4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2026 in the 2026 Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the Managing Director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2025 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2027 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

4.2 Additional information

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Re-election of Director – Mr Simon Lawson

5.1 General

Listing Rule 14.5 provides that there must be an election of Directors at each annual general meeting of the Company. This requirement applies even where no Director is required to stand for re-election by rotation under Listing Rule 14.4 or under the Company's Constitution.

For personal use only

Mr Simon Lawson and Mr David Coyne were recently elected as Directors at the General Meeting held on 29 April 2026. Despite the recency of their re-election, as Mr Evan Cranston is retiring at this Meeting and is not seeking re-election, and Mr Craig Jones is exempt from election requirements by virtue of his position as Managing Director, either Mr Lawson or Mr Coyne is required to retire and seek re-election at this Meeting.

By agreement, Mr Lawson will retire at this Meeting and being eligible, seek re-election pursuant to Resolution 2

If Resolution 2 is passed, Mr Lawson will retire at the conclusion of the Meeting and will be immediately re-elected as a Director.

If Resolution 2 is not passed, Mr Lawson will retire at the conclusion of the Meeting and will not be re-elected as a Director.

5.2 Mr Simon Lawson

Mr Lawson is a highly respected mining executive with extensive experience in exploration strategy, corporate leadership and capital markets. His impressive career in the Western Australian gold sector includes Jubilee Mines, Silver Lake Resources, Northern Star Resources and, most recently, Spartan Resources Limited (**Spartan**).

At Spartan, he led the team during the Company's transformation from a low grade open cut mining operation into an exploration and development focused company that delivered the high-grade Never Never and Pepper underground discoveries, which rapidly evolved into a globally recognised high-grade gold system and delivered significant shareholder value creation.

As chairman of the Company, Mr Lawson provides strategic leadership as the Company advances a discovery driven exploration growth strategy.

Mr Lawson is currently non-executive director of Gorilla Gold Mines Ltd (ASX: GG8) and Mammoth Minerals Limited (ASX: M79). Mr Lawson does not currently hold any other material directorships.

If re-elected, Mr Lawson is considered by the Board (with Mr Lawson abstaining) to be an independent Director. Mr Lawson is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

The Company confirms that it took appropriate checks into Mr Lawson's background and experience and that these checks did not identify any information of concern.

Mr Lawson has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 Board recommendation

The Board (other than Mr Lawson who has a personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of Resolution 2. In particular, it is noted that:

For personal use only

(a) Mr Lawson's contributions to the Board's activities to date have been invaluable and his skills, qualifications, experience will continue to enhance the Board's ability to perform its role; and

(b) Mr Lawson has been instrumental in developing the Company's exploration and evaluation strategy.

5.4 Additional information

Resolution 2 is an ordinary resolution.

6. Resolution 3 – Approval of 10% Placement Facility

6.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

6.2 Listing Rule 7.1A

(a) **Is the Company an eligible entity?**

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of $300 million or less.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately $143.74 million based on the closing price of Shares ($0.190) on 19 October 2026.

(b) **What Equity Securities can be issued?**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the eligible entity.

As at the date of the Notice, the Company has on issue one quoted class of Equity Securities, being Shares.

For personal use only

(c) **How many Equity Securities can be issued?**

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

Where:

A = is the number of Shares on issue at the commencement of the Relevant Period:

(A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

(B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:

(1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

(2) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;

(C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

(1) the agreement was entered into before the commencement of the Relevant Period; or

(2) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;

(D) plus the number of partly paid Shares that became fully paid Shares in the Relevant Period;

(E) plus the number of any other fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and

(F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity, and ‘Relevant Period’ has the relevant meaning given in Listing Rule 7.1 and 7.1A.2, namely, the 12 month-period immediately preceding the date of the issue or agreement.

D = is 10%.

For personal use only

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) **What is the interaction with Listing Rule 7.1?**

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 6.2(e)(i) above, the date on which the Equity Securities are issued, (**Minimum Issue Price**).

(i) the date that is 12 months after the date of the Meeting;

(ii) the time and date of the Company's next annual general meeting; or

(iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(**10% Placement Period**).

(g) **What is the effect of Resolution 3?**

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

(i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of convertible securities only if those convertible securities are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

(i) two examples where Variable A has increased, by 50% and 100%; and

(ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Notes:

1. The table has been prepared on the following assumptions:
   (a) The issue price is the current market price ($0.190), being the closing price of the Shares on ASX on 19 October 2026, being the latest practicable date before this Notice was signed.
   (b) Variable A comprises of 756,507,447 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
   (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
   (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
   (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
3. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

(i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;

(ii) the effect of the issue of the Equity Securities on the control of the Company;

(iii) financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 Additional information

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

For personal use only

The Board recommends that Shareholders vote in favour of Resolution 3.

7. Resolution 4 – Re-approval of Employee Securities Incentive Plan

7.1 General

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Shareholders approved the current Plan and the issue of up to 25,000,000 Equity Securities thereunder for a period of three years from the date of the Company's 2025 Annual General Meeting held on 26 November 2025.

Since that approval, in March 2026, the Company announced changes to its Board and management team. The change represents a transformational step-change for the Company with a focus on the next phase of growth at the Company's Ritz Gold project. As part of this step-change, the 25,000,000 Equity Securities approved under the Plan have been fully utilised to attract, retain and incentivise key executives, employees and consultants to deliver this next phase of growth.

The Company considers that the award of these Equity Securities were critical in attracting and retaining key personnel, aligning remuneration outcomes with performance and Company objectives across all management and employee levels in the Company and supporting the implementation of the Company's revised strategic direction.

The Company also considers that the previous fixed allocation of 25,000,000 Equity Securities has proven insufficient to provide flexibility required to effectively operate an employee incentive plan over a multi-year period, particularly in circumstances where the Company is planning to accelerate the rate of exploration activity and will be likely seeking to increase the quantity of experienced technical and support personnel engaged by the Company.

Accordingly, the Company is seeking Shareholder re-approval of the Plan but with a revised limit to issue up to approximately 8% of the Company's issued share capital as Equity Securities as at the date of this Notice.

The Company considers that re-approval of the Plan at an increased limit will provide sufficient flexibility to allow the Company to continue to make equity-based awards in the future to attract, retain and incentivise suitably qualified employees, directors and consultants and preserve cash resources by providing a portion of remuneration in the form of equity incentives. In addition, the Company considers that an 8% of issued share capital limit is consistent with market practice for many ASX listed companies that maintain employee equity incentive plans and is generally regarded as a reasonable balance between providing meaningful equity incentives and managing shareholder dilution.

Resolution 4 seeks Shareholder re-approval of the Plan and approval for the issue of up to 60,000,000 Equity Securities under the Plan in accordance with Listing Rule 7.2 Exception 13(b).

7.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over

For personal use only

any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue up to a maximum of 60,000,000 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 4 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either utilising the Company's placement capacity under Listing Rule 7.1, or conditional on the prior receipt of Shareholder approval.

7.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the Plan:

(a) A summary of the material terms of the Plan is in Schedule 2.

(b) Since the Plan was last approved by Shareholders at the Company's 2025 annual general meeting, as at the date of this Notice, 31,558,928 Equity Securities have been issued under the Plan.

(c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 4 is 60,000,000. The maximum number of Equity Securities is not intended to be a prediction of the actual number to be issued under the Plan but is specified for the purpose of setting a ceiling in accordance with Listing Rule 7.2 exception 13(b). It is not envisaged that the maximum number of Equity Securities for which approval is obtained will be issued immediately.

(d) A voting exclusion statement is included in the Notice.

7.4 Additional information

Resolution 4 is an ordinary Resolution.

The Board recommends that Shareholders vote in favour of Resolution 4.

8. Resolution 5 – Approval of potential termination benefits under the Plan

8.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

If Resolution 5 is not passed, the Company will not be able to offer ‘termination benefits’ to persons who hold a ‘managerial or executive office’ pursuant to the terms of the Plan.

The approval granted pursuant to this Resolution shall end upon the expiry of all Securities issued or to be issued under the Plan and regardless of whether the cap approved by Shareholders under and for the purposes of Listing Rule 7.2 exception 13(b) (the subject of 0) expires, is exceeded or re-refreshed from time to time.

8.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

(a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of

For personal use only

the Company) at the time of their leaving or at any time in the three years prior to their leaving; and

(b) Plan Securities at the time of their leaving.

8.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

(a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and

(b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules, without the Company obtaining Shareholder approval.

8.4 Additional information

Resolution 5 is an ordinary Resolution.

The Board declines to make a recommendation in relation to Resolution 5 due to the Directors' potential personal interests in the outcome of the Resolution.

9. Resolution 6 – Ratification of issue of Placement Shares

9.1 General

On 8 October 2026, the Company announced that it had secured commitments to raise approximately $25 million (before costs) via a single tranche placement (**Placement**). The Placement is comprised of an aggregate 131,578,948 Shares at an issue price of $0.19 per Share (**Placement Shares**).

On 16 October 2026, the Company issued the Placement Shares as follows:

(a) 87,180,346 Placement Shares using the Company's available placement capacity under Listing Rule 7.1; and

(b) 44,398,602 Placement Shares using the Company's available placement capacity under Listing Rule 7.1A.

For personal use only

Resolution 6(a) and Resolution 6(b) seek the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Placement Shares.

9.2 Listing Rules 7.1, 7.1A and 7.4

Refer to Section 7.2 above for a summary of Listing Rule 7.1.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit under Listing Rule 7.1 by an extra 10% to 25%. The Company obtained this approval at its 2025 annual general meeting.

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and 7.1A and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1 and 10% placement capacity under Listing Rule 7.1A. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rules 7.1 and 7.1A. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rules 7.1 and 7.1A (and provided that the previous issue did not breach Listing Rules 7.1 and 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1 and 7.1A.

If Resolution 6(a) is passed, 87,180,346 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 6(a) is not passed, 87,180,346 Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 87,180,346 Equity Securities for the 12-month period following the issue of those Placement Shares.

If Resolution 6(b) is passed, 44,398,602 Placement Shares will be excluded in calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 6(b) is not passed, 44,398,602 Placement Shares will continue to be included in the Company's 10% limit under Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 44,398,602 Equity Securities for the 12-month period following the issue of those Placement Shares (and assuming the Company's approval under Listing Rule 7.1A remains in force for this period).

The Company confirms that Listing Rules 7.1 and 7.1A were not breached at the time the Placement Shares were agreed to be issued.

9.3 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Placement Shares:

For personal use only

(a) Other than as disclosed below, the Placement Shares were issued to a range of institutional sophisticated and professional investors, none of whom are a related party or Material Investor of the Company.

Franklin Advisers and Regal Funds Management are substantial shareholders of the Company and subscribed for 21,578,948 and 15,789,474 of Placement Shares, respectively.

The recipients were identified through a bookbuild process, which involved Canaccord Genuity (Australia) Limited and Euroz Hartleys Limited (acting as joint lead managers) and Morgans Financial Limited (acting as co-manager) seeking expressions of interest to participate in the Placement from new and existing contacts of the Company and clients of the joint lead managers and co-manager.

(b) A total of 131,578,948 Placement Shares were issued under Listing Rules 7.1 and 7.1A as follows:

(i) 87,180,346 Placement Shares under Listing Rule 7.1; and

(ii) 44,398,602 Placement Shares under Listing Rule 7.1A.

(c) The Placement Shares are fully paid and rank equally in all respects with the Company's existing Shares on issue.

(d) The Placement Shares were issued on 16 October 2026 at $0.19 each.

(e) The proceeds from the Placement are intended to be applied towards:

(i) extensional and in-fill drilling across key deposits at the Ritz Gold Project, with the aim of expanding the current Mineral Resource estimate and increasing geological confidence;

(ii) testing regional exploration targets across the Company's South Kalgoorlie Gold Camp, with a view to unlocking the broader potential of the Company's land package;

(iii) supporting geophysical DHEM surveys, infrastructure and general operating activities;

(iv) corporate costs and general working capital; and

(v) transaction and other costs.

(f) There are no other material terms to the agreement for the issue of the Placement Shares.

(g) A voting exclusion statement is included in this Notice.

9.4 Additional information

Each of Resolution 6(a) and (b) is a separate ordinary resolution and are not inter-conditional.

The Board recommends that Shareholders vote in favour of Resolution 6(a) and (b).

10. Resolution 7 – Approval for change of Auditor

10.1 General

The Board resolved to appoint Grant Thornton as the Company's auditor based on the firm's reputation and experience. Grant Thornton is a registered company auditor, has had previous experience in conducting audits of public companies (listed and unlisted), and is a well-known and respected firm.

As a consequence, Hall Chadwick WA Audit Pty Ltd applied under section 329(5) of the Corporations Act for ASIC's consent to resign as auditor of the Company.

As at the date of this Notice, ASIC has not yet provided its consent to the resignation of Hall Chadwick WA Audit Pty Ltd as the Company's auditor. Accordingly, the appointment of Grant Thornton as auditor of the Company will become effective on the later of the date of receipt of ASIC's consent to the resignation, the date fixed by ASIC and the date this Resolution is passed (**Effective Date**)

Under section 327B(1)(b) of the Corporations Act, the Company must appoint an auditor to fill any vacancy in the office of auditor at each annual general meeting.

The Company does not believe that the audit quality will be diminished as a result of changing auditors.

Grant Thornton has given its written consent to act as the Company's auditor pursuant to section 328A(1) of the Corporations Act. As at the date of this Notice, Grant Thornton has not withdrawn that consent. Grant Thornton has not yet been paid for audit services provided to the Company.

The Company has received written notice of nomination from a member of the Company for Grant Thornton to be appointed as the Company's auditor, in accordance with section 328B of the Corporations Act. A copy of the notice of nomination is attached to this Notice at Schedule 3.

Accordingly, Resolution 7 seeks the approval of shareholders to appoint Grant Thornton as the Company's auditor.

10.2 Additional information

Resolution 7 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 7.

On receipt of a duly completed application from an Eligible Participant, the Company may grant the Participant the relevant number of securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. **Terms of Convertible Securities**

Each convertible security (**Convertible Security**) represents a right to acquire one or more Shares, subject to the terms and conditions of the Plan.

Unless permitted by the Plan, a Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security.

7. **Vesting of Convertible Securities**

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant

Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. If the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. **Exercise of Convertible Securities and cashless exercise**

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities, pay the exercise price (if any) to the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. **Cashless exercise**

At the time of exercise of the Convertible Securities, subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the market value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

10. **Delivery of Shares on exercise of Convertible Securities**

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue to that Participant the number of Shares to which the Participant is entitled under the Plan rules.

11. **Forfeiture of Convertible Securities**

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently, dishonestly, negligently or wilfully breached his or her duties to the Company Group, the Board will deem that all unvested Convertible Securities held by that Participant have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **Change of Control**

If a Change of Control Event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event.

13. **Rights attaching to Plan Shares**

All Shares issued under the Plan, including upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

14. **Disposal restrictions on Plan Shares**

Plan Shares may be subject to restrictions as to the disposal or other dealing by a Participant for a period, during which the Participant will not:

(a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or

(b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

15. **Adjustment of Convertible Securities**

If there is a reorganisation of the issued Share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

16. **Participation in new issues**

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares during the currency of the Convertible Securities without exercising the Convertible Securities.

17. **Compliance with Applicable Laws**

Notwithstanding the Plan rules or any terms of a security, no security may be offered, granted, vested or exercised, and no Share may be issued or transferred, if to do so would contravene any applicable laws.

Where monetary consideration is payable by the Eligible Participant, including in respect of the exercise price of Convertible Securities, the Company must reasonably believe when making an invitation:

(a) the total number of Plan Shares that are, or are covered by the securities that may be issued under an invitation; and

(b) the total number of Plan Shares that are, or are covered by the Securities that have been issued, or could have been issued in connection with the Plan in reliance on Division 1A of Part 7.12 of the Corporations Act at any time during the previous 3 year period prior to the date the invitation is made,

does not exceed:

(c) the issue cap percentage prescribed in the Constitution (if any); or

(d) if the Constitution does not specify an issue cap percentage, 5% of the total number of Shares on issue at the date of the invitation.

18. **Amendment of Plan**

The Board may amend the Plan, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation, to correct manifest error or is agreed to in writing by all Participants.
