in the outcome of this Resolution other than in their capacity as a Shareholder or an Associate of a Shareholder.

10. RESOLUTION 11 – APPROVAL OF EMPLOYEE SECURITIES INCENTIVE PLAN

10.1 General

The Company considers that it is desirable to maintain an employee incentive scheme (**Plan**) pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

The Company is required to obtain shareholder approval for the issue of securities under the Plan so that any issue of securities under that Plan within the next three years falls within the ASX Listing Rule exception and will not reduce the Company's available placement capacity. This Resolution seeks approval for a new Plan, under which a maximum of 110,000,000 Equity Securities can be issued.

The objective of the Plan is to:

(i) to provide the Company with a remuneration mechanism to motivate reward the performance of key management personnel, employees and other qualifying individuals in achieving specific performance milestones through the issue of Equity Securities;

(ii) to retain existing key management personnel, employees and other qualifying individuals;

(iii) link the reward of participants to focus on superior performance that creates Shareholder value creation; and

(iv) align the interests of directors, employees and other qualifying individuals with Shareholders of the Company by providing an opportunity to directors, employees and other qualifying individuals an equity interest in the Company.

10.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, Listing Rule 7.1 limits the ability of a listed entity from issuing or agreeing to issue Equity Securities over a 12-month period which exceeds 15% of the number of fully paid ordinary Shares it had on issue at the start of the 12-month period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If this Resolution is passed, the Company will be able to issue up to a maximum of 110,000,000 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

For personal use only

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If this Resolution is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the Company's placement capacity under either or both Listing Rules 7.1 and 7.1A (if applicable).

10.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the Plan:

(a) A summary of the material terms of the Plan is in Schedule 1.

(b) The existing employee securities incentive plan was approved by Shareholders on 30 November 2023 (**Existing Plan**). The Equity Securities issued under the Existing Plan include:

Date of issue	Type of security	Number of Securities	Recipient(s)
17 January 2024	Performance Rights	12,000,000	Jonathan Battershill pursuant to Listing Rule 10.14.
18 December 2024	Options	10,301,008	Employees and contractors of the Company who are not related parties pursuant to Listing Rule 7.2 Exception 13.

(c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of this Resolution is 110,000,000 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). The maximum number of Equity Securities is not intended to be a prediction of the actual number to be issued under the Plan but is specified for the purpose of setting a ceiling in accordance with Listing Rule 7.2 exception 13(b). It is not envisaged that the maximum number of Equity Securities for which approval is obtained will be issued immediately or in full.

10.4 Voting Exclusion Statement

Particulars as to the persons not permitted to vote on this Resolution, and whose votes will be disregarded if cast on this Resolution, are set out in the Notice.

10.5 Recommendation of Directors

The Board declines to make a recommendation in relation to this Resolution due to the Directors' potential personal interests in the outcome of the Resolution.

If this milestone is not achieved within that period, the Performance Rights will instead be eligible to vest in accordance with the subsequent vesting milestone. • 25% of the Performance Rights will vest upon the Company declaring Commercial Production within 36 months following the FID.	

1. EPBC Approval means any approval granted under the Environment Protection and Biodiversity Conservation Act 1999 (Cth) in respect of the Bowdens Project.
2. FID is based on the 21 July 2026 DFS and requires all relevant approvals and permits to be obtained, Front End Engineering Design complete and all funding in place.
3. Commercial Production is defined as being the point when completion tests related to debt funding has been met.

Refer to Schedule 2 for a summary of the terms and conditions of the Director Performance Rights. The Director Performance Rights will also be subject to the Company's malus, clawback and change of control provisions, which may impact the vesting, lapse, forfeiture or treatment of the Director Performance Rights in certain circumstances. Further details of these conditions are set out in Schedule 1.

The Director Performance Rights form an important incentive component to the remuneration package of the Managing Director Jonathan Battershill and help to further align his interests with those of Shareholders. The Company considers that the amount of Director Performance Rights to be issued to Jonathan Battershill is commensurate with his value to the Company and is an appropriate method to provide cost-effective remuneration.

The Board believes it is important to offer the Director Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Director Performance Rights are structured to align the interests of Mr Battershill with Shareholders by incentivising the achievement of key project development and operational milestones. Each tranche will vest only upon satisfaction of the applicable vesting conditions within the relevant timeframe, including milestones relating to regulatory approvals, Final Investment Decision, commencement of commercial production and progressive volume weighted average price targets.

This Resolution seeks Shareholder approval pursuant to Listing Rule 10.14 for the issue of the Director Performance Rights under the Plan to Jonathan Battershill or his respective nominees.

11.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of its Shareholders:

(a) a director of the entity (Listing Rule 10.14.1);

(a) an associate of a person referred to in Listing Rule 10.14.1 (Listing Rule 10.14.2); and

For personal use only

(b) a person whose relationship with the entity or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by Shareholders.

Approval pursuant to Listing Rule 7.1 and 10.11 is not required for the issue of the Director Performance Rights as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Performance Rights will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1 or the maximum permitted number of Equity Securities issued under Listing Rule 7.2, exception 13(b).

If this Resolution is passed, the Company will be able to proceed with the issue of the Director Performance Rights.

If this Resolution is not passed, the Director Performance Rights will not be issued.

11.3 Specific information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Performance Rights:

(a) The Director Performance Rights will be issued under the Plan to Jonathan Battershill or his respective nominees.

(b) Jonathan Battershill is a related party of the Company by virtue of being a Director of the Company and falls into the category stipulated by Listing Rule 10.14.1. In the event the Director Performance Rights are issued to a nominee of a Director, that nominee will fall into the category stipulated by Listing Rule 10.14.2.

(c) The maximum number of Director Performance Rights to be issued is 12,000,000.

(d) The current annual remuneration for Jonathan Battershill (exclusive of superannuation) is $650,000.

(e) The Equity Securities that have previously been issued under the Plan to Mr Jonathan Battershill or his nominees are set out at below:

(i) 4,000,000 unquoted performance rights vest upon the Company’s shares achieving a 10 day VWAP of equal to or greater than $0.30 and expiring on 31 December 2026 (not yet vested);

(ii) 4,000,000 unquoted performance rights vest upon the Company’s shares achieving a 10 day VWAP of equal to or greater than $0.40 and expiring on 31 December 2026, provided commencement of mine construction has occurred (not yet vested); and

(iii) 4,000,000 unquoted performance rights vest upon the Company’s shares achieving a 10 day VWAP of equal to or greater than $0.50 and expiring on 31 December 2026, provided successful mine commissioning has occurred (not yet vested).

These securities were issued for nil consideration provided as an incentive component to Mr Battershill’s remuneration package.

These securities were issued to Mr Battershill on 17 January 2024 and are likely to expire unvested and unexercised on 31 December 2026.

(f) The Director Performance Rights will be issued on the terms and conditions set out in Schedule 2.

For personal use only

(g) The Board considers that Performance Rights, rather than Shares or Options, are an appropriate form of incentive because they reward Jonathan Battershill for his continued service to the Company and align his interests with those of Shareholders. Additionally, the issue of Performance Rights instead of cash is a prudent means of rewarding Mr Battershill whilst conserving the Company's available cash reserves. The Director Performance Rights are structured to align the interests of Mr Battershill with those of Shareholders by incentivising the achievement of key project development and operational performance milestones. Each tranche will vest only upon satisfaction of the applicable vesting conditions, including milestones relating to regulatory approvals, Final Investment Decision and commencement of Commercial Production milestones. The tiered vesting structure, which provides for a higher level of vesting where milestones are achieved within shorter timeframes, is designed to promote the timely delivery of key objectives and further align Mr Battershill's interests with Shareholders through the creation of a direct link between performance outcomes and the level of reward received.

(h) A valuation of the Director Performance Rights is set out in Schedule 3, with a summary below.

Related Party	Tranche 1	Tranche 2	Tranche 3
Jonathan Battershill	$137,500	$165,000	$220,000

(i) The Director Performance Rights will be issued to Jonathan Battershill (or his respective nominees) as soon as practicable following the Meeting and in any event no later than three years after the Meeting.

(j) The Director Performance Rights will be issued for nil cash consideration and will be provided as an incentive component to Mr Battershill's remuneration packages.

(k) A summary of the material terms of the Plan is in Schedule 1.

(l) No loan will be provided to the Directors in relation to the issue of the Director Performance Rights.

(m) Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

(n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.

11.4 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

(a) obtain Shareholder approval in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

For personal use only

The proposed issue of the Director Performance Rights constitutes giving a financial benefit to a related party of the Company.

The Board (with Mr Jonathan Battershill abstaining) considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the issue of the Director Performance Rights is considered to be reasonable remuneration and therefore falls within the exception stipulated by section 211 of the Corporations Act.

11.5 Voting Exclusion Statement

Particulars as to the persons not permitted to vote on this Resolution, and whose votes will be disregarded if cast on this Resolution, are set out in the Notice.

11.6 Recommendation of Directors

Each Director, other than Mr Jonathan Battershill, recommends that Shareholders vote **IN FAVOUR** of this Resolution. Each Director, other than Mr Battershill, confirms they have no personal interest in the outcome of this Resolution other than in their capacity as a Shareholder or an Associate of a Shareholder.

12. RESOLUTION 13 –INCREASE OF NON-EXECUTIVE DIRECTOR REMUNERATION CAP

12.1 Requirement for Shareholder Approval

Shareholder approval is sought to increase the limit on aggregate non-executive Director's remuneration in any financial year (**Fee Pool**) by $250,000, from $500,000 to $750,000.

Under clause 21.1 of the Constitution and Listing Rule 10.17, the Fee Pool may only be increased with Shareholder approval.

If Shareholder approval is not obtained, the current Fee Pool will remain at $500,000.

The Directors are seeking Shareholder approval to increase the Fee Pool for the following reasons:

- the number of non-executive-directors has increased and is expected to increase in the coming years, as part of the Board's ongoing planning strategy and to ensure that the Board continues to have a balance of skills, knowledge and experience. The size, complexity and risks associated with the Company have all significantly increased requiring fees to be set at commensurate levels;

- to ensure that the Company continues to maintain a high standard of corporate governance oversight;

- to ensure the Company has the ability to remunerate competitively and attract and retain high calibre non-executive directors; and

- some growth in non-executive director remuneration in the future may be required to reflect market competitiveness for non-executive directors with the skills and experience appropriate for the Company's business.

If this Resolution is approved by Shareholders, the Fee Pool will increase to $750,000. If this Resolution is not approved, the Fee Pool will remain at $500,000. This will mean that the Board will not have the flexibility described above, and any future non-executive director appointments and fees need to be assessed within the current Fee Pool.

For personal use only

While the Fee Pool is a maximum annual limit available to be paid or provided to all Non-Executive Directors, the proposed increase to the Fee Pool does not imply that the fees payable to Non-Executive Directors will be increased according to that limit, or that the full amount of the Fee Pool will be used.

The remuneration provided to the Non-Executive Directors is reviewed annually. Details of non-Executive director remuneration for the financial year ended 30 June 2026 are contained within the Remuneration Report in the Company's 2026 Annual Report.

12.2 Information required by Listing Rule 10.17

For the purpose of Listing Rule 10.17, the following information in relation to the increase of the Fee Pool, the subject of this Resolution is provided.

(a) The Amount of the Increase

$250,000.

(b) Maximum aggregate amount of directors' fees that may be paid to all of the entity's non-executive directors

$750,000. This includes superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine 'special exertion' fees paid in accordance with the Constitution, or Equity Securities issued to a non-executive Director under Listing Rules 10.11 or 10.14 with Shareholder approval.

(c) Securities issued to non-executive directors under LR 10.11 and 10.14 in preceding 3 years

No Equity Securities were issued to Non-Executive Directors under Listing Rule 10.11 and 10.14 in the last three years.

12.3 Voting Exclusion Statement

A description of the persons not permitted to vote on this Resolution, and whose votes will be disregarded if cast on this Resolution, is set out in the Notice.

12.4 Board recommendation

Each Director abstains from making a recommendation in relation to this Resolution given their personal interest in the Resolution.

13. RESOLUTION 14 – APPROVAL TO ISSUE POTENTIAL TERMINATION BENEFITS UNDER INCENTIVE PLAN

13.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. The Board's current intention is only to exercise this discretion where the person leaves employment or office without fault on their part. There is no vesting of awards without satisfaction of performance hurdles.

For personal use only

The exercise of this discretion by the Board may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

As the Company is seeking a fresh approval under Listing Rule 7.2, exception 13(b) at this Meeting (the subject of Resolution 11) to adopt the Incentive Plan, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with this Resolution.

If Resolution 14 is not passed, the Company will not be able to offer ‘termination benefits’ to persons who hold a ‘managerial or executive office’ pursuant to the terms of the Incentive Plan unless Shareholder approval is obtained each and every time such termination benefit is proposed, in accordance with section 200E of the Corporations Act.

If approval is obtained, it will be effective until the conclusion of the Company’s 2029 Annual General Meeting.

13.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 11, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Incentive Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

(a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and

(b) Plan Securities at the time of their leaving.

13.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

For personal use only

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

(a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and

(b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

13.4 Voting Exclusion Statement

A description of the persons not permitted to vote on this Resolution, and whose votes will be disregarded if cast on this Resolution, is set out in the Notice.

Schedule 1 - Summary of material terms of the Employee Securities Incentive Plan

The following is a summary of the material terms and conditions of the Plan:

1. (**Eligible Participant**): Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an "ESS participant" (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:

   (a) an employee or director of the Company or an individual who provides services to the Company;

   (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;

   (c) a prospective person to whom paragraphs (a) or (b) apply;

   (d) a person prescribed by the relevant regulations for such purposes; or

   (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. (**Maximum allocation**): The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

   (a) the total number of Plan Shares (as defined in paragraph 15 below) that may be issued or acquired upon exercise of the convertible securities offered; plus

   (b) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

   would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.

   The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.

   The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director's associate is such that, in ASX's opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.

3. (**Purpose**): The purpose of the Plan is to:

   (a) assist in the reward, retention and motivation of Eligible Participants;

   (b) link the reward of Eligible Participants to Shareholder value creation; and

   (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

For personal use only

4. (**Plan administration**): The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. (**Eligibility, invitation and application**): The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

   On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

   A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. (**Grant of Securities**): The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

7. (**Terms of Convertible Securities**): Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

   Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. (**Vesting of Convertible Securities**): Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

9. (**Exercise of Convertible Securities and cashless exercise**): To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

   At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

For personal use only

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

10. (**Delivery of Shares on exercise of Convertible Securities**): As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

11. (**Forfeiture of Convertible Securities**): Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. (**Change of control**): If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event. The Board may have regard to service period, performance and the circumstances of the Change of Control. The default position is generally that awards with 12 months or less remaining in the performance period vest in full, while other awards vest pro rata according to elapsed time; dealing restrictions cease; and exercisable securities must be exercised within any period specified by the Board.

13. (**Clawback and Malus**): The Board may apply clawback or malus where, acting in good faith, it considers this necessary to prevent a participant from receiving an unfair benefit. Relevant circumstances include fraud, dishonesty, material misstatement, serious misconduct, gross negligence, conduct outside the Group's agreed risk appetite resulting in material financial loss, material reputational harm, breach of duties or employment obligations, and certain criminal convictions or judgments.

The provisions may also apply where relevant facts concerning a former employee are discovered after cessation of employment, where financial statements or vesting assessments contained material errors or omissions, where an award is no longer justified by subsequently discovered information, or where another specified trigger in the invitation occurs.

Subject to applicable law, the Board has discretion over unvested, restricted or fully vested securities. It may reduce, cancel, forfeit or condition an entitlement; adjust vesting conditions or other award terms; extend dealing restrictions; require repayment of an award's value, sale proceeds, dividends or dividend equivalents; and adjust the participant's present or future incentive entitlements.

For personal use only

14. (**Modifiers**): Modifiers may also apply to Convertible Securities. Under the safety modifier, incentives will be reduced by up to 50% if a serious incident or fatality occurs; if there are no serious incidents or fatalities, incentives will remain at 100%.

    An overall modifier will also allow the Board to adjust incentives to reflect events outside management's control, while considering what management achieved in relation to matters within its control.

15. (**Rights attaching to Plan Shares**): All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

16. (**Disposal restrictions on Securities**): If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

17. (**Adjustment of Convertible Securities**): If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

    If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

    Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

18. (**Participation in new issues**): There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

19. (**Amendment of Plan**): Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

    No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

20. (**Plan duration**): The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

For personal use only

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
