Trading Halt Request

Clever Culture Systems Limited ("CCS" or the "Company") (ASX: CC5) requests that a trading halt be placed on its securities immediately, pending an announcement to the market in relation to a material capital raise.

It is anticipated that the capital raise will be used to provide additional funds for the development of a smaller desktop version of the APAS technology, to expand the product offering to include lower volume sterile drug manufacturing facilities.

The Company provides the following in support of its trading halt request, pursuant to ASX Listing Rule 17.1:

- The trading halt is requested whilst the Company is completing a capital raise;
- The trading halt is expected to be lifted by no later than commencement of trading on Tuesday, 3 November 2026, pending release of an announcement by the Company in relation to the capital raise;
- The Company is not aware of any reason that a trading halt should not be granted; and
- The Company is not aware of any other information necessary to inform the market about the trading halt.

This request was authorised by the Chair of the CCS Board.

Yours sincerely,

Ray Ridge
